This Assignment is an absolute transfer and assignment of the foregoing interests to the Assignee given to secure:

(2) the payment by the Assignor when due of (i) the indebtedness evidenced by the Note and any and all renewals, extensions, replacements, amendments, modifications and refinancings thereof; (ii) any and all other indebtedness and obligations that may be due and owing to the Assignee by the Assignor under or with respect to the Loan Documents (as defined in the Note); and (iii) all costs and expenses paid or incurred by the Assignee in enforcing its rights hereunder, including without limitation, court costs and reasonable attorneys' fees; and

(d) there is no condition, event, or agreement which would prevent Assignor from granting this Assignment to Assignee and Assignor is not aware of any circumstance which may prevent the Assignee from operating under any of the terms and provisions hereof or which would limit the Assignee in exercising its rights under this Assignment; and

(e) there are no defaults by the landlord and, to the Assignor's knowledge, there are no material defaults by tenants under any Leases.

4. **Covenants of the Assignor.** The Assignor covenants and agrees that so long as this Assignment shall be in effect:

(a) the Assignor shall not lease any portion of the Premises unless the Assignor obtains the Assignee's prior written consent to all aspects of such lease, and such lease conforms to the provisions of the Loan Agreement;

(b) the Assignor shall observe and perform all of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the lessor thereunder, and the Assignor shall not do or suffer to be done anything to impair the security thereof. The Assignor shall not (i) release any material liability of any tenant under any Lease, (ii) consent to any tenant's withholding of rent or making monetary advances and off-setting the same against future rentals, (iii) consent to any tenant's claim of a total or partial eviction, (iv) consent to a tenant termination or cancellation of any Lease, except as specifically provided therein, or (v) enter into any oral leases with respect to all or any portion of the Premises;

(e) the Assignor shall not modify any material terms and provisions of any Lease, nor shall the Assignor give any consent (including, but not limited to, any consent to any assignment of, or subletting under, any Lease, except as expressly permitted thereby) or approval, required or permitted by such terms and provisions or cancel or terminate any Lease, without the Assignee's prior written consent; provided, however, that the Assignor may, after first providing notice of the tenant's default to Assignee, cancel or terminate any Lease as a result of a material default by the tenant thereunder and failure of such tenant to cure the default within the applicable time periods set forth in the Lease. ;

(f) the Assignor shall not accept a surrender of any Lease or convey or transfer, or suffer or permit a conveyance or transfer, of the premises demised under any Lease or of any interest in any Lease so as to effect, directly or indirectly, proximately or remotely, a merger of the estates and rights of, or a termination or diminution of the obligations of, any tenant thereunder; any termination fees payable under a Lease for the early termination or surrender thereof shall be paid jointly to the Assignor and the Assignee;

(g) the Assignor shall not alter, modify or change the terms of any guaranty of any Lease, or cancel or terminate any such guaranty or do or permit to be done anything which would terminate any such guaranty as a matter of law, without the express written consent of Assignee;

(k) the Assignor shall enforce the observance and performance of each covenant, term, condition and agreement contained in each Lease to be observed and performed by the tenants and guarantors thereunder and shall immediately notify the Assignee of any material breach by the tenant or guarantor under any such Lease;

(l) the Assignor shall not permit any of the Leases to become subordinate to any lien or liens other than liens securing the indebtedness secured hereby or liens for general real estate taxes not delinquent;

(m) the Assignor shall not execute hereafter any Lease unless there shall be included therein a provision providing that the tenant thereunder acknowledges that such Lease has been assigned pursuant to this Assignment and agrees not to look to the Assignee as mortgagee, mortgagee in possession or successor in title to the Premises for accountability for any security deposit required by lessor under such Lease unless such sums have actually been received in cash by the Assignee as security for tenant's performance under such Lease;

(n) if any tenant under any Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, as amended from time to time, or any other federal, state or local statute which provides for the possible termination or rejection of the Leases assigned hereby, the Assignor covenants and agrees that if any such Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of the Assignee, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to the Assignor and the Assignee. The Assignor hereby assigns any such payment to the Assignee and further covenants and agrees that upon the request of the Assignee, it will duly endorse to the order of the Assignee any such check, the proceeds of which shall be applied in accordance with the provisions of Section 8 below; and

(o) as requested from time to time by Assignee, but in any event not later than fifteen (15) days after the end of each calendar quarter, commencing with the calendar quarter ending September 30, 2011, the Assignor shall deliver to the Assignee a certified rent roll for the Premises as of the last day of such period in a form reasonably satisfactory to the Assignee.

For all matters under this Agreement requiring the consent of Assignee, the Assignee's consent shall be deemed to be given if the Assignee fails to notify the Assignor of its consent within ten (10) business days after the Assignee has received information reasonably necessary for the Assignee to review such request .

