Any forbearance by the City in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

## SECTION 10. SITE PLANS AND ARCHITECTURAL DRAWINGS.

10.1. Site Plans. The Developer agrees to construct the Project on the Property, the Ogden Parcels, and the Developer's Property in accordance with the site plans and architectural drawings prepared by McBride Kelley Baurer dated July 7, 2010, and attached hereto as **Exhibit D** which have been approved by DCD as of the date hereof and which are incorporated herein by reference ("Drawings"). The Developer may erect signs of its own incorporating such approved identification information upon the execution of this Agreement, prior to Closing. Prior to the commencement of any construction activity requiring barricades, the Developer shall install a construction barricade of a type and appearance satisfactory to the City and constructed in compliance with all applicable federal, state or City laws, ordinances and regulations. The City shall have the right to approve all barricades, the maintenance, appearance, color scheme, painting, nature, type, content and design of all barricades, and all signage, which approval shall not be unreasonably withheld or delayed.

## SECTION 11. LIMITED APPLICABILITY.

DCD's approval of the Drawings are for the purposes of this Agreement only and do not constitute the approval required by the City's Department of Buildings ("DOB") or any other City department; nor does the approval by DCD pursuant to this Agreement constitute an approval of the quality, structural soundness or the safety of any improvements located or to be located on the Property and the Ogden Parcels. The approval given by DCD shall be only for the benefit of the Developer and any lienholder authorized by this Agreement.

## SECTION 12. COMMENCEMENT AND COMPLETION OF PROJECT.

The conveyance of the Property to the Developer by the City, and LCDC's conveyance of the Ogden Parcels to the Developer shall not occur unless and until the Developer is prepared to commence construction of the Project within thirty (30) days after the Closing Date. # UNOFFICIAL COPY

Recordation of such Certificate shall constitute a conclusive determination of satisfaction and termination of certain covenants in this Agreement and the Deed solely with respect to the obligations of the Developer to construct the Project. Within thirty (30) days after receipt of a written request by the Developer for a Certificate, the City shall provide the Developer with either the Certificate or a written statement indicating in adequate detail how the Developer has failed to complete the Project in conformity with this Agreement, or is otherwise in default, and what measures or acts will be necessary, in the sole opinion of the City, for the Developer to take or perform in order to obtain the Certificate. If the City requires additional measures or acts to assure compliance, the Developer shall resubmit a written request for the Certificate upon compliance with the City's response. Prior to issuance of a Certificate, the Developer shall not obtain any additional or replacement financing for the Project, in whole or in part, without the City's prior written consent, which such consent shall be in the City's sole discretion.

## SECTION 14. RESTRICTIONS ON USE.

The Developer agrees that:

14.1 It shall devote the Property and the Ogden Parcels or any part thereof solely for constructing the Project and thereafter only for a use that complies with the Redevelopment Plan until the date the Redevelopment Plan expires; and

14.2 The Developer shall continuously maintain, occupy a minimum of 64,313 square feet, and operate the healthcare facility as described herein and on Exhibit B, within the Building for a minimum of ten (10) years from the date of issuance of the Certificate (the "Operations Covenant").

In the event of a proposed sale, the City shall be provided copies of any and all sales contracts, legal descriptions, descriptions of intended use, certifications from the proposed buyer regarding this Agreement and such other information as the City may reasonably request. The proposed buyer must be qualified to do business with the City (including but not limited to anti-scofflaw requirement), and if any transfer occurs prior to the expiration of the Operations Covenant described in Section 14.2, the proposed buyer must continue to provide the project services required under this Agreement. ## SECTION 16. LIMITATION UPON ENCUMBRANCE OF PROPERTY.

Prior to the issuance of the Certificate, the Developer shall not, without DCD's prior written consent, which shall be in DCD's sole discretion, engage in any financing or other transaction which creates an encumbrance or lien on the Property and the Ogden Parcels, except for the purposes of obtaining (i) funds necessary to acquire the Property; (ii) funds necessary to construct the Project in accordance with the initial construction financing approved by DCD pursuant to Section 8 and (iii) after construction, funds necessary to own, maintain and operate the Property, the Ogden Parcels, in accordance with the requirements of this Agreement.

