Dear Michael Mazzei:

You have informed the Village of Glenview Engineering Department that you are constructing a Fence at the following property:

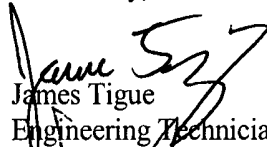

LOT 53 IN SUNSET PARK UNIT NO. 5, BEING A SUBDIVISION OF PART OF THE WEST HALF OF THE SOUTHEAST QUARTER OF THE SOUTHEAST QUARTER OF SECTIN 26, TOWNSHIP 42 NORTH, RANGE 12, EAST OF THE THIRD PRINCIPAL MERIDIAN, IN COOK COUNTY, ILLINOIS.

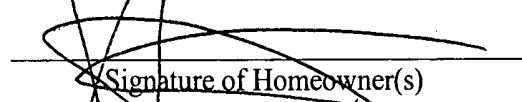

In addition, you have indicated the Fence shall encroach into the easements along the WEST property line of the above described property. Please contact JUIE for the locations of utilities at 1-800-892-0123 before commencing work, and provide your contractor with a copy of this letter.

Please be advised that the Village of Glenview will allow an encroachment into the above mentioned easement for the construction of the above described Fence. However, this is not a release or waiver of any rights the Village of Glenview may have within the easement. Similarly this letter does not wave any zoning or building permit requirements for the construction.

In closing, let me advise you the Village of Glenview will not be responsible for the replacement of or any damages to, the FENCE within the easement, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

Yours truly,

James Tigie
Engineering Technician
