UNOFFICIAL COPY

Collateral. Borrower hereby authorizes Lender to prepare and file financing statements, continuation statements and financing statement amendments in such form as Lender may require to perfect or continue the perfection of this security interest and Borrower agrees, if Lender so requests, to execute and deliver to Lender such financing statements, continuation statements and amendments. Borrower shall pay all filing costs and all costs and expenses of any record searches for financing statements and/or amendments that Lender may require. Without the prior written consent of Lender, Borrower shall not create or permit to exist any other lien or security interest in any of the UCC Collateral.

(b) Unless Borrower gives Notice to Lender within 30 days after the occurrence of any of the following, and executes and delivers to Lender modifications or supplements of this Instrument (and any financing statement which may be filed in connection with this Instrument) as Lender may require, Borrower shall not (i) change its name, identity, structure or jurisdiction of organization; (ii) change the location of its place of business (or chief executive office if more than one place of business); or (iii) add to or change any location at which any of the Mortgaged Property is stored, held or located.

(c) If an Event of Default has occurred and is continuing, Lender shall have the remedies of a secured party under the Uniform Commercial Code, in addition to all remedies provided by this Instrument or existing under applicable law. In exercising any remedies, Lender may exercise its remedies against the UCC Collateral separately or together, and in any order, without in any way affecting the availability of Lender's other remedies.

(d) This Instrument constitutes a financing statement with respect to any part of the Mortgaged Property that is or may become a Fixture, if permitted by applicable law.

3. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION.

(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all Rents. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all Rents and to authorize and empower Lender to collect and receive all Rents without the necessity of further action on the part of Borrower. Promptly upon request by Lender, Borrower agrees to execute and deliver such further assignments as Lender may from time to time require. Borrower and Lender intend this assignment of Rents to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of Rents, and for no other purpose, Rents shall not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of Rents is not enforceable by its terms under the laws of the Property Jurisdiction, then the Rents shall be included as a part of the Mortgaged Property and it is the intention of Borrower that in this circumstance this Instrument create and perfect a lien on Rents in favor of Lender, which lien shall be effective as of the date of this Instrument.

UNOFFICIAL COPY

(b) After the occurrence of an Event of Default, Borrower authorizes Lender to collect, sue for and compromise Rents and directs each tenant of the Mortgaged Property to pay all Rents to, or as directed by, Lender. However, until the occurrence of an Event of Default, Lender hereby grants to Borrower a revocable license to collect and receive all Rents, to hold all Rents in trust for the benefit of Lender and to apply all Rents to pay the Indebtedness, including Imposition Deposits, and to pay the current costs and expenses of managing, operating and maintaining the Mortgaged Property, including utilities, Taxes and insurance premiums (to the extent not included in Imposition Deposits), tenant improvements and other capital expenditures. So long as no Event of Default has occurred and is continuing, the Rents remaining after application pursuant to the preceding sentence may be retained by Borrower free and clear of, and released from, Lender's rights with respect to Rents under this Instrument. From and after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, or by a receiver, Borrower's license to collect Rents shall automatically terminate and Lender shall without Notice be entitled to all Rents as they become due and payable, including Rents then due and unpaid. Borrower shall pay to Lender upon demand all Rents to which Lender is entitled. At any time on or after the date of Lender's demand for Rents, (i) Lender may give, and Borrower hereby irrevocably authorizes Lender to give, notice to all tenants of the Mortgaged Property instructing them to pay all Rents to Lender, (ii) no tenant shall be obligated to inquire further as to the occurrence or continuance of an Event of Default, and (iii) no tenant shall be obligated to pay to Borrower any amounts which are actually paid to Lender in response to such a notice. Any such notice by Lender shall be delivered to each tenant personally, by mail or by delivering such demand to each rental unit. Borrower shall not interfere with and shall cooperate with Lender's collection of such Rents.

(c) Borrower represents and warrants to Lender that Borrower has not executed any prior assignment of Rents (other than an assignment of Rents, if any, that secures the Bond Mortgage or secures indebtedness that will be discharged upon Lender's execution and delivery of the Credit Enhancement Agreement), that Borrower has not performed, and Borrower covenants and agrees that it will not perform, any acts and has not executed, and shall not execute, any instrument which would prevent Lender from exercising its rights under this Section 3, and that at the time of execution of this Instrument there has been no anticipation or prepayment of any Rents for more than two months prior to the due dates of such Rents. Borrower shall not collect or accept payment of any Rents more than two months prior to the due dates of such Rents.

(d) If an Event of Default has occurred and is continuing, Lender may, regardless of the adequacy of Lender's security or the solvency of Borrower and even in the absence of waste, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts that Lender in its discretion determines to be necessary or desirable for the operation and maintenance of the Mortgaged Property, including the execution, cancellation or modification of Leases, the collection of all Rents, the making of repairs to the Mortgaged Property and the

UNOFFICIAL COPY

execution or termination of contracts providing for the management, operation or maintenance of the Mortgaged Property, for the purposes of enforcing the assignment of Rents pursuant to Section 3(a), protecting the Mortgaged Property or the security of this Instrument, or for such other purposes as Lender in its discretion may deem necessary or desirable. Alternatively, if an Event of Default has occurred and is continuing, regardless of the adequacy of Lender's security, without regard to Borrower's solvency and without the necessity of giving prior notice (oral or written) to Borrower, Lender may apply to any court having jurisdiction for the appointment of a receiver for the Mortgaged Property to take any or all of the actions set forth in the preceding sentence. If Lender elects to seek the appointment of a receiver for the Mortgaged Property at any time after an Event of Default has occurred and is continuing, Borrower, by its execution of this Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver *ex parte* if permitted by applicable law. If Borrower is a housing cooperative corporation or association, Borrower hereby agrees that if a receiver is appointed, the order appointing the receiver may contain a provision requiring the receiver to pay the installments of interest and principal then due and payable under the Note and the other amounts then due and payable under the other Loan Documents, including Imposition Deposits, it being acknowledged and agreed that the Indebtedness is an obligation of the Borrower and must be paid out of maintenance charges payable by the Borrower's tenant shareholders under their proprietary leases or occupancy agreements. Lender or the receiver, as the case may be, shall be entitled to receive a reasonable fee for managing the Mortgaged Property. Immediately upon appointment of a receiver or immediately upon the Lender's entering upon and taking possession and control of the Mortgaged Property, Borrower shall surrender possession of the Mortgaged Property to Lender or the receiver, as the case may be, and shall deliver to Lender or the receiver, as the case may be, all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Mortgaged Property and all security deposits and prepaid Rents. In the event Lender takes possession and control of the Mortgaged Property, Lender may exclude Borrower and its representatives from the Mortgaged Property. Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 3 shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and Improvements.

(e) If Lender enters the Mortgaged Property, Lender shall be liable to account only to Borrower and only for those Rents actually received. Except to the extent of Lender's gross negligence or willful misconduct, Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property, by reason of any act or omission of Lender under Section 3(d), and Borrower hereby releases and discharges Lender from any such liability to the fullest extent permitted by law.

(f) If the Rents are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become an additional part of the Indebtedness as provided in Section 12.

UNOFFICIAL COPY

(g) Any entering upon and taking of control of the Mortgaged Property by Lender or the receiver, as the case may be, and any application of Rents as provided in this Instrument shall not cure or waive any Event of Default or invalidate any other right or remedy of Lender under applicable law or provided for in this Instrument.

4. ASSIGNMENT OF LEASES; LEASES AFFECTING THE MORTGAGED PROPERTY.

(a) As part of the consideration for the Indebtedness, Borrower absolutely and unconditionally assigns and transfers to Lender all of Borrower's right, title and interest in, to and under the Leases, including Borrower's right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease. It is the intention of Borrower to establish a present, absolute and irrevocable transfer and assignment to Lender of all of Borrower's right, title and interest in, to and under the Leases. Borrower and Lender intend this assignment of the Leases to be immediately effective and to constitute an absolute present assignment and not an assignment for additional security only. For purposes of giving effect to this absolute assignment of the Leases, and for no other purpose, the Leases shall not be deemed to be a part of the Mortgaged Property. However, if this present, absolute and unconditional assignment of the Leases is not enforceable by its terms under the laws of the Property Jurisdiction, then the Leases shall be included as a part of the Mortgaged Property and it is the intention of the Borrower that in this circumstance this Instrument create and perfect a lien on the Leases in favor of Lender, which lien shall be effective as of the date of this Instrument.

(b) Until Lender gives Notice to Borrower of Lender's exercise of its rights under this Section 4, Borrower shall have all rights, power and authority granted to Borrower under any Lease (except as otherwise limited by this Section or any other provision of this Instrument), including the right, power and authority to modify the terms of any Lease or extend or terminate any Lease. Upon the occurrence of an Event of Default, the permission given to Borrower pursuant to the preceding sentence to exercise all rights, power and authority under Leases shall automatically terminate. Borrower shall comply with and observe Borrower's obligations under all Leases, including Borrower's obligations pertaining to the maintenance and disposition of tenant security deposits.

(c) Borrower acknowledges and agrees that the exercise by Lender, either directly or by a receiver, of any of the rights conferred under this Section 4 shall not be construed to make Lender a mortgagee-in-possession of the Mortgaged Property so long as Lender has not itself entered into actual possession of the Land and the Improvements. The acceptance by Lender of the assignment of the Leases pursuant to Section 4(a) shall not at any time or in any event obligate Lender to take any action under this Instrument or to expend any money or to incur any expenses. Except to the extent of Lender's gross negligence or willful misconduct, Lender shall not be liable in any way for any injury or damage to person or property sustained by any person or persons, firm or corporation in or about the Mortgaged Property. Prior to Lender's actual entry into and taking possession of the Mortgaged Property, Lender shall not (i) be obligated to

UNOFFICIAL COPY

perform any of the terms, covenants and conditions contained in any Lease (or otherwise have any obligation with respect to any Lease); (ii) be obligated to appear in or defend any action or proceeding relating to the Lease or the Mortgaged Property; or (iii) be responsible for the operation, control, care, management or repair of the Mortgaged Property or any portion of the Mortgaged Property. The execution of this Instrument by Borrower shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Mortgaged Property is and shall be that of Borrower, prior to such actual entry and taking of possession.

(d) Upon delivery of Notice by Lender to Borrower of Lender's exercise of Lender's rights under this Section 4 at any time after the occurrence of an Event of Default, and without the necessity of Lender entering upon and taking and maintaining control of the Mortgaged Property directly, by a receiver, or by any other manner or proceeding permitted by the laws of the Property Jurisdiction, Lender immediately shall have all rights, powers and authority granted to Borrower under any Lease, including the right, power and authority to modify the terms of any such Lease, or extend or terminate any such Lease.

(e) Borrower shall, promptly upon Lender's request, deliver to Lender an executed copy of each residential Lease then in effect. All Leases for residential dwelling units shall be on forms approved by Lender, shall be for initial terms of at least six months and not more than two years, and shall not include options to purchase.

