#### ASCHER BROTHERS CO., INC.'S NOTICE AND CLAIM FOR MECHANIC'S LIEN

STATE OF ILLING'S

COUNTY OF COOK

Pursuant to the Illinois Mechanic's Lien Act, 770 ILCS 60/1, et seq. (the "Lien Act"), Ascher Brothers Co., Inc., 303 West Fletcher Street, Chicago, Illinois 60618 ("Claimant") hereby files this notice and claim for mechanic's lien against the Trump International Hotel & Tower, 401 North Wabash Avenue, Chicago, Illinois 60611, as more fully described below (the "Property"), and the respective interests of 401 North Wabash Venture LLC ("Developer"), The Residences At 401 North Wabash Avenue Condominium Association ("Residential Condo Association"), 401 North Wabash Avenue Hotel Condominium Association ("Hotel Condo Association"), Deutsche Bank Trust Company Americas ("Lender"), Bovis Lend Lease, Inc. ("Construction Manager"), Fortress Credit Corporation, known purchasers of condominium units, subsequent purchasers of condominium units, lenders to individual condominium purchasers, any nonrecord claimants, and any other unknown necessary parties, in the Property and/or their respective shares of proceeds or funds arising from the Property or their work thereon. Claimant provided painting and wall decoration services pursuant to a contract with Developer, and the balance due and owing, after allowing all credits, is FOUR MILLION ONE HUNDRED FIFTY FIVE THOUSAND TWO HUNDRED NINETY DOLLARS AND ZERO CENTS (\$4,155,290.00). Claimant's last date of work as to the Residential Parcel and the Commercial Parcel was December 15, 2009.

Because certain portions or parcels of the Property described below are subject to the Illinois Condominium Property Act, 765 ILCS 605/1, *et seq.* (the "Condo Act"), to the extent the Condo Act is applicable, Claimant's notice and claim for mechanic's lien is filed against and apportioned amongst the individual units and not against the whole of such parcels. The apportionment, to the extent applicable, shall be proportional to the percentage of the common elements that each unit owner is allocated.

<u>Claimant's Lien only applies as against the real property described below as the land</u> <u>comprising the Property, the "Residential Parcel," and the individual interests therein, and the</u> <u>"Commercial Parcel." Claimant's Lien does not apply to individual units comprising the Hotel</u> <u>Parcel, or holders of interest in units therein.</u>

#### A. The Property

The Property is briefly described as: LOT 1 IN TRUMP TOWER SUBDIVISION, BEING A SUBDIVISION IN SECTION 10, TOWNSHIP 39 NORTH, RANGE 14 EAST OF THE THIRD PRINCIPAL MERIDIAN, IN COOK COUNTY, ILLINOIS, and with Property Identification Numbers ("P.I.N") including 17-10-135-032-0000 and 17-10-135-033-0000 (the "Development Parcel"). Developer acquired the Development Parcel for the purpose of constructing thereon a mixed-use, 92-story luxury residential condominium and hotel condominium tower with parking facilities and hotel space, as well as certain commercial facilities, including a health club and spa, restaurant facilities, meeting rooms, ballroom facilities and retail space, together with various mechanical and service areas (collectively, the "Building").

The Property is divided into three subparcels: a residential parcel, a hotel parcel, and a commercial parcel, as described below. Since these three parcels are functionally interdependent, in terms of structural support, enclosure, ingress and egress, and certain utility services, facilities and components, the three subparcels share and are each subject to certain reciprocal easements, covenants and restrictions affecting each subparcel. Thus, to the extent that the lien attaches to a certair parcel, it also attaches to the easements, covenants, rights, restrictions, and other property interests attendant to such parcel. As described below, two of the three subparcels — the residential parcel and the hotel parcel — have been submitted as condominium properties under the Illinois Condominium Property Act, 765 ILCS 605/1 *et seq.* (the "Condo Act"). The Commercial Parcel h is not been subjected to the Condo Act.

