MODIFICATION. Lender and Grantor hereby modify the Mortgage as follows:

The definition of "Note" set forth in the Mortgage is hereby amended and restated in its entirety as follows: The word "Note" means (i) that certain Promissory Note dated March 19, 2012, in the original principal amount of \$803,314.63 executed by Borrower payable to Lender, as amended, supplemented, modified or replaced from time to time. The interest rate on the Note is a variable rate, subject to change from time to time based on changes in an index which is the Lender's Reference Rate (the "Index"). If the Index becomes unavailable during the term of this Loan, Lender may designate a substitution index after notifying Borrower. Interest on the unpaid principal balance of the Note will be computed on a 365/360 basis; that is, by applying the ratio of the interest rate over a year of 360 days, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method, using a rate of 1.00 percentage points over the Index, provided, under no circumstances will the interest rate be less than 5.50% per annum or more than the maximum rate allowed by applicable law; resulting in an initial interest rate of 5.50%. Payment of all interest and principal due on the Note is due no later than July 15, 2012 (such maturity date as it hereafter may be renewed, extended or amended from time to time, herein called "The Maturity Date"); provided, such Maturity Date shall not be later than Twenty (20) years after the date hereof; (ii) that certain Promissory Note dated April 5, 2009, in the original principal amount of \$771,442.10 executed by Borrower payable to Lender, as amended, supplemented, modified or replaced from time to time. Payment of all interest and principal due on the Note is due no later than April 5, 2012 (such maturity date as it hereafter may be renewed, extended or amended from time to time, herein called "The Maturity Date"); provided, such Maturity Date shall not be later than Twenty (20) years after the date hereof; (iii) that certain Promissory Note dated March 30, 2010, in the original principal amount of \$1,251,002.04 executed by Theodore G. Mavrikis and Carol M. Mavrikis payable to Lender, as amended, supplemented, modified or replaced from time to time. The interest rate on the Note is a variable rate, subject to change from time to time based on changes in an index which is the Lender's Reference Rate (the "Index"). CONTINUING VALIDITY. Except as expressly modified above, the terms of the original Mortgage shall remain unchanged and in full force and effect and are legally valid, binding, and enforceable in accordance with their respective terms. Any maker or endorser, including accommodation makers, shall not be released by virtue of this Modification. If any person who signed the original Mortgage does not sign this Modification, then all persons signing below acknowledge that this Modification is given conditionally, based on the representation to Lender that the non-signing person consents to the changes and provisions of this Modification or otherwise will not be released by it. This waiver applies not only to any initial extension or modification, but also to all such subsequent actions.
