BORROWER'S TRANSFER TO LENDER OF RIGHTS IN THE PROPERTY

This Security Instrument secures to Lender: (i) the repayment of the Loan, and all renewals, extensions and modifications of the Note, and (ii) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For these purposes, Borrower does hereby mortgage, grant and convey to Lender the following described property located in the County [Type of Recording Jurisdiction] of Cook [Name of Recording Jurisdiction]:

SEE ATTACHED EXHIBIT A

which currently has the address of 12759 S Paulina St

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

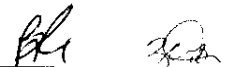

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest and Other Charges. I will pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. I will also pay funds for Escrow Items pursuant to Section 3.

Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any

such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 12. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until I make payment to bring the Loan current. If I do not do so within a reasonable period of time, Lender will either apply such funds or return them to me. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which I might have now or in the future against Lender will relieve me from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments. Unless Applicable Law provides otherwise, all payments received by Lender under the Note and Section 1 will be applied by Lender as permitted under the Note.

3. Monthly Payments For Taxes and Insurance.

(a) Borrower's Obligations. I will pay to Lender all amounts necessary to pay for taxes, assessments, water charges, sewer rents and other similar charges, ground leasehold payments or rents (if any), hazard or property insurance covering the Property, flood insurance (if any), and any required Mortgage Insurance. Each Periodic Payment will include an amount to be applied toward payment of the following items which are called "Escrow Items:"

- (1) The taxes, assessments, water charges, sewer rents and other similar charges, on the Property which under Applicable Law may be superior to this Security Instrument as a Lien on the Property. Any claim, demand or charge that is made against property because an obligation has not been fulfilled is known as a "Lien;"
- (2) The leasehold payments or ground rents on the Property (if any);
- (3) The premium for any and all insurance required by Lender under Section 5 of this Security Instrument;
- (4) The premium for Mortgage Insurance (if any); and
- (5) If required by Lender, the amount for any Community Association Dues, Fees, and Assessments.

After signing the Note, or at any time during its term, Lender may include these amounts as Escrow Items. The monthly payment I will make for Escrow Items will be based on Lender's estimate of the annual amount required.

I will pay all of these amounts to Lender unless Lender tells me, in writing, that I do not have to do so, or unless Applicable Law requires otherwise. I will make these payments on the same day that my Periodic Payments of principal and interest are due under the Note. However, I shall not be obligated to make these payments to Lender to the extent that I make these payments to the holder of a prior mortgage or deed of trust on the Property if such holder is an institutional lender.

The amounts that I pay to Lender for Escrow Items under this Section 3 will be called "Escrow Funds." I will pay Lender the Escrow Funds for Escrow Items unless Lender waives my obligation to pay the Escrow Funds for any or all Escrow Items. Lender may waive my obligation to pay to Lender Escrow Funds for any or all Escrow Items at any time. Any such waiver must be in writing. In the event of such waiver, I will pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Escrow Funds has been waived by Lender and, if Lender requires, will promptly send to Lender receipts showing such payment within such time period as Lender may require. My obligation to make such payments and to provide receipts will be considered to be a promise and agreement contained in this Security Instrument, as the phrase "promises and agreements" is used in Section 7 of this Security Instrument. If I am obligated to pay Escrow Items directly, pursuant to a waiver, and I fail to pay the amount due for an Escrow Item, Lender may pay that amount and I will then be obligated under Section 7 of this Security Instrument to repay to Lender. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 12 of this Security Instrument and, upon the revocation, I will pay to Lender all Escrow Funds, and in amounts, that are then required under this Section 3.

I promise to promptly send to Lender any notices that I receive of Escrow Item amounts to be paid. Lender will estimate from time to time the amount of Escrow Funds I will have to pay by using existing assessments and bills and reasonable estimates of the amount I will have to pay for Escrow Items in the future, unless Applicable Law requires Lender to use another method for determining the amount I am to pay.

Lender may, at any time, collect and hold Escrow Funds in an amount sufficient to permit Lender to apply the Escrow Funds at the time specified under RESPA. Applicable Law puts limits on the total amount of Escrow Funds Lender can at any time collect and hold. This total amount cannot be more than the maximum amount a lender could require under RESPA. If there is another Applicable Law that imposes a lower limit on the total amount of Escrow Funds Lender can collect and hold, Lender will be limited to the lower amount.