## SECTION 17. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement, the Deed, or the LCDC Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 13 and, at Closing, shall execute a Subordination Agreement (as defined in Section 9.3). If any such mortgagee or its affiliate succeeds to the Developer's interest in the Property, the Ogden Parcels, prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Property, and the Ogden Parcels to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 18.

## SECTION 18. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed, and the LCDC Deed each shall so expressly provide, that the covenants provided in Section 12 (Commencement and Completion of Project), Section 14 (Restrictions on Use), Section 15 (Prohibition Against Transfer of Property)(except as to the ten year Operations Covenant as to any permitted transferee) and Section 16 (Limitation Upon Encumbrance of Property) will be covenants running with the land, binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 17 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. The covenants provided in Section 12, Section 15 and Section 16 shall terminate upon the issuance of the Certificate of Completion. The covenant contained in Section 14.1 shall terminate as of the date the Redevelopment Plan expires. The covenants contained in Section 14.2 shall terminate ten (10) years after the issuance of the Certificate. The covenants contained in Section 14.3 shall have no expiration date.

## SECTION 19. PERFORMANCE AND BREACH.

A. Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

B. Permitted Delays. The Developer shall not be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable causes

beyond the Developer's control and without the Developer's fault or negligence, including but not limited to, acts of God, acts of the public enemy, acts of the United States government, fires, floods, epidemics, quarantine restrictions, strikes, embargoes and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the Developer requests it in writing of the City within twenty days after the beginning of any such delay.

## C. Breach.

1. Generally. Subject to Section 19.B., if the Developer defaults in performing its obligations under this Agreement and the City shall deliver written notice of such default, the Developer shall have a 60 day cure period to remedy such default from the City's delivery of such notice. If the default is not capable of being cured within the sixty day period, then provided the Developer has commenced to cure the default and is diligently proceeding to cure the default within the sixty day period, and thereafter diligently prosecutes such cure through to completion, then the sixty day period shall be extended for the length of time that is reasonably necessary to cure the default. If the default is not cured in the time period provided for herein, the City may institute such proceedings at law or in equity as may be necessary or desirable to cure and remedy the default, including but not limited to, proceedings to compel specific performance.

No notice or cure period shall apply to a failure to close the respective dates as set forth in Section 4 herein. Unless the failure to close is due to circumstances described in Section 19.B. above or caused by a breach by the City under the terms of this Agreement, such failure shall constitute an immediate "Event of Default". Failure to close by such Closing Date shall entitle the City to terminate this Agreement.

2. Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" after written notice from the City (if required) and the applicable cure or grace period (if any):

a. The Developer fails to perform any obligation of Developer under this Agreement; which default is not cured pursuant to Section 19.C.1; or

b. The Developer makes or furnishes a warranty, representation, statement or certification to the City (whether in this Agreement, an Economic Disclosure Form, or another document) which is not true and correct, which default is not cured pursuant to Section 19.C.1; or

c. A petition is filed by or against the Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing, which is not vacated, stayed or set aside within thirty days after filing; or

# UNOFFICIAL COPY

d. Except as excused by Section 19.B. above, the Developer abandons or substantially suspends the construction work (no notice or cure period shall apply); or

e. The Developer fails to timely pay real estate taxes or assessments affecting the Property, the Ogden Parcels, or suffers or permits any levy or attachment, material suppliers' or mechanics' lien, or any other lien or encumbrance unauthorized by this Agreement to attach to the Property, and/or the Ogden Parcels which default is not cured pursuant to Section 19.C.1; or

f. The Developer makes an assignment, pledge, unpermitted financing, encumbrance, transfer or other disposition involving the Property, the Ogden Parcels, Project, or any part thereof in violation of this Agreement (no notice or cure period shall apply); or

g. The Developer's financial condition, operations adversely changes to such an extent that would materially affect the Developer's ability to complete the Project which default is not cured pursuant to Section 19.C.1; or

h. The Developer fails to comply with the terms of any other written agreement entered into with the City with respect to the Project, which default is not cured pursuant to Section 19.C.1;

i. Failure to close by the respective dates as set forth in Section 4 herein (no notice shall apply), except as excused by Section 19.B. above; and

j. The Developer fails to comply with the Operations Covenant set forth in Section 14.2 (no notice or cure period shall apply).

