I, do state and declare my intent to expatriate from the United States. United States as used in this document means the corporate United States, Washington D.C., The District of Columbia, or U.S. government Incorporated as a for profit commercial enterprise in the Legislative act of February 21, 1871, forty-first Congress, Session III, Chapter 62, page 419. I know and believe, that I,

Ahad Intaj Jari Bey

am not and was never a citizen of the United States because 1.) I could never be. Dred Scott vs. Sanford 1857 U.S. Supreme Court " No person of African descent could ever be a citizen of the United States." 2.) I never intended to be. I never knowingly or willingly entered into any contract or obligation with the United States, any of its principals, agents, or assigns. I have never knowingly and willingly waived any of my rights of birth endowed to me by the Creator. To waive any of my God given rights would be in direct conflict with my spiritual and religious beliefs. To waive any of my God given rights would be unconscionable agreement on my part. Unconscionable Agreement - an agreement that no promissory with any sense, and not under a delusion, would make, and that no honest and fair promisee would accept. Black's Law Dictionary Abridged 7th Edition. Even knowing that I am not and was never a citizen of the United States, I still find the urgent need to kill any assumption that I am a United States citizen by renouncing United States citizenship, and declaring, my expatriation from the United States to further prevent the violation of my God given unalienable rights by the United States, its principals, agents, and assigns. Expatriation Act 1868, " the right to expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights

There exist NO security interest in said vehicle on behalf of the STATE, maintain controlling security interest in said vehicle, pursuant to UCC-1 Financing Statement# 2010 - 24819024 and UCC-3 Amendment # \_\_\_\_\_, as prima facie evidence of My security interest in said vehicle. The vehicle is NOT required to be registered . . . And there is NO requirement for a State Certificate of Title. It is NOT required to register a vehicle unless the STATE has acquired ownership of the vehicle. The STATE acquires ownership of the vehicle by the transfer of the security interest at the time of "first sale" or at the time of transfer of the Certificate of Title; and the State's security interest is renewed at the time of annual registration, or re-registration. In other words, if the STATE doesn't own the vehicle, that vehicle cannot be registered. If the STATE doesn't own the vehicle, that vehicle is NOT required to be registered. My Commission Expires

APOSTILLE REGISTRATION PURSUANT TO INTERNATIONAL PRIVATE LAW  
 (5 October, 1961 Hague Convention) WITH ADMINISTRATIVE AND JUDICIAL NOTICE

Our natural indigenous Moorish American Nationality and status and sincerely held convictions forbid me to contract a political or legal affiliation within a statutory jurisdiction both "foreign to" and "contravention of sovereign authority fundamental to the United States of America (constitutional Republic). The rights and of an indigenous, natural, native American who is not part of any body politic, a legal fiction or statutory citizen, are protected by Constitution, State, Federal and International Law applying to Individual Human Rights. It is unlawful to deny a right or sanction, condemn, or damage me because I do not enter statutory jurisdiction or process "foreign to" capacity as a statutory U.S. A. (Constitutional Republic). Violation is inclusive of coercing, fraud or compelling one into fictional Due process. Violation also embraces official participation through "neglect or refusal" to: prevent or aid in preventing" rather than properly noting and mitigating prohibited damage. Violation creates liability rendering governmental "immunity from suit" defense moot.

Pursuant to my status of an aboriginal indigenous, natural, (Moorish American National) I terminate relationship with the Social Security Administration and no longer use a "Social Security number". Previous documentation may include a former "SSN", but I must now request that no individual or agency erroneously associates me with a "SSN" CREATING DAMAGE LIABILITY. Substitute documentation admissible under State, Federal or International Law may now be provided for "identification" purposes. It is unlawful to deny a right or to sanction, condemn, or damage me because I do not have a "SSN" conflicting with my sincerely held convictions.