(b) Lender's Obligations. Lender will keep the Escrow Funds in a savings or banking institution which has its deposits insured by a federal agency, instrumentality, or entity, or in any Federal Home Loan Bank. If Lender is such a savings or banking institution, Lender may hold the Escrow Funds. Lender will use the Escrow Funds to pay the Escrow Items no later than the time allowed under RESPA or other Applicable Law. Lender will give to me, without charge, an annual accounting of the Escrow Funds. That accounting will show all additions to and deductions from the Escrow Funds and the reason for each deduction.

Lender may not charge me for holding or keeping the Escrow Funds, for using the Escrow Funds to pay Escrow Items, for making a yearly analysis of my payment of Escrow Funds or for receiving, or for verifying and totaling assessments and bills. However, Lender may charge me for these services if Lender pays me interest on the Escrow Funds and if Applicable Law permits Lender to make such a charge. Lender will not be required to pay me any interest or earnings on the Escrow Funds unless either (1) Lender and I agree in writing that Lender will pay interest on the Escrow Funds, or (2) Applicable Law requires Lender to pay interest on the Escrow Funds.

(c) Adjustments to the Escrow Funds. Under Applicable Law, there is a limit on the amount of Escrow Funds Lender may hold. If the amount of Escrow Funds held by Lender exceeds this limit, then

there will be an excess amount and RESPA requires Lender to account to me in a special manner for the excess amount of Escrow Funds.

If, at any time, Lender has not received enough Escrow Funds to make the payments of Escrow Items when the payments are due, Lender may tell me in writing that an additional amount is necessary. I will pay to Lender whatever additional amount is necessary to pay the Escrow Items when the payments are due, but the number of payments will not be more than 12.

When I have paid all of the Sums Secured, Lender will promptly refund to me any Escrow Funds that are then being held by Lender.

(d) Illinois Mortgage Escrow Account Act. I will have all rights afforded to me under the Illinois Mortgage Escrow Account Act, 765 ILCS 910/1 *et seq.*, as the same might be amended from time to time, or any additional or successor legislation or regulation that governs the same subject matter, that may apply to my Loan. This Section 3 is subject to any such rights. If the Illinois Mortgage Escrow Account Act applies to this Loan, I have been separately advised of my rights under this law.

4. Prior Security Instruments; Borrower's Obligation to Pay Charges, Assessments And Claims. I will perform all of my obligations under any mortgage, deed of trust, or other security instruments with a lien which has priority over this Security Instrument, including my promises to make payments when due. I will pay all taxes, assessments, water charges, sewer rents and other similar charges, and any other charges and fines that may be imposed on the Property and that may be superior to this Security Instrument. I will also make ground rent or payments due under my lease if I am a tenant on the Property and Community Association Dues, Fees, and Assessments (if any) due on the Property. If these items are Escrow Items, I will do this by making the payments as described in Section 3 of this Security Instrument. In this Security Instrument, the word "Person" means any individual, organization, governmental authority or other party.

I will promptly pay or satisfy all Liens against the Property that may be superior to this Security Instrument. However, this Security Instrument does not require me to satisfy a superior Lien if: (a) I agree, in writing, to pay the obligation which gave rise to the superior Lien and Lender approves the way in which I agree to pay that obligation, but only so long as I am performing such agreement; (b) in good faith, I argue or defend against the superior Lien in a lawsuit so that in Lender's opinion, during the lawsuit, the superior Lien may not be enforced, but only until the lawsuit ends; or (c) I secure from the holder of that other Lien an agreement, approved in writing by Lender, that the Lien of this Security Instrument is superior to the Lien held by that Person. If Lender determines that any part of the Property is subject to a superior Lien, Lender may give me a notice identifying the superior Lien. Within 10 days of the date on which the notice is given, I must pay or satisfy the superior Lien or take one or more of the actions mentioned in this Section 4.

Lender also may require me to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with the Loan, unless Applicable Law does not permit Lender to make such a charge.