3. Prior to Conveyance. Prior to Closing, if an Event of Default occurs and is continuing, the City may terminate this Agreement.

4. After Conveyance. After Closing, if an Event of Default occurs and is continuing, beyond the applicable cure period under Section 19.C.1., if any, the City, may exercise any and all remedies available to the City at law or in equity, including but not limited to, the right to re-enter and take possession of the Property and the Ogden Parcels, terminate the estate conveyed to the Developer, and revert title to the Property and the Ogden Parcels in the City; provided, however, that the reversion of title in the City shall be limited by, and shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. Notwithstanding the foregoing, after the issuance of a Certificate, the City's right of reverter shall no longer be enforceable but the City shall be entitled to all other remedies, including, without limitation, specific enforcement of the covenants that run with the land.

5. Resale of the Property and Ogden Parcels. Upon the reversioning in the City of title to the Property and the Ogden Parcels as provided in Section 19.C.4. the City shall employ its best efforts to convey the Property, and the Ogden Parcels (subject to any first mortgage lien permitted under this Section) to a qualified and financially responsible party (as solely determined by the City) who shall assume the obligation of completing the construction of the Project or such other improvements as shall be satisfactory to the City and complying with the covenants that run with the land, as specified in Section 18.

6. Disposition of Resale Proceeds. If the City sells the Property and the Ogden Parcels, the net proceeds from the sale shall be utilized to reimburse the City for:

a. unreimbursed costs and expenses incurred by the City in connection with the Property and the Ogden Parcels, including but not limited to, salaries of personnel in connection with the recapture, management and resale of the Property and the Ogden Parcels; and

b. all unpaid taxes, assessments, and water and sewer charges assessed against the Property and the Ogden Parcels; and

c. any payments made (including reasonable attorneys' fees) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

d. any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

e. the fair market value of the land comprising the Property and the Ogden Parcels (without any Project or partially constructed Project thereon) as of such sale; and

f. any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Property and the Ogden Parcels.

D. Waiver and Estoppel. Any delay by the City in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City of or limit such rights in any way. No waiver made by the City with respect to any specific default by the Developer shall be construed, considered or treated as a waiver of the rights of the City with respect to any other defaults of the Developer.

## **SECTION 20. CONFLICT OF INTEREST; CITY'S AND DEVELOPER'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.**

The Developer warrants that no agent, official, or employee of the City shall have any personal interest, direct or indirect, in this Agreement, the Property, or the Ogden Parcels, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any entity or association in which he or she is directly or indirectly interested. No agent, official, or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or on any obligation under the terms of this Agreement. It is expressly understood and agreed to by and between the parties hereto, anything herein to the contrary notwithstanding, that no individual member of the Developer, its officers, members of its board of directors, officials, agents, representatives or employees shall be personally liable for any of the Developer's obligations or any undertaking or covenant of the Developer contained in this Agreement.

## **SECTION 21. INDEMNIFICATION.**

The Developer agrees to indemnify, defend and hold the City harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with: (i) an Event of Default that has occurred; (ii) the failure of the Developer or any contractor to pay contractors, subcontractors or material suppliers in connection with the construction of the Project; (iii) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (iv) any actions, including but not limited to, conducting environmental tests on the Property as set forth in Section 22 herein, resulting from any activity undertaken by the Developer on the Property and the Ogden Parcels prior to or after the conveyance of said Property to the Developer by the City, and the conveyance of the Ogden Parcel to the Developer by LCDC. This indemnification shall survive any termination of this Agreement.

## **SECTION 22. ENVIRONMENTAL MATTERS.**

The City makes no covenant, representation or warranty as to the environmental condition of the Property, the Ogden Parcels, or the suitability of the Property, or the Ogden Parcels for any purpose whatsoever, and the Developer agrees to accept the Property "as is".