5. **Rights Prior to Default.** Unless or until an Event of Default (as defined in Section 6) shall occur, the Assignor shall have the right to collect, at the time (but in no event more than thirty days in advance) provided for the payment thereof, all rents, issues, income and profits assigned hereunder, and to retain, use and enjoy the same. Upon the occurrence of an Event of Default, the Assignor's right to collect such rents, issues, income and profits shall immediately terminate without further notice thereof to the Assignor. The Assignee shall have the right to notify the tenants under the Leases of the existence of this Assignment at any time.

6. **Events of Default.** An "Event of Default" shall occur under this Assignment upon the occurrence of (a) a breach by the Assignor of any of the covenants, agreements, representations, warranties or other provisions hereof which is not cured or waived within the applicable grace or cure period, if any, set forth in the Mortgage, or (b) any other Event of Default described in the Note, the Mortgage or any of the other Loan Documents.

7. **Rights and Remedies Upon Default.** At any time upon or following the occurrence of any Event of Default, the Assignee, at its option, may exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on the Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing the Assignor or any guarantor of the Note from any obligation, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien or security interest granted by the Loan Documents:

(a) declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(b) enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease and operate the same on such terms and for such period of time as the Assignee may deem necessary or proper, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to the Assignee, to make, enforce, modify and accept the surrender of Leases, to obtain and evict tenants, to fix or modify rents, and to do any other act which the Assignee deems necessary or proper;

(c) either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all the lessor's rights therein and thereunder. This Assignment shall constitute an authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to the Assignee, without proof of default hereunder, upon receipt from the Assignee of written notice to thereafter pay all such rents and other amounts to the Assignee and to comply with any notice or demand by the Assignee for observance or performance of any of the covenants, terms,

conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder, and the Assignor shall facilitate in all reasonable ways the Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to the Assignee; and

(d) make any payment or do any act required herein of the Assignor in such manner and to such extent as the Assignee may deem necessary, and any amount so paid by the Assignee shall become immediately due and payable by the Assignor with interest thereon until paid at the Default Rate and shall be secured by this Assignment.

8. **Application of Proceeds.** All sums collected and received by the Assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more Events of Default shall be applied in accordance with the Illinois Mortgage Foreclosure Law (Chapter 735, Sections 5/15-1101 *et seq.*, Illinois Compiled Statutes) and, unless otherwise specified in such act, in such order as the Assignee shall elect in its sole and absolute discretion.

9. **Limitation of the Assignee's Liability.** The Assignee shall not be liable for any loss sustained by the Assignor resulting from the Assignee's failure to let the Premises or from any other act or omission of the Assignee in managing, operating or maintaining the Premises following the occurrence of an Event of Default. The Assignee shall not be obligated to observe, perform or discharge, nor does the Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in any Lease to be observed or performed by the lessor thereunder, or any obligation, duty or liability of the Assignor under or by reason of this Assignment. The Assignor shall and does hereby agree to indemnify, defend (using counsel reasonably satisfactory to the Assignee) and hold the Assignee harmless from and against any and all liability, loss or damage which the Assignee may incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against the Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in any Lease; provided, however, in no event shall the Assignor be liable for any liability, loss or damage which the Assignor incurs as a result of the Assignee's gross negligence or willful misconduct. Should the Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall become immediately due and payable by the Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not operate to place responsibility upon the Assignee for the care, control, management or repair of the Premises or for the carrying out of any of the covenants, terms, conditions and agreements contained in any Lease, nor shall it operate to make the Assignee responsible or liable for any waste committed upon the Premises by any tenant, occupant or other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair or control of the Premises resulting in loss or injury or death to any tenant, occupant, licensee, employee or stranger. Nothing set forth herein or in the Mortgage, and no exercise by the Assignee of any of the rights set forth herein or in the Mortgage shall constitute or be construed as constituting the Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by the Assignee pursuant to the provisions hereof or of the Mortgage.

10. **No Waiver.** Nothing contained in this Assignment and no act done or omitted to be done by the Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by the Assignee of its rights and remedies under any of the Loan Documents. This Assignment is made and accepted without prejudice to any of the rights and remedies of the Assignee under the terms and provisions of such instruments, and the Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. The Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.

11. **Further Assurances.** The Assignor shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as the Assignee may designate) and shall do or cause to be done such further acts, as the Assignee may request, in order to permit the Assignee to perfect, protect, preserve and maintain the assignment made to the Assignee by this Assignment.

14. **Successors and Assigns.** This Assignment is binding upon the Assignor and its legal representatives, successors and assigns, and the rights, powers and remedies of the Assignee under this Assignment shall inure to the benefit of the Assignee and its successors and assigns.

15. **Written Modifications.** This Assignment shall not be amended, modified or supplemented without the written agreement of the Assignor and the Assignee at the time of such amendment, modification or supplement.