Pursuant to and to avoid mistaken identity by erroneously addressing a fiction or a non-Natural being, my proper Indigenous Moorish name is spelled using upper and lower case I am Ahad Intaj Jari Bey/Luther Leroy Newburn Bey ©, My birthplace is: usA/Al Moroc (Amexem) Moroccan Empire, born to Luther Leroy Newburn Sr (Father) and Annie Ruth Newburn (Mother) ARN \_\_\_\_\_ (Mother) both Moorish American Nationals. My indigenous, natural and indigenous identity cannot identify with a state issued birth certificate conferring the status of an artificial entity fiction at law or federally created living trust registered with the U.S. Department of commerce, Bureau of Statistics (putting that artificial entity Trustee into a fiduciary relation to said trust having statutory and contractual obligation). [Le U.S. public bankruptcy policies, 5 USC 903]. (With no absolute rights to Constitutional protection and Due process).

**AFFIDAVIT OF TRUTH:**

Be it known to all courts, governments, and other parties, that I,

Luther Leroy Newburn Jr./Ahad Intaj Jari Bey,/Luther Leroy Newburn Bey

am a natural, freeborn Sovereign, without subjects. I am neither subject to any entity anywhere, nor is any entity subject to me. I neither dominate anyone, nor am I dominated.

My authority for this statement is the same as it is for all free Sovereigns everywhere: the age-old, timeless, and universal respect for the intrinsic rights, property, freedom, and responsibilities of the Sovereign Individual.

I am not a "person" when such term is defined in statutes of the United States or statutes of the several states when such definition includes artificial entities. I refuse to be treated as a federally or state created entity which is only capable of exercising certain rights, privileges, or immunities as specifically granted by federal or state governments.

I voluntarily choose to comply with the man-made laws which serve to bring harmony to society, but no such laws, nor their enforcers, have any authority over me. I am not in any jurisdiction, for I am not of subject status. Consistent with the eternal tradition of natural common law, unless I have harmed or violated someone or their property, I have committed no crime; and am therefore not subject to any penalty.

I act in accordance with the following U.S. Supreme Court case:

"The individual may stand upon his constitutional rights as a citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no such duty [to submit his books and papers for an examination] to the State, since he receives nothing therefrom, beyond the protection of his life and property. His rights are such as existed by the law of the land [Common Law] long antecedent to the organization of the State, and can only be taken from him by due process of law, and in accordance with the Constitution. Among his rights are a refusal to incriminate himself, and the immunity of himself and his property from arrest or seizure except under a warrant of the law. He owes nothing to the public so long as he does not trespass upon their rights." **Hale v. Henkel**, 201 U.S. 43 at 47 (1905).

Thus, be it known to all, that I reserve my natural common law right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily, and intentionally. And furthermore, I do not accept the liability associated with the compelled and pretended "benefit" of any hidden or unrevealed contract or commercial agreement.

As such, the hidden or unrevealed contracts that supposedly create obligations to perform, for persons of subject status, are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits"

associated with these hidden contracts, I have done so under duress, for lack of any other practical alternative. I may have received such "benefits" but I have not accepted them in a manner that binds me to anything. Any such participation does not constitute "acceptance" in contract law, because of the absence of full disclosure of any valid "offer," and voluntary consent without misrepresentation or coercion, under contract law. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds," and therefore no valid contract. Any supposed "contract" is therefore void, ab initio. From my age of consent to the date affixed below I have never signed a contract knowingly, willingly, intelligently, and voluntarily whereby I have waived any of my natural common law rights, and, as such, **Take Notice** that I revoke, cancel, and make void ab initio my signature on any and all contracts, agreements, forms, or any instrument which may be construed in any way to give any agency or department of any federal or state government authority, venue, or jurisdiction over me.

This position is in accordance with the U.S. Supreme Court decision of Brady v. U.S., 379 U.S. 742 at 748 (1970):

"Waivers of Constitutional Rights not only must be voluntary, they must be knowingly intelligent acts, done with sufficient awareness of the relevant circumstances and consequences."

