UNOFFICIAL COPY

"Leases" means all leases, subleases, rental contracts, occupancy agreements, licenses and other arrangements (in each case whether existing now or in the future) pursuant to which any person or entity occupies or has the right to occupy or use any portion of the Property, and includes (a) any supplement, modification, amendment, renewal or extension of any Lease and (b) any security or guaranty for any Lease. The Leases let either space intended to be occupied for residential purposes (herein referred to as "Residential Leases") or space intended to be occupied for commercial retail purposes (the "Commercial Leases").

"Lessees" means the lessees under the Leases or any subtenants or occupants of the Property.

"Rents" means all rents, issues, income, revenues, royalties, profits and other amounts now or in the future payable under any of the Leases, including those past due and unpaid.

Capitalized terms used in this Assignment and not otherwise defined are used as defined in the Mortgage.

2. **Assignment.** Assignor hereby absolutely and unconditionally transfers, sets over and assigns to Assignee all present and future right, title and interest of Assignor in, to and under the Leases and the Rents, together with all advance payments, security deposits, if any, and other amounts paid or payable to or deposited with Assignor under any of the Leases and all other rights and interests of Assignor under or in respect of any of the Leases. This Assignment is intended to be and is an absolute present assignment from Assignor to Assignee it being intended hereby to establish a complete and present transfer of all Leases and Rents with the right, but without the obligation, to collect all Rents and is given to secure:

(i) Payment by Assignor when due of (i) the indebtedness evidenced by the Note and any and all renewals, extensions, replacements, amendments, modifications and refinancings thereof; (ii) any and all other indebtedness and obligations that may be due and owing to Assignee by Assignor under or with respect to the Loan Documents (as defined in the Note); and (iii) all costs and expenses paid or incurred by Assignee in enforcing its rights hereunder, including without limitation, court costs and reasonable attorneys' fees; and

(ii) Observance and performance by Assignor of the covenants, conditions, agreements, representations, warranties and other liabilities and obligations of Assignor or any other obligor to or benefiting Assignee which are evidenced or secured by or otherwise provided in the Note, this Assignment or any of the other Loan Documents, together with all amendments and modifications thereof.

3. **License.** Except as hereinafter set forth, Assignor shall have a license to collect the Rents accruing under the Leases as they become due ("License"), but not in advance, and to enforce the Leases. The License is revocable, at Assignee's option, in the event there occurs an Event of Default. Assignor covenants and agrees that in exercising its License it shall hold all

Rents in trust and shall apply the same first to the payment of the reasonable expenses of owning, maintaining, repairing, operating and renting the Property and then to payment of the Obligations.

4. **Bankruptcy of Lessee.** In the event there is an Event of Default and there exists any material breach by the tenants under any Leases representing, in the aggregate, 20% or more of the apartments in the Property and if a Lessee under a Lease files or has filed against it any petition in bankruptcy or for reorganization or undertakes or is subject to similar action, Assignee shall have, and is hereby assigned by Assignor, all of the rights which would otherwise inure to the benefit of Assignor in such proceedings, including, without limitation, the right to seek "adequate protection" of its interests, to compel rejection of any Lease, and to seek such claims and awards as may be sought or granted in connection with the rejection of such Lease. Unless otherwise consented to by Assignee in writing, Assignee's exercise of any of the rights provided in this section shall preclude Assignor from the pursuit and benefit thereof without any further action or proceeding of any nature. Assignee, however, shall not be obligated to make timely filings of claims in any bankruptcy, reorganization or similar action, or to otherwise pursue creditor's rights therein.

5. **Representations and Warranties.** Assignor hereby represents and warrants to Assignee that: (a) Assignor is the absolute owner of the entire lessor's interest in each of the Leases, with absolute right and title to assign the Leases and the Rents; (b) the Leases are valid, enforceable and in full force and effect; (c) there are no outstanding assignments or pledges of the Leases or of the Rents and no other party has any right, title or interest in the Leases or the Rents; (d) to the best of Assignor's knowledge, there are no existing defaults by the landlord or material defaults by the tenants under any Lease; and (e) Assignor has not accepted prepayments of installments of rent or any other charges under any Lease for a period of more than one (1) month in advance for residential units or two (2) months in advance for commercial units.

6. **New Leases and Lease Terminations and Modifications.** From and after the date hereof, Assignor shall not enter into:

(i) any Residential Lease other than on a form approved by Assignor;
or

(ii) any Commercial Lease without Assignee's prior written consent; provided that Assignor shall not be required to obtain Assignee's consent to any such commercial lease if the amount of rental space thereof is less than or equal to five hundred fifty (550) square feet. Except on commercially reasonable terms Assignor shall not cancel, surrender or terminate (except as a result of an uncured default by a tenant), amend or modify any Commercial Lease, or make any subsequent assignment or pledge of a Lease.

