Dear Mr. Gartner:

You have informed the Village of Glenview Engineering Department that you are constructing a Fence at the following property:

LOT 131 IN CONCORD AT THE GLEN UNIT 2 FALLING IN THAT PORTION OF LOT 37 IN GLENVIEW NAVAL AIR STATION SUBDIVISION NO. 2 BEING A SUBDIVISION OF PART OF SECTIONS 15, 21, 22, 23, 26, 27, 28 AND 34, TOWNSHIP 42 NORTH, RANGE 12, EAST OF THE THIRD PRINCIPAL MERIDIAN, RECORDED JANUARY 3, 2001 AS DOCUMENT 0010004438, IN COOK COUNTY, ILLINOIS.

In addition, you have indicated the FENCE shall encroach into the easement along the side and rear property lines of the above described property. Maintain 5 feet of separation from storm sewer on the east property line and in the rear yard. Please contact JULIE for the locations of utilities at 1-800-892-0123 before commencing work, and provide your contractor with a copy of this letter.

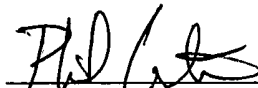

Please be advised that the Village of Glenview will allow an encroachment into the above mentioned easement for the construction of the above described fence. However, this is not a release or waiver of any rights the Village of Glenview may have within the easement. Similarly this letter does not wave any zoning or building permit requirements for the construction.

In closing, let me advise you the Village of Glenview will not be responsible for the replacement of or any damages to, the FENCE within the easement, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

Yours truly,

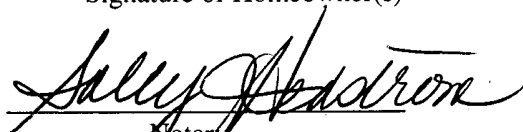

James Tigue
