All Owners, jointly and severally, shall indemnify, hold harmless, protect and defend any and all of the Protected Parties against all claims, suits, losses, damages, costs and expenses, including, without limitation, attorneys fees and amounts paid in reasonable settlement or compromise incurred in connection therewith.

Vacancies may be filled or new offices created and filled by any meeting of the Board. Each officer shall hold office until his successor shall have been duly elected and shall have qualified. Any officer may resign at any time by giving written notice to the Board. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. A vacancy in any office because of death, resignation, removal, disqualification or otherwise, may be filled by the Board for the unexpired portion of the term. The office of Vice President may be kept vacant for any period of time if the Board of Directors declines to fill such office during such period. 5.17 ARCHITECTURAL CONTROL COMMITTEE

(a) Membership. The Architectural Control Committee shall consist of three Owners who shall be appointed by the Board. Until the initial meeting of voting members, the Developer shall act in lieu of the Architectural Control Committee.

(b) Powers and Duties. The Architectural Control Committee shall have the following powers and duties:

(i) To review requests by Owners for approval of any exterior addition to or modification or alteration to a Townhouse or the Architectural Control Committee and, subject to final approval thereof by the Board, to render decisions thereon.

(ii) To propose to the Board rules, regulations and procedures concerning exterior maintenance, repair, landscaping, fences and the enforcement of the provisions of this Declaration in relation thereto.

(iii) The Architectural Control Committee shall have such other powers and duties as the Board shall from time to time delegate.

(c) Procedures. Any matter requiring the approval of the Architectural Control Committee shall be submitted to the Architectural Control Committee in writing and, if approved of any alteration or addition to a Townhouse shall be requested, shall include preliminary design drawings, plans and specifications, elevations, landscaping schemes and descriptive materials showing the size, color, design, configuration, height, shape and materials of such alteration or addition. Within a reasonable time, not exceeding thirty (30) days after receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing.

(i) Whether such Owner's request has been approved or denied and if denied, the specific reasons therefor; or

(ii) Whether the Architectural Control Committee requires additional information, plans or other materials to render a decision, in which case such additional items shall be furnished as expeditiously as possible.

If additional items shall be required pursuant to subsection (b) above, within a reasonable period of time not exceeding ten (10) days from the date of receipt of all such items, the Architectural Control Committee shall advise such Owner and the Board in writing whether such Owner's request has been approved or denied and if denied, the specific reasons therefor. If such Owner's request for approval shall have been denied, such Owner shall have the right to

appeal the decision of the Architectural Control Committee to the Board pursuant to Section 5.17(d) hereof.

(d) Right of Appeal. Any adverse decision of the Architectural Control Committee may be appealed to the Board, which shall render a final decision as to the matter in question. An Owner desiring to appeal shall so advise the Board in writing. The Board shall consult with the Architectural Control committee and such Owner, shall review the plans and other materials submitted by such Owner, and shall render a written decision as to the matter under consideration as expeditiously as practical. In rendering its decision, the Board shall take into consideration the criteria set forth in Section 7.05, the matter under review, and such other factors as the Board deems relevant in respect to the overall enhancement and presentation of the value and desirability of the Property.

(e) Review Criteria. In evaluating requests by Owners for approvals required of the Architectural Control Committee hereunder, the factors to be considered by the Architectural Control Committee shall include the following:

(i) The architectural integrity and compatibility of any proposed exterior modification to a Townhouse with the design, color scheme and materials of such Townhouse as originally constructed.

(ii) The aesthetic effect of any proposed modification to exterior fences or exterior lighting.

(iii) The Architectural Control Committee shall also consider such other factors as it deems relevant in assessing the overall effect of the Owner's request upon the maintenance and operation of the Property.

5.18 By-Laws. This Article Five shall constitute, and be deemed to be, the By-Laws of 2127-2131 S. Tan Court Townhomes Association. Provisions of these By-Laws may be amended by affirmative vote of two-thirds (2/3) of Townhouse Owners in the manner set forth in Section 8.03 hereof.

