1. Demise. The Leased Property has been and is hereby demised, let and leased by Landlord to Tenant, and taken and accepted by Tenant from Landlord, all pursuant to and in accordance with the Amended and Restated Lease.

2. Term. The initial term of the Amended and Restated Lease is from January 1, 2009, until December 31, 2029. Tenant has the right, privilege and option to renew and extend the initial term of the Lease for up to four (4) additional periods of five (5) years each, subject to the provisions and conditions of the Amended and Restated Lease. Nothing contained herein or in the Amended and Restated Lease shall alter the original commencement of Tenant's leasehold interest in the Leased Property as of November 30, 2007.

3. Possession. Landlord has delivered possession of the Leased Property to Tenant and Tenant has accepted delivery and taken possession of the Leased Property from Landlord in the "as is" condition of the Leased Property on November 30, 2007.

4. Liens on Landlord's Interest Prohibited. By the terms of the Amended and Restated Lease, Landlord's interest in the Leased Property may not be subjected to liens of any nature by reason of Tenant's construction, alteration, repair, restoration, replacement or reconstruction of any improvements on or in the Leased Property, including those arising in connection with or as an incident to the renovation of the improvements located on the Leased Property, or by reason of any other act or omission of Tenant (or of any person claiming by, through or under Tenant) including, but not limited to, construction, mechanics' and materialmen's liens. Accordingly, all persons dealing with Tenant are hereby placed on notice that such persons shall not look to Landlord or to Landlord's credit or assets (including Landlord's interest in the Leased Property) for payment or satisfaction of any obligations incurred in connection with the construction, alteration, repair, restoration, renovation, replacement or reconstruction thereof by or on behalf of Tenant. Tenant has no power, right or authority to subject Landlord's interest in the Leased Property to any construction, mechanic's or materialmen's lien or claim of lien.

5. Subordination and Attornment. The Amended and Restated Lease specifically provides that the Lease and Tenant's leasehold interest in and to the Leased Property are junior, inferior, subordinate and subject in all respects to any mortgage or mortgages now or hereafter in force and effect upon or encumbering the Leased Property or any portion thereof, and that Tenant shall, and has agreed to, attorn to any successor of the interest of Landlord under the Amended and Restated Lease, including the purchaser at any foreclosure sale occasioned by the foreclosure of any such mortgage or mortgages, for the balance of the term of the Amended and Restated Lease remaining at the time of the succession of such interest to such successor.

6. Inconsistent Provisions. The provisions of this Memorandum constitute only a general description of the content of the Amended and Restated Lease with respect to matters set forth herein. Accordingly, third parties are advised that the provisions of the Amended and Restated Lease itself shall be controlling with respect to all matters set forth herein. In the event of any discrepancy between the provisions of the Amended and Restated Lease and this Memorandum, the provisions of the Amended and Restated Lease shall take precedence and prevail over the provisions of this Memorandum.

7. Termination of Lease. All rights of Tenant shall terminate upon the expiration or earlier termination of the Amended and Restated Lease, which may be evidenced by a written notice of such expiration or termination recorded or filed by Landlord among the appropriate land records of the county in which the Leased Property is located.