#### 1. Residential Parcel

The "Residential Parcel" consists of approximately 486 residential units, occupying floors 29 through 89, mechanical rooms located on portions of floors 90 through 92, an undetermined number of unit parking spaces within the above ground parking facilities located on all or some of floors 3 through 12 in the Building (excluding cercein areas reserved for public parking), storage areas on floors 18 through 49 of the Building, lobb; facilities, elevators (both passenger and service), stairwells and certain other common elements are facilities located in the Building, as well as improvements thereto.

On August 4, 2008, the Developer caused the recordation of the Declaration of Condominium Ownership and of Easements, Restrictions, Covenants and By-Laws for the Residences at 401 North Wabash Avenue, a Condominium, with the Cook County Recorder of Deeds as Document Number 0821716050 (the "Residential Declaration"). The Residential Declaration was subsequently amended by that First Amendment to the Residential Declaration recorded on September 11, 2008, and recorded as Document Number 0825534053; subsequently amended by that Second Amendment to the Residential Declaration recorded on October 3, 2008 and recorded as Document Number 0827710023; subsequently amended by that Third Amendment to the Residential Declaration recorded on February 11, 2009 and recorded as Document Number 0904245103; subsequently amended by that Fourth Amendment to the Residential Declaration recorded on March 16, 2009 and recorded as Document Number 0907516052; and subsequently amended by that Fifth Amendment to the Residential Declaration recorded on June 8, 2009 and recorded as Document Number 0915931070. The effect of the

Fifth Amendment to the Residential Declaration was to annex and add to the Residential Parcel certain real estate commonly known as floors 6 and 79 through 90M in the Building and the remaining undeclared units in the Residential Parcel, as well as to correct certain clerical or typographical errors relating to certain storage space units. A complete legal description of the Residential Parcel, as amended, is attached hereto as Exhibit A.

The effect of the Residential Declaration, as amended, has been to subdivide the Residential Parcel into condominium units under the Condo Act, and to subject those units to the Condo Act. The current list of Residential Parcel condominium units subject to the Condo Act and their respective percentage interests in the Residential Parcel common elements is attached hereto as *Ex'abit B*.

Certain of these Residential Parcel condominium have been conveyed from time to time by Developer to hird-party purchasers - a list of such purchasers and their respective unit numbers, and where applicable, parking spaces, unit P.I.N.s, and mortgage lenders, is attached hereto as Exhibit C. To the extent certain units remain unsold or have not been subjected to the Condo Act, upon information and belief, the Developer has retained legal title to such units.

The Residential Parcel against which Claimant's lien attaches is thus comprised of the property described in Exhibit A, and any remaining portions of the "Future Expansion Parcel" described in the original Residential Declaration, as modified by subsequent amendments annexing portions thereof to the Residential Parcel. To the extent apportionment is required, the amount of Claimant's lien with respect to the Residential Parcel shall be allocated in proportion to each individual unit's percentage interest in the common elements as set forth in Exhibit B, as against the units, unit owners, parking space numbers, P.I.N. numbers, and mortgagee interests thereto as set forth in Exhibit C, and for unsold units and any remaining portions of the Future Expansion Parcel, as against the Developer, Lender, Residential Condo Association, and/or any other unknown interest holders in or nonrecord claimants to such unsold units and/or Future 'ert's **Expansion Parcel**.

#### 2. **Commercial Parcel**

The "Commercial Parcel" is a portion of the Property that includes (a) public parking garage areas; (b) retail space located on floors LL1 and LL2 of the Building and certain retail space to be located on the ground floor and mezzanine floor of the Building; (c) the loading dock and loading dock areas and delivery facilities for the Building on lower Carroll Street, together with certain other related uses, facilities, and improvements thereto; (d) a health club and spa facility located on or about at least floors 14 and 14M; (e) meeting/function rooms, ballrooms and other space available for meetings, events and functions and ancillary facilities related thereto, including, without limitation, a business center, a room services kitchen, a banquet kitchen, employee facilities and an employee dining room, all of which are located on or about floors 15, 15M, 16 and 17 of the Building; (f) an outdoor riverwalk, an outdoor dog run area, a landscaped outdoor plaza and various other outdoor improvements, some of which are located on public property adjacent to the Development Parcel; (g) a restaurant and bar presently known as "Sixteen" located on or about floors 15M and 16 of the Building (including portions of the 16th floor terrace); (h) a bar/lounge presently known as "Rebar" located on the mezzanine level of the Building; and (i) various service areas, mechanical areas, roof areas and related facilities located

within the Building, and improvements to all of the above. The current legal description of the real estate comprising the Commercial Parcel is attached hereto as *Exhibit D*.

