Dear Michael Corbitt:

You have informed the Village of Glenview Engineering Department that you are constructing a detached garage at the following property:

LOT 10 IN BLOCK 14, IN GLENVIEW PARK MANOR, BEING A SUBDIVISION IN THE SOUTHEAST ¼ OF SECTION 12, TOWNSHIP 41 NORTH, RANGE 12, EAST OF THE THIRD PRINCIPAL MERIDIAN, AS SHOWN ON THE PLAT RECORDED JULY 25, 1944, AS DOCUMENT NUMBER 13326154, IN COOK COUNTY, ILLINOIS.

In addition, you have indicated the detached garage shall encroach into the public utility easement along the rear property line of the above described property. There is a sanitary main located within this easement. The construction of the new detached garage is allowed to be located in the same location and the same size as the existing detached garage (to be demolished). Please contact JULIE for the locations of utilities at 1-800-892-0123 before commencing work, and provide your contractor with a copy of this letter.

Please be advised that the Village of Glenview will allow an encroachment into the above mentioned easement for the construction of the above described garage. However, this is not a release or waiver of any rights the Village of Glenview may have within the easement. Similarly this letter does not wave any zoning or building permit requirements for the construction.

In closing, let me advise you the Village of Glenview will not be responsible for the replacement of or any damages to, the garage within the easement, for any maintenance or installation work required. The above information is also valid for any future owners of the above said property.

Yours truly,

James Tighe  
Civil Engineer
