As further security for the Indebtedness and the full and complete performance of each and every obligation, covenant, agreement and duty of Maker contained herein or contained in any other document executed by Maker pertaining to the Note or the security therefor:

# UNOFFICIAL COPY

A. Security Interest. Maker hereby grants and conveys to Noteholder a security interest in and lien on all of the Collateral. This Agreement shall serve as a Security Agreement created pursuant to the Uniform Commercial Code in effect in the State of Illinois (“UCC”), and Noteholder shall have and may exercise all rights, remedies and powers of a secured party under the UCC. Maker hereby represents, warrants and covenants that (1) Maker is the owner and holder of the Collateral free and clear of any adverse claim, security interest or encumbrance, except those created herein; (2) Maker will defend the Collateral, and the priority of the security interest created herein as a valid first security interest against all claims and demands of any person at any time claiming the same or any interest therein; (3) there are no financing statements executed by the Maker, as Debtor, now on file in any public office except those financing statements which are being released contemporaneously with the closing of this transaction or which have been authorized by Noteholder; (4) Maker authorizes Noteholder to file or record such other and further agreements, financing statements and assignments in such offices and at such times as it is deemed by Noteholder to be necessary or desirable; and (5) Maker will execute and deliver to Noteholder such other and further agreements, financing statements and assignments as Noteholder may request.

This Agreement is intended to constitute a fixture filing in accordance with the applicable provisions of the UCC. The debtor is the Maker and the secured party is the Noteholder and their addresses are those set forth at the beginning of this Agreement. Certain of the Mortgaged Property is or will become “fixtures” (as that term is defined in the UCC), and this Agreement, upon being filed for record in the real estate records of the county wherein the Mortgaged Premises are situated, shall operate also as a financing statement filed as a fixture filing in accordance with the applicable provisions of the UCC upon such Mortgaged Property that is or may become fixtures.

B. Assignment of Condemnation Awards. To the extent of the full amount of the Indebtedness secured hereby and of the cost and expenses (including reasonable attorneys’ fees) incurred by Noteholder in the collection of any award or payment, Maker hereby assigns to Noteholder, subject only to the rights of the Tenant under the Claire’s Lease, any and all awards or payments, including all interest thereon, together with the right to receive the same, which may be made with respect to the Mortgaged Property as a result of (a) the exercise of the right of eminent domain, (b) the alteration of the grade or of any street, or (c) any other injury to or decreased value in the Mortgaged Property, as well as the right, but not the obligation, to, at Maker’s expense, participate in and make decisions concerning the progress of any proceeding involving any such award or payment. Maker shall give Noteholder written notice of any such action or proceeding immediately upon Maker’s becoming aware of same. All such damages, condemnation proceeds and consideration shall be paid directly and solely to Noteholder whether or not an Event of Default has at such time occurred, and after first applying said sums to the payment of all costs and expenses (including reasonable attorneys’ fees) incurred by Noteholder in obtaining such sums, Noteholder may, at its option, apply the balance on the Indebtedness, in any order and whether or not then due,

# UNOFFICIAL COPY

without prepayment or penalty, or to the restoration of the Mortgaged Property, or release the balance to Maker. Said application or release shall not cure or waive any default.

## IV. ABSOLUTE ASSIGNMENT OF RENTS

In further consideration for the indebtedness evidenced by the Note, Maker hereby absolutely and unconditionally assigns to Noteholder all rents, revenues, profits and incomes from the Mortgaged Property or any portion thereof. Provided, however, so long as no Event of Default has occurred, Maker is hereby granted a license to collect and retain the currently accruing rents, income and profits from the Mortgaged Property, but in no event for more than one (1) month in advance of such collection. If an Event of Default shall occur, however, thereupon, and at any time thereafter such default is continuing, Noteholder may terminate such license and may, without any liability to Maker, take possession and control of the Mortgaged Property and/or receive and collect all rents, revenues, profits and income, accrued or accruing thereafter so long as any of the Indebtedness remains unpaid, applying so much thereof as may be collected first to the expenses incident to taking possession and/or the collection thereof, and second to the payment of the Indebtedness other than the Note and then to the amount of the Note then remaining unpaid, at Noteholder's discretion, either principal or interest, in any order, and whether then matured or not, paying the balance, if any, to the Maker. It is intended by Maker and Noteholder that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only and that Noteholder shall be entitled to exercise its rights hereunder whether or not Noteholder is in possession of the Mortgaged Premises at such time. Maker agrees to fulfill or perform each and every covenant of any and all leases and guaranties of leases of the Mortgaged Property so as to keep them at all times in full force and effect, and not to enter into any new lease and not to make any modification, consent to any modification of, or cancel, terminate or consent to the surrender of any lease of all or any part of the Mortgaged Property or any guaranty of such lease after such lease or guaranty has been executed by Maker and the lessee or guarantor, as applicable, without the prior written consent of Noteholder; the failure to fulfill or perform any such covenant or the making of or consent to any such modification or cancellation, termination or surrender shall be an Event of Default. Nothing contained in this Agreement or in any other document securing, evidencing or relating to the Indebtedness shall preclude Noteholder from taking any action to cure or remedy any default of the Landlord under any lease of all or any portion of the Mortgaged Property or any guaranty of lease, or any act, omission or occurrence which but for the passage of time, the giving of notice, or both, would be a default under any such lease or guaranty of lease or take any other action in connection therewith and any amounts expended by Noteholder in connection with such cure or remediation including, without limitation, reasonable attorneys' fees and expenses, shall be an advance under and secured by this Agreement and shall be included in the Indebtedness and shall be paid by Maker to Noteholder on demand. The preceding sentence shall not be construed to obligate Noteholder to cure any such actual or potential lease defaults or any guaranty of lease defaults.

# UNOFFICIAL COPY

NEGLIGENCE, AS OPPOSED TO THE GROSS NEGLIGENCE, OF AN INDEMNITEE AND FOR ANY ACTION OR OCCURRENCE FOR WHICH THE INDEMNITEE MAY INCUR STRICT LIABILITY, but such indemnity and hold harmless shall not apply with respect to any Hazardous Substances which first occurred on the Mortgaged Property after any foreclosure of this Agreement or conveyance in lieu thereof or to the extent that such loss, damage, expense or liability is caused by or attributable to such Indemnitee's gross negligence or willful misconduct. Maker's obligations pursuant to the foregoing indemnity and hold harmless shall survive any termination of the estate created by this Agreement whether as a result of the exercise by Noteholder of any default remedies available to it at law or in equity or otherwise. Maker acknowledges and agrees that as a condition precedent to making the loan to Maker evidenced by the Note secured by this Agreement, Noteholder has required that Maker provide to the Indemnitees the indemnity set forth herein and that Noteholder would not consummate the loan without this indemnity and hold harmless and that the indemnity and hold harmless contained herein is a material inducement for Noteholder's agreement to make the loan. Further, Maker agrees that the foregoing indemnification is separate, independent of and in addition to its undertakings as Maker under the Note, as Maker under this Agreement, as Assignor under the Absolute Assignment of Leases and Rents and any and all other documents, agreements and undertakings executed by Maker in favor of Noteholder pursuant to the Note. Maker agrees that a separate action may be brought to enforce the provisions of this indemnification and hold harmless, which shall in no way be deemed to be an action on the Note or under this Agreement, whether or not Noteholder would be entitled to a deficiency judgment following a foreclosure sale of the Mortgaged Property.