ARTICLE SIX

ASSESSMENTS

6.01 Personal Obligation. Each Owner (except for the Declarant and Developer), by acceptance of a deed for a Townhouse, whether or not it shall be so expressed in any such deed or other conveyance for such townhouse, hereby covenants and agrees to pay to the Association such assessments and fees as are levied pursuant to the provisions of this Declaration. Such assessments and fees, whether special or otherwise, not paid when due, together with interest thereon at the rate of ten (10%) percent per annum, late fees (as the

Board shall, from time to time, determine), and costs of collection, including attorneys' fees incurred in respect thereto whether or not suit shall be instituted, shall be a charge and a continuing lien upon the Townhouse, against which such assessment is made. Furthermore, each such assessment, together with such interest, costs, late fees and other fees, shall be the personal obligation of the person who was the Owner of such Townhouse on the date upon which such assessment became due. No Townhouse or any interest therein may be transferred, sold or beneficial interest transferred (where title is held in land trust) by its Owner until such time as all outstanding assessments, together with any interest, costs, late fees and other fees, are paid to the Association, and any such transfer or sale in violation of this restriction shall be subject to the provisions hereof. The Developer or Declarant, to the extent that it shall be an Owner of any Townhouses which are leased to any person, shall, as to each such leased Townhouse, be subject to the provisions of this Article from and after the first day of the month in which the Developer first receives rent for such Townhouse. Except as provided in the preceding sentence, the Developer and Declarant shall not be liable for the payment of assessments hereunder, and portions of the Property owned by the Developer or Declarant shall not be subject to liens hereunder; provided, however, that the Developer shall pay the actual costs incurred by the Association attributable to the maintenance and repair of those portions of the Property owned by the Developer or Declarant.

6.02 Purpose of Assessment. The assessments and fees levied by the Association shall be used for the following purposes: (a) paying the cost of maintenance, repair and insurance of the Private Drive, including the cost of labor, equipment, services (including utilities and security services, accountants', attorneys' and other professional fees, licenses and permits) and the materials in connection therewith; (b) the establishment of such reasonable reserves, if any, as the Board deems appropriate, (c) the performance of the duties of the Board as set forth in this Declaration, including the enforcement of the provisions thereof, (d) the payment or real estate taxes and special assessments for the Private Drive, and (e) in general, carrying out the purposes of the Association as stated in this Declaration.

6.03 Annual Assessments. Each year, on or before December 1, the Board shall estimate the total amount (the "Aggregate Annual Assessment") necessary to provide the materials and services which will be required for the ensuing calendar year in the operation of the Association and shall notify each Owner in writing as to the amount of the Aggregate Annual Assessment with a reasonable itemization thereof and of the amount thereof allocable to such Owner. Except as provided in this Declaration, each Owner (with the exception of the Developer and Declarant unless otherwise hereunder provided) shall be allocated that portion of the Aggregate Annual Assessment as shall be determined either by dividing the Aggregate Annual Assessment by the total number of Townhouses on the Property or in the proportion as determined by the ratio of the square footage of the townhome in relation to the square footage of the other townhomes as reasonably determined by the Board. On or before January 1 of the ensuing year, and on the first day of each and every month of said year, each Owner shall be personally liable for and obligated to pay one-twelfth (1/12) of the portion of the Aggregate Annual Assessment allocated to such Owner unless it is determined by the Board that such payments shall be made on a different basis during the calendar year. Upon the creation of the Association, the Board shall determine an initial Aggregate Annual Assessment for the period

commencing with the incorporation date of the Association and the end of the calendar year in which it is incorporated.

6.04 Special Assessments. In addition to the annual assessments authorized pursuant to Section 6.03, the board may at any time or from time to time levy special assessments. Special assessments shall be levied for the purpose of defraying, in whole or in part, the cost incurred by the Association for any repair, replacement, maintenance, serve, labor, materials or capital improvement, not provided for in the Aggregate Annual Assessment for the then current calendar year. Except for special assessments which in the aggregate shall not exceed in any one twelve-month period the sum of \$200.00 per assessed Townhouse, any special assessment shall first be approved by the affirmative votes of not less than one-half (1/2) of the votes cast at the annual or a special meeting of the Members called and held in accordance with the provisions hereof. Special assessments shall be allocated to each Owner in the same manner as such Owner's respective share of the Aggregate Annual Assessment unless the Board shall determine that the benefits of any expense or any part thereof accrue to fewer than all of the Townhouses or to certain Townhouses in a greater degree to fewer than all of the Townhouses or to certain Townhouses in a greater degree than to other Townhouses, in which case the Board shall serve notice on the responsible parties of any such special assessment, or part thereof, which notice shall consist of a written statement setting forth the reason therefor, the amount and date on which such assessment (or installment thereof) shall become due and payable. The Developer shall be liable for the payment of special assessments on only those Townhouses for which the Developer is obligated to pay a regular assessment.