Assignor hereby covenants not to accept rent under any Lease more than one (1) month in advance for residential units, and not more than two (2) months in advance for commercial units (if any), of its due date and except for a security deposit.

7. **Intentionally Deleted.**

8. **Rent Roll.** Not later than thirty (30) days after the end of each calendar quarter, Assignor shall deliver to Assignee a certified rent roll for each Property as of the last day of such period in a form reasonably satisfactory to Assignee.

9. **Assignor to Ensure Continued Performance under Leases.** Assignor shall perform all of its covenants as Lessor under the Leases, and shall not permit any release of liability of any Lessee or any withholding of rent payments by any Lessee. Assignor shall enforce the observance and performance of each covenant, term, condition and agreement contained in each Lease to be observed and performed by the tenants and guarantors thereunder and shall promptly notify Assignee of any material breach by the tenants under any Leases representing, in the aggregate, 20% or more of the apartments in the Property.

10. **Default of Assignor.**

10.1. **Remedies.** If an Event of Default occurs, Assignor's License to collect Rents shall immediately cease and terminate. Assignee shall thereupon be authorized at its option to enter and take possession of all or part of the Property, in person or by agent, employee or court appointed receiver, and to perform all acts necessary for the operation and maintenance of the Property in the same manner and to the same extent that Assignor might reasonably so act. In furtherance thereof, Assignee shall be authorized, but under no obligation, to collect the Rents arising from the Leases, and to enforce performance of any other terms of the Leases including, but not limited to, Assignor's rights to fix or modify rents, sue for possession of the leased premises, relet all or part of the leased premises, and collect all Rents under such new Leases. Assignor shall also pay to Assignee, promptly upon any Event of Default: (a) all rent prepayments and security or other deposits paid to Assignor pursuant to any Lease assigned hereunder; and (b) all charges for services or facilities or for escalations which have theretofore been paid pursuant to any such Lease to the extent allocable to any period from and after such Event of Default. Assignee will, after payment of all proper costs, charges and any damages including, without limitation, those payable pursuant to Section 11 hereof, apply the net amount of such Rents to the Obligations. Assignee shall have sole discretion as to the manner in which such Rents are to be applied, the reasonableness of the costs to which they are applied, and the items that will be credited thereby.

10.2. **Notice to Lessee.** Assignor hereby irrevocably authorizes each Lessee, upon demand and notice from Assignee of the occurrence of an Event of Default, to pay all Rents under the Leases to Assignee. Assignor agrees that each Lessee shall have the right to rely upon any notice from Assignee directing such Lessee to pay all Rents to Assignee, without any obligation to inquire as to the actual existence of an Event of Default, notwithstanding any notice from or claim of Assignor to the contrary. Assignor shall have no claim against any Lessee for any Rents paid by Lessee to Assignee. At such time as no Event of Default exists, Assignee may give each Lessee written notice of such cure and, thereafter, until further notice from Assignee, each such Lessee shall pay the Rents to Assignor.

10.3. **Assignor's Possession After Default.** Following the occurrence of an Event of Default, if Assignor is in possession of a Property and is not required to

surrender such possession hereunder, Assignor shall pay monthly in advance to Assignee, on Assignee's entry into possession pursuant to Section 10.1 hereof, or to any receiver appointed to collect the Rents, the fair and reasonable value for the use and occupancy of a Property or such part thereof as may be in the possession of Assignor. Upon default in any such payment, Assignor shall forthwith vacate and surrender such possession to Assignee or such receiver and, in default thereof, Assignor may be evicted by summary or any other available proceedings or actions.

10.4. Assignment of Defaulting Assignor's Interest in Lease. Assignee shall have the right to assign Assignor's right, title and interest in and to the Leases to any person acquiring title to the Property through foreclosure or otherwise. Such assignee shall not be liable to account to Assignor for the Rents thereafter accruing.

10.5. No Waiver. Assignee's failure to avail itself of any of its rights under this Assignment for any period of time, or at any time or times, shall not constitute a waiver thereof. Assignee's rights and remedies hereunder are cumulative, and not in lieu of, but in addition to, any other rights and remedies Assignee has under the Note, the Mortgage and any other Loan Documents. Assignee's rights and remedies hereunder may be exercised as often as Assignee deems expedient.