## K. Patriot Act.

(1) As of the date of this Agreement, Maker is and, during the term of this Agreement shall remain, in full compliance with all the applicable laws and regulations of the United States of America that prohibit, regulate or restrict financial transactions including but not limited to, conducting any activity or failing to conduct any activity, if such action or inaction constitutes a money laundering crime, including any money laundering crime prohibited under the Money Laundering Control Act, 18 U.S.C. 1956, 1957, or the Bank Secrecy Act, 31 U.S.C. 5311 *et seq.* and any amendments or successors thereto and any applicable regulations promulgated thereunder.

(2) Maker represents and warrants that: (a) neither it, nor any of its owners, or any officer, director or employee, is named as a "Specially Designated National and Blocked Person" as designated by the United States Department of the Treasury's Office of Foreign Assets Control or as a person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; (b) it is not owned or controlled, directly or indirectly, by the government of any country that is subject to a United States Embargo; and (c) it is not acting, directly or indirectly, for or on behalf of any person, group, entity or nation named by the United States Treasury Department as a "Specially Designated National and Blocked Person," or for or on behalf of any person, group, entity or nation designated in Presidential Executive Order 13224 as a person who commits, threatens to commit, or supports terrorism; and that it is not engaged in this transaction directly or indirectly on behalf of, or facilitating this transaction directly or indirectly on behalf of, any such person, group, entity or nation.

(3) Maker acknowledges that it understands and has been advised by legal counsel on the requirements of the applicable laws referred to above, including the Money Laundering Control Act, 18 U.S.C. 1956, 1957, the Bank Secrecy Act, 31 U.S.C. 5311 *et seq.*, the applicable regulations promulgated thereunder, and the Foreign Assets Control Regulations, 31 C.F.R. Section 500 *et seq.*

(4) Maker shall notify Noteholder immediately upon receipt of any information indicating a breach of this Section VI.E. or if Maker or any officer, director, member, manager, member, employee or Constituent Owner of Maker is custodially detained on charges relating to money laundering, whereupon Noteholder shall be entitled to take all actions necessary so that Noteholder is in compliance with all Anti-Money Laundering Regulations. Any and all loss, damage, liability, penalty, fine or expense (including reasonable attorneys' fees and investigatory expenses) incurred by Noteholder in connection therewith, including but not limited to reasonable attorneys' fees, shall be included in the Indebtedness secured hereunder and shall immediately be due and payable by Maker to Noteholder.

## VI. ADDITIONAL COVENANTS OF MAKER

As long as any of the Indebtedness remains unpaid, Maker covenants and agrees that:

A. Payment of Indebtedness. Maker will pay the Indebtedness promptly when due and payable.

B. Payment of Taxes and Other Assessments. Maker will pay, or cause the Tenant to pay, when due, all taxes, assessments and other governmental, municipal or other public dues, charges, fines, or impositions imposed or levied upon the Mortgaged Property or on the interest created by this Agreement, or any tax or excise on rents or other tax, however described, assessed or levied by any state, federal or local taxing authority as a substitute, in whole or in part, for taxes assessed or imposed on the Mortgaged Property or on the interest created by this Agreement, and promptly after said taxes, assessments and other governmental charges are paid will exhibit receipts therefor to Noteholder. If any tax or assessment is levied, assessed or imposed on Noteholder as a legal holder of the Note or any interest in the documents securing, evidencing or relating to the Note by any governmental authority, then unless all such taxes are paid by Maker as they become due and payable and in the opinion of General Counsel of Noteholder, such payment by Maker is lawful and does not place Noteholder in violation of any law, Noteholder may, at its option, declare the Indebtedness immediately due and payable, but in this event no prepayment premium shall be due or payable.

C. Insurance. Maker shall keep, or cause the Tenant to keep, the Mortgaged Property insured against loss or damage by fire, windstorm, extended coverage perils, flood (in the event any of the Mortgaged Premises is within a 100-year flood plain and flood insurance is available pursuant to the United States Flood Disaster Protection Act of 1973 or any similar or successor statute or successor governmental authority), vandalism, malicious mischief and such other hazards, casualties or other contingencies and in such amounts (but in no event less than the greater of the amount of the Indebtedness from time to time secured hereby or the full replacement value thereof; however, commercially reasonable sublimits may be maintained or sublimits as may be further identified in the Claire's Lease) as from time to time may be required by Noteholder (which may be no more restrictive than the requirements listed in the Claire's Lease), and maintain rents or rental value insurance coverage, in an amount at least adequate to cover twelve (12) months' principal and

# UNOFFICIAL COPY

interest installments on the Note and together with twelve (12) months' property taxes and insurance premiums, with respect to the Mortgaged Property covering the risk of loss due to the occurrence of any of the foregoing hazards, in each case and in such amounts, in such manner and in such companies as the Noteholder may approve, and all such policies shall contain a waiver of subrogation and provide that any losses payable thereunder shall (pursuant to standard mortgagee clauses without contribution, including one providing that such insurance as to the interest of Noteholder shall not be invalidated by any act or omission or neglect of Maker, to be attached to each policy) be payable to Noteholder. Maker shall use their best efforts to cause redacted copies of any and all such insurance policies to be deposited with Noteholder. Maker will also carry commercial general liability insurance, in such form, amounts and with such companies as Noteholder may from time to time reasonably require, with Noteholder included thereon as an additional insured. Any or all of such policies may be provided under a blanket policy or policies provided such blanket policies allocate the amount of insurance required hereunder to the Mortgaged Property. Maker shall use their best efforts to cause redacted copies of any and all such insurance policies to be deposited with Noteholder, or certificates of the insurers under such policies evidencing same. Prior to the date the premiums on each such policy or policies shall become due and payable, Maker shall furnish to Noteholder evidence of the payment of such premiums. Each of such policies shall contain an agreement by the insurer that the same shall not be canceled without at least ten (10) days' prior written notice to Noteholder. In the event of loss under any such policy, after Maker receives notice of such loss, Maker shall give immediate notice to the insurance carrier and to Noteholder. With respect to all insurance policies except commercial general liability insurance, Noteholder is hereby authorized, but not required, on behalf of and at the expense of Maker, whether or not an Event of Default has then occurred, to make proof of loss, to collect for, adjust or compromise any losses under any insurance policy on the Mortgaged Property, to appear in and prosecute any action arising from any of such insurance policies, and to apply, at Noteholder's option, the loss proceeds (less expenses of collection) on the Indebtedness, in any order and whether due or not, or to the restoration of the Mortgaged Property, or to be released to Maker, but any such application or release shall not cure or waive any default. In case of a sale pursuant to the foreclosure provision hereunder, or any conveyance of all or any part of the Mortgaged Property in extinguishment of the Indebtedness, the unearned premiums and any loss payments for property claims of same shall pass to and vest in the purchaser or grantee of the Mortgaged Property.

