All of the foregoing items shall be left on the Property, are included in the purchase price, and shall be transferred to Purchaser by a Bill of Sale at the time of Final Closing.

2. CLOSINGS:

Initial Closing: As used throughout this Agreement, "Initial Closing" or "date of Initial Closing" shall mean the date that this Agreement is signed by the respective parties and shall thereafter constitute a valid and enforceable contract, and during which time Seller, for consideration, shall transfer over to Purchaser all necessary documents other than legal title to the Property.

UNOFFICIAL COPY

Final Closing: As used throughout this Agreement, "Final Closing" or "date of Final Closing" shall be the date upon which Purchaser shall provide Seller with the full purchase price under this Agreement and Seller shall provide to Purchaser all documents necessary to transfer to Purchaser legal title to the Property, provided, however, that the Final Closing shall occur only if and when all covenants and conditions to be performed under this Agreement by Purchaser have been timely and fully performed. In no event shall the Final Closing occur after July 18, 2007, unless a written extension agreement is executed by Seller.

3. THE DEED:

a. If Purchaser shall first make all the payments and perform all the covenants and agreements in this Agreement required to be made and performed by Purchaser at the time and in the manner as set forth, Seller shall convey to Purchaser by a recordable, stamped general warranty deed with release of homestead rights, good title to the Property subject only to the following "permitted exceptions," if any: (a) general real estate taxes not yet due and payable; (b) special assessments confirmed after the date of this Agreement (if any); (c) building, building line and use of occupancy restrictions, conditions and covenants of record; (d) zoning laws and ordinances; (e) easements for public utilities; and (f) drainage ditches, feeders, laterals and drain tile, pipe or other conduit, if any.

b. The performance of all the covenants and conditions in this Agreement to be performed by Purchaser shall be a condition precedent to Seller's obligation to deliver the warranty deed.

4. **INSTALLMENT PURCHASE:** Purchaser hereby covenants and agrees to pay to Seller at Seller's address disclosed in this Agreement or to such other person or at such other place that Seller may from time to time designate in writing, the purchase price, tax and insurance escrow, interest on the balance of the purchase price remaining from time to time unpaid from the date of Initial Closing at the annual interest rate set forth below in Paragraph 4(c), all payable in the following manner:

- a. Interim interest from the date of closing through the end of the current month.;
- b. \$1,516.91 payable on February 18, 2006, representing Purchaser's payment for February 2006;
- c. \$1,516.91 payable on the first day of each and every month thereafter until July 18, 2007, when the full unpaid principal balance then remaining unpaid, together with any accrued and unpaid interest, shall become due and payable. Each monthly installment payment shall be applied as follows: first, to the payment of interest on the principal balance from time to time remaining unpaid at an interest rate of 11.00% per annum; second, to pay before delinquent all taxes and assessments which subsequent to the date of Initial Closing may become a lien on the Property; third, to pay insurance

UNOFFICIAL COPY

premiums falling due after the date of Initial Closing; and, fourth, to reduce the unpaid principal balance of the purchase price.

- d. All monthly installment payments are due on the twenty eighth day of each Respective month.

5. **LATE PAYMENTS:** In the event Seller receives any installment payment after the 18th calendar day of the month, Purchaser shall incur a late charge equal to five percent (5%) of the monthly payment, respectively \$75.84. In the event Seller receives any payment more than 15 days after the due date, Seller has the right to terminate this Agreement by giving Purchaser written notice of Seller's intention to do so. In the event Seller provides such written notice, Purchaser shall have 45 days from the original due date to cure the default by tendering all past due amounts, including but not limited to late fees. By way of example, if Purchaser's payment is due on June 18 and Seller does not receive the payment on or before July 3rd the following would occur:

- Purchaser would incur a 5% late fee beginning July 4th;
- If payment of the original amount **and** the late fee is not **received** by Seller on or before August 4th Seller may terminate this Agreement by providing written notice of Seller's intention to do so;
- After the written notice to terminate is sent by Seller, Purchaser shall have until August 19th in which to cure all defaults by tendering to Seller full payment of all past due amounts, including late fees;
- If Purchaser fails to make the full payment on or before August 19th this Agreement shall be terminated and Seller may immediately record the Quit Claim Deed executed by Purchaser with this Agreement, which is being held in escrow. By recording the Quit Claim Deed, any interest Purchaser may have acquired in the Property under this Agreement shall be fully transferred back to Seller.

