Such receiver shall have power to collect the rents, issues and profits of said premises during the pendency of such foreclosure suit and, in case of sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, as well as during any further times when Mortgagors, except for the intervention of such receiver, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. 17. Mortgagee shall release this mortgage and lien thereof by proper instrument upon payment and discharge of all indebtedness secured hereby and payment of a reasonable fee to Mortgagee for the execution of such release.