It shall be the responsibility of the Developer, at its sole cost and expense, to investigate and determine the soil and environmental condition of the Property and the Ogden Parcels. Prior to the Closing, the Developer shall have the right to request a 30 day right of entry from the City for the purpose of conducting environmental tests on the Property. If such a request is made, the City shall grant the Developer a right of entry to the Property for such purpose. The Developer may request a right of entry to the Ogden Parcels from LCDC. The granting of the right of entry to the Property, however, shall be contingent upon the Developer obtaining all necessary permits and the following types and amounts of insurance: a) commercial general liability insurance with a combined single limit of not less than \$2,000,000.00 per occurrence for bodily injury, personal

# UNOFFICIAL COPY

injury and property damage liability with the City named as an additional insured on a primary, noncontributory basis for any liability arising directly or indirectly from the environmental testing on the Property; b) automobile liability insurance with limits of not less than \$2,000,000.00 per occurrence, combined single limit for bodily injury and property damage; and c) worker's compensation and occupational disease insurance in statutory amounts covering all employees and agents who are to do any work on the Property and the Ogden Parcels. If Developer requests a right of entry to the Ogden Parcels, Developer shall acquire equally insured coverage on the Ogden Parcels naming the City and LCDC as additional insureds. All insurance policies shall be from insurance companies authorized to do business in the State of Illinois, and shall remain in effect until completion of all activity on the Property. The City shall be named as an additional insured on all policies. The Developer shall deliver duplicate policies or certificates of insurance to the City prior to commencing any activity on the Property. The Developer expressly understands and agrees that any coverage and limits furnished by the Developer shall in no way limit the Developer's liabilities and responsibilities set forth in this Agreement.

The Developer agrees to carefully inspect the Property and the Ogden Parcels prior to the commencement of any activity on the Property and the Ogden Parcels to make sure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Developer shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect any work being done on the Property and the Ogden Parcels. The Developer's activities on the Property and the Ogden Parcels shall be limited to those reasonably necessary to perform the environmental testing. Upon completion of the work, the Developer agrees to restore the Property and the Ogden Parcels to its original condition. The Developer shall keep the Property and the Ogden Parcels free from any and all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Developer, and agrees to indemnify and hold the City harmless against any such liens.

The Developer agrees to deliver to the City a copy of each report prepared by or for the Developer regarding the environmental condition of the Property the Ogden Parcels. If prior to the Closing, the Developer's environmental consultant determines that contamination exists on the Property and the Ogden Parcels to such an extent that the parties agree that the estimated cost of remediation (such estimated cost being determined by the consultant) is too excessive for the Developer, the Developer may declare this Agreement null and void by giving written notice thereof to the City. The Developer agrees that a request to terminate this Agreement shall not be made until the City has reviewed all reports concerning the condition of the Property.

If after the Closing, the environmental condition of the Property and the Ogden Parcels is not in all respects entirely suitable for the use to which the Property and the Ogden Parcels are to be utilized, it shall be the sole responsibility and obligation of the Developer to take such action as is necessary to put the Property and the Ogden Parcels in a condition which is suitable for the intended use of the Property and the Ogden Parcels. The Developer agrees to waive, release and indemnify the City from any claims and liabilities relating to or arising from the environmental condition of the Property and the Ogden Parcels (including, without limitation, claims arising under CERCLA) and to undertake and discharge all liabilities of the City arising from any

# UNOFFICIAL COPY

environmental condition which existed on the Property and the Ogden Parcels prior to the Closing.

## **SECTION 23. DEVELOPER'S EMPLOYMENT OBLIGATIONS.**

A. **Employment Opportunity.** The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any affiliate of the Developer operating on the Property (collectively, the "Employers" and individually, an "Employer") to agree that with respect to the provision of services in connection with the construction of the Project or occupation of all properties in the Project, including the Property, during the construction period:

- (i) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code of Chicago, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.
- (ii) To the greatest extent feasible, the Developer and each Employer shall present opportunities for training and employment of low and moderate income residents of the City, and provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in, or owned in substantial part by persons residing in, the City.
- (iii) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance, and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

- (iv) The Developer, in order to demonstrate compliance with the terms of this Section, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.
- (v) The Developer and each Employer shall include the foregoing provisions of subparagraphs (i) through (iv) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.
- (vi) Failure to comply with the employment obligations described in this Section 23 shall be a basis for the City to pursue remedies under the provisions of Section 19.

**B. City Resident Employment Requirement.** The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, it and they shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 3-92-330 of the Municipal Code of Chicago (at least fifty percent of the total worker hours worked by persons on the construction of the Project shall be performed by actual residents of the City of Chicago); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City of Chicago in both unskilled and skilled labor positions.

