C. **Occupancy Restrictions.**

(1) At least the percentage of Units and percentage of floor space in the Project (and in each building in the Project, as applicable) needed to support the Minimum Applicable Fraction, as set forth above in the Project Summary, shall be both Rent-Restricted and occupied (or treated as occupied as provided herein) by Qualifying Tenants, as determined in accordance with Section 42 and the Regulations. The Owner shall make the determination of whether an individual or family is a Qualifying Tenant at least annually on the basis of the current income of such Qualifying Tenant(s). Any Unit occupied by an individual or family who is a Qualifying Tenant at the commencement of occupancy shall continue to be treated as if occupied by a Qualifying Tenant, provided that should such Qualifying Tenant's income subsequently exceed one hundred forty percent (140%) of the applicable income limit, such tenant shall no longer be a Qualifying Tenant if, after such determination of income, but prior to the next determination, any residential Unit of comparable or smaller size in the building is rented to a tenant who is not a Qualifying Tenant. If a tenant ceases to be a Qualifying Tenant, the Owner shall take such steps as may be necessary to ensure that the Project meets the Minimum Applicable Fraction. A Low Income Unit that has been vacated will continue to be treated as a Low Income Unit, provided that reasonable attempts are made to rent the Unit. In no case will a Unit be treated as a Low Income Unit if all the tenants of the Unit are students (as determined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint income tax return; provided, however, that such rule shall not apply to the types of students identified at Section 42(i)(3)(D) of the Code.

(2) The Owner shall require each individual or family that is intended to be a Qualifying Tenant (i) to sign and deliver an income certification form prior to occupancy of a Low Income Unit in the Project; (ii) to sign and deliver such income certification form at least annually so long as such individual or family remains a tenant in the Project; and (iii) to provide appropriate documentation to support each such certification in accordance with the Regulations and in accordance with the requirements of the Authority, as such may be modified from time to time. The Owner shall be responsible for assuring that each tenant's income certifications and documentation satisfy the Regulations and the requirements of the Authority. The Owner shall retain the income certification forms and supporting documentation for all Qualifying Tenants for a period of five years, or such other period as may be specified in Section 42 and/or the Regulations.

(3) The amount of Tax Credit Authority allocated or assigned to the Project is based upon the requirement that the Applicable Fraction for buildings in the Project will be at least the Minimum Applicable Fraction set forth above in the Project Summary, and as specified, building-by-building. The Owner's failure to ensure that each building in the Project complies with such requirement will cause the Authority (i) to report such fact to the Service, which may result in the reduction and recapture by the Service of Tax Credits; and (ii) to take other appropriate enforcement action.

(4) The Owner covenants that, throughout the Extended Use Period, the Owner will not evict or terminate the tenancy, other than for good cause, of the tenant of any Low Income Unit, and that each such Low Income Unit shall remain Rent Restricted in accordance with the requirements of Section C(1).

(5) The Compliance Period shall be a period of fifteen (15) consecutive taxable years and the Extended Use Period shall be a period of thirty (30) consecutive taxable years beginning with the first day of the Compliance Period.

D. Term of Restrictions.

(1) Term. This Agreement shall become effective with respect to a building in the Project on the first day of the Compliance Period for such building and shall terminate on the last day of the Extended Use Period, unless this Agreement is earlier terminated pursuant to Sections D(2), D(3) or D(4) below, subject to Section (D)(5) (the "Term").

(2) Involuntary Non-Compliance. This Agreement and the Occupancy Restrictions shall cease to apply with respect to a building (or portion thereof) in the event and to the extent of involuntary noncompliance caused by unforeseen events such as fire or other casualty loss, seizure, requisition, condemnation or a change in federal law or an action of a federal agency after the date of final allocation of Tax Credit Authority to the Project that prevents the Authority from enforcing the requirements of this Agreement; provided that if insurance proceeds, condemnation awards or other amounts received as a result of any such loss, destruction or other event are used to restore the building, the Occupancy Restrictions shall continue to apply.