10.6. Costs and Expenses. The cost and expenses (including any receiver's fees) incurred by Assignee pursuant to the powers contained in this Assignment shall be immediately reimbursed by Assignor to Assignee on demand, shall be secured hereby. Assignee shall not be liable to account to Assignor for any action taken pursuant hereto, other than to account for any Rents actually received by Assignee.

11. Indemnification of Assignee. Assignor hereby agrees to indemnify, defend, protect and hold Assignee harmless from and against any and all liability, loss, cost, expense or damage (including reasonable attorney fees) that Assignee may or might incur under the Leases or by reason of this Assignment; provided, however, in no event shall Assignor be liable for any liability, loss or damage which Assignor incurs as a result of Assignee's gross negligence or willful misconduct. Such indemnification shall also cover any and all claims and demands that may be asserted against Assignee under the Leases or this Assignment. Nothing in this section shall be construed to bind Assignee to the performance of any Lease provisions, or to otherwise impose any liability upon Assignee, including, without limitation, any liability under covenants of quiet enjoyment in the Leases in the event that any Lessee shall have been joined as party defendant in any action to foreclose the Mortgage and shall have been barred thereby of all right, title, interest, and equity of redemption in the Property. This Assignment imposes no liability upon Assignee for the operation and maintenance of the Property or for carrying out the terms of any Lease before Assignee has entered and taken possession of the Property. Any loss or liability incurred by Assignee by reason of actual entry and taking possession under any Lease or this Assignment or in the defense of any claims shall, at Assignee's request, be reimbursed by Assignor. Such reimbursement shall include interest at the Default Rate provided in the Note, costs, expenses and reasonable attorney fees. Assignee may, upon entry and taking of possession, collect the Rents and apply them to reimbursement for any such loss or liability. The provisions of this Section 11 shall survive repayment of the Obligations and any termination or satisfaction of this Assignment.

12. **Additions to, Changes in and Replacement of Obligations.** Assignee may take security in addition to the security already given Assignee for the payment of the Obligations or release such other security, and may release any party primarily or secondarily liable on the Obligations, may grant or make extensions, renewals, modifications or indulgences with respect to the Obligations or the Mortgage and replacements thereof, which replacements of the Obligations or the Mortgage may be on the same terms as, or on terms different from, the present terms of the Obligations or the Mortgage, and may apply any other security held by it to the satisfaction of the Obligations, without prejudice to any of its rights hereunder.

13. **Power of Attorney.** In furtherance of the purposes of this Assignment, Assignor hereby appoints Assignee as Assignor's attorney-in-fact, with full authority in the place of Assignor, at the option of Assignee at any time after the occurrence and during the continuance of an Event of Default, and in the name of Assignor or Assignee, to (a) collect, demand and receive the Rents and other amounts payable under any Lease, (b) bring suit and take other action to enforce the Leases, (c) enforce, supplement, modify, amend, renew, extend, terminate and otherwise administer the Leases and deal with Lessees in relation to the Leases, (d) give notices, receipts, releases and satisfactions with respect to the Leases and the Rents and other amounts payable under any Lease, and (e) take such other action as Assignee may reasonably deem necessary or advisable in connection with the exercise of any right or remedy or any other action taken by Assignee under this Assignment.

14. **No Mortgagee in Possession; No Other Liability.** The acceptance by Assignee of this Assignment, with all of the rights, power, privileges and authority so created, shall not, prior to entry upon and taking of possession of the Property by Assignee, be deemed or construed to: (a) constitute Assignee as a mortgagee in possession nor thereafter or at any time or in any event obligate Assignee to appear in or defend any action or proceeding relating to the Leases or to the Property; (b) require Assignee to take any action hereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Leases; or (c) require Assignee to assume any obligation or responsibility for any security deposits or other deposits delivered to Assignor by Lessees and not assigned and delivered to Assignee. Assignee shall not be liable in any way for any injury or damage to person or property sustained by any person in or about the Property.

15. **Termination of Assignment.** When Assignor pays Assignee the full amount of the Obligations, and such payment is evidenced by a recorded satisfaction or release of the Mortgage, this Assignment shall terminate.

16. **Miscellaneous.**

16.1. **Severability.** If any term of this Assignment or the application hereof to any person or set of circumstances, shall to any extent be invalid or unenforceable, the remainder of this Assignment, or the application of such provision or part thereof to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this Assignment shall be valid and enforceable to the fullest extent consistent with applicable law.

16.5. Modification. No amendment, modification or cancellation of this Assignment or any part hereof shall be enforceable without Assignee's prior written consent.
