The By-Laws of the Association as originally adopted at the time the Association was formed almost forty years ago provide that the Board of Directors which is responsible for the administration of the property should have nine members. A large Board was common at that time. Since we now have only seven directors, the Board recommends that it now be reduced to seven members for the following reasons:

- Most associations today have fewer than nine members, with five being a common number.
- The Board's governing process would be more efficient.
- The board could act, where appropriate as a "committee of the whole".
- Meetings would be far easier to arrange.

Our By-Laws require that homeowners (having an aggregate total of 66.67% of the percentage-of-ownership of the common elements) must approve the change to seven board members. Accordingly, attached are a copy of the proposed amendment to do so and a ballot for you to indicate your preference.

Please indicate your preference on the ballot, below. Then, sign and date it and bring it to the office or the services center or leave it at the lobby desk, no later than 12/31/08.

If you have any questions, please call the office (256-4356) or send an email message to: the1500hoa@sbcglobal.net

The By-Laws of the Association as originally adopted at the time the Association was formed almost forty years ago provide that the Board of Directors which is responsible for the administration of the property should have nine members. A large Board was common at that time. Since we now have only seven directors, the Board recommends that it now be reduced to seven members for the following reasons:

- Most associations today have fewer than nine members, with five being a common number.
- The Board's governing process would be more efficient.
- The board could act, where appropriate as a "committee of the whole".
- Meetings would be far easier to arrange.

Our By-Laws require that homeowners (having an aggregate total of 66.67% of the percentage-of-ownership of the common elements) must approve the change to seven board members. Accordingly, attached are a copy of the proposed amendment to do so and a ballot for you to indicate your preference.

Please indicate your preference on the ballot, below. Then, sign and date it and bring it to the office or the services center or leave it at the lobby desk, no later than 12/31/08.