(3) Foreclosure. This Agreement and the Occupancy Restrictions shall cease to apply in the event of a foreclosure, transfer of title by deed in lieu of foreclosure or similar event, unless (i) at any time subsequent to such event, and during the Term hereof, the Owner or a related person (as defined in the Code) obtains an ownership interest in the Project for federal tax purposes; or (ii) the Service determines that such foreclosure, transfer of title by deed-in-lieu of foreclosure or similar event has occurred pursuant to an arrangement between the Owner and any lender(s) or any other party, a purpose of which is to terminate the Occupancy Restrictions.

(4) Qualified Contract. This Agreement and the Occupancy Restrictions shall cease to apply if, following the end of the Compliance Period, the Owner has properly requested the Authority's assistance in procuring a "Qualified Contract", as defined in the Code, for the acquisition of a building, and the Authority is unable to present a Qualified Contract. To

UNOFFICIAL COPY

properly request the Authority's assistance in procuring a Qualified Contract for the acquisition of a building, the Owner must submit a written request to the Authority no earlier than one year prior to the expiration of the Compliance Period, or in any year during the Extended Use Period, if applicable, accompanied by such information and supporting documentation as the Authority may require under procedures, accompanied by such information and supporting documentation as the Authority may require under procedures in effect at the time of submission. The Authority will have one year from the date of receipt of the Owner's written request to find a buyer to acquire the Owner's interest in the building. The Authority will attempt to procure a Qualified Contract for the acquisition of any building only once during the Extended Use Period. The Owner agrees that if the Authority obtains a Qualified Contract for the acquisition of a building, the Owner will sell the building in accordance with such Qualified Contract. This section does not apply to Projects with a Compliance Period of 30 or more years.

(5) **Occupancy Restrictions.** If this Agreement is terminated prior to the end of the Extended Use Period pursuant to subsections (3) or (4) above, during the three-year period following such termination the Owner shall not (i) evict or terminate the tenancy, other than for good cause, of the tenant of any Low Income Unit, which tenant was in occupancy at the date of such termination; or (ii) increase the rent charged to such tenant of any such Low Income Unit, except as permitted with respect to Units that are Rent Restricted accordance with the requirements of Section C(1).

E. Records and Enforcement.

(1) During normal business hours and upon reasonable notice, the Owner shall permit any duly authorized representative of the Authority to inspect all books and records of the Owner with respect to the Project's compliance with the Occupancy Restrictions and the requirements of Section 42.

(2) The Owner and the Authority each acknowledges that the primary purpose for requiring that the Owner comply with the Occupancy Restrictions is to assure that the Owner and the Project are in compliance with Section 42 and the Regulations, AND FOR THAT REASON THE OWNER, IN CONSIDERATION FOR RECEIVING TAX CREDIT AUTHORITY FOR THE PROJECT, AGREES AND CONSENTS THAT THE AUTHORITY AND ANY QUALIFYING TENANT (WHETHER PROSPECTIVE, PRESENT OR FORMER), SHALL BE ENTITLED, FOR ANY BREACH OF THE PROVISIONS HEREOF, AND IN ADDITION TO ALL OTHER REMEDIES PROVIDED BY LAW OR IN EQUITY, TO ENFORCE SPECIFIC PERFORMANCE BY THE OWNER OF ITS OBLIGATIONS UNDER THIS AGREEMENT IN A STATE COURT OF COMPETENT JURISDICTION. The Owner further specifically acknowledges that the beneficiaries of the Owner's obligations hereunder cannot be adequately compensated by monetary damages in the event of any default hereunder.

(3) The Owner agrees that the representations and covenants set forth in this Agreement may be relied upon by the Authority and all persons interested in the compliance of the Project with the provisions of Section 42 and the Regulations. The Owner further agrees that all such representations and covenants represent ongoing and continuing requirements, and that the Owner will give notice to the Authority, in accordance with Section N hereof, in the event of

UNOFFICIAL COPY

any change in the facts or circumstances upon which any such representations and covenants are based.

(4) The Owner acknowledges that the Authority is required, pursuant to Section 42(m)(1)(B)(iii) of the Code, (i) to monitor the Owner's and the Project's compliance with the requirements of Section 42; and (ii) to notify the Service of any noncompliance which is found. The Owner agrees that it will take any and all actions reasonably necessary and required by the Authority (i) to substantiate the Owner's compliance with the Occupancy Restrictions and the requirements of Section 42; and (ii) to allow the Authority to monitor such compliance.

(5) The Owner covenants that it will not knowingly take or permit any action that would result in a violation of the requirements of Section 42, the Act or this Agreement. Any violation of Section 42, the Act or this Agreement may constitute or warrant the filing of IRS Form 8823 with the Service. Moreover, the Owner covenants to take any lawful action (including amendment of this Agreement) as may be necessary, in the opinion of the Authority, to comply fully with the Code and with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the United States Department of the Treasury, the Service, or the United States Department of Housing and Urban Development, from time to time, pertaining to the Owner's obligations under Section 42 and affecting the Project.

(6) The Owner agrees that the Authority may, at any time during the construction, rehabilitation or operation of the Project, enter and inspect the Project to evaluate its physical and financial condition, construction, rehabilitation, operation, management and maintenance.

(7) The Owner agrees that the Authority may at any time order it and/or its managing agent or Project manager to do whatever is necessary to comply with or refrain from violating an applicable law, ordinance, Authority rule, or term of an agreement regarding the Project, and that the Authority may file and prosecute a complaint against a managing agent, Project manager, or the Owner for a violation of any applicable law or ordinance.

(8) Upon a determination by the Authority that the Owner has failed to comply with the Occupancy Restrictions or to maintain the Project in good and habitable condition and suitable for occupancy as hereinabove required, the Owner agrees to correct any cited noncompliance or to supply any missing certifications within 90 days of receipt of notice of noncompliance from the Authority; provided that the Authority, in its sole discretion, (i) may extend the correction period for up to six months if it determines that good cause exists for granting such extension; and (ii) may provide such other period for correction, whether shorter or longer, as is (a) permissible under the law; and (b) appropriate, in the Authority's determination, to the circumstances.

(9) The Owner agrees to indemnify and hold harmless the Authority, its members, officers, agents and employees from and against all liabilities, losses, claims, damages, judgments, costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by the Authority as a result of any inaccuracy in any of the representations and warranties

UNOFFICIAL COPY

contained in this Agreement, or as a result of any action by the Owner, including claims by third parties.

(10) The Owner agrees that should any claims, demands, suits or other legal proceedings be made or instituted by any person against the Authority which arise out of any of the matters relating to this Agreement, the Owner will cooperate fully with the Authority in the defense or other disposition thereof.

(11) In order to compensate the Authority for its responsibilities pursuant to Section 42(m)(1)(B)(iii) of the Code, the Owner agrees to pay to the Authority an annual compliance monitoring fee in an amount which shall be determined by the Authority from time to time. Such fee must be paid and sent to the Authority lock box at the time that compliance monitoring information is supplied to the Authority, unless the Authority shall direct an alternative means or time for payment.