D. Escrow for Taxes and Insurance. Subject to the provisions of the certain letter agreement dated as of the date hereof between Noteholder and Maker, Maker shall pay, in addition to the installments payable under the Note, on the same day as such installments are due and payable, a sum equal to 1/12th of the estimated annual taxes, hazard and rental insurance premiums, and special assessments, if any, next due on the Mortgaged Property. If the amount so paid is not sufficient to pay such taxes, insurance premiums and assessments when due, then Maker will immediately deposit with Noteholder amounts sufficient to pay the same. Funds deposited by Maker pursuant to this provision shall be used to pay such taxes, insurance premiums and assessments when due, provided that Maker has furnished Noteholder with all tax statements, premium notices and other such notices at least thirty (30) days prior to the date that any such taxes, premiums and assessments may be due. If there is a default under the provisions of the Note or of this Agreement, Noteholder may elect, at any time after default, to apply the funds accumulated under this provision against the Indebtedness in any manner or order. No interest shall accrue or be allowed on any payments under the provisions of this paragraph. Noteholder shall not be required to deposit or hold monies in an account special or separate from its general funds. Maker expressly releases Noteholder from any liability to Maker

arising out of the maintenance by Noteholder of an escrow as provided herein or for payment of any sums out of such escrow. Maker further indemnifies Noteholder against claims arising out of payment of taxes or insurance premiums where Maker has failed to provide Noteholder with tax statements and premium notices as required hereby. The maintenance by Noteholder of an escrow for taxes and insurance shall not relieve Maker of its obligations under this Agreement respecting taxes and insurance on the Mortgaged Property.

E. Waste, Demolition, Alteration or Replacement. Maker will cause the Mortgaged Premises and every part thereof to be maintained, preserved and kept in safe and good repair, working order and condition, will not commit or permit waste thereon, will not remove, demolish or alter the design or structural character of any building now or hereafter erected on the Mortgaged Premises, without the prior written consent of Noteholder, and will comply, or cause the Tenant to comply, with all laws and regulations of any governmental authority with reference to the Mortgaged Premises and the manner and use of the same, and will from time to time make, or cause the Tenant to make, all necessary and proper repairs, renewals, additions and restorations thereto so that the value and efficient use thereof shall be fully preserved and maintained. Maker agrees not to remove any of the fixtures or personal property included in the Mortgaged Property without the prior written consent of Noteholder and unless immediately replaced with like property of at least equal value. Maker shall act as necessary to continue or cause the continuance of the use of the Mortgaged Premises in accordance with the Permitted Use (as that term is defined in the Claire's Lease) of the Mortgaged Premises.

F. Inventory of Personal Property. Upon request of Noteholder, Maker shall deliver to Noteholder an inventory describing and showing the make, model, serial number and location of all fixtures and personal property owned by Maker and from time to time used in the management, maintenance and operation of the Mortgaged Property (other than inventory or property, if any, expressly excluded from the operation of this Agreement by separate written agreement) with a certification by Maker that said inventory is a true and complete schedule of such fixtures and personal property owned by Maker and used in the management, maintenance and operation of the Mortgaged Property and that such items specified in the inventory constitute all of the fixtures and personal property required in the management, maintenance and operation of the Mortgaged Property and that such items are owned by Maker free and clear of security interests, liens, conditional sales contracts or title retention arrangements. Maker hereby grants to Noteholder a security interest in all such items of fixtures and personal property owned by Maker under the terms and conditions of this Agreement.

G. Financial Statements. Subject to the provisions of the certain letter agreement dated as of the date hereof between Noteholder and Maker, Maker will furnish to Noteholder within one hundred fifty (150) days after the first day of each and every January (the "Financial Statement Due Date") until the Indebtedness secured hereby has been fully paid, the annual certified financial statements of Maker covering the operation of the Mortgaged Property, and audited financial states of AG Net Lease Realty Fund, L.P., each such audited statement prepared in accordance with generally accepted accounting principles and each such audited statement prepared and signed by an independent certified public accountant approved by and acceptable to Noteholder. The financial statements shall contain the Maker's certification that, during the period of time covered by the particular statement, to Maker's knowledge, (i) no activity has been conducted upon the Mortgaged Property in violation of any state, federal or local law, ordinance or regulation pertaining to

Hazardous Materials, industrial hygiene or environmental conditions, and (ii) the Mortgaged Property complies with the Americans With Disabilities Act.

If Maker does not deliver the financial statements as and when required by this paragraph, there shall be added to the Indebtedness and Maker agrees to pay upon demand Two Hundred Dollars (\$200.00) for each calendar month or part thereof following the Financial Statement Due Date until the required financial statements are delivered to Noteholder.

