(755 ILCS 45/) Article III.

STATUTORY SHORT FORM

POWER OF ATTORNEY FOR PROPERTY

§ 755 ILCS 45/3-1. Purpose

Sec. 3-1. Purpose. The General Assembly finds that the public interest requires a standardized form of power of attorney that individuals may use to authorize an agent to act for them in dealing with their property and financial affairs.

A short statutory form offering a set of optional powers is necessary so that the individual may design the power of attorney best suited to his or her needs in a simple fashion and be assured that the agent's authority will be honored by third parties with whom the agent deals, regardless of the physical or mental condition of the principal at the time the power is exercised.

The General Assembly intends that when a power in substantially the form set forth in this Act is used, third parties who rely in good faith on the acts of the agent within the scope of the power may do so without fear of liability to the principal. However, this form is not meant to be exclusive and other forms of power of attorney may be used.

§ 755 ILCS 45/3-3. Statutory short form power of attorney for property

Sec. 3-3. Statutory short form power of attorney for property. The following form may be known as "statutory property power" and may be used to grant an agent powers with respect to property and financial matters. When a power of attorney in substantially the following form is used, including the "notice" paragraph at the beginning in capital letters and the notarized form of acknowledgment at the end, it shall have the meaning and effect prescribed in this Act. The validity of a power of attorney as meeting the requirements of a statutory property power shall not be affected by the fact that one or more of the categories of optional powers listed in the form are struck out or the form includes specific limitations on or additions to the agent's powers, as permitted by the form. Nothing in this Article shall invalidate or bar use by the principal of any other or different form of power of attorney for property. Nonstatutory property powers must be executed by the principal and designate the

agent and the agent's powers, but they need not be acknowledged or conform in any other respect to the statutory property power.