6. **ESCROW ACCOUNT:** As security for the Purchaser's payment obligations under this Agreement, Purchaser hereby agrees that at the Initial Closing, an escrow account shall be created in Purchaser's name, for the sole purpose to offset gross monthly payment to seller. Purchaser shall deposit an amount equal to 18 interest only monthly installment payments. [see Paragraph 4(c)]. This escrow account shall be held in the name of Purchaser. If at any time Purchaser defaults with regard to any monthly installment payment, Seller shall have the right to withdraw funds from the escrow account to pay the outstanding installment payment. In such event, Purchaser, after receiving notice of Seller's withdrawal of all or any part of the escrowed funds, shall immediately replenish the escrow account to an amount equal to the account's principal balance immediately prior to any such withdrawal by Seller. **FAILURE OF PURCHASER TO SO REPLENISH THE ESCROW ACCOUNT SHALL CONSTITUTE A DEFAULT UNDER THIS AGREEMENT.** Notwithstanding the above, if Seller at any time does not exercise its rights under this Paragraph, Purchaser shall nonetheless be subject to the late payment provisions of Paragraph 5.

UNOFFICIAL COPY

7. **PURCHASER'S PREPAYMENT PRIVILEGE:** Purchaser may make additional payments of principal at any time under this Agreement without the imposition of any penalty or restriction (except that each such prepayment shall equal the sum of one or more of the principal components of the next payment coming due on the amortization schedule in use by the parties). Any such prepayment shall be first applied to the payment or payments next coming due.
8. **PAYMENT OF PROPERTY TAXES:** Purchaser covenants and agrees to be responsible for any and all real estate taxes and special assessments charged against the Property by any governmental entity that may have accrued before, on, or after the Initial Closing. The Seller shall not receive pro-rated property tax credits as part of the original purchase transaction; therefore the Seller shall not be responsible for any real estate taxes or special assessments charged against the Property through the date of Initial Closing. Until Final Closing, Purchaser shall actually pay the real estate taxes and/or special assessments from the escrow account that was established at the initial closing with the Purchasers' funds. Purchaser shall reimburse Seller for payment of all amounts so paid by Seller under this Agreement within thirty (30) days of Purchaser's receipt of a copy of a paid receipt therefore. An amount equal to \$135.00 of each monthly payment by Purchaser shall be utilized towards the payment of Purchaser's real estate tax and/or special assessment responsibility.
9. **PAYMENT OF HAZARD INSURANCE AND PRIVATE MORTGAGE INSURANCE:** Seller covenants and agrees to keep the Property insured against loss of fire, lightning, windstorm, and extended coverage risks in non-assessable policies written by standard solvent companies, to the full insurable value of the Property or to the amount of indebtedness hereunder, whichever is larger, either written in favor of or with suitable loss payee clauses making losses payable to the parties as their interests may appear, and to deliver such policies or renewals to Purchaser. Purchaser shall be responsible for the cost of the hazard (homeowner's) insurance covering the Property from the date of Initial Closing. An amount of \$57.33 of each monthly payment by Purchaser shall cover the cost of the hazard insurance. Purchaser shall reimburse Seller for the cost of the hazard insurance over and above the amounts paid by Purchaser within 30 days of the date requested by Seller. ~~Purchaser shall be responsible for the cost of the Private Mortgage Insurance covering the Property from the date of Initial Closing. An amount of \$ 30.00 of each monthly payment by Purchaser shall cover the cost of the Private Mortgage Insurance.~~
10. **EVIDENCE & AFFIDAVIT OF TITLE:** Seller shall furnish Purchaser at or prior to Final Closing with satisfactory evidence of title in the amount of the purchase price under this Agreement and subject only to those permitted exceptions set forth in Paragraph 3 of this Agreement, prior mortgages permitted in Paragraph 15 of this Agreement and unpermitted exceptions, if any, as to which the title insurer commits to extend insurance. In the event title to the Property is held in trust, the Affidavit of Title required to be furnished by Seller shall be signed by the Trustee and the beneficiary(s) of said Trust. All parties shall execute an "ALTA Loan and Extended Coverage Owner's

UNOFFICIAL COPY

Policy Statement" (ALTA Statement) and such other documents as are customary or required by the issuer of the commitment for title insurance.