H. Restrictions upon Sale, Transfer or Mortgaging the Mortgaged Property or the Interest in Maker. Maker acknowledges that Noteholder is relying on the credit worthiness and skill of Maker in advancing sums secured hereby. Except for a natural person's transfer by will or applicable state intestacy laws (collectively, together with any other matters specifically defined below, "Permitted Transfers"): (i) if the Maker should sell, trade, convey, transfer, mortgage, assign, exchange, pledge or encumber (including, without limiting these provisions or any similar references in this Agreement, the granting of a security interest in) all or any part of the Mortgaged Property, or any interest of Maker therein, absolutely or as security for a debt or other obligation, whether done in a direct or indirect method or enter into any contractual arrangements to do so, or (ii) if a shareholder, partner, member, trustee or beneficiary of Maker (sometimes, a "Tier Two Owner") should sell, trade, convey, transfer, mortgage, assign, exchange, pledge or encumber (including, without limiting these provisions or any similar references in this Agreement, the granting of a security interest in) all or any part of its interest in Maker or if such shareholder, partner, member, trustee or beneficiary in or of Maker shall otherwise be diluted, and such transfer or dilution results in a change of control of Maker, or (iii) if Maker shall in any way, voluntarily or involuntarily be divested of title or of any interest in the Mortgaged Property, then the Noteholder, at its option, may elect to accelerate the maturity of the Note and declare the entire amount of the Indebtedness immediately due and payable whereupon Maker shall have thirty (30) days to pay the full sum of the Indebtedness including, without limitation, principal and interest, whether or not any such sale, trade, conveyance, transfer, mortgage, assignment, exchange, pledge, or encumbrance might diminish the value of the security for the Indebtedness or increase the likelihood of an Event of Default or increase the likelihood of the Noteholder having to resort to any other security for the Indebtedness after default or add or remove liability of any party for payment or performance of the Indebtedness. Maker further agrees that the foregoing restriction shall be effective and remain in full force and effect throughout the term of this Agreement and shall be applicable to Maker and each shareholder, partner, member, trustee and beneficiary and their respective heirs, executors, administrators, successors and assigns. The consent by the Noteholder to any one such sale, trade, conveyance, transfer, mortgage, assignment, exchange, pledge, or encumbrance (one or more of the preceding a "Transaction") shall not waive or forfeit the right of Noteholder to elect to accelerate the Indebtedness to maturity as to any other Transaction. Maker further covenants and agrees to give written notice to Noteholder in the event there occurs any Transaction which would violate the terms and conditions of this provision. The term "Transaction" shall include any voluntary or involuntary act or omission of Maker. Nothing herein contained shall prevent Noteholder from accelerating the Note at any time in the event Maker enters into such a transaction and does not notify Noteholder of same.

(1) One Time Transfer to Unrelated Maker. Upon prior written notice to Noteholder, Maker shall have a one time right to transfer the property, in its entirety and release Maker from all obligations to the Noteholder for events occurring after the date of such transfer to a transferee whose creditworthiness, financial strength, reputation, experience and property management ability

with respect to the ownership, operation and leasing of properties similar to the Mortgaged Property are equal to or greater than Maker in the judgment of Noteholder, which approval shall not be unreasonably withheld or delayed. If Noteholder withholds its approval because of the proposed transferee's lack of creditworthiness, reputation, experience, property management ability or financial strength or other reasonable basis which leads Noteholder to reasonably believe the mortgage or the security would be impaired, Noteholder shall not be deemed to have unreasonably withheld its approval. Any such transfer will be subject to: (a) payment of a transfer fee equal to 1% of the then outstanding balance owing under the Note; (b) assumption by the transferee of all of Maker's obligations under this Agreement or any other documents securing, evidencing or relating to the Indebtedness; (c) payment of Noteholder's reasonable out-of-pocket expenses, including without limitation, reasonable outside counsel fees, and any and all applicable recording charges, taxes, documentary stamps charges, mortgage registry tax charges, and/or intangible personal property taxes in connection with such transfer and assumption; and (d) Noteholder's receipt and approval of such searches, title endorsements, affidavits, and updated surveys as Noteholder may request.

(2) Transfers to Another AG Entity. Maker shall have the right at any time to transfer the Mortgaged Property in its entirety and release Maker from all obligations to Noteholder for events occurring after the date of such transfer; provided that: (a) such transfer is to another "AG Entity" (as hereinafter defined); (b) such AG Entity assumes all of Maker's obligations under this Agreement or any other documents securing, evidencing or relating to the Indebtedness; and (c) Maker and/or such other AG Entities pay Noteholder's reasonable out-of-pocket expenses, including without limitation, reasonable outside counsel fees, and any and all applicable recording charges, taxes, documentary stamps charges, mortgage registry tax charges, and/or intangible personal property taxes in connection with such transfer and assumption.

Transfers of ownership interests in Maker shall also be permitted if, immediately after such transfer, Maker continues to be an AG Entity or controlled by an AG Entity.

For purposes of these provisions, "AG Entity" is defined as:

(i) any of Angelo, Gordon & Co., L.P., a Delaware limited partnership, AG Funds, L.P., a Delaware limited partnership, AG Net Lease Realty Fund, L.P., a Delaware limited partnership, AG Net Lease Realty Fund II, L.P., a Delaware limited Partnership, AG Net Lease Corp., AG Net Lease II Corp., AG Net Lease LLC, or AG Net Lease II LLC, or

3. Going Public Transactions. I. Delivery of Substitute Note. Maker will, if the Note is mutilated, destroyed, lost or stolen, deliver to Noteholder, in substitution therefor, a new promissory note containing the same terms and conditions as the Note with a notation thereon of the unpaid principal and accrued but unpaid interest. Maker shall be furnished with satisfactory evidence of the mutilation, destruction, loss or theft of the Note, and also such security or indemnity as may be reasonably requested by Maker; provided, however, that if the original noteholder named herein is the then noteholder under this Agreement, an unqualified indemnity from the original noteholder named herein shall be deemed to be satisfactory security or indemnification.

J. Compliance with Covenants, Conditions, Restrictions and Recorded Documents. Maker shall, and shall cause the Mortgaged Property, to fully and timely comply with all restrictions covenants, conditions and agreements benefitting, burdening or imposed on the Mortgaged Property or any portion thereof or the owner of all or such portion of the Mortgaged Property.

9.2 Operation of Property by Noteholder. Upon the occurrence of an Event of Default, or at any time thereafter, in addition to all other rights herein conferred on the Noteholder, to the fullest extent permitted by applicable law, the Noteholder (or any person, firm or corporation designated by the Noteholder) may, but will not be obligated to, subject to the provisions of any subordination and non-disturbance agreement then in effect, enter upon and take possession of any or all of the Mortgaged Property, exclude Maker therefrom, and hold, use, administer, manage and operate the same to the extent that Maker could do so. If the Mortgaged Property includes any type of business enterprise, the Noteholder may operate and manage such business without any liability of Noteholder to Maker resulting therefrom (excepting failure to use ordinary care in the operation and management of the Mortgaged Property); and, to the fullest extent permitted by applicable law, the Noteholder or Noteholder's designee may collect, receive and receipt for all proceeds accruing from such operation and management, and, at Maker's expense, make repairs and purchase needed additional property, and exercise every power, right and privilege of Maker with respect to the Mortgaged Property. When and if the expenses of such operation and management have been paid and the Indebtedness has been paid, the Mortgaged Property shall be returned to Maker (providing there has been no foreclosure sale). This provision is a right created by this Agreement and cumulative of, and is not in any way to affect, the right of the Noteholder to the appointment of a receiver given the Noteholder by law.