Typical examples of such compelled and pretended "benefits" are:

1. **The use of Federal Reserve Notes to discharge my debts.** I have used these only because in America, there is no other widely recognized currency.
2. **The use of a bank account, with my signature on the bank signature card.** If there is any hidden contract behind the bank signature card, my signature thereon gives no validity to it. The signature is only for verification of identity. I can be obligated to fulfill no hidden or unrevealed contract whatsoever, due to the absence of full disclosure and voluntary consent.

Likewise, my use of the bank account thereof is due to the absence of a bank not associated with the Federal Reserve system. In general, people have been prevented from issuing their own currencies, and such prevention is in violation of the United States Constitution. Were there an alternative, I would be happy to use it. To not use any bank at all is impossible or very difficult, as everyone knows, in today's marketplace.

3. **The use of a Social Security number.** The number normally assigned to persons of subject status, I use exceptionally, under duress, only because of the extreme inconvenience of operating without one in today's marketplace, where it is requested by banks, employers, lenders, and many other government agencies and businesses. My reason for using it is not because I wish to participate in the Social Security system, as I don't wish to participate. Let it be known that I use the Social Security number assigned to me *for information only*.

4. **The use of a driver's license.** As a free Sovereign, there is no legal requirement for me to have such a license for travelling in my car. Technically, the unrevealed legal purpose of driver's licenses is commercial in nature. Since I don't carry passengers for hire, there is no law requiring me to have a license to travel for my own pleasure and that of my family and friends. However, because of the lack of education of police officers on this matter, should I be stopped for any reason and found to be without a license, it is likely I would be ticketed and fined or obligated to appear in court. Therefore, under duress, I carry a license to avoid extreme inconvenience.
5. **State plates on my car.** Similarly, even though technically, my car does not fit the legal definition of a "motor vehicle," which is used for commercial purposes, nevertheless, I have registered it with the state and carry the state plates on it, because to have any other plates or no plates at all, causes me to run the risk of police officer harassment and extreme inconvenience.
6. **Past tax returns filed.** Any tax returns I may have filed in the past, were filed due to the dishonest atmosphere of fear and intimidation created by the Internal Revenue Service (IRS) and the local assessors' offices; not because there is any law requiring me to do so. Once I discovered that the IRS and other tax agencies have been misinforming the public, I have felt it is my responsible duty to society to terminate my voluntary participation. Because such returns were filed under Threat, Duress, and Coercion (TDC), and no two-way contract was ever signed with full disclosure, there is nothing in any past filing of returns or payments that created any valid contract. Therefore, no legal obligation on my part was ever created.
7. **Birth Certificate.** The fact that a birth certificate was granted to me by a local hospital or government agency when I entered this world, is irrelevant to my Sovereignty. No status, high or low, can be assigned to another person through a piece of paper, without the recipient's full knowledge and consent. Therefore, such a piece of paper provides date and place information only. It indicates nothing about jurisdiction, nothing about property ownership, nothing about rights, and nothing about subject status. The only documents that can have any legal meaning, as it concerns my status in society, are those which I have signed as an adult, with full knowledge and consent, free from misrepresentation or coercion of any kind.
8. **Marriage license.** The acquisition of a marriage license is now being revealed as being necessary only for slaves. The act of a Sovereign such as myself obtaining such a license, through social custom and ignorance of law, has no legal effect in changing my status. This is because any such change in status, if any may be supposed to occur, could happen only through a hidden and unrevealed contract or statute. Since no hidden, unrevealed, and undisclosed information, if it exists, can be lawfully held to be binding, it is null and void.

9. **Children in public school.** The attendance of my children in government-supported "public" schools or government-controlled "private" schools does not create any legal tax obligation for me, nor any other legal obligation, because I never signed a contract agreeing to such obligation for the supposed "privilege" of public school attendance.

If any of my children have attended government supported "public" or controlled "private" schools, such was done under duress and not out of free will. Be it known that I regard "compulsory state education" as a violation of the Thirteenth Amendment to the U.S. Constitution, which states in relevant part:

"Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction."