5. Property Insurance. I will keep the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including earthquakes and floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts, including deductible levels, and for the periods that Lender requires. I may choose any insurer reasonably acceptable to Lender. Lender may require me to pay, in connection with this Loan, either: (a) a one-time charge for

UNOFFICIAL COPY

flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. If I disagree with the flood zone determination, I may request the Federal Emergency Management Agency to review the flood zone determination and I promise to pay any fees imposed by the Federal Emergency Management Agency for its review. Insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgagee clause. If Lender requires, I will promptly give Lender all receipts of paid premiums and renewal notices.

Unless I provide Lender with evidence of the insurance coverage required by my agreement with Lender, Lender may purchase insurance at my expense to protect Lender's interests in my collateral. This insurance may, but need not, protect my interests. The coverage that Lender purchases may not pay any claim that I make or any claim that is made against me in connection with the collateral. I may later cancel any insurance purchased by Lender, but only after providing Lender with evidence that I have obtained insurance as required by Lender's agreement. If Lender purchases insurance for the collateral, I will be responsible for the costs of that insurance, including interest and any other charges Lender may impose in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of the insurance may be added to my total outstanding balance or obligation. The costs of the insurance may be more than the cost of insurance I may be able to obtain on my own.

In the event of loss, I will notify the insurance carrier and Lender promptly. Lender may make proof of loss to the insurance company if I fail to do so promptly.

The amount paid by the insurance company for loss or damage to the Property is called "Insurance Proceeds." Unless Lender and I otherwise agree in writing and subject to the rights of any Person with a superior Lien on the Property, any Insurance Proceeds, whether or not the underlying insurance was required by Lender, will be used to repair or to restore the damaged Property unless: (a) it is not economically feasible to make the repairs or restoration; (b) the use of the Insurance Proceeds for that purpose would lessen the protection given to Lender by this Security Instrument; or (c) Lender and I have agreed in writing not to use the Insurance Proceeds for that purpose. During the period that any repairs or restorations are being made, Lender may hold any Insurance Proceeds until it has had an opportunity to inspect the Property to verify that the repair work has been completed to Lender's satisfaction. However, this inspection will be done promptly. Lender may make payments for the repairs and restorations in a single payment or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires otherwise, Lender is not required to pay me any interest or earnings on the Insurance Proceeds. I will pay for any public adjusters or other third parties that I hire, and their fees will not be paid out of the Insurance Proceeds. Subject to the rights of any Person with a superior Lien on the Property, if the repair or restoration is not economically feasible or if it would lessen Lender's protection under this Security Instrument, then the Insurance Proceeds will be used to reduce the amount that I owe to Lender under this Security Instrument. Such Insurance Proceeds will be applied in the order provided for in Section 2. If any of the Insurance Proceeds remain after the amount that I owe to Lender has been paid in full, the remaining Insurance Proceeds will be paid to me.

If I abandon the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If I do not answer, within 30 days, a notice from Lender stating that the insurance company has offered to settle a claim, Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 18 of this Security Instrument or otherwise, I give Lender my rights to any Insurance Proceeds in an amount not greater than the amounts unpaid under the Note and this Security Instrument. I also give Lender any other of my rights

(other than the right to any refund of unearned premiums that I paid) under all insurance policies covering the Property, if the rights are applicable to the coverage of the Property. Lender may use the Insurance Proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Borrower's Obligations to Maintain And Protect The Property And to Fulfill Any Lease Obligations.

(a) Maintenance and Protection of the Property. I will not destroy, damage or harm the Property, and I will not allow the Property to deteriorate. Whether or not I am residing in the Property, I will keep the Property in good repair so that it will not deteriorate or decrease in value due to its condition. Unless it is determined under Section 5 of this Security Instrument that repair is not economically feasible, I will promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or Condemnation (as defined in the definition of Miscellaneous Proceeds) proceeds are paid because of loss or damage to, or Condemnation of, the Property, I will repair or restore the Property only if Lender has released those proceeds for such purposes. Lender may pay for the repairs and restoration out of proceeds in a single payment or in a series of progress payments as the work is completed. If the insurance or Condemnation proceeds are not sufficient to repair or restore the Property, I promise to pay for the completion of such repair or restoration.