9.3 Judicial Proceedings. Upon the occurrence of an Event of Default, or at any time thereafter, or upon the breach of any covenant, term or condition herein contained, Noteholder may proceed by suit for a foreclosure of its lien on the Mortgaged Property, or to sue Maker for damages on, arising out of said default or breach, or for specific performance of any provision contained herein, or to enforce any other appropriate legal or equitable right.

#### 9.4 Foreclosure; Expense of Litigation.

a. When all or any part of the Indebtedness shall become due, whether by acceleration or otherwise, Noteholder shall have the right to foreclose the lien hereof for such Indebtedness or part thereof and/or exercise any right, power or remedy provided in this Mortgage or any of the other documents securing, evidencing or relating to the Indebtedness in accordance with the Illinois Mortgage Foreclosure Act (Chapter 735, Sections 5/15-1101 et seq., Illinois Compiled Statutes) (as may be amended from time to time, the "Act"). In the event of a foreclosure sale, Noteholder is hereby authorized, without the consent of Maker, to assign Maker's rights under any and all insurance policies to the purchaser at such sale or to take such other steps as Noteholder may deem advisable to cause the interest of such purchaser to be protected by any of such insurance policies.

b. In any suit to foreclose the lien hereof, there shall be allowed and included as additional indebtedness in the decree for sale all expenditures and expenses which may be paid or incurred by or on behalf of Noteholder for reasonable attorneys' fees, appraisers' fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, and similar data and assurances with

respect to the title as Noteholder may deem reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Mortgaged Property. All expenditures and expenses of the nature mentioned in this paragraph and such other expenses and fees as may be incurred in the enforcement of Maker's obligations hereunder, the protection of said Mortgaged Property and the maintenance of the lien of this Mortgage, including the reasonable fees of any attorney employed by Noteholder in any litigation or proceeding affecting this Mortgage, the Note, or the Mortgaged Property, including probate and bankruptcy proceedings, or in preparations for the commencement or defense of any proceeding or threatened suit or proceeding shall be immediately due and payable by Maker, with interest thereon until paid at the Default Rate and shall be secured by this Mortgage.

9.5 Application of Proceeds of Foreclosure Sale. The proceeds of any foreclosure sale of the Mortgaged Property shall be distributed and applied in accordance with the Act and, unless otherwise specified therein, in such order as Noteholder may determine in its sole and absolute discretion.

9.6 Appointment of Receiver. Upon or at any time after the filing of a complaint to foreclose this Mortgage, the court in which such complaint is filed shall, upon petition by Noteholder, appoint a receiver for the Mortgaged Property in accordance with the Act. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Maker at the time of application for such receiver and without regard to the value of the Mortgaged Property or whether the same shall be then occupied as a homestead or not and Noteholder hereunder or any other holder of the Note may be appointed as such receiver. Such receiver shall have power to collect the rents, issues and profits of the Mortgaged Premises (i) during the pendency of such foreclosure suit, (ii) in case of a sale and a deficiency, during the full statutory period of redemption, whether there be redemption or not, and (iii) during any further times when Maker, but for the intervention of such receiver, would be entitled to collect such rents, issues and profits. Such receiver also shall have all other powers and rights that may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Mortgaged Property during said period, including, to the extent permitted by law, the right to lease all or any portion of the Mortgaged Property for a term that extends beyond the time of such receiver's possession without obtaining prior court approval of such lease. The court from time to time may authorize the application of the net income received by the receiver in payment of (a) the Indebtedness, or by any decree foreclosing this Mortgage, or any tax, special assessment or other lien which may be or become superior to the lien hereof or of such decree, provided such application is made prior to foreclosure sale, and (b) any deficiency upon a sale and deficiency.

9.7 Noteholder's Right of Possession in Case of Default. At any time after an Event of Default has occurred, Maker shall, upon demand of Noteholder, surrender to Noteholder possession of the Mortgaged Property. Noteholder, in its discretion, may, with process of law, enter upon and take and maintain possession of all or any part of the Premises, together with all documents, books, records, papers and accounts relating thereto, and may exclude Maker and its employees, agents or servants therefrom, and Noteholder may then hold, operate, manage and control the Mortgaged Property, either personally or by its agents. To the fullest extent permitted by applicable law, Noteholder shall have full power to use such measures, legal or equitable, as in its discretion may be deemed proper or necessary to enforce the payment or security of the avails, rents, issues, and profits of the Mortgaged Property, including actions for the recovery of rent, actions in forcible detainer and actions in distress for rent. Without limiting the generality of the foregoing, to the fullest extent

permitted by applicable law, Noteholder shall have full power to, subject to the provisions of any subordination or non-disturbance agreement then in effect:

- a. cancel or terminate any lease or sublease for any cause or on any ground which would entitle Maker to cancel the same;
- b. elect to disaffirm any lease or sublease which is then subordinate to the lien hereof;
- c. extend or modify any then existing leases and to enter into new leases, which extensions, modifications and leases may provide for terms to expire, or for options to lessees to extend or renew terms to expire, beyond the Maturity Date and beyond the date of the issuance of a deed or deeds to a purchaser or purchasers at a foreclosure sale, it being understood and agreed that any such leases, and the options or other such provisions to be contained therein, shall be binding upon Maker and all persons whose interests in the Mortgaged Property are subject to the lien hereof and upon the purchaser or purchasers at any foreclosure sale, notwithstanding any redemption from sale, discharge of the Indebtedness, satisfaction of any foreclosure judgment, or issuance of any certificate of sale or deed to any purchaser;
- d. make any repairs, renewals, replacements, alterations, additions, betterments and improvements to the Premises as Noteholder deems are necessary;
- e. insure and reinsure the Mortgaged Property and all risks incidental to Noteholder's possession, operation and management thereof; and
- f. receive all of such avails, rents, issues and profits.

9.8 Application of Income Received by Noteholder. Noteholder, in the exercise of the rights and powers hereinabove conferred upon it, shall have full power to use and apply the avails, rents, issues and profits of the Mortgaged Property to the payment of or on account of the following, in such order as Noteholder may determine:

- a. to the extent not paid by Tenant, to the payment of the operating expenses of the Mortgaged Property, including cost of management and leasing thereof (which shall include compensation to Noteholder and its agent or agents, if management be delegated to an agent or agents, and shall also include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims for damages, if any, and premiums on insurance hereinabove authorized;
- b. to the extent not paid by Tenant, to the payment of taxes and special assessments now due or which may hereafter become due on the Premises; and
- c. to the payment of any Indebtedness, including any deficiency which may result from any foreclosure sale.