10. **Declaration of Citizenship.** Any document I may have ever signed, in which I answered "yes" to the question, "Are you a U.S. citizen?" - cannot be used to compromise my status as a Sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship," provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no legally binding contract.

I am not a "United States" citizen subject to its jurisdiction. The United States is an entity created by the U.S. Constitution with jurisdiction as described on the following pages of this Affidavit. I am not a "resident of," an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or "subject to the jurisdiction of" any corporate federal government, corporate state government, corporate county government, corporate city government, or corporate municipal body politic created under the authority of the U.S. Constitution. I am not subject to any legislation, department, or agency created by such authorities, nor to the jurisdiction of any employees, officers, or agents deriving their authority therefrom. Further, I am not a subject of the Administrative and Legislative Article IV Courts of the several states, or Article I Courts of the United States, or bound by precedents of such courts, deriving their jurisdiction from said authorities. **Take Notice** that I hereby revoke, cancel, and make void ab initio any such instrument or any presumed election made by any of the several states or the United States government or any agency or department thereof, that I am or ever have voluntarily elected to be treated as a United States citizen subject to its jurisdiction or a resident of any territory, possession, instrumentality or enclave under the sovereignty or exclusive jurisdiction of any of the several states or of the United States as defined in the U.S. Constitution in Article I, Section 8, Clause 17 and Article IV, Section 3, Clause 2.

11. **Past voter registration.** Similarly, since no obligation to perform in any manner was ever revealed in print, as part of the requirements for the supposed "privilege" to vote for government officials, any such

registration on my part cannot be legal evidence of any obligation to perform. Likewise, I have granted NO jurisdiction over me to any political office. It is my inherent right to vote on elections or issues that I feel affect all of society; NOT because I need anyone to rule over me. On the contrary - I have used the voting process only to instruct *my public servants* what a Citizen and Sovereign would like done.

12. **Use of the 2-letter state code and zip code.** My use of the 2-letter state code and zip code in my "address," which is secretly codified to indicate United States "federal zone" jurisdiction, has no effect whatsoever on my Sovereign status. Simply by receiving or sending "mail" through a quasi-federal messenger service, the postal service, at a location indicated with a 2-letter state code and zip code, cannot place me under federal jurisdiction or obligation. Such a presumption would be ludicrous. I use these codes only for the purposes of information and making it more efficacious for the U.S. Postal Service to deliver my mail.
13. **Use of semantics.** There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government." Just because they alter definitions of words in the law books to their supposed advantage, doesn't mean I accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life. Because the courts have become entangled in the game of semantics, be it known to all courts and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in the law books different from the common usage, there can be no effect whatsoever on my Sovereign status in society thereby, nor can there be created any obligation to perform in any manner, by the mere use of such words. Where the meaning in the common dictionary differs from the meaning in the law dictionary, it is the meaning in common dictionary that prevails, because it is more trustworthy.

Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my common law rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until better alternatives become available, practical, and widely recognized.

#### FEDERAL JURISDICTION

It is further relevant to this Affidavit that any violation of my Rights, Freedom, or Property by the U.S. federal government, or any agent thereof, would be an illegal and unlawful excess, clearly outside the limited

boundaries of federal jurisdiction. My understanding is that the jurisdiction of the U.S. federal government is defined by Article I, Section 8, Clause 17 of the U.S. Constitution, quoted as follows:  
 "The Congress shall have the power . . . To exercise exclusive legislation in all cases whatsoever, over such district (NOT EXCEEDING TEN MILES SQUARE) as may, by cession of particular states and the acceptance of Congress, become the seat of the Government of the United States, [District of Columbia] and to exercise like authority over all places purchased by the consent of the legislature of the state in which the same shall be, for the Erection of Forts, Magazines, Arsenals, dock yards and other needful Buildings; And - To make all laws which shall be necessary and proper for carrying into Execution the foregoing Powers..." [emphasis added] and Article IV, Section 3, Clause 2:

"The Congress shall have the Power to dispose of and make all needful Rules and Regulations respecting the Territory or other Property belonging to the United States; and nothing in this Constitution shall be so construed as to Prejudice any Claims of the United States, or of any particular State."

