3. Deed Restrictions, Covenant Against Residential Use and Repurchase Option

a. Deed Restrictions. Grantee covenants and agrees that the Property, or any portion thereof, shall not be used at any time within a period of ninety-nine (99) years following the date that motor fuels ceased to be stored upon, on or under the premises or any portion thereof, for: residence of any type, places of worship, bed and breakfast facilities, rooming houses, hospitals, nursing home or similar geriatric facilities, child care playground or recreational areas, schools (or any similar use which is intended to house, educate or provide care for children, the elderly or the infirm), agricultural uses, nor shall any portion thereof be used for the construction or installation of: (i) any water wells for drinking or food processing; (ii) underground storage space; (iii) underground utility space; (iv) additional underground utility conduits (vapor tight utility conduits are permitted); or (v) basements or any underground living space. b. Covenant Against Residential Use. Grantee covenants and agrees with Grantor that if at the Effective Date of this Deed the applicable "as of right" zoning use of the Property does not include any residential use, then the Grantee, Grantee-Related Parties, subsequent owners, users, and occupiers of the Property, including all successors, lessees, assignees, and licensees will not at any time hereafter seek to or cause any application to be made to the relevant local governing authorities to amend the zoning of the Property to a use which includes any residential use whether on an "as of right" basis or on any other basis whatsoever, nor seek to take advantage of any non-conforming user rights or exceptions to use including special use permits (collectively, the "Covenant Against Residential Use").

c. Repurchase Option. If Grantee, a Grantee-Related Party, or any subsequent licensee, lessee, assignee, successor, owner, user or occupier of the Property breaches the provisions of the Deed Restrictions, the Covenant Against Residential Use, or the Engineering and Institutional Controls in addition to Grantor's right specifically to enforce such provisions, then Grantor, at its sole option, may, but is not obligated to, repurchase the Property in the manner hereinafter provided. All remedies provided herein, including without limitation, those at law or in equity, shall be cumulative and not exclusive.