6.05 Notice and Quorum. Written notice of any meeting called for the purpose of authorizing any special assessment requiring approval pursuant to Section 6.04 hereof shall be sent to all members of not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At such meeting, the presence in person or by proxy of Members entitled to cast at least one-half (1/2) of all the votes shall constitute a quorum.

6.06 Proof of Payment. Upon written demand of an Owner or mortgagee at any time, the Association shall furnish such Owner or mortgagee a written certificate signed by an officer of the Association setting forth whether there are any unpaid annual or special assessments, interest, costs, late fees or other fees levied against such Owner's Townhouse. Such certificate shall be conclusive evidence of payment of any annual or special assessments, interest, costs, late fees or other fees not stated therein as unpaid.

6.07 Nonpayment of Assessments. Any assessment which is not paid when due shall be deemed delinquent. If an assessment is not paid within ten (10) days after the delinquency date, such assessment shall bear interest at the rate provided in Section 6.01 from the delinquency date until paid, and the Board may impose a late charge as provided in Section 6.01. In the event of the failure of any Owner to pay any assessment, maintenance charge, interest charge, late fee or other fees or costs of collection, when due, the amount thereof shall constitute a lien on the Townhouse of such Owner. The Board shall, in the name of and on behalf of the Association, have all rights and remedies to enforce such collections as shall from time to time be permitted by law, including bringing an action at law or in equity against such

Owner and foreclosing the aforesaid lien. All expenses of the Association in connection with such action or proceedings, whether or not suit shall be instituted, including attorney's fees and court costs and other fees and expenses shall be charged to and assessed against such Owner) and shall be added to and deemed part of his assessments, and the Association shall have a lien for all of the same upon the Townhouse of such Owner.

6.08 Subordination of Lien to Taxes and Mortgage. The lien of the assessments provided for herein shall be subordinate to (a) taxes, special assessments and special taxes theretofore or thereafter levied by any political subdivision or municipal corporation of this state or other state or federal taxes which by law are a lien on such Townhouse prior to pre-existing recorded encumbrances thereof, and (b) the lien of any prior, recorded mortgage or trust deed on a Townhouse.

6.09 Exemption from Assessment on Townhome Owned by Developer and Declarant. In order that those townhouses which are improved and conveyed or leased by Developer, Declarant or its agents may, with reasonable promptness, receive the benefits of maintenance by the Association for the enjoyment of the residents of the Property, and also be subject to assessments therefor, and so as not to discourage the Developer and Declarant from voting for such assessments at such times as the Developer and Declarant may still own a substantial number of unoccupied Townhouses, and inasmuch as assessments levied against such Townhouses impose a burden on the Developer and Declarant without the Developer and Declarant desiring, or receiving the benefits of maintenance upon such Townhouses as may from time to time be provided by the Association. It is therefore expressly provided that no Townhouse owned by the Developer and Declarant shall be subject to the assessments, charges and liens provided for herein until the date upon which such Townhouse shall be conveyed to a bona fide purchaser or leased to any person who shall have commenced to pay rental therefor or sold pursuant to installment contract or articles of agreement for deed; provided, however, that each year, until the initial meeting of the elected Board pursuant hereto, the Developer shall contribute to the Association the amount, if any, by which the operating expenses of the Association incurred or paid during such year (exclusive of any amounts allocated to reserves) exceed the gross revenues of the Association during such year.

Upon the conveyance or leasing by Developer or Declarant of a Townhouse which was theretofore entitled to the foregoing exemption from assessments, such Townhouse and the Owner thereof shall immediately become subject to the payment of all assessments and other charges and the liens provided for herein.