The definition of the "United States" being used here, then, is limited to its **territories**:

- |                                |   |
|--------------------------------|---|
| 1) The District of Columbia    | 6) Northern Mariana Islands                   |
| 2) Commonwealth of Puerto Rico | 7) Trust Territory of the Pacific Islands     |
| 3) U.S. Virgin Islands         | 8) Military bases within the several states   |
| 4) Guam                        | 9) Federal agencies within the several states |
| 5) American Samoa              |   |

It does **not** include the several states **themselves**, as is confirmed by the following cites:

"We have in our political system a Government of the United States and a government of each of the several States. Each one of these governments is distinct from the others, and each has citizens of its own who owe it allegiance, and whose rights, within its jurisdiction, it must protect. The same person may be at the same time a citizen of the United States and a Citizen of a State, but his rights of citizenship under one of these governments will be different from those he has under the other." Slaughter House Cases United States vs. Cruikshank, 92 U.S. 542 (1875).

"THE UNITED STATES GOVERNMENT IS A FOREIGN CORPORATION WITH RESPECT TO A STATE." [emphasis added] Volume 20: Corpus Juris Sec. §1785: NY re: Merriam 36 N.E. 505 1441 S.Ct.1973, 41 L.Ed.287.

This is further confirmed by the following quote from the Internal Revenue Service:

Federal jurisdiction "includes the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa." - Internal Revenue Code Section 312(e).

In legal terminology, the word "includes" means "is limited to."

When referring to this "District" United States, the Internal Revenue Code uses the term "**WITHIN**" the United States. When referring to the several States, the Internal Revenue Code uses the term "**WITHOUT**" the United States.

Dozens, perhaps hundreds, of court cases prove that federal jurisdiction is limited to the few federal territory areas above indicated. For example, in two Supreme Court cases, it was decided:

"The laws of Congress in respect to those matters do not extend into the territorial limits of the states, but have force only in the District of Columbia, and other places that are within the exclusive jurisdiction of the national government," **Caha v. United States**, 152 U.S., at 215.

"We think a proper examination of this subject will show that the United States never held any municipal sovereignty, jurisdiction, or right of soil in and to the territory, of which Alabama or any of the new States were formed..."

"[B]ecause, the United States have no constitutional capacity to exercise municipal jurisdiction, sovereignty, or eminent domain, within the limits of a State or elsewhere, except in the cases in which it is expressly granted..."

"Alabama is therefore entitled to the sovereignty and jurisdiction over all the territory within her limits, subject to the common law," **Pollard v. Hagan**, 44 U.S. 221, 223, 228, 229.

Likewise, Title 18 of the United States Code at §7 specifies that the "territorial jurisdiction" of the United States extends only **outside** the boundaries of lands belonging to any of the several States

**Therefore**, in addition to the fact that no unrevealed federal contract can obligate me to perform in any manner without my fully informed and uncoerced consent, likewise, no federal statutes or regulations apply to me or have any jurisdiction over me. I hereby affirm that I do not reside or work in any federal territory of the "District" United States, and that therefore no U.S. federal government statutes or regulations have any authority over me.

**POWERS AND CONTRACTUAL OBLIGATIONS OF  
 UNITED STATES AND STATE GOVERNMENT OFFICIALS**

All United States and State government officials are hereby put on notice that I expect them to have recorded valid Oaths of Office in accordance with the U.S. Constitution, Article VI:

"The Senators and Representatives before mentioned, and the members of the several State Legislatures, and all executive and judicial officers, both of the United States and of the several States, shall be bound by oath or affirmation to support this Constitution..."

