1. Whereas, Moorish Americans, So Called Blacks, Mexicans and the Asiatic nations of North, South and Central America with the Turks as the true descendants of Hagar who are the chief protectors of the Islamic creed of Mecca, are the primary beneficiaries of an extremely extensive **Fee Simple State** conveyed to us in an express trust that was duly created in 1928, by the Trustor Noble Drew Ali for our economic, political, social redemption and regeneration.
2. The land or fee simple estate, actually conveyed to us in the express trust is a legacy of our forefathers our birthright, According to the Deed of Conveyance it comprises the entire continental United States among other territories. It was put in the legal institutions know as an express trust to safeguard it, and thereby duly conveyed to us.
3. I am the duly appointed Trustee. I have actual possession of the title-deed thereto and accordingly I, as trustee have initiated the express trust performance.
4. This is important to us; not only because it is our social security for the 21<sup>st</sup> century; it is who we are; it's our Vast Estate; our divine destiny; its Allah will.

5. We are the true possessors of the present Moroccan Empire its dominion of Cush, North-East and South-East and North-West and South-West was his father's dominion of Africa.

## II. CHARACTERISTICS OF OUR VAST ESTATE

1. The quantity of the estate with the Holy Prophet Noble Drew Ali as Trustor put in the express trust, he created for the Moors in 1928 is a fee simple estate; but mainly called a fee simple absolute.

2. The term "fee simple" defines the largest estate in land known to the law and necessarily implies absolute dominion over the land. There can be only one estate in fee simple to a particular tract of land.

2a. An estate in fee simple may be had either in corporeal or incorporeal hereditaments. A grant of the fee simple, however, carries with it everything within or belonging to the land in the absence of exception or reservation.

2b. Since an estate in fee simple implies absolute sovereignty over the land the power of alienation is necessarily and inseparably incidental thereto, and an unlimited condition of restraint of alienation attached to such an estate is void.

2c. In some jurisdiction the definition of a fee simple is statutory. Some of the authorities define the estate from the standpoint of defining the owner or holder thereof, and likewise disclose the unlimited duration of a fee simple interest by stating that a tenant in fee simple is one who has lands or tenements to hold to him and his heirs forever..28 Am Jur 2d, Sec. 10, p. 82.

2d. In the United States the common-law rule requiring words of inheritance in a conveyance to pass a fee simple has never been applied to conveyance to a trustee. The estate taken by a trustee is measured by the trust, and not by the presence or absence of words of inheritance. Hence in any particular grant to a trustee if a fee simple title is necessary to the performance of the trust, a fee simple passes, even though the word "heirs" was not used in the conveyance.

DeHaven v. Sherman, 131 Ill 115, 22 NE 711. Also, see 28 Am Jur 2d, Sec. 4, p. 74.

## III. IN THE UNITED STATES

3. Except in one or two states, property in the various American jurisdiction, by virtue of state constitutional provision, organic –territorial acts incorporated into the legal systems of states subsequently organized, statutes, and decisions of the courts, is determined to be held allodial, in absolute and direct dominion, subject only to escheat in the event of failure of successors in ownership. Feudal tenures do not and cannot exist. As the Supreme Court has held: the holding of real property by the owner in fee simple in this country is from the state as chief lord or lord paramount. *United States v. DE Repentigny*, 5 Wall US 211, 18 Led 627. Also, see 28 Am Jur 2d. Sec.4, p.74.

4. After the Prophet created the express trust, he then the meeting and at the meeting, he told the Moors: "I brought you everything it takes to save a nation, take it and save yourself "(in which he was holding up the Moorish Holy Koran and Our Authority.) At that time our rights to the land had duly vested in us.

## IV. BENEFICIARIES: THE DIVINE ORIGIN OF THE ASIATIC NATIONS, HOLY KORAN, CH XLV

1. The fallen sons and daughters of the Asiatic Nation of North America need to learn to love instead of hate; and to know their higher self and lower self. This is the uniting of the Holy Koran of Mecca, for teaching and instructing all Moorish Americans, etc.

2. The Key of civilization was and is in the hands of the Asiatic nations. The Moorish, who were ancient Moabites, and the founders of the Holy City of Mecca...

3. The Egyptians who were the Hamathites, and of a direct descendant of Mizraim, the Arabians, the seed of Hagar, Japanese and Chinese.

4. The Hindus of India, the descendant of the ancient Canaanites, Hittites, and Moabites of the land of Canaan.

5. The Asiatic nations of North, South, and Central America: the Moorish Americans and Mexicans of North America, Brazilians, Argentinians, and Chileans in South America.