## 9.9 Compliance with Illinois Mortgage Foreclosure Law.

a. If any provision in this Mortgage shall be inconsistent with any provision of the Act, provisions of the Act shall take precedence over the provisions of this Mortgage, but shall not invalidate or render unenforceable any other provision of this Mortgage that can be construed in a manner consistent with the Act.

b. If any provision of this Mortgage shall grant to Noteholder (including Noteholder acting as a Noteholder-in-possession) or a receiver appointed pursuant to the provisions of Paragraph 9.6 of this Mortgage any powers, rights or remedies prior to, upon or following the occurrence of an Event of Default which are more limited than the powers, rights or remedies that would otherwise be vested in Noteholder or in such receiver under the Act in the absence of said provision, Noteholder and such receiver shall be vested with the powers, rights and remedies granted in the Act to the full extent permitted by law.

c. Without limiting the generality of the foregoing, all expenses incurred by Noteholder which are of the type referred to in Section 5/15-1510 or 5/15-1512 of the Act, whether incurred before or after any decree or judgment of foreclosure, and whether or not enumerated in this Mortgage, shall be added to the Indebtedness and/or by the judgment of foreclosure.

9.10 Waiver of Rights. Maker hereby covenants and agrees that it will not at any time insist upon or plead, or in any manner claim or take any advantage of, any stay, exemption or extension law or any so-called "Moratorium Law" now or at any time hereafter in force providing for the valuation or appraisal of the Mortgaged Premises, or any part thereof, prior to any sale or sales thereof to be made pursuant to any provisions herein contained, or to decree, judgment or order of any court of competent jurisdiction; or, after such sale or sales, claim or exercise any rights under any statute now or hereafter in force to redeem the property so sold, or any part thereof, or relating to the marshalling thereof, upon foreclosure sale or other enforcement hereof; and without limiting the foregoing:

Maker hereby expressly waives any and all rights of reinstatement and redemption, if any, under any order or decree of foreclosure of this Mortgage, on its own behalf and on behalf of each and every person, it being the intent hereof that any and all such rights of reinstatement and redemption of the Maker and of all other persons are and shall be deemed to be hereby waived to the full extent permitted by the provisions of Illinois Compiled Statutes 735 ILCS 5/15 - 1601 or other applicable law or replacement statutes;

Maker will not invoke or utilize any such law or laws or otherwise hinder, delay or impede the execution of any right, power remedy herein or otherwise granted or delegated to the Noteholder but will suffer and permit the execution of every such right, power and remedy as though no such law or laws had been made or enacted; and

If the Maker is a trustee, Maker represents that the provisions of this paragraph (including the waiver of reinstatement and redemption rights) were made at the express direction of Maker's beneficiaries and the persons having the power of direction over Maker, and are made on behalf of the trust estate of Maker and all beneficiaries of Maker, as well as all other persons mentioned above.

## X. USE OF INSURANCE PROCEEDS

10.1 Holding of Proceeds. Notwithstanding the provisions of Article VI, Section C, any insurance proceeds paid to Noteholder will be first applied in payment of the expenses, if any, incurred by Noteholder in the collection of said insurance proceeds and the balance, if any, will be held and disbursed by Noteholder, subject to the rights of the Tenant to receive and apply such insurance proceeds, in accordance with the following provisions:

A. (1) Should there exist an Event of Default at the time of the casualty or should there occur at any time thereafter an Event of Default; (2) should either the tenant of any portion of the Mortgaged Property or the Maker terminate a lease as a result of said damage, or, whether or not a result of such damages, at any time prior to the commencement of reconstruction; (3) should any insurance proceeds be remaining after the completion of all restoration work; or (4) should Maker fail to comply with the requirements for disbursing the insurance proceeds, then in any of the said events, Noteholder may, at its option, apply the insurance proceeds on the Indebtedness, in any order and whether due or not, or to the restoration of the Mortgaged Property, or to be released to Maker, but any such application or release shall not cure or waive any default.

B. If the insurance proceeds have not been disbursed to the Tenant, or under the provisions of subparagraph A hereof, or if under subparagraph A Noteholder elects to permit the insurance proceeds to be used for restoration of the Mortgaged Property, the proceeds will be held and disbursed as follows:

(1) Should the insurance proceeds be less than \$100,000.00, Noteholder will disburse the insurance proceeds to Maker and Maker shall immediately commence and complete the work of restoring the damaged property.

(2) Should the insurance proceeds equal or be in excess of \$100,000.00, but less than \$500,000.00, Maker shall cause plans and specifications ("Plans") for the restoration of the damaged property to be submitted to Noteholder for approval. Upon receipt of Noteholder's approval, Maker shall forthwith commence and complete the restoration of the damaged property in accordance with the approved Plans. Noteholder will disburse the portion of the insurance proceeds to pay the actual costs to repair and restore the damaged property to Maker upon (i) completion of the restoration work to a condition satisfactory to Noteholder, (ii) submission of a written report by Maker that all restoration work has been completed, and (iii) receipt by Noteholder of such evidence as Noteholder may require that all mechanics and materialmen performing work or supplying materials for the restoration work have been completely paid.

(3) If the insurance proceeds are equal or in excess of \$500,000.00: (a) Plans for the restoration of the damaged property and a cost estimate will both be prepared by an architect employed by Maker and acceptable to Noteholder. The Plans and cost estimates will be submitted to Noteholder for approval. Upon receipt of Noteholder's approval, Maker will promptly commence and diligently pursue the restoration work in accordance with the approved Plans. (b) If prior to the commencement of, or at any time during the restoration work, Noteholder shall determine that the total cost of the restoration work shall exceed the balance of the insurance proceeds held in its possession, Maker shall immediately pay, in cash, to Noteholder the amount of such excess costs. Until the amount of said excess costs is paid to Noteholder, Noteholder shall not be obligated to

disburse any of the insurance proceeds held by it. The insurance proceeds and the amount of excess costs paid by Maker are hereinafter called "Construction Funds". The amount of such excess costs paid by Maker shall be disbursed prior to the disbursement of any of the insurance proceeds held by Noteholder. (c) The Construction Funds will be made available to Maker as restoration repair work progresses pursuant to certificates of the architect approved by Noteholder, submitted not more than once every thirty (30) days. There shall be delivered to Noteholder such other evidences as Noteholder may reasonably request, from time to time, during the restoration work, as to the progress of the work, the compliance with the approved Plans, the total cost of restoration work to date of request, the total cost needed to complete the restoration work, lien waivers or evidence of no liens against the Mortgaged Property. If at any time during the course of the restoration work, Noteholder learns of facts concerning the restoration work which is materially adverse to Noteholder, or payment or nonpayment of mechanics and materialmen, or inaccuracy of any information furnished with respect to it, Noteholder may withhold the disbursement of funds until such time as it is prudent to continue to disburse the Construction Funds or may determine not to make any further disbursements of the Construction Funds and instead to apply all such funds remaining to the payment of the Indebtedness then outstanding, whether due or not at such time, without any prepayment premium, and in such order as determined by Noteholder.