The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Purchasing Agent of the City of Chicago.

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer and the Employers shall provide, during construction of the Project through the date of issuance of the Certificate, for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted, during construction of the Project through the date of issuance of the Certificate, to the Commissioner of the City of Chicago Department of Community Development ("DCD") in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an

# UNOFFICIAL COPY

employee's name appears on a payroll, the date that the company hired the employee should be written in after the employee's name.

The Developer and the Employers shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DCD, the Superintendent of the Chicago Police Department, the Inspector General, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years from and after the issuance of the Certificate of Completion.

At the direction of DCD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 19.C., the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer and for the Employers to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

Nothing herein provided shall be construed to be a limitation upon the Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

The Developer shall cause or require the provisions of this Section 23.B. to be included in all construction contracts and subcontracts related to the construction of the Project.

C. Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree that during the construction of the Project:

- (i) Consistent with the findings which support, as applicable, (a) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (b) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 23.C., during the course of the Project, the following percentages of the MBE/WBE Budget (as set forth in **Exhibit E** hereto shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"): (1) At least 24% by MBEs; and (2) At least 4% by WBEs.
- (ii) For purposes of this Section 23.C. only:
- (a) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.
  - (b) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
  - (c) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.
- (iii) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (a) the MBE or WBE participation in such joint venture, or (b) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the

# UNOFFICIAL COPY

Project to one or more MBEs or WBEs; by the purchase of materials or services used in the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 23.C. In accordance with Section 2-92-730, Municipal Code of Chicago, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DCD.

- (iv) The Developer shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on five business days notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.
- (v) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (v), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vi) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 23.C. shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.
- (vii) Prior to the commencement of the Project, the Developer shall meet with the City's monitoring staff with regard to the Developer's compliance with its obligations under this Section 23.C. The general contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, the Developer shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 23.C., the sufficiency of which shall be approved by the City's monitoring staff. During the Project, the Developer shall submit the documentation required by this Section 23.C. to the City's monitoring staff, including the following: (a) MBE/WBE utilization plan and record; (b) subcontractor's activity report; (c) contractor's certification

concerning labor standards and prevailing wage requirements; (d) contractor letter of understanding; (e) monthly utilization report; (f) authorization for payroll agent; (g) certified payroll; (h) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (i) evidence of compliance with job creation requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that the Developer is not complying with its obligations under this Section 23.C., shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to the Developer to halt the Project, (2) withhold any further payment of any city funds to the Developer or the general contractor, or (3) seek any other remedies against the Developer available at law or in equity.

- (d) To the best of the Developer's knowledge, no action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.
- (e) To the best of the Developer's knowledge, the Project will not violate: (i) any Laws, including, without limitation, any zoning and building codes and environmental regulations; or (ii) any building permit, restriction of record

## SECTION 37. PATRIOT ACT CERTIFICATION.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to the Developer that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Developer, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

## SECTION 38. PROHIBITION ON CERTAIN CONTRIBUTIONS-MAYORAL EXECUTIVE ORDER NO. 05-1.

Developer agrees that Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Developer's contractors (i.e., any person or entity in direct contractual privity with Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Developer and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Agreement by Developer, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Developer and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

bundle contributions to the Mayor or to his political fundraising committee.

Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Developer intentionally violates this provision or Mayoral Executive Order No. 05-1 prior to the closing of this Agreement, the City may elect to decline to close the transaction contemplated by this Agreement.

For purposes of this provision:

“Bundle” means to collect contributions from more than one source, which is then delivered by one person to the Mayor or to his political fundraising committee.

“Contribution” means a “political contribution” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are “Domestic Partners” if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (E) two of the following four conditions exist for the partners:

- d. a lease for a residence identifying both domestic partners as tenants.
4. Each partner identifies the other partner as a primary beneficiary in a will.

## SECTION 39. COOPERATION WITH OFFICE OF COMPLIANCE.

In accordance with Chapter 2-26-010 *et seq.* of the Municipal Code, the Developer acknowledges that every officer, employee, department and agency of the City shall be obligated to cooperate with the Executive Director of the Office of Compliance in connection with any activities undertaken by such office with respect to this Agreement, including, without limitation, making available to the Executive Director the department's premises, equipment, personnel, books, records and papers.