If I do not own, but am a tenant on the Property, I will fulfill all my obligations under my lease. I also agree that, if I acquire the full title (sometimes called "Fee Title") to the Property, my lease interest and the Fee Title will not merge unless Lender agrees to the merger in writing.

(b) Lender's Inspection of Property. Lender, and others authorized by Lender, may enter on and inspect the Property. They will do so in a reasonable manner and at reasonable times. If it has a reasonable purpose, Lender may inspect the inside of the home or other improvements on the Property. Before or at the time an inspection is made, Lender will give me notice stating a reasonable purpose for such interior inspection.

7. Lender's Right to Protect Its Rights in The Property. If: (a) I do not keep my promises and agreements made in this Security Instrument; (b) someone, including me, begins a legal proceeding that may significantly affect Lender's interest in the Property or rights under this Security Instrument (such as a legal proceeding in bankruptcy, in probate, for Condemnation or Forfeiture (as defined in Section 8), proceedings which could give a Person rights which could equal or exceed Lender's interest in the Property or under this Security Instrument, proceedings for enforcement of a Lien which may become superior to this Security Instrument, or to enforce laws or regulations); or (c) I have abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and Lender's rights under this Security Instrument.

Lender's actions can include, but are not limited to the following. Lender can protect and/or assess the value of the Property. Lender can secure and/or repair the Property. Lender can pay sums to eliminate any Lien against the Property that may be equal or superior to this Security Instrument. Lender can appear in court and pay reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Lender can also enter the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, have utilities turned on or off, and take any other action to repair or secure the Property. Although Lender may take action under this Section 7,

Borrower Initials

UNOFFICIAL COPY

Lender does not have to do so and is under no duty to do so. I agree that Lender will not be liable for not taking any or all actions under this Section 7.

I will pay to Lender any amounts, with interest, which Lender spends under this Section 7. I will pay those amounts to Lender when Lender sends me a notice requesting that I do so. I will pay interest on those amounts at the interest rate set forth in the Note. Interest on each amount will begin on the date that the amount is spent by Lender. This Security Instrument will protect Lender in case I do not keep this promise to pay those amounts with interest. Those amounts will become additional debt secured by this Security Instrument until they are paid in full, with interest.

8. Agreements About Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are assigned to and will be paid to Lender.

If the Property is damaged, and subject to the rights of any Person with a superior Lien on the Property, the Lender will apply any Miscellaneous Proceeds to restore or repair the Property, if the restoration or repair is economically feasible and Lender's security given in this Security Instrument is not lessened. During such repair and restoration period, Lender will have the right to hold the Miscellaneous Proceeds until Lender has had an opportunity to inspect the Property to verify that the work has been completed to Lender's satisfaction. However, the inspection will be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless Lender and I agree otherwise in writing or unless Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender will not be required to pay me any interest or earnings on the Miscellaneous Proceeds. Subject to the rights of any Person with a superior Lien on the Property, if the restoration or repair is not economically feasible or Lender's security given in this Security Instrument would be lessened, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me. Such Miscellaneous Proceeds will be applied in the order provided for in Section 2.

In the event of a total or partial taking, destruction, or loss in value of the Property, and subject to the rights of any Person with a superior Lien on the Property, the Miscellaneous Proceeds will be applied to the Sums Secured, whether or not then due. The excess, if any, will be paid to me.

If I abandon the Property, or if, after Lender sends me notice that the Opposing Party (as defined in the next sentence) offered to make an award to settle a claim for damages, I fail to respond to Lender within 30 days after the date Lender gives notice, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restore or repair the Property or to the Sums Secured, whether or not then due. "Opposing Party" means the third party that owes me Miscellaneous Proceeds or the party against whom I have a right of action in regard to Miscellaneous Proceeds.

I will be in default under this Security Instrument if any Person brings a civil or criminal action or proceeding that Lender determines could result in a court ruling that would require Forfeiture of the Property, or that could damage Lender's interest in the Property or rights under this Security Instrument. "Forfeiture" is a court action to require the Property, or any part of the Property, to be given up. I may correct the default by obtaining a court ruling that dismisses the court action, if Lender determines that this court ruling prevents Forfeiture of the Property and also prevents any damage to Lender's interest in the Property or rights under this Security Instrument. If I correct the default, I will have the right to have enforcement of this Security Instrument discontinued, even if Lender has required Immediate Payment in

Full (as defined in Section 18). The proceeds of any award or claim for damages that are attributable to the damage or reduction of Lender's interest in the Property are assigned, and will be paid, to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property will be applied in the order provided for in Section 2.