6. Columbians, Nicaraguans, and the natives of San Salvador in Central America, etc. All of these are Moslems.

7. The Turks are the true descendants of Hagar, who are the chief protectors of the Islamic Creed of Mecca; beginning from Mohammed the First, the founding of the uniting of Islam, by the command of the great universal God-Allah.

## V. DIVINE CONSTITUTION AND BY-LAW ACT 6 - DEED OF CONVEYANCE

1. With us all members must proclaim their nationality and we are teaching our people their nationality and their Divine Creed that they may know that they are part and parcel of this said government, and know that they are not Negroes, colored Folks, Black People or Ethnians, because these names were given to slaves by slave holders in 1779 and lasted until 1865 during the time of slavery, but this is a new era of time now, and all men now must proclaim their free national name to be recognized by the government in which they live and the nations of the earth, this is the reason why Allah the great God of the universe ordained Noble Drew Ali, the Prophet to redeem his people from their sinful ways. The Moorish Americans are the descendants of the ancient Moabites whom inhabited the Northwestern and Southwestern Shores of Africa.

2. Allah the Father of the universe, the Father of Love, Truth, Peace, Freedom and Justice. Allah is my protector, my guide and my salvation by night and by day, thru His Holy Prophet Drew Ali. "Amen".

## HOLY KORAN CIRCLE XII CHAPTER XLVII EGYPT, THE CAPITAL EMPIRE OF THE DOMINION OF AFRICA,

1. The inhabitants of Africa are the descendants of the ancient Canaanites from the land of Canaan.
2. Old man Cush and his family are the first inhabitants of Africa who came from the land of Canaan.
3. His father Ham and his family were second. Then came the word Ethiopia, which means the demarcation line of the dominion of Amexem, the first true and divine name of Africa. The dividing of the land between the father and the son.
4. The dominion of Cush, North-East and South-East Africa and North-West and South-West was his father's dominion of Africa.
5. In later years many of their brethren from Asia and the Holy Lands joined them.
6. The Moabites from the land of Moab who received permission from the Pharaohs of Egypt to settle and inhabit North-West Africa; they were the founders and are the true possessors of the present Moroccan Empire. With their Canaanite, Hittite, and Amorite brethren who sojourned from and of Canaan seeking new homes.
7. Their dominion and inhabitation extended from North-East and South-West Africa, across great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands; before the great earthquake, which caused the great Atlantic Ocean.

## VII. CONDITIONS OF THE TRUST, CHAPTER XLVII

8. The River Nile was dredged and made by the ancient Pharaohs of Egypt, in order to trade with the surrounding kingdoms. Also the Niger River was dredged by the great Pharaoh of Egypt in those ancient days for trade, and it extends eastward from the River Nile, Westward across the great Atlantic. It was used for trade and transportation.

9. According to all true and divine records of the human race there is no Negro, black, or colored race attached to the human family, because all the inhabitants of Africa were and are of the human race, descendants of the ancient Canaanite nation from the holy land of Canaan.
10. What your ancient forefathers were, you are today without doubt or contradiction.
11. There is no one who is able to change man from the descendant nature of his forefathers; unless his power extends beyond the great universal Creator Allah himself.
12. These holy and divine laws are from the Prophet, Noble Drew Ali, the founder of the uniting of the Moorish Science Temple of America.
13. These laws are to be strictly preserved by the members of all the Temples, of the MOORISH SCIENCE TEMPLE OF AMERICA. That they will learn to open their meeting and guide it according to the principles of Love, Truth, Peace, Freedom and Justice.
14. Every subordinate Temple of the Grand-Major Temple is to form under the covenant of Love, Truth, Peace, Freedom and Justice; and to create their own laws and customs, in conjunction with the laws of the Holy Prophet and the Grand Temple. I the Prophet Noble Drew Ali was sent by the great God, Allah, to warn all Asiatics of America to repent from their sinful ways; before that great and awful day that is sure to come.
15. The time has come when every nation must worship under its own vine and fig tree and every tongue must confess his own.
16. Through sin and disobedience every nation has suffered slavery, due to the fact that they honored not the creed and principles of their forefathers.
17. This is why the nationality of the moors was taken away from them in 1774 and the word negro, black and colored, was given to the Asiatics of America who were of Moorish descent, because they honored not the principles of their mother and father, and strayed after the gods of Europe of whom they knew nothing.
