This Affidavit proves you are a Beneficiary and Heir to the Moroccan/Moorish Empire in other words it makes you the Landlord and Creditor ISLAM. The European has been the custodian over our government and land; our Ancestors had given them that authority until we woke from a long sleep. I personally give thanks for the protection, upkeep and development of our land by the Europeans

Holy, Prophet Noble Drew Ali, Holder in Due Course of entire [A]hension contracts through Redemption, through [A]doption and Conveyance with Proclamation of Nationality.

DIVINE CONSTITUTION and BY LAWS

Act 6. With us all members must proclaim their nationality and we are teaching our people their nationality and their Divine Creed that they may know that they are a part and parcel of this said government, and know that they are not Negroes, colored Folks, Black People or Ethiopians, because these names were given to slaves by slave holders in 1779 and lasted until 1865 during the time of slavery, but this is a new era of time now, and all members must proclaim their free national name to be recognized by the governments in which they live and the nations of the earth, this is the reason why Allah the Great God of the universe ordained Noble Drew Ali, the Prophet, to redeem his people from their sinful ways. The Moorish Americans are the descendants of the ancient Moabites who inhabited the North Western and South Western shores of Africa.

2. Old man Cush and his family are the first inhabitants of Africa who came from the land of Canaan.
3. His father Ham and his family were second. Then came the word Ethiopia, which means the demarcation line of the dominion of Amexem, the first true and divine name of Africa. The dividing of the land between the father and the son.
4. The dominion of Cush, North-East and South-East Africa and North-West and South-West was his father's dominion of Africa.
5. In later years many of their brethren from Asia and the Holy Lands joined them.
6. The Moabites from the land of Moab who received permission from the Pharaohs of Egypt to settle and inhabit North-West Africa; they were the founders and are the true possessors of the present Moroccan Empire. With their Canaanite, Hittite, and Amorite brethren who sojourned from the land of Canaan seeking new homes.
7. Their dominion and inhabitation extended from North-East and South-West Africa, across great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands; before the great earthquake, which caused the great Atlantic Ocean.
8. The River Nile was dredged and made by the ancient Pharaohs of Egypt, in order to trade with the surrounding kingdoms. Also the Niger river was dredged by the great Pharaoh of Egypt in those ancient days for trade, and it extends eastward from the River Nile, westward across the great Atlantic. It was used for trade and transportation.