(f) Borrower shall not lease any portion of the Mortgaged Property for non-residential use except with the prior written consent of Lender and Lender's prior written approval of the Lease agreement. Borrower shall not modify the terms of, or extend or terminate, any Lease for non-residential use (including any Lease in existence on the date of this Instrument) without the prior written consent of Lender. However, Lender's consent shall not be required for the modification or extension of a non-residential Lease if such modification or extension is on terms at least as favorable to Borrower as those customary at that time in the applicable market and the income from the extended or modified Lease will not be less than the income received from the Lease as of the date of this Instrument. Borrower shall, without request by Lender, deliver an executed copy of each non-residential Lease to Lender promptly after such Lease is signed. All non-residential Leases, including renewals or extensions of existing Leases, shall specifically provide that (i) such Leases are subordinate to the lien of this Instrument; (ii) the tenant shall attorn to Lender and any purchaser at a foreclosure sale, such attornment to be self-executing and effective upon acquisition of title to the Mortgaged Property by any purchaser at a foreclosure sale or by Lender in any manner; (iii) the tenant agrees to execute such further evidences of attornment as Lender or any purchaser at a foreclosure sale may from time to time request; (iv) the Lease shall not be terminated by foreclosure or any other transfer of the Mortgaged Property; (v) after a foreclosure sale of the Mortgaged Property, Lender or any other purchaser at such foreclosure sale may, at Lender's or such purchaser's option, accept or terminate such Lease; and (vi) the tenant shall, upon receipt after the

UNOFFICIAL COPY

occurrence of an Event of Default of a written request from Lender, pay all Rents payable under the Lease to Lender.

(g) Borrower shall not receive or accept Rent under any Lease (whether residential or non-residential) for more than two months in advance.

(h) If Borrower is a cooperative housing corporation or association, notwithstanding anything to the contrary contained in this subsection or in Section 21, so long as Borrower remains a cooperative housing corporation or association and is not in breach of any covenant of this Instrument, Lender hereby consents to:

- (i) the execution of leases of apartments for a term in excess of two years from Borrower to a tenant shareholder of Borrower, so long as such leases, including proprietary leases, are and will remain subordinate to the lien of this Instrument; and
- (ii) the surrender or termination of such leases of apartments where the surrendered or terminated lease is immediately replaced or where the Borrower makes its best efforts to secure such immediate replacement by a newly executed lease of the same apartment to a tenant shareholder of the Borrower. However, no consent is hereby given by Lender to any execution, surrender, termination or assignment of a lease under terms that would waive or reduce the obligation of the resulting tenant shareholder under such lease to pay cooperative assessments in full when due or the obligation of the former tenant shareholder to pay any unpaid portion of such assessments.

5. PAYMENT OF INDEBTEDNESS; PERFORMANCE UNDER LOAN DOCUMENTS; PREPAYMENT PREMIUM. Borrower shall pay the Indebtedness when due in accordance with the terms of the Reimbursement Agreement and the other Loan Documents and shall perform, observe and comply with all other provisions of the Reimbursement Agreement and the other Loan Documents. Borrower shall pay a prepayment/substitution premium in connection with certain prepayments of the Indebtedness, including a payment made after Lender's exercise of any right of acceleration of the Indebtedness, as provided in the Reimbursement Agreement.

6. EXCULPATION. Borrower's personal liability for payment of the Indebtedness and for performance of the other obligations to be performed by it under this Instrument is limited in the manner, and to the extent, provided in the Reimbursement Agreement.

7. DEPOSITS FOR TAXES, INSURANCE AND OTHER CHARGES.

UNOFFICIAL COPY

(a) Unless this requirement is waived in writing by Lender, which waiver may be contained in this Section 7(a), Borrower shall deposit with Lender on the day monthly scheduled payments and deposits are due under the Reimbursement Agreement (or on another day designated in writing by Lender), until such time as the Lender's obligations under the Credit Enhancement Agreement are terminated, the Indebtedness is paid in full or otherwise discharged, and the Reimbursement Agreement has terminated, an additional amount sufficient to accumulate with Lender the entire sum required to pay, when due, the items marked "Collect" below. Lender will not require the Borrower to make Imposition Deposits with respect to the items marked "Deferred" below.

[Collect]	Hazard Insurance premiums or other insurance premiums required by Lender under Section 19,
[Collect]	Taxes,
[Deferred]	water and sewer charges (that could become a lien on the Mortgaged Property),
[N/A]	ground rents,
[Deferred]	assessments or other charges (that could become a lien on the Mortgaged Property)

The amounts deposited under the preceding sentence are collectively referred to in this Instrument as the "**Imposition Deposits**." The obligations of Borrower for which the Imposition Deposits are required are collectively referred to in this Instrument as "**Impositions**." The amount of the Imposition Deposits shall be sufficient to enable Lender to pay each Imposition before the last date upon which such payment may be made without any penalty or interest charge being added. Lender shall maintain records indicating how much of the monthly Imposition Deposits and how much of the aggregate Imposition Deposits held by Lender are held for the purpose of paying Taxes, insurance premiums and each other Imposition.

(b) Imposition Deposits shall be held in an institution (which may be Lender, if Lender is such an institution) whose deposits or accounts are insured or guaranteed by a federal agency. Lender shall not be obligated to open additional accounts or deposit Imposition Deposits in additional institutions when the amount of the Imposition Deposits exceeds the maximum amount of the federal deposit insurance or guaranty. Lender shall apply the Imposition Deposits to pay Impositions so long as no Event of Default has occurred and is continuing. Unless applicable law requires, Lender shall not be required to pay Borrower any interest, earnings or profits on the Imposition Deposits. As additional security for all of Borrower's obligations under this Instrument, the Reimbursement Agreement and the other Loan Documents, Borrower hereby pledges and grants to Lender a security interest in the Imposition Deposits and all proceeds of, and all interest and dividends on, the Imposition Deposits. Any amounts deposited with Lender under this Section 7 shall not be trust funds, nor shall they operate to reduce the Indebtedness, unless applied by Lender for that purpose under Section 7(e).

UNOFFICIAL COPY

(c) If Lender receives a bill or invoice for an Imposition, Lender shall pay the Imposition from the Imposition Deposits held by Lender. Lender shall have no obligation to pay any Imposition to the extent it exceeds Imposition Deposits then held by Lender. Lender may pay an Imposition according to any bill, statement or estimate from the appropriate public office or insurance company without inquiring into the accuracy of the bill, statement or estimate or into the validity of the Imposition.

(d) If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition exceeds the amount reasonably deemed necessary by Lender, the excess shall be credited against future installments of Imposition Deposits. If at any time the amount of the Imposition Deposits held by Lender for payment of a specific Imposition is less than the amount reasonably estimated by Lender to be necessary, Borrower shall pay to Lender the amount of the deficiency within 15 days after Notice from Lender.

(e) If an Event of Default has occurred and is continuing, Lender may apply any Imposition Deposits, in any amounts and in any order as Lender determines, in Lender's discretion, to pay any Impositions or as a credit against the Indebtedness. At such time as Lender's obligations under the Credit Enhancement Agreement are terminated, the Indebtedness is paid in full or otherwise discharged, and the Reimbursement Agreement has terminated, Lender shall refund to Borrower any Imposition Deposits held by Lender.

(f) If Lender does not collect an Imposition Deposit with respect to an Imposition either marked "Deferred" in Section 7(a) or pursuant to a separate written waiver by Lender, then on or before the date each such Imposition is due, or on the date this Instrument requires each such Imposition to be paid, Borrower must provide Lender with proof of payment of each such Imposition for which Lender does not require collection of Imposition Deposits. Lender may revoke its deferral or waiver and require Borrower to deposit with Lender any or all of the Imposition Deposits listed in Section 7(a), regardless of whether any such item is marked "Deferred" in such section, upon Notice to Borrower, (i) if Borrower does not timely pay any of the Impositions, (ii) if Borrower fails to provide timely proof to Lender of such payment, or (iii) at any time during the existence of an Event of Default.

(g) In the event of a Transfer prohibited by or requiring Lender's approval under Section 21, Lender's waiver of the collection of any Imposition Deposit in this Section 7 may be modified or rendered void by Lender at Lender's option by Notice to Borrower and the transferee(s) as a condition of Lender's approval of such Transfer.

8. COLLATERAL AGREEMENTS. Borrower shall deposit with Lender such amounts as may be required by any Collateral Agreement and shall perform all other obligations of Borrower under each Collateral Agreement.

9. APPLICATION OF PAYMENTS. If at any time Lender receives, from Borrower or otherwise, any amount applicable to the Indebtedness which is less than all amounts

UNOFFICIAL COPY

due and payable at such time, then Lender may apply that payment to amounts then due and payable in any manner and in any order determined by Lender, in Lender's discretion. Neither Lender's acceptance of an amount that is less than all amounts then due and payable nor Lender's application of such payment in the manner authorized shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction. Notwithstanding the application of any such amount to the Indebtedness, Borrower's obligations under this Instrument, the Reimbursement Agreement and the other Loan Documents shall remain unchanged.

10. COMPLIANCE WITH LAWS AND ORGANIZATIONAL DOCUMENTS.

(a) Borrower shall comply with all laws, ordinances, regulations and requirements of any Governmental Authority and all recorded lawful covenants and agreements relating to or affecting the Mortgaged Property, including all laws, ordinances, regulations, requirements and covenants pertaining to health and safety, construction of improvements on the Mortgaged Property, fair housing, disability accommodation, zoning and land use, and Leases. Borrower also shall comply with all applicable laws that pertain to the maintenance and disposition of tenant security deposits.

(b) Borrower shall at all times maintain records sufficient to demonstrate compliance with the provisions of this Section 10.

(c) Borrower shall take appropriate measures to prevent, and shall not engage in or knowingly permit, any illegal activities at the Mortgaged Property that could endanger tenants or visitors, result in damage to the Mortgaged Property, result in forfeiture of the Mortgaged Property, or otherwise materially impair the lien created by this Instrument or Lender's interest in the Mortgaged Property. Borrower represents and warrants to Lender that no portion of the Mortgaged Property has been or will be purchased with the proceeds of any illegal activity.

(d) Borrower shall at all times comply with all laws, regulations and requirements of any Governmental Authority relating to Borrower's formation, continued existence and good standing in the Property Jurisdiction. Borrower shall at all times comply with its organizational documents, including but not limited to its partnership agreement (if Borrower is a partnership), its by-laws (if Borrower is a corporation or housing cooperative corporation or association) or its operating agreement (if Borrower is an limited liability company, joint venture or tenancy-in-common). If Borrower is a housing cooperative corporation or association, Borrower shall at all times maintain its status as a "cooperative housing corporation" as such term is defined in Section 216(b) of the Internal revenue Code of 1986, as amended, or any successor statute thereto.

11. USE OF PROPERTY. Unless required by applicable law, Borrower shall not
 (a) allow changes in the use for which all or any part of the Mortgaged Property is being used at

UNOFFICIAL COPY

the time this Instrument was executed, except for any change in use approved by Lender, (b) convert any individual dwelling units or common areas to commercial use, (c) initiate a change in the zoning classification of the Mortgaged Property or acquiesce without Notice to and consent of Lender in a change in the zoning classification of the Mortgaged Property, (d) establish any condominium or cooperative regime with respect to the Mortgaged Property, (e) combine all or any part of the Mortgaged Property with all or any part of a tax parcel which is not part of the Mortgaged Property, or (f) subdivide or otherwise split any tax parcel constituting all or any part of the Mortgaged Property without the prior consent of Lender. Notwithstanding anything contained in this Section to the contrary, if Borrower is a housing cooperative corporation or association, Lender acknowledges and consents to Borrower's use of the Mortgaged Property as a housing cooperative.