9. Continuation of Borrower's Obligations And of Lender's Rights.

(a) Borrower's Obligations. Lender may allow me, or a Person who takes over my rights and obligations, to delay or to change the amount of the Periodic Payments. Even if Lender does this, however, I will still be fully obligated under the Note and under this Security Instrument unless Lender agrees to release me, in writing, from my obligations. Lender may allow those delays or changes for me or a Person who takes over my rights and obligations, even if Lender is requested not to do so. Even if Lender is requested to do so, Lender will not be required to (1) bring a lawsuit against me or such a Person for not fulfilling obligations under the Note or under this Security Instrument, or (2) refuse to extend time for payment or otherwise modify amortization of the Sums Secured.

(b) Lender's Rights. Even if Lender does not exercise or enforce any right of Lender under this Security Instrument or under Applicable Law, Lender will still have all of those rights and may exercise and enforce them in the future. Even if: (1) Lender obtains insurance, pays taxes, or pays other claims, charges or Liens against the Property; (2) Lender accepts payments from third Persons; or (3) Lender accepts payments in amounts less than the amount then due, Lender will have the right under Section 18 below to demand that I make Immediate Payment in Full of any amounts remaining due and payable to Lender under the Note and under this Security Instrument.

10. Obligations of Borrower And of Persons Taking Over Borrower's Rights or Obligations. If more than one Person signs this Security Instrument as Borrower, each of us is fully obligated to keep all of Borrower's promises and obligations contained in this Security Instrument. Lender may enforce Lender's rights under this Security Instrument against each of us individually or against all of us together. This means that any one of us may be required to pay all of the Sums Secured.

However, if one of us does not sign the Note: (a) that Person is signing this Security Instrument only to give that Person's rights in the Property to Lender under the terms of this Security Instrument; (b) that Person is not personally obligated to pay the Sums Secured; and (c) that Person agrees that Lender may agree with the other Borrowers to delay enforcing any of Lender's rights, to modify, or make any accommodations with regard to the terms of this Security Instrument or the Note without that Person's consent.

Subject to the provisions of Section 14 of this Security Instrument, any Person who takes over my rights or obligations under this Security Instrument in writing, and is approved by Lender in writing, will have all of my rights and will be obligated to keep all of my promises and agreements made in this Security Instrument. Borrower will not be released from Borrower's obligations and liabilities under this Security Instrument unless Lender agrees to such release in writing. Any Person who takes over Lender's rights or obligations under this Security Instrument will have all of Lender's rights and will be obligated to keep all of Lender's promises and agreements made in this Security Instrument except as provided under Section 15.

11. Loan Charges. Lender may charge me fees for services performed in connection with my default, for the purpose of protecting Lender's interest in the Property and rights under this Security

Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law. In regard to any other fees, the fact that this Security Instrument does not anticipate and expressly authorize the Lender to charge a specific fee will not be construed to prohibit Lender from charging me such a fee.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit. Lender must refund any sums already collected from me that exceed permitted limits. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note and will not affect the amount of the Periodic Payment.

12. Notices. All notices given by me or Lender in connection with this Security Instrument must be in writing. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

Subject to Applicable Law, any notice to me in connection with this Security Instrument is considered given to me when mailed by first class mail or when actually delivered to my notice address if sent by other means. My notice address is the Property Address unless I give notice to Lender of a different address. I will promptly notify Lender of my change of address. If Lender specifies a procedure for reporting my change of address, then I will only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Notice to any one Borrower will constitute notice to all Borrowers unless Applicable Law expressly requires otherwise.

Subject to Applicable Law, any notice to Lender will be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument is given to Lender when actually received by Lender.