11. **VIOLATION NOTICES:** Each party covenants and warrants to the other that they have no knowledge of any notice from any city, village or other governmental authority of any violations with respect to the Property.
12. **CONFORMITY TO LAWS & ORDINANCES:** Purchaser covenants and agrees to keep the Property at all times in compliance with all applicable laws and ordinances governing the Property, including but not limited to all building, fire protection, and/or zoning ordinances.
13. **PROHIBITION AGAINST LIENS & MAJOR ALTERATIONS:** Purchaser covenants and agrees that Purchaser shall not suffer or permit any encumbrance whatsoever to attach to the Property, nor to permit any mechanics or other liens to attach to the Property. Purchaser further covenants and agrees that Purchaser shall not at any time contract for major improvements or alterations to the Property without the prior written consent of Seller. Every contract for repairs and/or improvements on any part of the Property shall contain an express, full and complete waiver and release of any and all liens or claims or right of liens against the Property and no contract or agreement, oral or written, shall be made by Purchaser for repairs or improvements on the Property unless it shall contain such express waiver or release of lien upon that part of the party contracting, and a signed copy of every contract and of the plans and specifications for such repairs and/or improvements shall be properly delivered to and may be retained by Seller.
14. **PRESERVATION, MAINTENANCE AND PROTECTION OF PROPERTY; INSPECTIONS:** Purchaser shall not commit waste or destroy, damage or substantially change the Property or allow the Property to deteriorate, reasonable wear and tear excepted. Purchaser agrees to rebuild or restore any part of the Property that becomes destroyed or damaged, from whatever cause, within a reasonable time after such destruction or damage. Seller may inspect the Property at any time to assess the Property's condition, including when the Property appears or is in fact vacant or abandoned, or when this Agreement is in default. Seller may take all reasonable actions to protect and preserve the Property.
15. **PRIOR MORTGAGE BY SELLER:** Seller reserves the right to keep or place a mortgage or trust deed ("prior mortgage") against the title to the Property with a balance including interest not to exceed the balance of the purchase price unpaid at any time under this Agreement, the lien of which prior mortgage shall, at all times notwithstanding that this Agreement may be recorded, be prior to the interest that Purchaser may have in the Property, and Purchaser expressly agrees upon demand to execute and acknowledge together with Seller any such mortgage or trust deed (but not the notes secured by the mortgage or trust deed), if necessary. No mortgage or trust deed placed on the Property, including any such prior mortgage, shall in any way accelerate the time of payment provided for in this Agreement or provide for payment of any amount, either interest or principal, exceeding that provided for under this Agreement, or

UNOFFICIAL COPY

otherwise be in conflict with the terms and provisions of this Agreement, nor shall such mortgage or trust deed in any way restrict the right of prepayment given to Purchaser under Paragraph 7.

16. **PURCHASER'S INTEREST:** IT IS AGREED BETWEEN THE PARTIES THAT NO RIGHT, TITLE OR INTEREST, LEGAL OR EQUITABLE, IN THE PROPERTY OR IN ANY PART THEREOF SHALL VEST IN THE PURCHASER UNTIL THE DEED SHALL BE DELIVERED TO THE PURCHASER AT THE FINAL CLOSING.
17. **ASSIGNMENT:** Purchaser shall not transfer, pledge or assign this Agreement, or any interest herein or hereunder, without the prior written consent of Seller. Any violation or breach or attempted violation or breach of the provisions of this paragraph by Purchaser, or any acts inconsistent herewith, shall vest no right, title or interest in the Property in any such transferee, pledge or assignee, but Seller may, at Seller's option, declare Purchaser in default under this Agreement and invoke the provisions of this Agreement relating to forfeiture.
18. **ADVANCES BY SELLER:** In the event Purchaser fails to keep the Property free of mechanics or other liens, or in compliance with municipal ordinances or other applicable laws, Seller may (but need not) discharge or purchase any such liens affecting the Property, and correct any violation of any applicable ordinance or law. Purchaser agrees to reimburse Seller immediately, with or without demand, all sums expended by Seller. Any outstanding amounts not paid by Purchaser immediately shall accrue interest at 10 $\frac{3}{4}$ %, and such interest shall be due from Purchaser at the time of reimbursement. The failure to reimburse Seller any outstanding amounts shall constitute a default under this Agreement.
19. **REIMBURSEMENT OF EXPENSES:** If at any time Purchaser defaults under this Agreement in any way specified herein, and Seller incurs costs and/or reasonable attorney's fees to either have Purchaser cure the default or to otherwise enforce the terms of this Agreement, by way of litigation or otherwise, Purchaser agrees to reimburse Seller any and all costs and/or reasonable attorney's fees incurred by Seller in taking such action, as well as for defending any proceeding to which Seller is made a party as a result of the acts or omissions of Purchaser in any way relating to the Property.
20. **SELLER'S REMEDIES:** If Purchaser fails to pay any installment of other payment due under this Agreement or to perform any of Purchaser's obligations under this Agreement, this Agreement shall, at the option of Seller, be terminated and Purchaser shall forfeit all payments made under this agreement, including all amounts held in escrow by Seller. In such event, Seller shall have the right to re-enter and take possession of the Property. Nothing contained within this Agreement shall act to limit Seller's rights and remedies as provided by law or equity.
21. **FINAL CLOSING DATE:** Purchaser shall be entitled to delivery of the Warranty Deed, Affidavit of Title and a Bill of Sale to the personal property to be