12. PROTECTION OF LENDER'S SECURITY; INSTRUMENT SECURES FUTURE ADVANCES.

(a) If Borrower fails to perform any of its obligations under this Instrument, the Reimbursement Agreement or any other Loan Document, or if any action or proceeding is commenced which purports to affect the Mortgaged Property, Lender's security or Lender's rights under this Instrument, including eminent domain, insolvency, code enforcement, civil or criminal forfeiture, enforcement of Hazardous Materials Laws, enforcement of the Bond Documents, fraudulent conveyance or reorganizations or proceedings involving a bankrupt or decedent, then Lender at Lender's option may make such appearances, file such documents, disburse such sums and take such actions as Lender reasonably deems necessary to perform such obligations of Borrower and to protect Lender's interest, including (i) payment of Attorneys' Fees and Costs, (ii) payment of fees and out-of-pocket expenses of accountants, inspectors and consultants, (iii) entry upon the Mortgaged Property to make repairs or secure the Mortgaged Property, (iv) procurement of the insurance required by Section 19, and (v) payment of amounts which Borrower has failed to pay under Sections 15 and 17.

(b) Any amounts disbursed by Lender under this Section 12, or under any other provision of this Instrument that treats such disbursement as being made under this Section 12, shall be secured by this Instrument, shall be added to, and become part of, the principal component of the Indebtedness, shall be immediately due and payable and shall bear interest from the date of disbursement until paid at the "**Default Rate**," as defined in the Reimbursement Agreement.

(c) Nothing in this Section 12 shall require Lender to incur any expense or take any action.

13. INSPECTION.

(a) Lender, its agents, representatives, and designees may make or cause to be made entries upon and inspections of the Mortgaged Property (including environmental inspections

UNOFFICIAL COPY

and tests) during normal business hours, or at any other reasonable time, upon reasonable notice to Borrower if the inspection is to include occupied residential units (which notice need not be in writing). Notice to Borrower shall not be required in the case of an emergency, as determined in Lender's discretion, or when an Event of Default has occurred and is continuing.

(b) If Lender determines that Mold has developed as a result of a water intrusion event or leak, Lender, at Lender's discretion, may require that a professional inspector inspect the Mortgaged Property as frequently as Lender determines is necessary until any issue with Mold and its cause(s) are resolved to Lender's satisfaction. Such inspection shall be limited to a visual and olfactory inspection of the area that has experienced the Mold, water intrusion event or leak. Borrower shall be responsible for the cost of such professional inspection and any remediation deemed to be necessary as a result of the professional inspection. After any issue with Mold, water intrusion or leaks is remedied to Lender's satisfaction, Lender shall not require a professional inspection any more frequently than once every three years unless Lender is otherwise aware of Mold as a result of a subsequent water intrusion event or leak.

(c) If Lender or Loan Servicer determines not to conduct an annual inspection of the Mortgaged Property, and in lieu thereof Lender requests a certification, Borrower shall be prepared to provide and must actually provide to Lender a factually correct certification each year that the annual inspection is waived to the following effect:

Borrower has not received any written complaint, notice, letter or other written communication from tenants, management agent or governmental authorities regarding mold, fungus, microbial contamination or pathogenic organisms ("Mold") or any activity, condition, event or omission that causes or facilitates the growth of Mold on or in any part of the Mortgaged Property or if Borrower has received any such written complaint, notice, letter or other written communication that Borrower has investigated and determined that no Mold activity, condition or event exists or alternatively has fully and properly remediated such activity, condition, event or omission in compliance with the Moisture Management Plan for the Mortgaged Property.

If Borrower is unwilling or unable to provide such certification, Lender may require a professional inspection of the Mortgaged Property at Borrower's expense.

14. BOOKS AND RECORDS; FINANCIAL REPORTING.

(a) Borrower shall keep and maintain at all times at the Mortgaged Property or the management agent's office, and upon Lender's request shall make available at the Mortgaged Property (or, at Borrower's option, at the management agent's office), complete and accurate books of account and records (including copies of supporting bills and invoices) adequate to

UNOFFICIAL COPY

reflect correctly the operation of the Mortgaged Property, and copies of all written contracts, Leases, and other instruments which affect the Mortgaged Property. The books, records, contracts, Leases and other instruments shall be subject to examination and inspection by Lender at any reasonable time.

(b) Within 120 days after the end of each fiscal year of Borrower, Borrower shall furnish to Lender a statement of income and expenses for Borrower's operation of the Mortgaged Property for that fiscal year, a statement of changes in financial position of Borrower relating to the Mortgaged Property for that fiscal year and, when requested by Lender, a balance sheet showing all assets and liabilities of Borrower relating to the Mortgaged Property as of the end of that fiscal year. If Borrower's fiscal year is other than the calendar year, Borrower must also submit to Lender a year-end statement of income and expenses within 120 days after the end of the calendar year.

(c) Within 120 days after the end of each calendar year, and at any other time, upon Lender's request, Borrower shall furnish to Lender each of the following. However, Lender shall not require any of the following more frequently than quarterly except when there has been an Event of Default and such Event of Default is continuing, in which case Lender may, upon written request to Borrower, require Borrower to furnish any of the following more frequently:

- (i) a rent schedule for the Mortgaged Property showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable for the current month, the date through which rent has been paid, and any related information requested by Lender;
- (ii) an accounting of all security deposits held pursuant to all Leases, including the name of the institution (if any) and the names and identification numbers of the accounts (if any) in which such security deposits are held and the name of the person to contact at such financial institution, along with any authority or release necessary for Lender to access information regarding such accounts;
- (iii) a statement that identifies all owners of any interest in Borrower and any Controlling Entity and the interest held by each (unless Borrower or any Controlling Entity is a publicly-traded entity in which case such statement of ownership shall not be required), if Borrower or a Controlling Entity is a corporation, all officers and directors of Borrower and the Controlling Entity, and if Borrower or a Controlling Entity is a limited liability company, all managers who are not members; and
- (iv) a certificate from Borrower that the Mortgaged Property is in compliance with the Regulatory Agreement, together with the most current certificates

UNOFFICIAL COPY

of compliance or other evidence of current compliance issued by the applicable Governmental Authority.

(d) At any time upon Lender's request, Borrower shall furnish to Lender each of the following. However, Lender shall not require any of the following more frequently than quarterly except when there has been an Event of Default and such Event of Default is continuing, in which case Lender may require Borrower to furnish any of the following more frequently:

- (i) a balance sheet, a statement of income and expenses for Borrower and a statement of changes in financial position of Borrower for Borrower's most recent fiscal year;
- (ii) a quarterly or year-to-date income and expense statement for the Mortgaged Property; and
- (iii) a monthly property management report for the Mortgaged Property, showing the number of inquiries made and rental applications received from tenants or prospective tenants and deposits received from tenants and any other information requested by Lender.

(e) Upon Lender's request at any time when an Event of Default has occurred and is continuing, Borrower shall furnish to Lender monthly income and expense statements and rent schedules for the Mortgaged Property.

(f) An individual having authority to bind Borrower shall certify each of the statements, schedules and reports required by Sections 14(b) through 14(e) to be complete and accurate. Each of the statements, schedules and reports required by Sections 14(b) through 14(e) shall be in such form and contain such detail as Lender may reasonably require. Lender also may require that any of the statements, schedules or reports listed in Section 14(b) and 14(c)(i) and (ii) be audited at Borrower's expense by independent certified public accountants acceptable to Lender, at any time when an Event of Default has occurred and is continuing or at any time that Lender, in its reasonable judgment, determines that audited financial statements are required for an accurate assessment of the financial condition of Borrower or of the Mortgaged Property.

(g) If Borrower fails to provide in a timely manner the statements, schedules and reports required by Sections 14(b) through (e), Lender shall give Borrower Notice specifying the statements, schedules and reports required by Section 14(b) through (e) that Borrower has failed to provide. If Borrower has not provided the required statements, schedules and reports within 10 Business Days following such Notice, then Lender shall have the right to have Borrower's books and records audited, at Borrower's expense, by independent certified public accountants selected by Lender in order to obtain such statements, schedules and reports, and all related costs

UNOFFICIAL COPY

and expenses of Lender shall become immediately due and payable and shall become an additional part of the Indebtedness as provided in Section 12. Notice to Borrower shall not be required in the case of an emergency, as determined in Lender's discretion, or when an Event of Default has occurred and is continuing.

(h) If an Event of Default has occurred and is continuing, Borrower shall deliver to Lender upon written demand all books and records relating to the Mortgaged Property or its operation.

(i) Borrower authorizes Lender to obtain a credit report on Borrower at any time.

15. TAXES; OPERATING EXPENSES.

(a) Subject to the provisions of Section 15(c) and Section 15(d), Borrower shall pay, or cause to be paid, all Taxes when due and before the addition of any interest, fine, penalty or cost for nonpayment.

(b) Subject to the provisions of Section 15(c), Borrower shall (i) pay the expenses of operating, managing, maintaining and repairing the Mortgaged Property (including utilities, repairs and replacements) before the last date upon which each such payment may be made without any penalty or interest charge being added, and (ii) pay insurance premiums at least 30 days prior to the expiration date of each policy of insurance, unless applicable law specifies some lesser period.

(c) If Lender is collecting Imposition Deposits, to the extent that Lender holds sufficient Imposition Deposits for the purpose of paying a specific Imposition, then Borrower shall not be obligated to pay such Imposition, so long as no Event of Default exists and Borrower has timely delivered to Lender any bills or premium notices that it has received. If an Event of Default exists, Lender may exercise any rights Lender may have with respect to Imposition Deposits without regard to whether Impositions are then due and payable. Lender shall have no liability to Borrower for failing to pay any Impositions to the extent that (i) any Event of Default has occurred and is continuing, (ii) insufficient Imposition Deposits are held by Lender at the time an Imposition becomes due and payable or (iii) Borrower has failed to provide Lender with bills and premium notices as provided above.

(d) Borrower, at its own expense, may contest by appropriate legal proceedings, conducted diligently and in good faith, the amount or validity of any Imposition other than insurance premiums, if (i) Borrower notifies Lender of the commencement or expected commencement of such proceedings, (ii) the Mortgaged Property is not in danger of being sold or forfeited, (iii) Borrower has not already paid the Imposition, Borrower deposits with Lender reserves sufficient to pay the contested Imposition, if requested by Lender, and (iv) Borrower furnishes whatever additional security is required in the proceedings or is reasonably requested by Lender.

UNOFFICIAL COPY

(e) Borrower shall promptly deliver to Lender a copy of all notices of, and invoices for, Impositions, and if Borrower pays any Imposition directly, Borrower shall furnish to Lender, on or before the date this Instrument requires such Impositions to be paid, receipts evidencing that such payments were made.

16. LIENS; ENCUMBRANCES. Borrower acknowledges that, to the extent provided in Section 21, the grant, creation or existence of any mortgage, deed of trust, deed to secure debt, security interest or other lien or encumbrance (a “**Lien**”) on the Mortgaged Property (other than the lien of the Bond Mortgage and this Instrument) or on certain ownership interests in Borrower, whether voluntary, involuntary or by operation of law, and whether or not such Lien has priority over the lien of this Instrument, is a “**Transfer**” which constitutes an Event of Default and subjects Borrower to personal liability under the Reimbursement Agreement.

