Dear Ben Greazel:

You have applied for a permit with the Village of Glenview (Village) for installing a paver lined driveway at the following property:

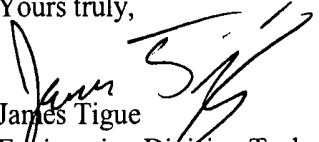

LOT 22 IN CENTRAL PARK UNIT NUMBER 2, A SUBDIVISION OF PART OF THE NORTHWEST QUARTER OF FRACTION SECTION 7, TOWNSHIP 41 NORTH, RANGE 13, EAST OF THE THIRD PRINCIPAL MERIDIAN, IN COOK COUNTY, ILLINOIS.

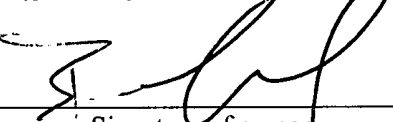

You have indicated that the paver lined driveway shall be constructed within the Village right-of-way of the above described property.

Please be advised that the Village will allow construction within Village right-of-way however this is not a release or waiver of any rights the Village, or other utility companies, may have in or to the right-of-way. This letter also does not waive any zoning or building permit requirements for this or future construction within Village right-of-way.

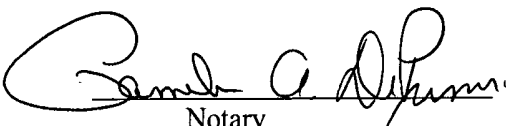

In closing, please be aware that the Village **will not** be responsible for the replacement of, or any damages to, the pavers within right-of-way, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

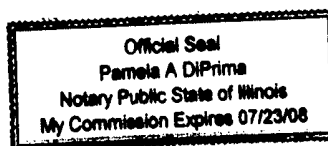

Yours truly,