6.10 Delay. The failure or delay of the Board to prepare or transmit to any Owner an Aggregate Annual Assessment in respect of any calendar year shall not constitute a waiver or release in any manner of such Owner's obligation to pay the monthly assessments or special assessments whenever assessed, and in the absence of any Aggregate Annual Assessment, unless otherwise determined by the Board, such Owner shall continue to pay the Board the monthly assessments in the installments in force and effect as of the most recent Aggregate Annual Assessment until a new Aggregate Annual Assessment shall become effective.

6.11 Use of Funds. All funds collected by the Board hereunder shall be held and expended for the benefit of the Owners and the Associate and for the purposes designated herein.

ARTICLE SEVEN

GENERAL

7.01 Amendment by Developer. This Declaration may be amended by the Developer in any manner prior to the conveyance by Developer of any Townhouse. The Developer reserves the right to record a special amendment ("Special Amendment") to this Declaration at any time and from time to time which amends this Declaration (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Association, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs or may in the future perform functions similar to those currently performed by such entities, (ii) to induce any of such agencies or entities (including without limitation any bank or savings association) to make, purchase, sell, insure or guarantee first mortgages covering Townhouses, or (iii) to correct clerical or typographical errors in this Declaration or any Exhibit hereto or any supplement or amendment thereto. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Developer to make any change or modification as authorized hereunder on behalf of each Owner and their respective mortgagees as attorney-in-fact for such Owner. Each deed, mortgage, trust deed, or other evidence or obligation affecting a Townhouse and the acceptance thereof shall be deemed to be a grant and acknowledgment of and a covenant and reservation of the power of the Declarant as aforesaid. Such amendment shall become effective upon recording in the office of the Recorder of Deeds of Cook County, Illinois. The right of Developer to act pursuant to rights reserved or granted under this Section shall terminate at such time as the Developer no longer holds or controls title to a Townhouse at the Property.

7.02 Severability. Invalidation of all or any portion of any of the covenants, restrictions, easements, conditions, reservations, liens, and charges imposed by this Declaration, by legislation, judgment or court order shall in no way affect any other provisions of this Declaration, all of which shall remain in full force and effect.

7.03 Amendment. After the initial meeting of the voting members, the provisions of this Declaration may be amended by an instrument executed and acknowledged by the Board and approved by the Owners of not less than two-thirds (2/3) of the Townhouses which are subject to the provisions of this Declaration. An Amendment shall not be effective until it is recorded in the office of the Recorder of Deeds of Cook County, Illinois.

7.04 Notices. Any notice required or permitted to be given under this Declaration and the By-Laws shall be in writing. Any notice hereunder may be served either by prepaid United

States mail or by delivery in person; provided, however, that notice of the Developer or Declarant, the Association or the Board may only be served by mail. Any such notice served by mail shall be addressed or delivered as follows:

(1) If to Owner, to the person or persons and addressed as reflected as such Owner on the books of Developer or the Association.

(2) If to any devisee or personal representative of a deceased or incompetent Owner, to such devisee or personal representative at the address of such Owner, as reflected on the books of the Association or to the address of such devisee or personal representative set forth in the records of the court in which the estate of such deceased or incompetent Owner is being administered;

(3) If to the Association:

To the Registered Agent

(4) If to the Developer:

Parkshore Commons Limited Partnership
c/o Richview II, Inc.
3016 S. Halsted Street
Chicago, Illinois 60608

(5) If to a mortgagee of a townhouse, at the address provided by an Owner for such mortgagee or as otherwise reflected on the books of the Developer or the Association.

The Developer, the Board or the Association may designate different respective addresses by written notice of such change of address to all Owners. All Owners may designate a different address by written notice of such change of address to the Developer, the Association and the Board. Any first mortgagee of a Townhouse may designate a different address by written notice of such change of address to the Developer, the Association and the Board. All notices shall be deemed served three (3) days after such notice was deposited in the United States mail, or on the day and at the time delivered in person.

7.05 Ownership of Private Drive and Common Facilities. Title to the Private Drive shall be held initially by the Declarant. Until all the Townhouses have been sold by the Declarant, or sooner at the option of the Declarant, Declarant shall retain such title to the Private Drive. At such time as all the Townhouses are sold, or sooner at the option of the Declarant, title to the Private Drive shall be transferred by the Declarant to the Association by Declarant's quitclaim deed and other appropriate documentation.

