THE LAW OF THE FLAG

The Law of the Flag, an International Law, which is recognized by every nation of the planet, is defined as:
 "... a rule to the effect that a vessel is a part of the territory of the nation whose flag she flies. The term is used to designate the RIGHTS under which a ship owner, who sends his vessel into a foreign port, gives notice by his flag to all who enter into contracts with the ship master that he intends the Law of that Flag to regulate those contracts, and that they must either submit to its operation or not contract with him or his agent at all." JURAT

Legal Notice: The Certifying Notary is an independent contractor and not a party to the claim. In fact the Certifying Notary is a Federal Witness pursuant to: TITLE 18, PART I, CHAPTER 73, Sec. 1512, Tampering with a witness, victim, or an informant. (c) Whoever knowingly uses intimidation or physical force, threatens, or corruptly persuades another person, or attempts to do so, or engages in misleading conduct toward another person, with intent to - (1) influence, delay, or prevent the testimony of any person in an official proceeding; (2) cause or induce any person to - (A) withhold testimony or withhold a record, document, or other object, from an official proceeding; (B) alter, destroy, mutilate, or conceal an object with intent to impair the object's integrity or availability for use in an official proceeding; (C) evade legal process summoning that person to appear as a witness, or to produce a record, document, or other object, in an official proceeding; or (D) be absent from an official proceeding to which such person has been summoned by legal process; or (3) hinder, delay, or prevent the communication to a law enforcement officer or judge of the United States of information relating to the commission or possible commission of a Federal offense or a violation of conditions of probation, parole, or release pending judicial proceedings; shall be fined under this title or imprisoned not more than ten years, or both. The Certifying Notary also performs the functions of a quasi-Postal Inspector under the Homeland Security Act by being compelled to report any violations of the U.S. Postal regulations as an Officer of The Executive Department. * Intimidating a Notary Public under color of law is a violation of Title 18, U.S. Code, Section 242, titled "Deprivation of Rights Under Color of Law," which primarily governs police misconduct investigations. This statute makes it a crime for any person acting under the color of law to willfully deprive any individual residing in the United States those rights protected by the Constitution and U.S. laws. Other related federal statutes include Title 18, U.S. Code, Section 241, "Conspiracy Against Rights"; Title 18, U.S. Code, Section 1512, "Obstruction of Justice"; and Title 18, U.S. Code, Section 1001, "False Statements." Title 18, U.S. Code Section 1010 "Department of Housing and Urban Development and Federal Housing Administration transactions" Federal statutes generally restrict color of law investigations to official actions taken by police officers, federal agents, sheriff's deputies, correctional officers, and other public safety officials. However, off-duty officers who assert their official status also may face prosecution. In rare cases, the actions of security guards, private citizens, judges, defense attorneys, and prosecutors who willfully participate with federal, state, or local law enforcement officials in the commission of color of law violations fall within the purview of the federal statutes.

*Postal Inspectors are federal law enforcement officers with investigative jurisdiction in all criminal matters involving the integrity of the mail and the security of the U.S. Postal Service.