UNOFFICIAL COPY

transferred to Purchaser under this Agreement at any time upon payment of all amounts due hereunder in the form of cash, money order, cashier's check or other certified funds made payable to Seller. At the time of delivery of the Warranty Deed, Purchaser and Seller shall execute and furnish such real estate transfer declarations as may be required to comply with State, County or local law. Seller shall pay the amount of any stamp tax then imposed by State or County law on the transfer of title to Purchaser, and Purchaser shall pay any such stamp tax and meet other requirements as then may be established by any local ordinance with regard to the transfer of title to Purchaser unless otherwise provided in the local ordinance.

22. TITLE IN TRUST:

a. In the event that title to the Property is held in or conveyed into a trust prior to the Final Closing, it shall be conveyed to Purchaser when and if appropriate under the terms of this Agreement in accordance with the provisions of Paragraph 3, except that the conveyance shall be by Trustee's Deed.

b. The beneficiary or beneficiaries of and the person or persons with the power to direct the Trustee shall cumulatively be deemed to jointly and severally have all of the rights benefits, obligations and duties by the Seller to be enjoyed or performed hereunder and such person or persons with the power to direct the Trustee jointly and severally agree to direct the Trustee to perform such obligations and duties as such persons or the beneficiaries may not under the terms of the Trust Agreement do or perform themselves directly.

c. If, at the time of execution of this Agreement, title to the Property is not held in a trust, Seller agrees that upon the written request of Purchaser any time prior to the Final Closing, Seller shall convey title into a trust and comply with subparagraphs (a) and (b) of this Paragraph 22 with Purchaser paying all trust fees and recording costs resulting there from.

23. **PROHIBITION AGAINST LEASING:** Purchaser shall not lease any part of the Property at any time without Seller's prior written consent.

24. **CAPTIONS AND PRONOUNS:** The captions and headings of the various paragraphs of this Agreement are for convenience only, and are not to be construed as confining or limiting in any way the scope or intent of such provisions. Whenever the context requires or permits, the singular shall include the plural, the plural shall include the singular and the masculine, feminine and neuter shall be freely interchangeable.

25. **PROVISIONS SEVERABLE:** The unenforceability or invalidity of any provision or provisions in this Agreement shall not render any other provisions unenforceable or invalid.

UNOFFICIAL COPY

26. **BINDING ON HEIRS; TIME OF ESSENCE:** This Agreement shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors and assigns of Seller and Purchaser. Time is of the essence in this Agreement.

28. **NOT BINDING UNTIL SIGNED:** A copy of this Agreement duly executed by Seller shall be delivered to Purchaser or Purchaser's attorney on the date of Initial Closing.

29. **REAL ESTATE BROKER:** Seller and Purchaser represent and warrant that no real estate brokers were involved in any aspect of this transaction.

However, your thirty (30) day period to dispute the validity of the debt begins on the date of your actual receipt of this notice. As such, it is possible that the forty (40) day period will expire before the thirty (30) day period expires, (for example, this could occur if you receive this notice more than ten days after the date that it was mailed to you.)