C. Noteholder shall not be required to hold any funds received by it described in this Article X in any account special or separate from Noteholder's general account. No such funds shall be required to be placed in any interest bearing account, and any interest earned thereon shall constitute additional insurance proceeds to be applied as provided in this Agreement.

## XI. SPECIAL CONDITIONS

This document is expressly made subject to the following special conditions.

11.1 Successors and Assigns. This Mortgage and all provisions hereof shall be binding upon and enforceable against Maker and its assigns and other successors. This Mortgage and all provisions hereof shall inure to the benefit of Noteholder, its successors and assigns and any holder or holders, from time to time, of the Note.

11.2 Waiver and Election. The exercise of any right or remedy by Noteholder shall not be considered as a waiver of any right or remedy nor shall any acceptance by Noteholder of Maker's partial payment or partial performance of obligations under the Note or hereunder, nor shall any failure or delay by Noteholder in exercising any of its rights or remedies as to any Event of Default which may occur, operate as a waiver by Noteholder of its rights or remedies with respect to the occurrence of any other or further Event of Default or to the recurrence of the same Event of Default. The filing of a suit to foreclose the Deed of Trust granted by this Agreement either on any matured portion of the Indebtedness or for the whole of the Indebtedness, shall never be considered an election so as to preclude foreclosure under power of sale after a dismissal of the suit; nor shall the filing of the necessary notices for foreclosure, as provided in this Agreement, preclude the exercise by Noteholder of any other right or remedy including, without limitation, the prosecution of a later suit thereon.

11.3 Landlord-Tenant Relationship. Any sale of the Mortgaged Property under this Agreement shall, without further notice, create the relationship of landlord and tenant at sufferance

between the purchaser and Maker and any person or entity claiming an interest in the Mortgaged Property through Maker or otherwise occupying any of the Mortgaged Property, upon failure to surrender possession thereof, Maker and all such persons and entities may be removed by a writ of possession upon suit by the purchaser.

11.4 Usury. Notwithstanding any provision in this Agreement to the contrary, it is expressly provided that in no case or event should the aggregate amounts, which by applicable law are deemed to be interest with respect to this Agreement, the Note or any document securing, evidencing or relating to the Note ever exceed the "Maximum Nonusurious Rate" (as defined in the Note). In this connection, it is expressly stipulated and agreed that it is the intention of Noteholder and the Maker to contract in strict compliance with applicable usury laws of the State of Illinois and/or of the United States (whichever permits the higher rate of interest) from time to time in effect. Nothing in this Agreement, the Note or any document securing, evidencing or relating to the Note shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the Maximum Nonusurious Rate. If under any circumstances the aggregate amounts contracted for, charged or paid with respect to the Note which by applicable law are deemed to be interest, would produce an interest rate greater than the Maximum Nonusurious Rate, the Maker and any other person obligated to pay the Note, stipulates that the amounts will be deemed to have been paid, charged or contracted for as a result of an error on the part of Maker, any other person obligated for the payment of the Note and the Noteholder and upon discovery of the error or upon notice thereof from the Maker or the party making such payment, the Noteholder or the party receiving such excess payment shall, at its option, refund the amount of such excess payment or credit the excess payment against any other amount due under the Note. In addition, all sums paid or agreed to be paid to the holder of the Note for the use, forbearance or detention of monies shall be, to the extent permitted by applicable law, amortized, prorated, allocated and spread through the term of the Note. At all times, if any, under the Illinois Interest Act (815 ILCS 205/ et seq.) (the "Interest Act") shall establish the maximum nonusurious rate, the "Maximum Nonusurious Rate" shall be the highest permitted rate under the Interest Act from time to time in effect. If the Maximum Nonusurious Rate is increased or removed by statute or other governmental action subsequent to the date of the Note, then the new Maximum Nonusurious Rate, if any, will be applicable to the Note from the effective date of the new Maximum Nonusurious Rate, unless such application is precluded by the statute or governmental action or by the general law of the jurisdiction governing the Note.

11.5 Enforceability. If any provision hereof is presently or at any time becomes invalid or unenforceable, the other provisions hereof shall remain in full force and effect, and the remaining provisions hereof shall be construed in favor of the Noteholder to effectuate the provisions hereof.

11.6 Application of Payments. If the lien or liens created by this Agreement are invalid or unenforceable as to any part of the Indebtedness or if such lien or liens are invalid or unenforceable as to any part of the Mortgaged Property, the unsecured or partially unsecured portion of the Indebtedness shall be completely paid prior to the payment of the remaining and secured or partially secured portion of the Indebtedness and all payments made on the Indebtedness, whether voluntary or under foreclosure or other enforcement action or procedures, shall be considered to have been first paid on and applied to the full payment of that portion of the Indebtedness which is not secured or not fully secured by the lien or liens created herein.

11.9 Release or Extension by Noteholder. Noteholder, without notice, may release any part of the Mortgaged Property or any person liable for the Indebtedness without in any way affecting the liens hereof on any part of the Mortgaged Property not expressly released and may agree in writing with any party with an interest in the Mortgaged Property to extend the time for payment of all or any part of the Indebtedness or to waive the prompt and full performance of any term, condition or covenant of any document securing, evidencing or relating to the Indebtedness.

11.10 Partial Payments. Acceptance by Noteholder of any payment of less than the amount due on the Indebtedness shall be deemed acceptance on account only and the failure to pay the entire amount then due shall be and continue to be a default; and at any time thereafter and until the entire amount due on the Indebtedness has been paid, Noteholder shall be entitled to exercise all rights conferred on it by the terms of this Agreement upon the occurrence of an Event of Default.