7.06 Titleholding Land Trust. In the event title to any Townhouse is conveyed to a title holding trust, under the terms of which all power of management, operation and control of such Townhouse remains vested in the trust beneficiary or beneficiaries, then the beneficiary or

beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Townhouse. No claim shall be made against any such titleholding trustee personally for payment of any lien or obligations hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon such Townhouse and the beneficiaries of such trust notwithstanding any transfers of the beneficial interest of any trust or any transfers of title to such Townhouse.

7.07 Duration. The covenants, restrictions, conditions, reservations, liens and charges imposed or established by or created under this Declaration shall run with and bind the land for a period of forty (40) years from the date of the recording of this Declaration. Failure by the Association or any Owner to so enforce the provision contained herein shall in no event be deemed waiver of the right to do so thereafter. After the expiration of said forty (40) year period, all of such covenants, restrictions, conditions, reservations, liens and charges shall continue to run with and bind the land for successive periods of ten (10) years each unless revoked, changed or amended in whole or in part, by an instrument in writing which is executed by the Owners of not less than two-thirds of the holders of first mortgages on the Townhouses.

7.08 Conflicts between Declaration and City Ordinances. In the event there is at any time a conflict between any provision of this Declaration and any provision of the Municipal Code of the City of Chicago or any City Ordinance, rule or regulation, then the provision of the Municipal Code of the City of Chicago or City Ordinance, rule or regulation shall prevail, but only to the extent it is more restrictive than this Declaration.

7.09 Captions. The Article and Section headings herein are intended for convenience only and shall not be construed with any substantive effect in this Declaration.

7.10 Liberal Interpretation. This Declaration shall be liberally construed so as to facilitate and promote the objectives of the Declaration hereinabove set forth and to protect the integrity of the Development. Narrow, technical and literal construction of this instrument, inconsistent with the intent and objectives of the Trustee, Developer and Association shall be avoided.

7.11 Gender, Usage of Singular and Plural Forms, and other Usage. Whenever the context so requires, use of the plural form shall include the singular, use of the singular form shall include the plural and any gender shall be deemed to include both genders.

7.12 No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied of all or any part of the Property to or for any public use or purpose whatsoever.

7.13 Mortgages. Nothing herein contained shall preclude a bank, savings and loan association, insurance company or lender from holding a mortgage on any Townhouse, and

such lending institution shall have an unrestricted, absolute right to accept title to the Townhouse in settlement and satisfaction of said mortgage or to foreclose the mortgage in accordance with the terms thereof and the laws of the State of Illinois and bid upon said Townhouse at the foreclosure sale.

7.14 **Trustee Exculpation.** This declaration is executed by Lakeside Bank, in the exercise of power and authority conferred upon and vested in it as such trustee (and said trustee hereby warrants that it possesses full power and authority to execute this instrument). It is expressly understood and agreed by every person, firm or corporation hereafter claiming any interest under this declaration that said trustee as aforesaid, an not personally has joined in the execution of this declaration for the sole purpose of subjecting the title holding interest and trust estate under said Trust No. 10-1912 to the terms of this declaration; and any and all obligations, duties, covenants and agreements of every nature herein set forth by said trustee, as aforesaid to be kept or performed are intended to be kept, performed and discharged by the beneficiaries under said trust or their successor, and not by said trustee personally, and further, that no duty shall rest upon Lakeside Bank, either personally or as such trustee, to sequester trust assets, rentals, avails, or proceeds of any kind, or otherwise to see to the fulfillment or discharge of any obligation express or implied arising under the terms of this declaration, including where said trustee is acting pursuant to direction as provided by the terms of said trust, and after the trustee has first been supplied with funds required for the purpose. In the event of conflict between the terms of this paragraph and of the remainder of the declaration on any question of apparent liability or obligation resting upon said trustee, the exculpatory provisions hereof shall be controlling.

IN WITNESS WHEREFORE, the said Lakeside Bank, as trustee aforesaid and not individually has caused its corporate seal to be affixed hereunto and caused its name to be signed in these presents by its Trust Officer and attested by its Assistance Trust Officer this 19th day of November, 1999.
