## B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

The Note Holder will deliver or mail to me a notice of any change in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information requested by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

### (F) Notice of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

### (E) Effective Date of Changes

7.8750 % or less than 3.8750 %. Thereafter, my interest rate will be greater than from the rate of interest I have been paying for the preceding twelve months. My interest rate will never be greater than 11.8750 %. .

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

Before each Change Date, the Note Holder will calculate my new interest rate by adding (C) Calculation of Changes  
2.8750 % to the Current Index. The Note Holder will choose a new index which is based upon addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

If the index is no longer available, the Note Holder will give me notice of this choice. Before each Change Date is called the "Current Index." If the index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.
