(b) Mortgages, warrants, and conveys to Lender all of Grantor's right, title, and interest in and to the real property known as 1937 Cuyler Ave., Berwyn, Illinois 60402 and legally described on the attached Exhibit A, together with all improvements; all easements, rights of way, and appurtenances; all water, water rights, watercourses and ditch rights (including stock in utilities with ditch or irrigation rights); and all other rights, royalties, and profits relating to the real property, including without limitation all minerals, oil, gas, geothermal and similar matters (collectively, the "Real Property"). The Real Property tax identification number is shown on the attached Exhibit A. Lender acknowledges that, as of the date hereof, Grantor has limited rights in the Real Property pursuant to the Certificate of Sale and that a formal mortgage will be delivered and recorded in connection with the recording of a deed to the Real Property.

(c) Presently assigns to Lender all of Grantor's right, title, and interest in and to all leases of the Real Property and all Rents from the Real Property.

(d) Grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents. This Assignment shall constitute a security agreement to the extent any of the property constitutes fixtures or other personal property, and Lender shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

2. Attorney in Fact. Grantor hereby irrevocably constitute and appoint Lender as its attorney-in-fact to exercise its rights and remedies under the Certificate of Sale, to give appropriate receipts, releases and satisfactions for and on behalf of Grantor, to direct the judicial sales officer and foreclosing lender in connection with the confirmation of the sale and issuance of the deed for the Real Property, and to perform any and all acts in the name of Grantor or in the name of Lender (or a nominee) with the same force and effect as Grantor could perform if this Assignment had not been made. Lender shall incur no liability if any action so taken by it shall prove to be inadequate or invalid, and Grantor agrees to indemnify Lender against, and hold Lender harmless, from, any and all loss, cost, liability or expense (including, without limitation, reasonable attorneys' fee) incurred in connection with any such action, unless caused by the willful misconduct of Lender.

3. Representations. Grantor hereby represents and warrants to Lender that no other assignment of the Certificate of Sale or any interest therein has been made and Grantor's interest therein is not subject to any claim, setoff or encumbrance. Grantor agrees not to assign, sell, pledge, transfer or otherwise encumber its interests in the Certificate of Sale nor take any action in connection therewith without the prior written consent of Lender so long as this Assignment is in effect. Grantor represents that it understands that the loan made by Lender for the purchase of the Real Property matures on September 9th, 2012 and may only be extended in Lender's sole and absolute discretion and that Lender may impose a 1% extension fee in connection with any such extension.

4. Covenants.

(a) Grantor agrees, and Lender hereby is authorized, in the name of Grantor, from time to time to execute and file financing statements and continuation statements and to execute such other documents and to take such other actions as Lender deems necessary or appropriate to perfect, preserve and enforce its rights under this Assignment.

Lender may pay someone else to help enforce this Assignment, and Grantor shall pay the costs and expenses of such enforcement including Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (and including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Grantor also shall pay all court costs and such additional fees as may be directed by the court.

In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If Lender collects the Rents, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subsection either in person, by agent, or through a receiver.

(d) **Mortgagee in Possession or Receiver.** As between Lender and Grantor, Lender shall have the right to be placed as mortgagee in possession or to have a receiver appointed without the requirement of the posting of any bond, to take possession of all or any part of the Real Property and Personal Property, with the power to protect and preserve the same, to operate the same preceding foreclosure or sale, and to collect the Rents therefrom and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the collateral exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.
