A. RENEWAL AND EXTENSION OF LIEN

It is the intention of the Borrower and Lender that the lien of the Security Instrument shall secure the debt evidenced by this Refinancing Instrument and that the Security Instrument hereby shall be renewed and extended, as of the Refinancing Date, so long as required to secure such debt until it is paid in full. In connection with the foregoing:

- (i) The maturity date of the debt evidenced by this Refinancing Instrument is set forth in Section D(3)(a), below.
- (ii) Lender is expressly subrogated to all rights with respect to the Property, prepayment, and acceleration to which the holder of the Balloon Note was entitled by reason of the Security Instrument.
- (iii) In the event that any portion of the debt evidenced by this Refinancing Instrument cannot be lawfully secured by the Security Instrument as so renewed and extended, principal payments shall be applied first to that portion not so secured.
- (iv) Borrower acknowledges that the lien securing the Balloon Note is hereby renewed and extended, amended as provided immediately below, and is in full force and effect until the debt evidenced by this Refinancing Instrument is paid in full.

B. AMENDMENT OF THE SECURITY INSTRUMENT

All of the terms of the Balloon Rider are cancelled, null, and void as of the Refinancing Date.

C. CO-GRANTOR LIABILITY

Any party that signs below as a "co-grantor" did not execute the Balloon Note but signs below to grant and convey, under the terms of the Security Instrument, such interest as that party may have in the Property. Such party is not personally obligated to pay the debt evidenced by this Refinancing Instrument and secured by the Security Instrument (as renewed, extended, and amende 1 heroby), and agrees that Lender and Borrower may agree to extend, modify, forbear or make any accommodations with regard to such debt or the Security Instrument (as renewed, extended, and amended hereby) without such party's colliser t.

D. FULLY AMORTIZING NOTE

1. Borrower's Promise to Pay

In return for a loan that I have received, I promise to pay U.S. \$192,809.35 (this amount is called "principal"), plus interest, to the order of Lender. I understand that the L nde may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. Interest

Interest will be charged on unpaid principal on and after the Refinancing Date until the full amount of principal has been paid. I will pay interest at a yearly rate of 5.125%.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section D(6)(b) of this Note.

3. Payments

(a) Time and Place of Payments

I will pay principal and interest by making payments every month.

I will make my monthly payments on the FIRST day of each month beginning on JUNE 1, 2011. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If, on MAY 1, 2034, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date."

I will make my monthly payments at GMAC MORTGAGE PROCESSING, PO BOX 780, WATERLOO, IA 50704 or at a different place if required by the Note Holder.

(b) Amount of Monthly Payments

My monthly payment of principal and interest will be in the amount of U.S. \$1,190.71.

4. Borrower's Right to Prepay

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so.

I may make a full prepayment or partial prepayments without paying any prepayment charge. The Note Holder will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. Loan Charges

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (ii) any such already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal I owe under this Note or by making a direct payment to me. If a sefund reduces principal, the reduction will be treated as a partial prepayment.

6. Borrower's Failure to Pay as Required

(a) Late Charge: for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a 1 to charge to the Note Holder. The amount of the charge will be 5.00% of my overdue payment of principal and interest I will pay this late charge promptly but only once on each late payment.

(b) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(c) Notice of Default

If I am in default, the Note Holder may see in me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me o pay immediately the full amount of principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is delivered or mailed to me.

(d) No Waiver by Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(e) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. These expenses include, for example, reasonable attorneys' fees.

7. Giving of Notices

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section D(3)(a) above or at a different address if I am given a notice of that different address.

8. Obligations of Persons Under this Note

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. Waivers

I and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. Security Instrument

In addition to the protections given to the Note Holder under this Note, the Security Instrument protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. The Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrumer t without further notice or demand on Borrower.