13. Law That Governs this Security Instrument; Word Usage. Federal law and the law of Illinois govern this Security Instrument. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might allow the parties to agree by contract or it might be silent, but such silence does not mean that Lender and I cannot agree by contract. If any term of this Security Instrument or of the Note conflicts with Applicable Law, the conflict will not affect other provisions of this Security Instrument or the Note which can operate, or be given effect, without the conflicting provision. This means that the Security Instrument or the Note will remain in effect if the conflicting provision did not exist.

As used in this Security Instrument: (a) words of the masculine gender mean and include corresponding words of the feminine and neuter genders; (b) words in the singular mean and include the plural, and words in the plural mean and include the singular; and (c) the word "may" gives sole discretion without any obligation to take any action.

14. Agreements about Lender's Rights If the Property Is Sold or Transferred. Lender may require Immediate Payment in Full of all Sums Secured by this Security Instrument if all or any part of the Property, or if any right in the Property, is sold or transferred without Lender's prior written permission. If Borrower is not a natural Person and a beneficial interest in Borrower is sold or transferred without

Lender's prior written permission. Lender also may require Immediate Payment in Full. However, Lender shall not exercise this option if Applicable Law prohibits Lender from doing so.

If Lender requires Immediate Payment in Full under this Section 14, Lender will give me a notice that states this requirement. The notice will give me at least 30 days to make the required payment. The 30-day period will begin on the date the notice is given to me in the manner required by Section 12 of this Security Instrument. If I do not make the required payment during that period, Lender may act to enforce its rights under this Security Instrument without giving me any further notice or demand for payment.

15. Note Holder's Right to Sell the Note or an Interest in the Note; Borrower's Right to Notice of Change of Loan Servicer. The Note, or an interest in the Note, together with this Security Instrument, may be sold one or more times. I might not receive any prior notice of these sales.

The entity that collects the Periodic Payments and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law is called the "Loan Servicer." There may be a change of the Loan Servicer as a result of the sale of the Note. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to me will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser. Applicable law may require that I be notified in the event my Loan Servicer is changed and be provided with certain additional information in connection with such a change.

16. Notice of Grievance. Neither I nor Lender may commence, join or be joined to any court action (as either an individual party or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other has not fulfilled any of its obligations under this Security Instrument, unless the other is notified (in the manner required under Section 12 of this Security Instrument) of the unfulfilled obligation and given a reasonable time period to take corrective action. If Applicable Law provides a time period which will elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this Section. The notice of acceleration and opportunity to cure given to me under Section 18 and the notice of the demand for payment in full given to me under Section 18 will be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 16. All rights under this Section are subject to Applicable Law.

17. Hazardous Substances. The Applicable Laws that relate to health, safety or environmental protection are called "Environmental Law." Environmental Law classifies certain substances as toxic or hazardous. There are other substances that are considered hazardous for purposes of this Section 17. These substances are gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. The substances defined as toxic or hazardous by Environmental Law and the substances considered hazardous for purposes of this Section 17 are called "Hazardous Substances." "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law. An "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

I will not do anything affecting the Property that violates Environmental Law, and I will not allow anyone else to do so. I will not cause or permit Hazardous Substances to be present on the Property. I will not use or store Hazardous Substances on the Property. I also will not dispose of Hazardous Substances on the Property, or release any Hazardous Substance on the Property, and I will not allow anyone else to do so. I also will not do, nor allow anyone else to do, anything affecting the Property that:

(a) is in violation of any

Environmental Law: (b) creates an Environmental Condition; or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The promises in this Section do not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized as appropriate for normal residential use and maintenance of the Property (including, but not limited to, Hazardous Substances in consumer products). I may use or store these small quantities on the Property. In addition, unless Environmental Law requires removal or other action, the buildings, the improvements and the fixtures on the Property are permitted to contain asbestos and asbestos-containing materials if the asbestos and asbestos-containing materials are undisturbed and "non-friable" (that is, not easily crumbled by hand pressure).

I will promptly give Lender written notice of: (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which I have actual knowledge; (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance; and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If I learn, or any governmental or regulatory authority, or any private party, notifies me that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, I will promptly take all necessary remedial actions in accordance with Environmental Law.

Nothing in this Security Instrument creates an obligation on Lender for an Environmental Cleanup.

