AFFIDAVIT OF TRUTH: RECISSION AND REVOCATION OF SIGNATURES AND POWERS OF ATTORNEY ON PREVIOUSLY FILED W-4 FORMS, 1040 FORMS AND SAID STATE AND CITY TAX FORMS

I, Washitaw de Dugdyahmoundyah, on the record and for the record give my allegiance to the Empire Washitaw de Dugdyahmoundyah. I hereby attest and affirm that I am a natural born sovereign of the indigenous Washitaw de Dugdyahmoundyah Empire, indigenous to its lands.

I am a nonresident alien who has NOT engaged in trade or business in the U.S. I have NOT received income from U. S. source. I am not a "citizen" or "resident" of the United States. I have NOT used IRS forms 1040 for reporting income. I had NO Income that was effectively connected with the conduct of a U.S. trade or business. I have had NO United States income tax liability.

I hereby revoke, rescind and make void, ab initio (from the beginning), all of My signatures on any and all previously filed IRS W-4, 1040 forms and corporate federal United States, State and City tax forms. I further revoke all powers of attorney connected thereto. Such revocation are made on the grounds that I was induced and coerced by fraud deceit, duress and misrepresentation to sign such forms and that I was deprived of My substance and My substantive Natural, Indigenous fundamental Rights by being denied full disclosure of the voluntary nature and consequence of such forms.

I was misled and coerced into believing that filing an IRS W-4, 1040 form, State and City forms was required by laws 'supposedly' governing me. Even though the IRS and other agencies know, pursuant to the Individual Master File which they maintain on federal employees and voluntary subjects, that I am not an "employee" of the agency or and instrumentality thereof. Further, I

was also misled into believing that I could not file an "In Lieu of W-4" claiming an exemption form withholding, pursuant to your codes, and that I would be denied the right to bear the fruit of my labor for not filing a W-4 form. I exchange my labor in order to sustain myself and my family. Forcing me to complete such forms against my will, under duress and coercion is a violation of My fundamental Rights. I was further defrauded by coercion and fear into believing that My compensation in exchange for my labor in the private sector was "taxable income" and that I was required by "laws" to file a 1040 form and corporate State and City forms under the threat of being subject to penalties, interest charges (usury), potential prison time and/or loss of my property.

I further revoke, rescind and make void ab initio any presumptive jurisdiction and all powers of attorney pertaining to Me for any and all governmental/quasi/colorable agencies and/or departments created under the authority of your constitution, on the grounds of fraud, deceit, duress misrepresentation and lack of full disclosure.

To the best of my knowledge and belief the above is true and correct and certain.

Using a notary on this document does not constitute any adhesion, nor does it alter my status in any manner. The purpose for notary is verification and identification purposes only and not for entrance into any jurisdiction.
