Now, therefore, in consideration of the mutual promises and agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note or Security Instrument):

1. Borrower acknowledges that as of the Effective Date, the amount payable under the Note and Security Instrument (New Principal Balance) is \$271,250.83.
2. The Maturity Date is January 1, 2041.
3. Borrower hereby renews and extends such indebtedness and promises to pay jointly and severally to the order of Lender the Principal Balance, consisting of the amount(s) loaned to Borrower by Lender and any accrued but unpaid interest capitalized to date as applicable, along with any other amounts that may come due under the terms of the original Note and Security Instrument
4. Interest will be charged on the unpaid, non-deferred, "New Principal Balance" until the non-deferred principal has been paid in full. Borrower promises to pay interest at the rate of 5.00000% from January 1, 2011 until I pay off my loan at the time when I sell or transfer any interest in my home, refinance the loan, or when the last scheduled payment is due. The rate of interest I pay will change based upon Payment Schedule below
5. Borrower promises to make monthly principal and interest payments of \$1,456.13, beginning on February 1, 2011, and continuing thereafter on the same day of each succeeding month, until all principal and interest is paid in full.
6. If on January 1, 2041 (the "Maturity Date"), Borrower still owes any amounts under the Note and Security Instrument, including any "Deferred Principal Balance" as provided for in this Agreement, Borrower will pay these amounts in full on that date. Borrower will make such payments at 3451 Hammond Avenue, Waterloo, Iowa, 50702 or at such other place as Lender may require. The amounts indicated in this paragraph do not include any required escrow payments for items such as hazard insurance or property taxes; if such escrow payments are required the monthly payments will be higher and may change as the amounts required for escrow items change.
7. If "Lender" has not received the full amount of any monthly payment within the grace period provided for in the original Note or as otherwise provided for by law, Borrower will pay a late payment fee to "Lender" in an amount calculated based on the late charge percentage provided for in the original Note, or as otherwise provided for by law, and the monthly payment required under this Agreement, with a maximum as provided for in the Note, or otherwise provided by law. Borrower will pay this late charge promptly but only once on each late payment. The late charge is not in lieu of any other remedy of Lender, including any default remedy.
8. It is the intention of the parties that all liens and security interests described in the Security Instrument are hereby renewed and extended (if the Maturity Date of the original Note has been changed) until the indebtedness evidenced by the Note and this Agreement has been fully paid. Lender and Borrower acknowledge and agree that such renewal, amendment, modification, rearrangement or extension (if applicable) shall in no manner affect or impair the Note or liens and security interests securing same, the purpose of this Agreement being simply to modify, amend

rearrange or extend (if applicable) the time and the manner of payment of the Note and indebtedness evidenced thereby, and to carry forward all liens and security interests securing the Note, which are expressly acknowledged by Borrower to be valid and subsisting, and in full force and effect so as to fully secure the payment of the Note.

9. If all or any part of the Property or any interest in it is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by the Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by applicable law. If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower. For purposes of this paragraph, "interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is transfer of title by Borrower at a future date to a purchaser.
10. As amended hereby, the provisions of the Note and Security Instrument shall continue in full force and effect, and the Borrower acknowledges and reaffirms Borrower's liability to Lender thereunder. In the event of any inconsistency between this Agreement and the terms of the Note and Security Instrument, this Agreement shall govern. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument. Except as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and Borrower and Lender will be bound by, and comply with, all of the terms and provisions thereof, as amended by this Agreement, including but not limited to, in the case of the Borrower, the obligation to pay items such as taxes, insurance premiums or escrow items, as applicable. Any default by Borrower in the performance of its obligations herein contained shall constitute a default under the Note and Security Instrument, and shall allow Lender to exercise all of its remedies set forth in said Security Instrument.
11. Lender does not, by its execution of this Agreement, waive any rights it may have against any person not a party hereto. This Agreement may be executed in multiple counterparts, each of which shall constitute an original instrument, but all of which shall constitute one and the same Agreement.
12. By signing, I acknowledge that I have received the "Notice of Special Flood Hazard and Availability of Federal Disaster Relief Assistance" if my property is located in a Special Flood Hazard Area. I further acknowledge that I have received this notice in sufficient time to have the opportunity to become aware of my responsibilities under the National Flood Insurance Program and to purchase adequate flood insurance prior to the completion of this loan modification.