I understand that by their Oaths of Office all U.S. and State government officials are contractually bound by the U.S. Constitution as formulated by its framers, and not as "interpreted," subverted, or corrupted by the U.S. Supreme Court or other courts.

According to the Ninth Amendment to the U.S. Constitution:

"The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people."

and the Tenth Amendment to the U.S. Constitution:

"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

Thus, my understanding from these Amendments is that the powers of all U.S. and State government officials are limited to those specifically granted by the U.S. Constitution.

I further understand that any laws, statutes, ordinances, regulations, rules, and procedures contrary to the U.S. Constitution, as written by its framers, are null and void, as expressed in the Sixteenth American Jurisprudence Second Edition, Section 177:

"The general misconception is that any statute passed by legislators bearing the appearance of law constitutes the law of the land. The U.S. Constitution is the supreme law of the land, and any statute, to be valid, must be in agreement. It is impossible for both the Constitution and a law violating it to be valid; one must prevail. This is succinctly stated as follows:

'The general rule is that an unconstitutional statute, though having the form and name of law, is in reality no law, but is wholly void, and ineffective for any purpose; since unconstitutionality dates from the time of its enactment, and not merely from the date of the decision so branding it. An unconstitutional law, in legal contemplation, is as inoperative as if it had never been passed. Such a statute leaves the question that it purports to settle just as it would be had the statute not been enacted.'

'Since an unconstitutional law is void, the general principles follow that it imposes no duties, confers no right, creates no office, bestows no power or authority on anyone, affords no protection, and justifies no acts performed under it...'

'A void act cannot be legally consistent with a valid one. An unconstitutional law cannot operate to supersede any existing valid law. Indeed, insofar as a statute runs counter to the fundamental law of the land, it is superseded thereby.'

'No one is bound to obey an unconstitutional law and no courts are bound to enforce it.' [emphasis added] and as expressed once again in the U.S. Constitution, Article VI:

"This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every State shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding."

All U.S. and State government officials are therefore hereby put on notice that any violations of their contractual obligations to act in accordance with their U.S. Constitution, may result in prosecution to the full extent of the law, as well as the application of all available legal remedies to recover damages suffered by any parties damaged by any actions of U.S. and State government officials in violation of the U.S. Constitution.

**REVOCATION OF POWER OF ATTORNEY**

Furthermore, I hereby revoke, rescind, and make void ab initio, all powers of attorney, in fact or otherwise, implied in law or otherwise, signed either by me or anyone else, as it pertains to the Social Security number assigned to me, 353-54-3438 as it pertains to my birth certificate, marriage or business license, or any other licenses or certificates issued by any and all government or quasi-governmental entities, due to the use of various elements of fraud by said agencies to attempt to deprive me of my Sovereignty and/or property. I hereby waive, cancel, repudiate, and refuse to knowingly accept any alleged "benefit" or gratuity associated with any of the aforementioned licenses, numbers, or certificates. I do hereby revoke and rescind all powers of attorney, in fact or otherwise, signed by me or otherwise, implied in law or otherwise, with or without my consent or knowledge, as it pertains to any and all property, real or personal, corporeal or incorporeal, obtained in the past, present, or future. I am the sole and absolute legal owner and possess allodial title to any and all such property.

**Take Notice** that I also revoke, cancel, and make void ab initio all powers of attorney, in fact, in presumption, or otherwise, signed either by me or anyone else, claiming to act on my behalf, with or without my consent, as such power of attorney pertains to me or any property owned by me, by, but not limited to, any and all quasi/colorable, public, governmental entities or corporations on the grounds of constructive fraud, concealment, and nondisclosure of pertinent facts.

I affirm that all of the foregoing is true and correct. I affirm that I am of lawful age and am competent to make this Affidavit. I hereby affix my own signature to all of the affirmations in this entire document with explicit reservation of all my unalienable rights and my specific common law right not to be bound by any contract or obligation which I have not entered into knowingly, willingly, voluntarily, and without misrepresentation, duress, or coercion.
