whether physically attached thereto or not, and it is agreed that all similar apparatus, equipment or articles hereafter placed in the premises by Borrowers or their successors or assigns shall be considered as constituting part of the real estate;

TO HAVE AND TO HOLD the premises unto the Lender's, and the Lender's successors and assigns, forever, for the purposes, and upon the uses herein set forth, from all rights and benefits under and by virtue of the Homestead Exemption Laws of the State of Illinois, which rights and benefits the Borrowers do hereby expressly release and waive. **IN ADDITION**, the Borrower and Lender hereby agree to the following covenants and conditions:

1. **Property Maintenance; Preservation.** Borrower agrees (1) to promptly repair, restore or rebuild any buildings or improvements now or hereafter on the Premises which may be or become damaged or be destroyed or otherwise in need of repair or restoration; (2) keep the Premises in good condition and repair, without waste, and free from mechanic's or other liens or claims for lien not expressly approved by the Lender; (3) to not remove, or grant to any other party the right to remove, any timber, minerals (including oil and gas), soil, gravel or rock products without the prior written consent of Lender; (4) to not keep or store any "hazardous substances" (as defined under federal and state law) in or around the Premises; (5) complete within a reasonable time any building or buildings now or at any time in process of erection upon said premises; and (6) comply with all requirements of law or municipal ordinances with respect to the premises and the use thereof.

2. **Lender's Right to Enter and Inspect.** Lender and its agents and representatives may enter upon the Premises at all reasonable times to attend to Lender's interests and to inspect the Property for purposes of Borrower's compliance with the terms and conditions of this Mortgage.

3. **Payment of Lender's Costs and Expenses.** In the event the Lender incurs any costs in enforcing the terms of the Note or this Mortgage, such as court costs and/or attorneys fees, such costs shall be added to the principal balance of the note hereunder and otherwise be due upon demand of the Lender.

4. **Taxes; Liens.** Borrower shall pay before any penalty attaches all general taxes, and shall pay special taxes, special assessments, water charges, sewer service charges, association dues, and other charges against the premises when due, and shall, upon written request, furnish to the Lender duplicate receipts therefor. Borrower also agrees to pay when due any indebtedness which may be secured by a lien or charge on the premises superior to the lien hereof, and upon request exhibit satisfactory evidence of the discharge of such prior lien to the Lender.

5. **Insurance.** Borrower shall keep all buildings and improvements now or hereafter situated on the Premises insured against loss or damage by fire, lightning and windstorm under policies providing for payment by the insurance companies of monies sufficient either to pay the cost of replacing or repairing the same or to pay in full the indebtedness secured hereby, all in companies satisfactory to the Lender, under insurance policies payable, in case of loss or damage, to Lender, such rights to be evidenced by the standard mortgagee clause to be attached to each policy, and shall deliver all policies, including additional and renewal policies, to the Lender, and in case of insurance about to expire, shall deliver renewal policies not less than ten days prior to the respective dates of expiration.

6. Application of Proceeds. Borrower shall promptly notify Lender of any loss or damage to the Premises. Whether or not Lender's security is impaired, the insurance proceeds from any loss shall be applied to the restoration and repair of the Premises and the Borrower shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Borrower from the proceeds for the reasonable cost of repair or restoration if the Borrower is not in default hereunder.

7. Payments by Lender. In case of default of any obligation of the Borrower herein, Lender may, but need not, make any payment or perform any act herein before required of Borrower in any form and manner deemed expedient, and may, but need not, make full or partial payments of principal or interest on prior encumbrances, if any, and purchase, discharge, compromise or settle any tax lien or other prior lien or title or claim thereof, or redeem from any tax sale or forfeiture affecting said premises or contest any tax or assessment. All monies paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including attorneys' fees, and any other monies advanced by Lender to protect the Premises and the lien hereof, shall be so much additional indebtedness secured hereby and shall become immediately due and payable without notice and with interest thereon at the highest rate now permitted by Illinois law. Inaction of Lender shall never be considered as a waiver of any right accruing to the Lender on account of any default hereunder on the part of the Borrower.

8. Due on Sale; Assignment of Beneficial Interest; Additional Liens. Lender may, at its option, declare immediately due and payable all sums secured hereunder upon any of the following without the prior written consent of the Lender: (i) the sale or transfer of all or any part of the Premises or (ii) the placement of any additional liens, encumbrances or security interests in the Premises. A "sale or transfer," as utilized above, means the conveyance of the Premises by outright sale and transfer of title, but shall not include an installment contract, contract for deed or lease option, provided that such installment contract, contract for deed or lease option does not immediately transfer title to the Premises. If the Borrower is a corporation, partnership or limited liability company, a transfer shall include any change in ownership of more than twenty-five percent (25 %) of the voting stock, partnership interests or limited liability company interests, as the case may be, of the Borrower.

9. Prepayment. At such time as the Borrower is not in default either under the terms of the Note secured hereby or under the terms of this Mortgage, the Borrower shall have such privilege of making prepayments on the principal of said Note (in addition to the required payments) as may be provided in said Note.