F. Transfer Restrictions.

The Owner agrees to notify the Authority in writing prior to any sale, transfer or exchange of the entire Project, or of any low income portion of the Project, and to provide to the Authority with the name(s), address(es) and any other information requested by the Authority of any prospective successor owner and operator of the Project or building. The Owner agrees that (i) it will not dispose of any portion of a building in the Project unless the individual or entity that acquires such portion also acquires the entire building in which such portion is located and (ii) the transferee of the Project shall assume in writing, in a form of Assumption Agreement acceptable to the Authority, this Agreement and all duties and obligations of the Owner under this Agreement, Section 42 and the Regulations. The Owner shall have such Assumption Agreement recorded in the Office of the Recorder of Deeds in the county in which the Project is located and deliver a copy of such recorded Assumption Agreement, certified by the Recorder of Deeds, to the Authority prior to the Transfer. The Owner agrees that the Authority may void any sale, transfer or exchange of the Project if the buyer or successor or other person fails to assume in writing the requirements of this Agreement, Section 42 and the Regulations. This provision shall not act to waive any other restriction on sale, transfer or exchange of the Project or any building in the Project. Notwithstanding the requirement of an Assumption Agreement, and regardless of whether any such Assumption Agreement shall be executed, the requirements of this Agreement are, and shall only be interpreted to be, covenants running with the Project, encumbering the Project for the term of this Agreement, and binding upon the Owner's successors in title and all subsequent owners and operators of the Project.

G. Tenant Selection.

The Owner shall not, in the selection of Qualifying Tenants, in the provision of services or in any other matter relating to the construction, rehabilitation or operation of the Project, discriminate against any person on the basis of race, creed, religion, color, sex, sexual orientation, age, handicap, marital status, family status, national origin or unfavorable military discharge, or because the tenant is receiving governmental assistance, which includes, but is not limited to, vouchers or certificates of eligibility under Section 8 of the United States Housing Act of 1937.

H. Covenants Run With the Land; Successors Bound.

(1) Upon execution and delivery of this Agreement, the Owner shall cause this Agreement and all amendments hereto to be recorded and filed in the Office of the Recorder of Deeds of the county in which the Project is located, and shall pay all fees and charges incurred in connection therewith. All liens on the real property upon which the Project is located must be subordinate to this Agreement, and the Owner shall obtain the written consent of any existing superior lienholder of record on the Project to this Agreement and the requirements hereof. The Owner shall ensure that this Agreement is recorded prior to any and all loan documents used in connection with the financing for the Project. Upon recording, the Owner shall immediately transmit to the Authority an executed original of the recorded Agreement showing the date and recording number of record. The Owner agrees that the Authority shall not be required to issue IRS Form(s) 8609 for the building(s) constituting the Project, unless and until the Authority has received the properly recorded, executed original of this Agreement.

(2) The Owner intends, declares and covenants, on behalf of itself and all future owners and operators of the Project during the term of this Agreement, that this Agreement and the covenants and restrictions set forth herein regulating and restricting the use, occupancy and transfer of the Project (i) shall be and are covenants running with the Project, encumbering the Project for the term of this Agreement, and binding upon the Owner's successors in title and all subsequent owners and operators of the Project; (ii) are not merely personal covenants of the Owner; and (iii) shall bind the Owner (and the benefits shall inure to the Authority and any past, present or prospective Qualifying Tenant) and its respective successors and assigns during the term of this Agreement. For the longer of (i) the period during which the Tax Credits are claimed; and (ii) the Term of this Agreement, each and every contract, deed or other instrument hereafter executed conveying the Project, or portion of it, shall expressly provide that such conveyance is subject to this Agreement; provided, however, that the covenants contained herein shall survive and be effective regardless of whether such contract, deed or other instrument hereafter executed conveying the Project, or portion of it, provides that such conveyance is subject to this Agreement.

The Authority's interpretation of this Agreement shall be controlling for purposes of determining whether (i) the Compliance Period or the Extended Use Period shall have commenced, (ii) this Agreement shall have been terminated in accordance with Section D hereof, and (iii) the Occupancy and Other Restrictions set forth in Section C hereof, if any, shall have been complied with.

L. Amendment.

This Agreement may only be amended with the prior written approval of the Authority to reflect changes in the Act, Section 42 and/or the Regulations and any revenue ruling promulgated thereunder, and any such amendment shall be recorded in the Office of the Recorder of Deeds in the county in which the Project is located. The Owner expressly agrees to enter into all amendments to this Agreement that, in the opinion of counsel to the Authority, are reasonably necessary or desirable for maintaining the compliance of the Project under Section 42 and the Regulations.