11.11 Titles not to be Considered. All section, subsection, paragraph or other titles contained in this Agreement are for reference purposes only and this Agreement shall be construed without reference to said titles.

the Note or the interest of Noteholder in the Mortgaged Premises or upon Noteholder by reason of any of the foregoing (excepting therefrom any income tax on interest payments on the principal portion of the Indebtedness secured hereby) then, Maker shall pay all such taxes to or for Noteholder as they become due and payable, and provided further that in the event of passage of any law or regulation permitting, authorizing or requiring the tax, assessment or imposition to be levied, assessed or charged, which law or regulation prohibits Maker from paying the tax, assessment or imposition, to or for Noteholder, then all sums hereby secured shall become immediately due and payable at the option of the Noteholder. Maker agrees to exhibit to Noteholder at any time upon request, official receipts showing payment of all taxes, assessments and charges which Maker is required or elects to pay hereunder. Maker agrees that if the United States Government or any department or bureau thereof shall at any time require revenue stamps to be affixed to the Note or this Agreement, Maker will upon demand pay for stamps in the required amount and deliver them to Noteholder and Maker agrees to INDEMNIFY and HOLD HARMLESS Noteholder against loss, damage, liability or expense (including reasonable attorneys' fees and investigatory expenses) on account of such revenue stamps, whether such loss, damage, liability or expense arises before or after payment of the Note and any termination of the estate created by this Agreement whether as a result of the exercise by Noteholder of any default remedies available to it at law or in equity or otherwise; SUCH INDEMNITY AND HOLD HARMLESS SPECIFICALLY INCLUDES ANY LOSS, DAMAGE, EXPENSE OR LIABILITY CAUSED BY OR ATTRIBUTABLE TO THE ORDINARY OR SIMPLE NEGLIGENCE, AS OPPOSED TO THE GROSS NEGLIGENCE, OF AN INDEMNITEE, but such indemnity and hold harmless shall not apply to the extent that such loss, damage, expense or liability is caused by or attributable to Noteholder's gross negligence or willful misconduct.

11.14 Indemnification. MAKER AGREES TO INDEMNIFY AND HOLD HARMLESS NOTEHOLDER FROM ALL LOSS, DAMAGE AND EXPENSE, INCLUDING REASONABLE ATTORNEYS' FEES AND INVESTIGATORY EXPENSES, INCURRED IN CONNECTION WITH ANY SUIT OR PROCEEDING IN OR TO WHICH NOTEHOLDER MAY BE MADE A PARTY FOR THE PURPOSE OF PROTECTING THE LIEN OF THIS AGREEMENT, EVEN IF SUCH LOSS, COST, LIABILITY OR EXPENSE RESULT FROM OR ARE ATTRIBUTABLE TO THE NEGLIGENCE OF NOTEHOLDER, EXCEPT TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF NOTEHOLDER; SUCH INDEMNITY AND HOLD HARMLESS SPECIFICALLY INCLUDES ANY LOSS, DAMAGE, EXPENSE OR LIABILITY CAUSED BY OR ATTRIBUTABLE TO THE ORDINARY OR SIMPLE NEGLIGENCE, AS OPPOSED TO THE GROSS NEGLIGENCE, OF NOTEHOLDER, but such indemnity and hold harmless shall not apply to the extent that such loss, damage, expense or liability is caused by or attributable to Noteholder's gross negligence or willful misconduct. Maker's obligations pursuant to the foregoing indemnity and hold harmless shall survive any termination of the estate created by this Agreement whether as a result of the exercise by Noteholder of any default remedies available to it at law or in equity or otherwise.

11.15 Additional Documents. Maker agrees that upon request of Noteholder it will from time to time execute, acknowledge and deliver all such additional documents and further assurances of title and will do or cause to be done all such further acts and things as may be reasonably necessary fully to effectuate the intent of this Agreement. The Maker within ten (10) days upon request in person or by mail will furnish a duly acknowledged written statement setting forth the amount of the debt secured by this Agreement, the date to which interest has been paid and stating

either that no offsets or defenses exist against the debt secured hereby, or, if such offsets or defenses are alleged to exist, the nature thereof.

11.16 Disclosure. Maker agrees to disclose to Noteholder upon request, the then ownership of the beneficial interest in any trust which then holds legal title to the Mortgaged Property and shall cause the owner(s) of such beneficial interest to furnish sufficient evidence to Noteholder for it to determine the identity of all of the parties which compose such owner(s).

11.17 Subrogation. In the event the Note is given for money advanced in the payment of a sum owing upon another note or indebtedness, Maker hereby acknowledges that it has requested and does hereby request Noteholder to advance the money necessary to pay such note or indebtedness, whether or not a release or transfer of said other note or indebtedness has been or will be executed by the owner and holder thereof, and Maker hereby agrees that Noteholder and Noteholder's assigns shall be, and are hereby, subrogated to any and all the rights, liens, remedies, equities, superior title and benefits held, owned, possessed or enjoyed at any time by any owner or holder of said other note or indebtedness, to secure payment to Noteholder of the Note hereby secured and, accordingly, any such other note and indebtedness, and all liens securing same are hereby extended to the maturity date of the Note hereby secured in order to additionally secure such Note. Nothing in this Section 11.17 shall alter any obligation of maker hereunder or under the Note.

11.18. Time. Time is of the essence with respect to this Agreement.

11.19. Multiple Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original document and which, taken together, constitute one and the same agreement.

## XII. LIMITATION OF LIABILITY

Except as otherwise specifically provided herein, in the event of a default in the payment of the Note by Maker, or any default under this Agreement or any other document securing, evidencing or relating to the Note, Noteholder's sole recourse shall be against the Mortgaged Property described in this Agreement and such other documents securing, evidencing or relating to the Note, and Noteholder shall not be entitled to recover any deficiency judgment against Maker if the foreclosure or recovery of such Mortgaged Property is not sufficient to pay the amount owed by Maker hereunder. Notwithstanding the foregoing limitation of liability, Maker shall be fully liable (a) for fraud or misrepresentation made in or in connection with the Note or any document securing, evidencing or relating to the payment of the Note or the apparent purpose of which is to deprive Noteholder of the security for the Note; (b) for failure to pay taxes, assessments, charges for labor or materials or any other charges which can create liens on any portion of the Mortgaged Property; (c) for the misapplication of (i) proceeds of insurance covering any portion of the Mortgaged Property, or (ii) proceeds of the sale or condemnation of any portion of the Mortgaged Property, or (iii) rentals and security deposits received by or on behalf of Maker subsequent to the date on which Noteholder gives written notice of the posting of foreclosure notices or the exercise of Noteholder's assignment of rents; (d) for failure to maintain, repair or restore the Mortgaged Property in accordance with any document securing, evidencing or relating to the payment of the Note; (e) for any act or omission knowingly or intentionally committed or permitted by Maker which results in the waste, damage or destruction to the Mortgaged Property, but only to the extent such events are not covered by

**CONSENT TO JURISDICTION. TO INDUCE NOTEHOLDER TO ACCEPT THE NOTE, MAKER IRREVOCABLY AGREES THAT, SUBJECT TO NOTEHOLDER'S SOLE AND ABSOLUTE ELECTION, ANY ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATED THIS MORTGAGE WHICH ARE REQUIRED TO BE LITIGATED IN THE STATE IN WHICH THE PROPERTY IS LOCATED, WILL BE LITIGATED IN COURTS HAVING SITUS IN COOK COUNTY, ILLINOIS AND ALL OTHER ACTIONS SHALL BE LITIGATED IN COURTS HAVING SITUS IN CHICAGO, ILLINOIS.