The Developer has not caused the Commercial Parcel to be submitted or become subject to the Condo Act. Therefore, to the extent applicable to the Commercial Parcel, the Claimant's lien is stated against the whole of the Commercial Parcel and the interests held by others therein.

#### **B.** Brief Statement of the Contract

On or about March 8, 2007, Claimant entered into a contract with Developer (the "Contract") for the purpose of improving the Property whereby Claimant was to provide certain labor, material and equipment as required to complete contracted-for items of Painting, Wall Coverings and related work in accordance with certain drawings, specifications and the contract documents. The Contract was entered into by Bovis Lend Lease, Inc., acting solely in its capacity as agent for the Developer.

The Contract has been amended and modified pursuant to certain Change Orders, Construction Change Directives, and/or other oral or written modifications and directives. Claimant has performed work pursuant to the Contract which improved the Property. The last date of work performed by Claimant under the Contract, as modified and amended and pursuant to oral and/or written modifications and directives, is **December 15, 2009**, and such work was performed to improve both the Residential Parcel and the Commercial Parcel.

#### C. Balance Due Under Contract

Developer and its agents have failed to pay Claimant certain monies justly due to Claimant pursuant to the Contract, as modified and amended, at the time when such monies were due and payable and should have been paid. The amount due under the Contract reflecting the cost of the labor, materials, equipment and other services provided by Claimant for the improvement of the Property, is NINE MILLION ONE HUNDRED EIGHTY THOUSAND THREE HUNDRED SEVENTY THREE DOLLARS AND ZERO CFNTS (\$9,180,373.00).

Claimant has been paid, to date, FIVE MILLION TWENTY FIVE THOUSAND EIGHTY THREE DOLLARS AND ZERO CENTS (\$5,025,083.00). Allowing credits for such amounts duly paid by Developer to Claimant, the balance due under the Contract, as modified and amended, reflecting Claimant's costs, expenses and due and owing amounts reflecting its work, is FOUR MILLION ONE HUNDRED FIFTY FIVE THOUSAND TWO KUNDRED NINETY DOLLARS AND ZERO CENTS (\$4,155,290.00). To the extent that certain amounts withheld by Developer as retainage amounts reflecting Claimants' work on the Hotel Parcel are divisible amounts that must be apportioned to the Hotel Parcel, such amounts are deduced from the Claimant's lien amount.

To the extent allocation or apportionment is necessary, and without admitting that such further allocation is necessary, the balance due under the Contract, as amended and modified, reflecting Claimant's costs, expenses and other due and owing amounts, reflects Claimant's work to improve the Residential Parcel and the Commercial Parcel. As Claimant's last date of work at both the Residential Parcel and the Commercial Parcel was performed within four months of the date of recordation of this lien, it is unnecessary for Claimant to allocate the balance due and

owing as between these parcels; however, to the extent such apportionment is required as between these parcels, without admitting that such further apportionment is necessary, Claimant's lien may be apportioned as follows: Residential Parcel - TWO MILLION SIX HUNDRED TWENTY SEVEN THOUSAND FOUR HUNDRED NINETEEN DOLLARS AND FORTY-FOUR CENTS (\$2,627,419.44); Commercial Parcel - ONE MILLION FIVE HUNDRED TWENTY SEVEN THOUSAND EIGHT HUNDRED SEVENTY DOLLARS AND FIFTY-SIX CENTS (\$1,527,870.56).

This notice and lien is not intended to adversely reflect upon the character, credit or capacity of any party named herein. To the extent permitted by law, all waivers of lien heretofore given by Claimant, if any, in order to induce payment not received are hereby revoked. Acceptance of payment by Claimant of part, but not all, of the amount claimed due hereunder shall not operate to invalidate this lien. Claimant reserves its right to further amend this lien.