17. PRESERVATION, MANAGEMENT AND MAINTENANCE OF MORTGAGED PROPERTY.

(a) Borrower shall not commit waste or permit impairment or deterioration of the Mortgaged Property.

(b) Borrower shall not abandon the Mortgaged Property.

(c) Borrower shall restore or repair promptly, in a good and workmanlike manner, any damaged part of the Mortgaged Property to the equivalent of its original condition, or such other condition as Lender may approve in writing, whether or not insurance proceeds or condemnation awards are available to cover any costs of such restoration or repair; however, Borrower shall not be obligated to perform such restoration or repair if (i) no Event of Default has occurred and is continuing, and (ii) Lender has elected to apply any available insurance proceeds and/or condemnation awards to the payment of Indebtedness pursuant to Section 19(h)(ii), (iii), (iv) or (v), or pursuant to Section 20.

(d) Borrower shall keep the Mortgaged Property in good repair, including the replacement of Personalty and Fixtures with items of equal or better function and quality.

(e) Borrower shall provide for professional management of the Mortgaged Property by a residential rental property manager satisfactory to Lender at all times under a contract approved by Lender in writing, which contract must be terminable upon not more than 30 days notice without the necessity of establishing cause and without payment of a penalty or termination fee by Borrower or its successors.

(f) Borrower shall give Notice to Lender of and, unless otherwise directed in writing by Lender, shall appear in and defend any action or proceeding purporting to affect the Mortgaged Property, Lender’s security or Lender’s rights under this Instrument. Borrower shall

UNOFFICIAL COPY

not (and shall not permit any tenant or other person to) remove, demolish or alter the Mortgaged Property or any part of the Mortgaged Property, including any removal, demolition or alteration occurring in connection with a rehabilitation of all or part of the Mortgaged Property, except (i) in connection with the replacement of tangible Personalty, (ii) if Borrower is a cooperative housing corporation or association, to the extent permitted with respect to individual dwelling units under the form of proprietary lease or occupancy agreement and (iii) repairs and replacements in connection with making an individual unit ready for a new occupant.

(g) Unless otherwise waived by Lender in writing, Borrower must have or must establish and must adhere to the MMP. If Borrower is required to have an MMP, Borrower must keep all MMP documentation at the Mortgaged Property or at the management agent's office and available for the Lender or the Loan Servicer to review during any annual assessment or other inspection of the Mortgaged Property that is required by Lender.

(h) If Borrower is a housing cooperative corporation or association, until the Indebtedness is paid in full Borrower shall not reduce the maintenance fees, charges or assessments payable by shareholders or residents under proprietary leases or occupancy agreements below a level which is sufficient to pay all expenses of the Borrower, including, without limitation, all operating and other expenses for the Mortgaged Property and all payments due pursuant to the terms of the Note and any Loan Documents.

18. ENVIRONMENTAL HAZARDS.

(a) Except for matters described in Section 18(b), Borrower shall not cause or permit any of the following:

- (i) the presence, use, generation, release, treatment, processing, storage (including storage in above ground and underground storage tanks), handling, or disposal of any Hazardous Materials on or under the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property;
- (ii) the transportation of any Hazardous Materials to, from, or across the Mortgaged Property;
- (iii) any occurrence or condition on the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property, which occurrence or condition is or may be in violation of Hazardous Materials Laws;
- (iv) any violation of or noncompliance with the terms of any Environmental Permit with respect to the Mortgaged Property or any property of Borrower that is adjacent to the Mortgaged Property; or

UNOFFICIAL COPY

- (v) any violation or noncompliance with the terms of any O&M Program as defined in subsection (d).

The matters described in clauses (i) through (v) above, except as otherwise provided in Section 18(b), are referred to collectively in this Section 18 as “**Prohibited Activities or Conditions.**”

(b) Prohibited Activities or Conditions shall not include lawful conditions permitted by an O&M Program or the safe and lawful use and storage of quantities of (i) pre-packaged supplies, cleaning materials and petroleum products customarily used in the operation and maintenance of comparable multifamily properties, (ii) cleaning materials, personal grooming items and other items sold in pre-packaged containers for consumer use and used by tenants and occupants of residential dwelling units in the Mortgaged Property; and (iii) petroleum products used in the operation and maintenance of motor vehicles from time to time located on the Mortgaged Property’s parking areas, so long as all of the foregoing are used, stored, handled, transported and disposed of in compliance with Hazardous Materials Laws.

(c) Borrower shall take all commercially reasonable actions (including the inclusion of appropriate provisions in any Leases executed after the date of this Instrument) to prevent its employees, agents, and contractors, and all tenants and other occupants from causing or permitting any Prohibited Activities or Conditions. Borrower shall not lease or allow the sublease or use of all or any portion of the Mortgaged Property to any tenant or subtenant for nonresidential use by any user that, in the ordinary course of its business, would cause or permit any Prohibited Activity or Condition.

(d) As required by Lender, Borrower shall also have established a written operations and maintenance program with respect to certain Hazardous Materials. Each such operations and maintenance program and any additional or revised operations and maintenance programs established for the Mortgaged Property pursuant to this Section 18 must be approved by Lender and shall be referred to herein as an “**O&M Program.**” Borrower shall comply in a timely manner with, and cause all employees, agents, and contractors of Borrower and any other persons present on the Mortgaged Property to comply with each O&M Program. Borrower shall pay all costs of performance of Borrower’s obligations under any O&M Program, and Lender’s out-of-pocket costs incurred in connection with the monitoring and review of each O&M Program and Borrower’s performance shall be paid by Borrower upon demand by Lender. Any such out-of-pocket costs of Lender that Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in Section 12.

(e) Borrower represents and warrants to Lender that, except as previously disclosed by Borrower to Lender in writing (which written disclosure may be in certain environmental assessments and other written reports accepted by Lender in connection with the execution and delivery of the Credit Enhancement Agreement and dated prior to the date of this Instrument):

UNOFFICIAL COPY

- (i) Borrower has not at any time engaged in, caused or permitted any Prohibited Activities or Conditions on the Mortgaged Property;
- (ii) to the best of Borrower's knowledge after reasonable and diligent inquiry, no Prohibited Activities or Conditions exist or have existed on the Mortgaged Property;
- (iii) the Mortgaged Property does not now contain any underground storage tanks, and, to the best of Borrower's knowledge after reasonable and diligent inquiry, the Mortgaged Property has not contained any underground storage tanks in the past. If there is an underground storage tank located on the Mortgaged Property that has been previously disclosed by Borrower to Lender in writing, that tank complies with all requirements of Hazardous Materials Laws;
- (iv) to the best of Borrower's knowledge after reasonable and diligent inquiry, Borrower has complied with all Hazardous Materials Laws, including all requirements for notification regarding releases of Hazardous Materials. Without limiting the generality of the foregoing, Borrower has obtained all Environmental Permits required for the operation of the Mortgaged Property in accordance with Hazardous Materials Laws now in effect and all such Environmental Permits are in full force and effect;
- (v) to the best of Borrower's knowledge after reasonable and diligent inquiry, no event has occurred with respect to the Mortgaged Property that constitutes, or with the passing of time or the giving of notice would constitute, noncompliance with the terms of any Environmental Permit;
- (vi) there are no actions, suits, claims or proceedings pending or, to the best of Borrower's knowledge after reasonable and diligent inquiry, threatened that involve the Mortgaged Property and allege, arise out of, or relate to any Prohibited Activity or Condition; and
- (vii) Borrower has not received any written complaint, order, notice of violation or other communication from any Governmental Authority with regard to air emissions, water discharges, noise emissions or Hazardous Materials, or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property.

The representations and warranties in this Section 18 shall be continuing representations and warranties that shall be deemed to be made by Borrower until such time as the Lender's

UNOFFICIAL COPY

obligations under the Credit Enhancement Agreement are terminated, the Indebtedness is paid in full or otherwise discharged, and the Reimbursement Agreement has terminated.

(f) Borrower shall promptly notify Lender in writing upon the occurrence of any of the following events:

- (i) Borrower's discovery of any Prohibited Activity or Condition;
- (ii) Borrower's receipt of or knowledge of any written complaint, order, notice of violation or other communication from any tenant, management agent, Governmental Authority or other person with regard to present or future alleged Prohibited Activities or Conditions, or any other environmental, health or safety matters affecting the Mortgaged Property or any other property of Borrower that is adjacent to the Mortgaged Property; or
- (iii) Borrower's breach of any of its obligations under this Section 18.

Any such notice given by Borrower shall not relieve Borrower of, or result in a waiver of, any obligation under this Instrument, the Reimbursement Agreement or any other Loan Document.

(g) Borrower shall pay promptly the costs of any environmental inspections, tests or audits, a purpose of which is to identify the extent or cause of or potential for a Prohibited Activity or Condition ("**Environmental Inspections**"), required by Lender in connection with any foreclosure or deed in lieu of foreclosure, or as a condition of Lender's consent to any Transfer under Section 21, or required by Lender following a reasonable determination by Lender that Prohibited Activities or Conditions may exist. Any such costs incurred by Lender (including Attorneys' Fees and Costs and the costs of technical consultants whether incurred in connection with any judicial or administrative process or otherwise) that Borrower fails to pay promptly shall become an additional part of the Indebtedness as provided in Section 12. As long as (i) no Event of Default has occurred and is continuing, (ii) Borrower has actually paid for or reimbursed Lender for all costs of any such Environmental Inspections performed or required by Lender, and (iii) Lender is not prohibited by law, contract or otherwise from doing so, Lender shall make available to Borrower, without representation of any kind, copies of Environmental Inspections prepared by third parties and delivered to Lender. Lender hereby reserves the right, and Borrower hereby expressly authorizes Lender, to make available to any party, including any prospective bidder at a foreclosure sale of the Mortgaged Property, the results of any Environmental Inspections made by or for Lender with respect to the Mortgaged Property. Borrower consents to Lender notifying any party (either as part of a notice of sale or otherwise) of the results of any Environmental Inspections made by or for Lender. Borrower acknowledges that Lender cannot control or otherwise assure the truthfulness or accuracy of the results of any Environmental Inspections and that the release of such results to prospective bidders at a foreclosure sale of the Mortgaged Property may have a material and adverse effect upon the amount that a party may bid at such sale. Borrower agrees that Lender shall have no

UNOFFICIAL COPY

liability whatsoever as a result of delivering the results to any third party of any Environmental Inspections made by or for Lender, and Borrower hereby releases and forever discharges Lender from any and all claims, damages, or causes of action, arising out of, connected with or incidental to the results of, the delivery of any of Environmental Inspections made by or for Lender.

(h) If any investigation, site monitoring, containment, clean-up, restoration or other remedial work (“**Remedial Work**”) is necessary to comply with any Hazardous Materials Law or order of any Governmental Authority that has or acquires jurisdiction over the Mortgaged Property or the use, operation or improvement of the Mortgaged Property, or is otherwise required by Lender as a consequence of any Prohibited Activity or Condition or to prevent the occurrence of a Prohibited Activity or Condition, Borrower shall, by the earlier of (i) the applicable deadline required by Hazardous Materials Law or (ii) 30 days after Notice from Lender demanding such action, begin performing the Remedial Work, and thereafter diligently prosecute it to completion, and shall in any event complete the work by the time required by applicable Hazardous Materials Law. If Borrower fails to begin on a timely basis or diligently prosecute any required Remedial Work, Lender may, at its option, cause the Remedial Work to be completed, in which case Borrower shall reimburse Lender on demand for the cost of doing so. Any reimbursement due from Borrower to Lender shall become part of the Indebtedness as provided in Section 12.

(i) Borrower shall comply with all Hazardous Materials Laws applicable to the Mortgaged Property. Without limiting the generality of the previous sentence, Borrower shall (i) obtain and maintain all Environmental Permits required by Hazardous Materials Laws and comply with all conditions of such Environmental Permits; (ii) cooperate with any inquiry by any Governmental Authority; and (iii) comply with any governmental or judicial order that arises from any alleged Prohibited Activity or Condition.

(j) Borrower shall indemnify, hold harmless and defend (i) Lender, (ii) any prior credit enhancer of the Bond Mortgage Loan or the Bonds; (iii) Loan Servicer, (iv) any prior Loan Servicer, (v) the officers, directors, shareholders, partners, employees and trustees of any of the foregoing, and (vi) the heirs, legal representatives, successors and assigns of each of the foregoing (collectively, the “**Indemnitees**”) from and against all proceedings, claims, damages, penalties and costs (whether initiated or sought by Governmental Authorities or private parties), including Attorneys’ Fees and Costs and remediation costs, whether incurred in connection with any judicial or administrative process or otherwise, arising directly or indirectly from any of the following:

- (i) any breach of any representation or warranty of Borrower in this Section 18;
- (ii) any failure by Borrower to perform any of its obligations under this Section 18;

UNOFFICIAL COPY

- (iii) the existence or alleged existence of any Prohibited Activity or Condition;
- (iv) the presence or alleged presence of Hazardous Materials on or under the Mortgaged Property or in any of the Improvements or on or under any property of Borrower that is adjacent to the Mortgaged Property; and
- (v) the actual or alleged violation of any Hazardous Materials Law.

(k) Counsel selected by Borrower to defend Indemnitees shall be subject to the approval of those Indemnitees. In any circumstances in which the indemnity under this Section 18 applies, Lender may employ its own legal counsel and consultants to prosecute, defend or negotiate any claim or legal or administrative proceeding and Lender, with the prior written consent of Borrower (which shall not be unreasonably withheld, delayed or conditioned) may settle or compromise any action or legal or administrative proceeding. However, unless an Event of Default has occurred and is continuing, or the interests of Borrower and Lender are in conflict, as determined by Lender in its discretion, Lender shall permit Borrower to undertake the actions referenced in this Section 18 in accordance with this Section 18(k) and Section 18(l) so long as Lender approves such action, which approval shall not be unreasonably withheld or delayed. Borrower shall reimburse Lender upon demand for all costs and expenses incurred by Lender, including all costs of settlements entered into in good faith, consultants' fees and Attorneys' Fees and Costs.

(l) Borrower shall not, without the prior written consent of those Indemnitees who are named as parties to a claim or legal or administrative proceeding (a "**Claim**"), settle or compromise the Claim if the settlement (i) results in the entry of any judgment that does not include as an unconditional term the delivery by the claimant or plaintiff to Lender of a written release of those Indemnitees, satisfactory in form and substance to Lender; or (ii) may materially and adversely affect Lender, as determined by Lender in its discretion.

(m) Borrower's obligation to indemnify the Indemnitees shall not be limited or impaired by any of the following, or by any failure of Borrower or any guarantor to receive notice of or consideration for any of the following:

- (i) any amendment or modification of any Loan Document;
- (ii) any extensions of time for performance required by any Loan Document;
- (iii) any provision in any of the Loan Documents limiting Lender's recourse to property securing the Indebtedness, or limiting the personal liability of Borrower or any other party for payment of all or any part of the Indebtedness;

UNOFFICIAL COPY

- (iv) the accuracy or inaccuracy of any representations and warranties made by Borrower under this Instrument, the Reimbursement Agreement or any other Loan Document;
 - (v) the release of Borrower or any other person, by Lender or by operation of law, from performance of any obligation under any Loan Document;
 - (vi) the release or substitution in whole or in part of any security for the Indebtedness; and
 - (vii) Lender's failure to properly perfect any lien or security interest given as security for the Indebtedness.
- (n) Borrower shall, at its own cost and expense, do all of the following:
- (i) pay or satisfy any judgment or decree that may be entered against any Indemnitor or Indemnitors in any legal or administrative proceeding incident to any matters against which Indemnitors are entitled to be indemnified under this Section 18;
 - (ii) reimburse Indemnitors for any expenses paid or incurred in connection with any matters against which Indemnitors are entitled to be indemnified under this Section 18; and
 - (iii) reimburse Indemnitors for any and all expenses, including Attorneys' Fees and Costs, paid or incurred in connection with the enforcement by Indemnitors of their rights under this Section 18, or in monitoring and participating in any legal or administrative proceeding.

(o) The provisions of this Section 18 shall be in addition to any and all other obligations and liabilities that Borrower may have under applicable law or under other Loan Documents, and each Indemnitor shall be entitled to indemnification under this Section 18 without regard to whether Lender or that Indemnitor has exercised any rights against the Mortgaged Property or any other security, pursued any rights against any guarantor, or pursued any other rights available under the Loan Documents or applicable law. If Borrower consists of more than one person or entity, the obligation of those persons or entities to indemnify the Indemnitors under this Section 18 shall be joint and several. The obligation of Borrower to indemnify the Indemnitors under this Section 18 shall survive any repayment or discharge of the Bond Mortgage Loan, any foreclosure proceeding, any foreclosure sale, any delivery of any deed in lieu of foreclosure, and any release of record of the lien of the Bond Mortgage, the redemption of the Bonds, the termination of the Credit Enhancement Agreement, any payment or discharge of the Indebtedness, any foreclosure proceeding, any foreclosure sale, any delivery of any deed in lieu of foreclosure, and any release of record of the lien of this Instrument. Notwithstanding

UNOFFICIAL COPY

the foregoing, if Lender has never been a mortgagee-in-possession of, or held title to, the Mortgaged Property, Borrower shall have no obligation to indemnify the Indemnitees under this Section 18 after all of the following shall have occurred: termination of the Credit Enhancement Agreement by the Indenture Trustee; the release of record of the lien of this Instrument by payment in full of the Indebtedness and all amounts due and owing under the Bond Documents; and termination of the Reimbursement Agreement.

19. PROPERTY AND LIABILITY INSURANCE.

(a) Borrower shall keep the Improvements insured at all times against such hazards as Lender may from time to time require, which insurance shall include but not be limited to coverage against loss by fire, windstorm and allied perils, general boiler and machinery coverage, and business interruption including loss of rental value insurance for the Mortgaged Property with extra expense insurance. If Lender so requires, such insurance shall also include sinkhole insurance, mine subsidence insurance, earthquake insurance, and, if the Mortgaged Property does not conform to applicable zoning or land use laws, building ordinance or law coverage. In the event any updated reports or other documentation are reasonably required by Lender in order to determine whether such additional insurance is necessary or prudent, Borrower shall pay for all such documentation at its sole cost and expense. Borrower acknowledges and agrees that Lender's insurance requirements may change from time to time throughout the term of the Indebtedness. If any of the Improvements is located in an area identified by the Federal Emergency Management Agency (or any successor to that agency) as an area having special flood hazards, Borrower shall insure such Improvements against loss by flood. All insurance required pursuant to this Section 19(a) shall be referred to as "**Hazard Insurance**." All policies of Hazard Insurance must include a non-contributing, non-reporting mortgagee clause in favor of, and in a form approved by, Lender.

(b) All premiums on insurance policies required under this Section 19 shall be paid in the manner provided in Section 7, unless Lender has designated in writing another method of payment. All such policies shall also be in a form approved by Lender. Borrower shall deliver to Lender a legible copy of each insurance policy (or duplicate original) and Borrower shall promptly deliver to Lender a copy of all renewal and other notices received by Borrower with respect to the policies and all receipts for paid premiums. At least 5 days prior to the expiration date of any insurance policy, Borrower shall deliver to Lender evidence acceptable to Lender that the policy has been renewed. If Borrower has not delivered a legible copy of each renewal policy (or a duplicate original) prior to the expiration date of any insurance policy, Borrower shall deliver a legible copy of each renewal policy (or a duplicate original) in a form satisfactory to Lender within 120 days after the expiration date of the original policy.

(c) Borrower shall maintain at all times commercial general liability insurance, workers' compensation insurance and such other liability, errors and omissions and fidelity insurance coverages as Lender may from time to time require. All policies for general liability

UNOFFICIAL COPY

insurance must contain a standard additional insured provision, in favor of, and in a form approved by, Lender.

(d) All insurance policies and renewals of insurance policies required by this Section 19 shall be in such amounts and for such periods as Lender may from time to time require, and shall be issued by insurance companies satisfactory to Lender.

(e) Borrower shall comply with all insurance requirements and shall not permit any condition to exist on the Mortgaged Property that would invalidate any part of any insurance coverage that this Instrument requires Borrower to maintain.

(f) In the event of loss, Borrower shall give immediate written notice to the insurance carrier and to Lender. Borrower hereby authorizes and appoints Lender as attorney-in-fact for Borrower to make proof of loss, to adjust and compromise any claims under policies of Hazard Insurance, to appear in and prosecute any action arising from such Hazard Insurance policies, to collect and receive the proceeds of Hazard Insurance, and to deduct from such proceeds Lender's expenses incurred in the collection of such proceeds. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this Section 19 shall require Lender to incur any expense or take any action. Lender may, at Lender's option, (i) require a "repair or replacement" settlement, in which case the proceeds will be used to reimburse Borrower for the cost of restoring and repairing the Mortgaged Property to the equivalent of its original condition or to a condition approved by Lender (the "**Restoration**"), or (ii) require an "actual cash value" settlement in which case the proceeds may be applied to the payment of the Indebtedness, whether or not then due. To the extent Lender determines to require a repair or replacement settlement and apply insurance proceeds to Restoration, Lender shall apply the proceeds in accordance with Lender's then-current policies relating to the restoration of casualty damage on similar multifamily properties.

(g) Notwithstanding any provision to the contrary in this Section 19, as long as no Event of Default, or any event which, with the giving of Notice or the passage of time, or both, would constitute an Event of Default, has occurred and is continuing,

- (i) in the event of a casualty resulting in damage to the Mortgaged Property which will cost \$10,000 or less to repair, the Borrower shall have the sole right to make proof of loss, adjust and compromise the claim and collect and receive any proceeds directly without the approval or prior consent of the Lender so long as the insurance proceeds are used solely for the Restoration of the Mortgaged Property; and
- (ii) in the event of a casualty resulting in damage to the Mortgaged Property which will cost more than \$10,000 but less than \$50,000 to repair, the Borrower is authorized to make proof of loss and adjust and compromise the claim without the prior consent of Lender, and Lender shall hold the

UNOFFICIAL COPY

applicable insurance proceeds to be used to reimburse Borrower for the cost of Restoration of the Mortgaged Property and shall not apply such proceeds to the payment of sums due under this Instrument.

(h) Lender will have the right to exercise its option to apply insurance proceeds to the payment of the Indebtedness only if Lender determines that at least one of the following conditions is met:

- (i) an Event of Default (or any event, which, with the giving of Notice or the passage of time, or both, would constitute an Event of Default) has occurred and is continuing;
- (ii) Lender determines, in its discretion, that there will not be sufficient funds from insurance proceeds, anticipated contributions of Borrower of its own funds or other sources acceptable to Lender to complete the Restoration;
- (iii) Lender determines, in its discretion, that the rental income from the Mortgaged Property after completion of the Restoration will not be sufficient to meet all operating costs and other expenses, Imposition Deposits, deposits to reserves and loan repayment obligations relating to the Mortgaged Property;
- (iv) Lender determines, in its discretion, that the Restoration will not be completed at least one year before the scheduled Termination Date (or six months before the scheduled Termination Date if Lender determines in its discretion that re-leasing of the Mortgaged Property will be completed within such six-month period); or
- (v) Lender determines that the Restoration will not be completed within one year after the date of the loss or casualty.

(i) If the Mortgaged Property is sold at a foreclosure sale or Lender acquires title to the Mortgaged Property, Lender shall automatically succeed to all rights of Borrower in and to any insurance policies and unearned insurance premiums and in and to the proceeds resulting from any damage to the Mortgaged Property prior to such sale or acquisition.

(j) Unless Lender otherwise agrees in writing, any application of any insurance proceeds to the Indebtedness shall not extend or postpone the due date of any monthly scheduled payments or deposits referred to in the Reimbursement Agreement, Section 7 of this Instrument or any Collateral Agreement, or change the amount of such installments.

(k) Borrower agrees to execute such further evidence of assignment of any insurance proceeds as Lender may require.

20. CONDEMNATION.

(a) Borrower shall promptly notify Lender in writing of any action or proceeding or notice relating to any proposed or actual condemnation or other taking, or conveyance in lieu thereof, of all or any part of the Mortgaged Property, whether direct or indirect (a **“Condemnation”**). Borrower shall appear in and prosecute or defend any action or proceeding relating to any Condemnation unless otherwise directed by Lender in writing. Borrower authorizes and appoints Lender as attorney-in-fact for Borrower to commence, appear in and prosecute, in Lender’s or Borrower’s name, any action or proceeding relating to any Condemnation and to settle or compromise any claim in connection with any Condemnation, after consultation with Borrower and consistent with commercially reasonable standards of a prudent lender. This power of attorney is coupled with an interest and therefore is irrevocable. However, nothing contained in this Section 20 shall require Lender to incur any expense or take any action. Borrower hereby transfers and assigns to Lender all right, title and interest of Borrower in and to any award or payment with respect to (i) any Condemnation, or any conveyance in lieu of Condemnation, and (ii) any damage to the Mortgaged Property caused by governmental action that does not result in a Condemnation.

(b) Lender may apply such awards or proceeds, after the deduction of Lender’s expenses incurred in the collection of such amounts (including Attorneys’ Fees and Costs) at Lender’s option, to the restoration or repair of the Mortgaged Property or to the payment of the Indebtedness, with the balance, if any, to Borrower. Unless Lender otherwise agrees in writing, any application of any awards or proceeds to the Indebtedness shall not extend or postpone the due date of any monthly scheduled payments or deposits referred to in the Reimbursement Agreement, Section 7 of this Instrument or any Collateral Agreement, or change the amount of such installments. Borrower agrees to execute such further evidence of assignment of any awards or proceeds as Lender may require.

21. TRANSFERS OF THE MORTGAGED PROPERTY OR INTERESTS IN BORROWER. [RIGHT TO UNLIMITED TRANSFERS -- WITH LENDER APPROVAL].

- (a) **“Transfer”** means
- (i) a sale, assignment, transfer or other disposition (whether voluntary, involuntary or by operation of law);
 - (ii) the granting, creating or attachment of a lien, encumbrance or security interest (whether voluntary, involuntary or by operation of law);

 - (i) a Transfer to which Lender has consented;
 - (ii) a Transfer that occurs in accordance with Section 21(d);
 - (iii) the grant of a leasehold interest in an individual dwelling unit for a term of two years or less not containing an option to purchase;

- (vi) if Borrower is a housing cooperative corporation or association, the Transfer of more than 49 percent of the shares in the housing cooperative or the assignment of more than 49 percent of the occupancy agreements or leases relating thereto by tenant shareholders of the housing cooperative or association to other tenant shareholders; and
- (vii) any Transfer of an interest in Borrower or any interest in a Controlling Entity (which, if such Controlling Entity were Borrower, would result in an Event of Default) listed in (A) through (F) below (a “**Preapproved Transfer**”), under the terms and conditions listed as items (1) through (7) below:
- (A) a sale or transfer to one or more of the transferor’s immediate family members; or

with the giving of Notice or the passage of time, or both, would become an Event of Default.

- (5) Lender shall be entitled to collect all costs, including the cost of all title searches, title insurance and recording costs, and all Attorneys' Fees and Costs.
- (6) Lender shall not be entitled to collect a transfer fee as a result of these Preapproved Transfers.
- (7) In the event of a Transfer prohibited by or requiring Lender's approval under this Section 21, this Section (c)(vii) may be modified or rendered void by Lender at Lender's option by Notice to Borrower and the transferee(s), as a condition of Lender's consent.

(d) The occurrence of any of the following Transfers shall not constitute an Event of Default under this Instrument, provided that Borrower has notified Lender in writing within 30 days following the occurrence of any of the following, and such Transfer does not constitute an Event of Default under any other Section of this Instrument:

- (i) a change of the Borrower's name, provided that UCC financing statements and/or amendments sufficient to continue the perfection of Lender's security interest have been properly filed and copies have been delivered to Lender;
- (ii) a change of the form of the Borrower not involving a transfer of the Borrower's assets and not resulting in any change in liability of any Initial Owner, provided that UCC financing statements and/or amendments sufficient to continue the perfection of Lender's security interest have been properly filed and copies have been delivered to Lender;
- (iii) the merger of the Borrower with another entity when the Borrower is the surviving entity;
- (iv) a Transfer that occurs by devise, descent, or by operation of law upon the death of a natural person; and

UNOFFICIAL COPY

Attorneys' Fees and Costs, incurred by Lender in connection with reviewing Borrower's request.

(c) The occurrence of any of the following Transfers shall constitute an Event of Default under this Instrument:

- (i) a Transfer of all or any part of the Mortgaged Property or any interest in the Mortgaged Property;
- (ii) if Borrower is a limited partnership, a Transfer of (A) any general partnership interest, or (B) limited partnership interests in Borrower that would cause the Initial Owners of Borrower to own less than a Controlling Interest of all limited partnership interests in Borrower;
- (iii) if Borrower is a general partnership or a joint venture, a Transfer of any general partnership or joint venture interest in Borrower;
- (iv) if Borrower is a limited liability company, (A) a Transfer of any membership interest in Borrower which would cause the Initial Owners to own less than a Controlling Interest of all the membership interests in Borrower, (B) a Transfer of any membership or other interest of a manager in Borrower that results in a change of manager or (C) a change in a nonmember manager,
- (v) if Borrower is a corporation (A) the Transfer of any voting stock in Borrower which would cause the Initial Owners to own less than a Controlling Interest of any class of voting stock in Borrower or (B) if the outstanding voting stock in Borrower is held by 100 or more shareholders, one or more Transfers by a single transferor within a 12-month period affecting an aggregate of 5 percent or more of that stock;

UNOFFICIAL COPY

- (viii) a Transfer of any interest in a Controlling Entity which, if such Controlling Entity were Borrower, would result in an Event of Default under any of Sections 21(e)(i) through (vii) above.

Lender shall not be required to demonstrate any actual impairment of its security or any increased risk of default in order to exercise any of its remedies with respect to an Event of Default under this Section 21.

(f) Lender shall consent, without any adjustment to the rate at which the Indebtedness secured by this Instrument bears interest or to any other economic terms of the Indebtedness set forth in the Reimbursement Agreement, to a Transfer that would otherwise violate this Section 21 if, prior to the Transfer, Borrower has satisfied each of the following requirements:

- (i) the submission to Lender of all information required by Lender to make the determination required by this Section 21(f);
- (ii) the absence of any Event of Default;
- (iii) the transferee meets all of the eligibility, credit, management and other standards (including but not limited to any standards with respect to previous relationships between Lender and the transferee) customarily applied by Lender at the time of the proposed Transfer to the approval of borrowers in connection with the origination or purchase of similar mortgages on multifamily properties;

transferee comply with any provisions of this Instrument, the Reimbursement Agreement or any other Loan Document which previously may have been waived or modified by Lender, (B) if Lender requires, the transferee causes one or more individuals or entities acceptable to Lender to execute and deliver to Lender a guaranty in a form acceptable to Lender, and (C) the transferee executes such additional Collateral Agreements as Lender may require;

- (vii) in the case of a Transfer of any interest in a Controlling Entity, if a guaranty has been executed and delivered in connection with this Instrument, the Reimbursement Agreement or any of the other Loan Documents, Borrower causes one or more individuals or entities acceptable to Lender to execute and deliver to Lender a guaranty in a form acceptable to Lender; and

 - (C) the amount of Lender's out-of-pocket costs (including reasonable Attorneys' Fees and Costs) incurred in reviewing the Transfer request.
- (g)
 - (i) A Transfer otherwise permissible under this Section 21 will nevertheless constitute an Event of Default if that Transfer is prohibited by, or would result in an event of default under, any Bond Document or Bond Mortgage Loan Document.
 - (ii) Lender may withhold its consent under this Section 21 to a Transfer unless and until, in addition to satisfying the conditions set forth in this Section 21, Borrower provides Lender with written evidence (in form and substance acceptable to Lender) confirming that the Transfer is permitted under the Bond Documents and the Bond Mortgage Loan Documents and that the Transfer may be made without the consent or approval of the Issuer or the Indenture Trustee or, if such consent or approval of the Issuer and the Indenture Trustee is required, such written consent or approval.

22. EVENTS OF DEFAULT. The occurrence of any one or more of the following shall constitute an Event of Default under this Instrument:

UNOFFICIAL COPY

- (a) any failure by Borrower to pay or deposit when due any amount required by this Instrument, the Reimbursement Agreement or any other Loan Document;
- (b) any failure by Borrower to maintain the insurance coverage required by Section 19;
- (c) any failure by Borrower to comply with the provisions of Section 33;
- (d) fraud or material misrepresentation or material omission by Borrower, any of its officers, directors, trustees, general partners or managers or any guarantor in connection with (i) the application for or creation of the Indebtedness, (ii) any financial statement, rent schedule, or other report or information provided to Lender during the term of the Indebtedness, or (iii) any request for Lender's consent to any proposed action, including a request for disbursement of funds under any Collateral Agreement;
- (e) any failure by Borrower to comply with the provisions of Section 20;
- (f) any Event of Default under Section 21;
- (g) the commencement of a forfeiture action or proceeding, whether civil or criminal, which, in Lender's reasonable judgment, could result in a forfeiture of the Mortgaged Property or otherwise materially impair the lien created by this Instrument or Lender's interest in the Mortgaged Property;
- (h) any failure by Borrower to perform any of its obligations under this Instrument (other than those specified in Sections 22(a) through (g)), as and when required, which continues for a period of 30 days after Notice of such failure by Lender to Borrower. However, if Borrower's failure to perform its obligations as described in this Section 22(h) is of the nature that it cannot be cured within the 30 day grace period but reasonably could be cured within 90 days, then Borrower shall have additional time as determined by Lender in its discretion, not to exceed an additional 60 days, in which to cure such default, provided that Borrower has diligently commenced to cure such default during the 30-day grace period and diligently pursues the cure of such default. However, no such Notice or grace periods shall apply in the case of any such failure which could, in Lender's judgment, absent immediate exercise by Lender of a right or remedy under this Instrument, result in harm to Lender, impairment of the Reimbursement Agreement or this Instrument or any other security given under any other Loan Document;
- (i) any failure by Borrower to perform any of its obligations as and when required under any Loan Document other than this Instrument which continues beyond the applicable cure period, if any, specified in that Loan Document;

UNOFFICIAL COPY

(j) any exercise by the holder of any other debt instrument secured by a mortgage, deed of trust or deed to secure debt on the Mortgaged Property of a right to declare all amounts due under that debt instrument immediately due and payable;

(k) any voluntary filing by Borrower for bankruptcy protection under the United States Bankruptcy Code or any reorganization, receivership, insolvency proceeding or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights to which Borrower voluntarily becomes subject, or the commencement of any involuntary case against Borrower by any creditor (other than Lender) of Borrower pursuant to the United States Bankruptcy Code or other federal or state law affecting debtor and creditor rights which case is not dismissed or discharged within 90 days after filing;

(l) any representations and warranties by Borrower in this Instrument which is false or misleading in any material respect;

(m) any default under the Reimbursement Agreement;

(n) any default by Borrower under any Bond Mortgage Loan Document;

(o) any default by Borrower, or any person or entity acting on behalf of or on the request of Borrower, under any Bond Document; and

(p) any failure by Borrower, or any person or entity acting on behalf of or on the request of Borrower, to perform any of its obligations as and when required under any Bond Document or other document or agreement relating to the Bonds which continues beyond the applicable cure period, if any, specified in such document or agreement.

23. REMEDIES CUMULATIVE. Each right and remedy provided in this Instrument is distinct from all other rights or remedies under this Instrument, the Reimbursement Agreement or any other Loan Document or afforded by applicable law, and each shall be cumulative and may be exercised concurrently, independently, or successively, in any order.

24. FORBEARANCE.

(a) Lender may (but shall not be obligated to) agree with Borrower, from time to time, and without giving notice to, or obtaining the consent of, or having any effect upon the obligations of, any guarantor or other third party obligor, to take any of the following actions: extend the time for payment of all or any part of the Indebtedness; reduce the payments due under this Instrument, the Reimbursement Agreement or any other Loan Document; release anyone liable for the payment of any amounts under this Instrument, the Reimbursement Agreement or any other Loan Document; modify the terms and time of payment of the Indebtedness; join in any extension or subordination agreement; release any Mortgaged Property; take or release other or additional security; consent to the modification of the rate of interest or

UNOFFICIAL COPY

period of amortization of the Bond Mortgage Loan or change the composition or the amount of the monthly scheduled payments and deposits required to be made by Borrower under Reimbursement Agreement; and otherwise modify this Instrument, the Reimbursement Agreement or any other Loan Document.

(b) Any forbearance by Lender in exercising any right or remedy under this Instrument, the Reimbursement Agreement or any other Loan Document or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any other right or remedy, or the subsequent exercise of any right or remedy. The acceptance by Lender of payment of all or any part of the Indebtedness after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of Lender's right to require prompt payment when due of all other payments on account of the Indebtedness or to exercise any remedies for any failure to make prompt payment. Enforcement by Lender of any security for the Indebtedness shall not constitute an election by Lender of remedies so as to preclude the exercise of any other right available to Lender. Lender's receipt of any awards or proceeds under Sections 19 and 20 shall not operate to cure or waive any Event of Default.

25. LOAN CHARGES. If any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in any Loan Document, whether considered separately or together with other charges levied in connection with any other Loan Document, violates that law, and Borrower is entitled to the benefit of that law, that charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Lender in excess of the permitted amounts shall be applied by Lender to reduce the principal of the Indebtedness. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower has been violated, all Indebtedness which constitutes interest, as well as all other charges levied in connection with the Indebtedness which constitute interest, shall be deemed to be allocated and spread over the stated term of the Reimbursement Agreement. Unless otherwise required by applicable law, such allocation and spreading shall be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of the Reimbursement Agreement.

26. WAIVER OF STATUTE OF LIMITATIONS. Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Instrument or to any action brought to enforce any Loan Document.

27. WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Mortgaged Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Mortgaged Property shall be subjected to the remedies provided in this Instrument, the Reimbursement Agreement, any other Loan Document or applicable law. Lender shall have the right to determine the order in which any or all portions of the Indebtedness are satisfied from the proceeds realized upon the exercise of such remedies. Borrower and any party who now or in the future acquires a security interest

UNOFFICIAL COPY

in the Mortgaged Property and who has actual or constructive notice of this Instrument waives any and all right to require the marshalling of assets or to require that any of the Mortgaged Property be sold in the inverse order of alienation or that any of the Mortgaged Property be sold in parcels or as an entirety in connection with the exercise of any of the remedies permitted by applicable law or provided in this Instrument.

28. FURTHER ASSURANCES. Borrower shall execute, acknowledge, and deliver, at its sole cost and expense, all further acts, deeds, conveyances, assignments, estoppel certificates, financing statements or amendments, transfers and assurances as Lender may require from time to time in order to better assure, grant, and convey to Lender the rights intended to be granted, now or in the future, to Lender under this Instrument and the Loan Documents.

29. ESTOPPEL CERTIFICATE. Within 10 days after a request from Lender, Borrower shall deliver to Lender a written statement, signed and acknowledged by Borrower, certifying to Lender or any person designated by Lender, as of the date of such statement, that (i) the Loan Documents are unmodified and in full force and effect (or, if there have been modifications, that the Loan Documents are in full force and effect as modified and setting forth such modifications); (ii) the unpaid principal balance of the Bond Mortgage Loan; (iii) the date to which interest under the Bond Mortgage Loan has been paid; (iv) the amount of the then current reimbursement obligations of Borrower under the Bond Documents and/or the Reimbursement Agreement; (v) that Borrower is not in default in paying the Indebtedness or in performing or observing any of the covenants or agreements contained in this Instrument or any of the other Loan Documents (or, if Borrower is in default, describing such default in reasonable detail); (vi) whether or not there are then existing any setoffs or defenses known to Borrower against the enforcement of any right or remedy of Lender under the Loan Documents; and (vii) any additional facts requested by Lender.

30. GOVERNING LAW; CONSENT TO JURISDICTION AND VENUE.

(a) This Instrument, and any Loan Document which does not itself expressly identify the law that is to apply to it, shall be governed by the laws of the jurisdiction in which the Land is located (the "**Property Jurisdiction**").

(b) Borrower agrees that any controversy arising under or in relation to this Instrument, the Reimbursement Agreement or any other Loan Document may be litigated in the Property Jurisdiction. The state and federal courts and authorities with jurisdiction in the Property Jurisdiction shall have jurisdiction over all controversies that shall arise under or in relation to the Reimbursement Agreement, any security for the Indebtedness, or any other Loan Document. Borrower irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing in this Section 30 is intended to limit Lender's right to bring any suit, action or proceeding relating to matters under this Instrument in any court of any other jurisdiction.

31. NOTICE.

(a) All notices, demands and other communications (“**Notice**”) under or concerning this Instrument shall be in writing. Each Notice shall be addressed to the intended recipient at its address set forth in this Instrument, and shall be deemed given on the earliest to occur of (i) the date when the Notice is received by the addressee; (ii) the first Business Day after the Notice is delivered to a recognized overnight courier service, with arrangements made for payment of charges for next Business Day delivery; or (iii) the third Business Day after the Notice is deposited in the United States mail with postage prepaid, certified mail, return receipt requested.

(b) Any party to this Instrument may change the address to which Notices intended for it are to be directed by means of Notice given to the other party in accordance with this Section 31. Each party agrees that it will not refuse or reject delivery of any Notice given in accordance with this Section 31, that it will acknowledge, in writing, the receipt of any Notice upon request by the other party and that any Notice rejected or refused by it shall be deemed for purposes of this Section 31 to have been received by the rejecting party on the date so refused or rejected, as conclusively established by the records of the U.S. Postal Service or the courier service.

(c) Any Notice under the Reimbursement Agreement and any other Loan Document that does not specify how Notices are to be given shall be given in accordance with this Section 31.

32. CHANGE IN SERVICER; LOAN SERVICING. There may be one or more changes of the Loan Servicer until such time as the Lender’s obligations under the Credit Enhancement Agreement are terminated, the Indebtedness is paid in full or otherwise discharged, and the Reimbursement Agreement has terminated. If there is a change of the Loan Servicer, Borrower will be given Notice of the change. All actions regarding the servicing of the Bond Mortgage Loan and the Reimbursement Agreement, including the collection of payments, the giving and receipt of Notice, inspections of the Mortgaged Property, inspections of books and records, and the granting of consents and approvals, may be taken by the Loan Servicer unless Borrower receives Notice to the contrary. If Borrower receives conflicting Notices regarding the identity of the Loan Servicer or any other subject, any such Notice from Lender shall govern.

33. SINGLE ASSET BORROWER. Until Lender’s obligations under the Credit Enhancement Agreement are terminated, the Indebtedness is paid in full or otherwise discharged, and the Reimbursement Agreement has terminated, Borrower (a) shall not own any real or personal property other than the Mortgaged Property and personal property related to the operation and maintenance of the Mortgaged Property; (b) shall not operate any business other than the management and operation of the Mortgaged Property; and (c) shall not maintain its assets in a way difficult to segregate and identify.

34. SUCCESSORS AND ASSIGNS BOUND. This Instrument shall bind, and the rights granted by this Instrument shall inure to, the respective successors and assigns of Lender and Borrower. However, a Transfer not permitted by Section 21 shall be an Event of Default.

35. JOINT AND SEVERAL LIABILITY. If more than one person or entity signs this Instrument as Borrower, the obligations of such persons and entities shall be joint and several.

36. RELATIONSHIP OF PARTIES; NO THIRD PARTY BENEFICIARY.

(a) The relationship between Lender and Borrower shall be solely that of creditor and debtor, respectively, and nothing contained in this Instrument shall create any other relationship between Lender and Borrower.

(b) No creditor of any party to this Instrument and no other person shall be a third party beneficiary of this Instrument, the Reimbursement Agreement or any other Loan Document. Without limiting the generality of the preceding sentence, (i) any arrangement (a “**Servicing Arrangement**”) between the Lender and any Loan Servicer for loss sharing or interim advancement of funds shall constitute a contractual obligation of such Loan Servicer that is independent of the obligation of Borrower for the payment of the Indebtedness, (ii) Borrower shall not be a third party beneficiary of any Servicing Arrangement, and (iii) no payment by the Loan Servicer under any Servicing Arrangement will reduce the amount of the Indebtedness.

37. SEVERABILITY; AMENDMENTS. The invalidity or unenforceability of any provision of this Instrument shall not affect the validity or enforceability of any other provision, and all other provisions shall remain in full force and effect. This Instrument contains the entire agreement among the parties as to the rights granted and the obligations assumed in this Instrument. This Instrument may not be amended or modified except by a writing signed by the party against whom enforcement is sought; provided, however, that in the event of a Transfer prohibited by or requiring Lender’s approval under Section 21, any or some or all of the Modifications to Instrument set forth in Exhibit B (if any) may be modified or rendered void by Lender at Lender’s option by Notice to Borrower and the transferee(s).

38. CONSTRUCTION. The captions and headings of the Sections of this Instrument are for convenience only and shall be disregarded in construing this Instrument. Any reference in this Instrument to an “Exhibit” or a “Section” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an Exhibit attached to this Instrument or to a Section of this Instrument. All Exhibits attached to or referred to in this Instrument are incorporated by reference into this Instrument. Any reference in this Instrument to a statute or regulation shall be construed as referring to that statute or regulation as amended from time to time. Use of the singular in this Agreement includes the plural and use of the plural includes the singular. As used in this Instrument, the term “including” means “including, but not limited to.”

39. DISCLOSURE OF INFORMATION. Lender may furnish information regarding Borrower or the Mortgaged Property to third parties with an existing or prospective interest in the servicing, enforcement, evaluation, performance, purchase or securitization of the Indebtedness, including but not limited to trustees, master servicers, special servicers, rating agencies, and organizations maintaining databases on the underwriting and performance of multifamily mortgage loans, as well as governmental regulatory agencies having regulatory authority over Lender. Borrower irrevocably waives any and all rights it may have under applicable law to prohibit such disclosure, including but not limited to any right of privacy.

40. NO CHANGE IN FACTS OR CIRCUMSTANCES. Borrower warrants that (a) all information in the application for the credit enhancement of the Bond Mortgage Loan and, if applicable, liquidity support for the Bonds submitted to Lender or Loan Servicer (the "**Loan Application**") and in all financial statements, rent schedules, reports, certificates and other documents submitted in connection with the Loan Application are complete and accurate in all material respects; and (b) there has been no material adverse change in any fact or circumstance that would make any such information incomplete or inaccurate.

41. SUBROGATION. If, and to the extent that, funds advanced by Lender under the Credit Enhancement Agreement, or subsequent advances under Section 12, are used to pay, satisfy or discharge the Borrower's obligations with respect to the Bond Mortgage Loan, which are secured by the Bond Mortgage, or with respect to any other pre-existing mortgage, deed of trust, deed to secure debt or other lien encumbering the Mortgaged Property (collectively, a "Prior Lien") such advance(s) shall be deemed to have been advanced by Lender at Borrower's request, and Lender shall automatically, and without further action on its part, be subrogated to the rights, including lien priority, of the owner or holder of the Prior Lien, whether or not the Prior Lien is released.

42. INTENTIONALLY DELETED.

[END OF UNIFORM COVENANTS; STATE-SPECIFIC PROVISIONS FOLLOW]

43. ACCELERATION; REMEDIES. At any time during the existence of an Event of Default, Lender, at Lender's option, may declare all of the Indebtedness to be immediately due and payable without further demand, and may foreclose this Instrument by judicial proceeding and may invoke any other remedies permitted by Illinois law or provided in this Instrument or in any other Loan Document. The Indebtedness shall include, Lender shall be entitled to collect, and any decree which adjudicates the amount secured by this Instrument shall include, all costs and expenses incurred in pursuing such remedies, including attorneys' fees, costs of documentary evidence, abstracts and title reports, any of which may be estimated to reflect the costs and expenses to be incurred after the entry of such a decree.

44. RELEASE. Upon the payment in full of the Indebtedness and termination of the Credit Enhancement Agreement and the Reimbursement Agreement, Lender shall release this Instrument. Borrower shall pay Lender's reasonable costs incurred in releasing this Instrument.

45. WAIVER OF HOMESTEAD AND REDEMPTION. Borrower releases and waives all rights under the homestead and exemption laws of the State of Illinois. Borrower acknowledges that the Mortgaged Property does not include "agricultural real estate" or "residential real estate" as those terms are defined in 735 ILCS 5/15-1201 and 5/15-1219. Pursuant to 735 ILCS 5/15-1601(b), Borrower waives any and all rights of redemption from sale under any order of foreclosure of this Instrument, or other rights of redemption, which may run to Borrower or any other Owner of Redemption, as that term is defined in 735 ILCS 5/15-1212. Borrower waives all rights of reinstatement under 735 ILCS 5/15-1602 to the fullest extent permitted by Illinois law.

46. MAXIMUM AMOUNT OF INDEBTEDNESS. Notwithstanding any provision to the contrary in this Instrument, the Reimbursement Agreement or any other Loan Document which permits any additional sums to be advanced on or after the date of this Instrument, whether as additional loans or for any payments authorized by this Instrument, the total amount of the principal component of the indebtedness shall not at any time exceed three hundred percent (300%) of the original principal amount of the Bond Mortgage Loan as set forth in Section 1(c) of this Instrument.

47. ILLINOIS COLLATERAL PROTECTION ACT. Unless Borrower provides Lender with evidence of the insurance coverage required by this Instrument, Lender may purchase insurance at Borrower's expense to protect Lender's interest in the Mortgaged Property. This insurance may, but need not, protect Borrower's interests. The coverage that Lender purchases may not pay any claim that Borrower may make or any claim that is made against Borrower in connection with the Mortgaged Property. Borrower may cancel any insurance purchased by Lender, but only after providing Lender with evidence that Borrower has obtained insurance as required by this Instrument. If Lender purchases insurance for the Mortgaged Property, Borrower will be responsible for the costs of that insurance, including interest and any other charges that Lender may impose in connection with the placement of such insurance, until the effective date of the cancellation or expiration of such insurance. Without limitation of any other provision of this Instrument, the cost of such insurance shall be added to the cost of the Indebtedness secured hereby. The cost of such insurance may be more than the cost of insurance Borrower may be able to obtain on its own.

48. APPLICABILITY OF ILLINOIS MORTGAGE FORECLOSURE LAW. To ensure the maximum degree of flexibility of the Loan Documents under the Illinois Mortgage Foreclosure Law, if any provision of this Instrument is inconsistent with any applicable provision of the Illinois Mortgage Foreclosure Law, 735 ILCS 5/15-101, *et seq.*, as amended from time to time (the "Act"), the provisions of the Act shall take precedence over the provisions of this

UNOFFICIAL COPY

Instrument, but the Act shall not invalidate or render unenforceable any other provision of this Instrument that can be fairly construed in a manner consistent with the Act. Without in any way limiting any of the Lender's rights, remedies, powers and authorities provided in this Instrument or otherwise, and in addition to all of such rights, remedies, powers and authorities, Lender shall also have all rights, remedies, powers and authorities permitted to the holder of a mortgage under the Act. If any provision of this Instrument shall grant to Lender any rights, remedies, powers or authorities upon default of the Borrower which are more limited than what would be vested in Lender under the Act in the absence of such provision, Lender shall have such rights, remedies, powers and authorities that would be otherwise vested in it under the Act. Without limitation, all expenses (including Attorneys' Fees and Costs) incurred by Lender to the extent reimbursable under 735 ILCS 5/15-1510, 5/15-1512 or any other provision of the Act, whether incurred before or after any judgment of foreclosure, shall be added to the Indebtedness and included in the judgment of foreclosure.

49. WAIVER OF TRIAL BY JURY. BORROWER AND LENDER EACH (A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS INSTRUMENT OR THE RELATIONSHIP BETWEEN THE PARTIES AS BORROWER AND LENDER THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

50. PARTIES' INTENT REGARDING MERGER. It is the intent of the parties hereto that (A) in the event that Lender or any of Lender's successors, assigns or transferees obtains title to the Mortgaged Property pursuant to this Instrument (by virtue of a foreclosure sale, a deed in lieu of foreclosure or otherwise), and such party is also, or subsequently becomes, the holder of the Financing Agreement with respect to the Bonds and the Bond Mortgage, such party's title interest and lien interest shall not merge so as to effect the extinguishment of the Bond Mortgage by operation of the doctrine of merger, and (B) in the event that the holder of the Financing Agreement and Bond Mortgage obtains title to the Mortgaged Property pursuant to the Bond Mortgage (by virtue of a foreclosure sale, a deed in lieu of foreclosure or otherwise) and such party is also, or subsequently becomes, the obligee under the Reimbursement Agreement and the beneficiary under this Instrument, such party's title interest and lien interest shall not merge so as to effect an extinguishment of this Instrument by operation of the doctrine of merger. No course of conduct by Borrower, Lender or the obligee under the Financing Agreement or any of their respective successors, assigns or transferees subsequent to the date hereof shall be used to demonstrate any intent contrary to the express intent stated herein. The parties agree that the obligee under the Financing Agreement is a third-party beneficiary of the provisions of this paragraph and that no amendments, modifications, waivers or other limitations of this paragraph shall be effective without the prior written agreement of the obligee under the Financing Agreement.

51. PRIOR LOAN DOCUMENTS.

(a) Borrower is indebted to the Issuer pursuant to the Financing Agreement. The Bond Mortgage secures (i) the obligations under the Financing Agreement, (ii) the obligations under the Bond Mortgage, and (iii) payment of all other indebtedness relating to the Mortgaged Property owing by Borrower to the Issuer.

(b) Borrower shall comply with all of the terms and conditions of the Bond Documents to which Borrower is a party or which require performance or observance by Borrower and make all payments as and when due of all indebtedness secured thereby. Any sums disbursed or advanced by Lender to cure a default under the Bond Documents will constitute an advance to protect Lender's security under Section 12, and will be payable in accordance with Section 12.

(c) Borrower shall neither request nor accept any extension, postponement, indulgence, amendment, modification or forgiveness of the Financing Agreement or the indebtedness evidenced thereby or of any of the Bond Documents without the prior written consent of Lender.

(d) Upon receipt by Borrower of any notice of default or claim of default (whether oral or written) given by the holder of the Financing Agreement pursuant thereto or pursuant to the Bond Documents or otherwise, Borrower shall immediately send Lender a copy of same by overnight courier and telecopy or, in the case of an oral claim of default or notice of default, shall immediately send to Lender a summary of the claimed default and the date made by the holder of the Financing Agreement.

(e) To the extent that Lender advances funds for the purpose of paying all or any part of the indebtedness secured by the Bond Documents or curing a default thereunder, Lender will be subrogated to any and all rights, superior titles, liens, and equities owned or claimed by the owner of the Bond Documents.

52. CONSENT TO EXISTING LIENS. Notwithstanding anything in this Instrument to the contrary, the Lender hereby acknowledges and consents to the lien and security interests granted or created in connection with the Bond Mortgage.

53. CROSS-DEFAULT. Upon the occurrence of a default under the Financing Agreement, the Bond Mortgage, any of the other Bond Documents, this Instrument, the Reimbursement Agreement, or any of the other Loan Documents, Lender, at Lender's option, may exercise any or all of the remedies to which it may be entitled under the Financing Agreement, the Bond Mortgage, any of the other Bond Documents, this Instrument, the Reimbursement Agreement, or any of the other Loan Documents, including without limitation, all of the remedies set forth in Section 43 of this Instrument.

54. SUBORDINATE MORTGAGE. Notwithstanding any provisions of this Instrument or any of the other Loan Documents to the contrary, it is understood and agreed that the lien, terms, covenants and conditions of this Instrument are and shall be subordinate in all respects, including in right of payment, to the Bond Mortgage, subject to the terms of the Intercreditor Agreement.
