LETTER OF CREDIT DEPOSIT FOR CREDIT ON ACCOUNT OR EXCHANGE FOR NON-NEGOTIABLE FEDERAL RESERVE NOTES OF FACE VALUE REDEEM FOR LAWFUL MONEY

In the amount of: Fifty Million United States Notes (\$50,000,000.00) Lawful Money

To: STATE OF ILLINOIS; CURCIO LISA R, COOK COUNTY CIRCUIT COURT JUDGE, DOROTHY BROWN, CLERK OF COOK COUNTY CIRCUIT COURT EXECUTIVE OFFICER; JAMES SULLIVAN, CHAPMAN AND CUTLER LLP, THOMAS LEART-COOK COUNTY SHERIFF

The undersigned, Marcin Malarz©, sui juris, creates this Letter of Credit pursuant to the Uniform Commercial Code (UCC) §5-102(1)(c) et seq., for the sole purpose of discharging any private bonding requirement to make payment in the above stated amount which includes the bonding Fifty Million United States Notes and 00/100 (\$50,000,000.00) redeem for Lawful Money.

The issuer of this Letter of Credit was made bankrupt/insolvent, as that term is defined in UCC §1-201(23), by the United States Congress, 73rd, 1st Session by the passage of Executive Order 2039 of March 6, 1933 and Executive Order 2040 of March 9, 1933 and subsequent Executive Order(s), including HJR-192 of June 5, 1933, suspending Marcin Malarz© lawful public money system and ability/Right to Pay any lawful money.

The issuer of this Letter of Credit was made bankrupt/insolvent by these above mentioned Executive Order(s), approved by Congress and the Senate, thereby causing Marcin Malarz© to lose his lawful Right to pay any debt 'in law' without becoming a tortfeasor, and further denying any obligee a right to demand payment in any coin or currency of the United States. (See HJR-192)

The issuer of this Letter of Credit declares that he had no Privity or Knowledge of this peril of bankruptcy/insolvency created by the above mentioned Executive Order(s) until recently. Marcin Malarz© further declares that the Congress and Senate of the United States had Privity and Knowledge of the imminent danger of bankruptcy/insolvency created by the above mentioned Executive Order(s) and knew that the de jure People, Marcin Malarz©, would be forced to perform services in discharge of their inability to pay.

Marcin Malarz©, sui juris, claims exoneration from Limited Liability for the discharge of the public and national debt created by the UNITED STATES (District of

Columbia), based on its Privity and Knowledge of Congress and Senate of the corporate UNITED STATES.

The issuer, has to his credit a claim and interest in the following: All Gold and Silver seized and held by the Treasury of the United States; and, Claim and interest in Asset Exchange, Certificate of Live Birth/Bond valued at One-Hundred Billion United States Notes (Ref. Posted Shipper Tracking No. RA899015186 US, Private Offset Account No. RA899015186US and Bill of Exchange, No. BOE-01132010-6789-JHD), and further Marcin Malarz© in all has to his credit which he estimates to be in excess of Two-Hundred Billion United States Notes (\$200,000,000,000.00) Lawful Money on Deposit with the Treasury of the United States and the Federal Government, because the same has repudiated its obligation to make payment (Reference Posted Registered Shipper Tracking No. Ra 899015186 US, Private Redemption Account, No. Ra 899015186US).

Marcin Malarz© has not been paid for his goods and services, which includes past production, etc., since March 6, 1933 and March 9, 1933 by Executive Order(s) 2039 and 2040, under so-called WAR AND EMERGENCY ACT, pursuant to the TRADING WITH THE ENEMY ACT of October 6, 1917, as amended. The American Economic base, i.e., Agriculture has not received parity for these commodities in the market place because of the Federal Government and the private Federal Reserve System, causing a totally unbalanced economy, preventing David-Stephen: Eye from receiving a fair price or any money, all for the benefit of the cheap food policy for the benefit of the whole.

STATE OF ILLINOIS; COOK COUNTY CIRCUIT COURT, CURCIO LISA R, COOK COUNTY CIRCUIT COURT JUDGE; DOROTHY BROWN, CLERK OF COOK COUNTY CIRCUIT COURT EXECUTIVE OFFICER; JAMES SULLIVAN, DBA CHAPMAN AND CUTLER LLP THOMAS J DART-COOK COUNTY SHERIFF. or its/their Officers, Agents, and/or Employees and/or their successors/assigns may present this Letter of Credit to the Treasurer of the United States when it becomes necessary for payment in lawful Money, which will PAY for this bond in lawful Money, thereby preventing any violation of Marcin Malarz© rights by demanding payment, when by the said mentioned Executive Order(s), approved by Congress and the Senate preventing Marcin Malarz© from ever making payment.

If this Letter of Credit is denied for any reason, denying Marcin Malarz© the right to draw upon his claim and interest in the Gold held by the Treasury of the United States of America and his deficiency payment caused by the WAR AND EMERGENCY ACT (Executive Order(s) 2039 and 2040), under public policy (private law) of the 'New Deal' Cheap Food Policy (and others), then this act will be in direct violation of the Constitution for the united States of America, seventeen-hundred and eighty-seven, because involuntary servitude has been abolished, and the undersigned, pursuant to his First Amendment Right (one of those Rights public servants are obligated to protect), a