18. Lender's Rights If Borrower Fails to Keep Promises and Agreements. Except as provided in Section 14 of this Security Instrument, if all of the conditions stated in subsections (a), (b) and (c) of this Section 18 are met, Lender may require that I pay immediately the entire amount then remaining unpaid under the Note and under this Security Instrument. Lender may do this without making any further demand for payment. This requirement is called "acceleration" or "Immediate Payment in Full."

If Lender requires Immediate Payment in Full, Lender may bring a lawsuit to take away all of my remaining rights in the Property, foreclose on this Security Instrument and/or have the Property sold. At this sale Lender or another Person may acquire the Property. This is known as "Foreclosure and Sale." In any lawsuit for Foreclosure and Sale, and in any other action to foreclose on this Security Instrument, Lender will have the right to collect all costs and disbursements and additional allowances allowed by Applicable Law and will have the right to add all reasonable attorneys' fees to the amount I owe Lender, which fees shall become part of the Sums Secured.

Lender may require Immediate Payment in Full under this Section 18 only if all of the following conditions are met:

- (a) I fail to keep any promise or agreement made in this Security Instrument or the Note, including, but not limited to, the promises to pay the Sums Secured when due, or if another default occurs under this Security Instrument;
- (b) Lender sends to me, in the manner described in Section 12 of this Security Instrument, a notice that states:
 - (1) The promise or agreement that I failed to keep or the default that has occurred;
 - (2) The action that I must take to correct that default;

- (3) A date by which I must correct the default. That date will be at least 30 days from the date on which the notice is given;
- (4) That if I do not correct the default by the date stated in the notice, Lender may require Immediate Payment in Full, Lender may foreclose on this Security Instrument and Lender or another Person may acquire the Property by means of Foreclosure and Sale;
- (5) The circumstances, if any, under which I may have the right to have Lender's enforcement of this Security Instrument stopped and to have the Note and this Security Instrument remain fully effective as if Immediate Payment in Full had never been required; and
- (6) That I have the right in any lawsuit for Foreclosure and Sale and in any other action to foreclose on this Security Instrument to argue that I did keep my promises and agreements under the Note and under this Security Instrument, and to present any other defenses that I may have; and

(c) I do not correct the default stated in the notice from Lender by the date stated in that notice.

19. Lender's Obligation to Discharge this Security Instrument. When Lender has been paid all amounts due under the Note and under this Security Instrument, Lender will discharge this Security Instrument by delivering a certificate stating that this Security Instrument has been satisfied. I will pay all costs of recording the discharge in the proper official records. I agree to pay a fee for the discharge of this Security Instrument, if Lender so requires. Lender may require that I pay such a fee, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted by Applicable Law.

20. Discontinuance of Enforcement. Notwithstanding acceleration of the Sums Secured by this Security Instrument under the provisions of Section 14 or Section 18, Lender may, in Lender's sole discretion and upon such conditions as Lender in Lender's sole discretion may determine, discontinue any proceedings begun to enforce the terms of this Security Instrument.

21. No Waiver. No waiver by Lender at any time of any term, provision or covenant contained in this Security Instrument or in the Note secured hereby shall be deemed to be or construed as a waiver of any other term, provision or covenant or of the same term, provision or covenant at any other time.

22. Additional Charges. Borrower agrees to pay reasonable charges as allowed by law in connection with the servicing of the Loan including, without limitation, the costs of obtaining tax searches and subordinations. Provided, however, that nothing contained in this Section is intended to create and shall not be construed to create any duty or obligation by Lender to perform any such act, or to execute or consent to any such transaction or matter, except a release of the Security Instrument upon full repayment of all Sums Secured.

23. Occupancy. I will occupy, establish, and use the Property as my principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as my principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond my control.

24. My Loan Application. I will be in default if, during the Loan application process, I or any Persons acting at my direction or with my knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in

connection with the Loan. Material representations include, but are not limited to, representations concerning my occupancy of the Property as my principal residence.

25. Riders to this Security Instrument. If one or more Riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such Rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the Rider(s) were a part of this Security Instrument.

26. Waiver of Homestead. I hereby release and waive all rights under and by virtue of the homestead exemption laws of this State.