10. Full Performance. If the Borrower pays all the indebtedness when due, and otherwise performs all the obligations imposed upon the Borrower under this Mortgage, Lender shall execute and deliver to the Borrower a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest. Borrower will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time. If, however, payment is made by the Borrower, whether voluntarily or otherwise, or by guarantor or by any third party, on the indebtedness and thereafter Lender is forced to remit the amount of that payment (a) to the Borrower's trustee in bankruptcy or to any similar person under any federal or state bankruptcy law for the relief of debtors, (b) by reason of any judgment, decree or order of any court or administrative body having jurisdiction over Lender with any claimant (including without limitation Borrower), the indebtedness shall be considered unpaid for the purpose of enforcement of this Mortgage and this Mortgage shall continue to be effective or shall be

reinstated, as the case may be, notwithstanding any cancellation of this Mortgage or of any note or other instrument or agreement evidencing the indebtedness and the Premises will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Lender, and Borrower shall be bound by any judgment, decree, order, settlement or compromise relating to the indebtedness or to this Mortgage.

11. **Warranty, Defense of Title.** The Borrower warrants that: (a) Borrower holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth on Exhibit B (the "Permitted Encumbrances"); (b) the Borrower has the full right, power, and authority to execute and deliver this Mortgage to Lender; (c) subject to the Permitted Encumbrances, the Borrower will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Borrower's title or the interest of Lender under this Mortgage, the Borrower shall defend the action at the Borrower's expense.

12. **Condemnation.** If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any of the award be applied to the amounts owed hereunder or the repair or restoration of the of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Lender in connection with the condemnation. If any proceeding in condemnation is filed, the Borrower shall promptly notify the Lender in writing, and the Borrower shall promptly take such steps as may be necessary to defend the action and obtain the award.

13. **Default.** Each of the following, at the option of Lender, shall constitute an event of default ("Event of Default") under this Mortgage:

- (i) **Default on indebtedness.** Failure of the Borrower to make any payment when due on the Note.
- (ii) **Compliance Default.** Failure to comply with any other term, obligation, covenant or condition contained in this Mortgage, which is not cured within thirty (30) days after written notice of such breach or default is received by the Borrower from the Lender.
- (iii) **False Statements.** Any warranty, representation or statement made or furnished to Lender by or on behalf of Borrower under this Mortgage or the Note is false or misleading in any material respect, either now or at the time made or furnished.
- (iv) **Insolvency.** The insolvency, dissolution, termination of the Borrower or the appointment of a receiver for any part of the Borrower's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against the Borrower.
- (v) **Foreclosure, Forfeiture, etc.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of the Borrower or by any governmental agency against any of the Premises.
- (vi) **Breach of Other Agreement.** Any breach by Borrower under the terms of any other agreement between Borrower and Lender that is not remedied within any grace period provided therein, including without limitation any agreement

concerning any indebtedness or other obligation of Borrower to Lender, whether existing now or later.

- (vii) **Events Affecting Guarantor.** Any of the preceding events occurs with respect to any Guarantor of any of the indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness. Lender, at its option, may, but shall not be required to, permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Lender, and, in doing so, cure the Event of Default.

14. **Remedies upon and Event of Default.** Upon the occurrence of any Event of Default and at any time thereafter, Lender, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

- (i) **Accelerate Indebtedness.** Lender shall have the right at its option without notice to the Borrower to declare the entire amount of indebtedness under the Note immediately due and payable.
- (ii) **Collect Rents.** Lender shall have the right, without notice to Borrower, to take possession of the Property and collect any rental payments (the "Rents"), including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the indebtedness under the Note. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Borrower irrevocably designates Lender as the Borrower's attorney-in-fact to endorse instruments received in payment thereof in the name of the Borrower and to the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.
- (iii) **Judicial Foreclosure.** Lender may obtain a judicial decree foreclosing Borrower's interest in all or any part of the Property.
- (iv) **Other Remedies.** Lender shall have all other rights and remedies provided in this Mortgage or the Note or available at law or in equity.

15. **Lender's Sale of the Property.** In the event the Lender acquires title to the Property upon an Event of Default and through any of the remedies listed in Section 14, the Lender shall seek to immediately sell the Property and may retain the services of any third party to assist the Lender in selling the Property for its fair market value. In the event of an auction, the Lender shall give the Borrower reasonable notice of the time and place of any private sale of the Premises. Upon the sale of the Property, the Lender shall apply the proceeds from such sale in the following manner: (i) to the payment of Lender's costs and expenses, including court costs, attorneys' fees (ii) any expenses incurred in connection with the sale of the Property, including real estate agent fees, transfer taxes, closing costs and attorneys fees; (iii) to the repayment of all amounts owed to Lender under the Note, including all late fees, interest, exit fee, points and principal; and (v) any remaining balance to the Borrower.

16. **Waivers.** A waiver by any party of a breach of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with

that provision or any other provision. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or take action to perform an obligation of the Borrower under this Mortgage after failure of the Borrower to perform shall not affect Lender's right to declare a default and exercise its remedies under this Mortgage

17. Notices. Any notice under this Mortgage, including without limitation any notice of default and any notice of sale to the Borrower, shall be in writing, may be sent by facsimile transmission, and shall be effective when actually delivered, or when deposited with a nationally recognized overnight courier, or, if mailed, shall be deemed effective when deposited in the United States mail first class, registered mail, postage prepaid to the following:
