2. The Borrower promises to pay the Unpaid Principal Balance, plus interest, to the order of the Lender in accordance with the following provisions:

## (A) INTEREST RATE AND MONTHLY PAYMENT CHANGES

Interest will be charged upon the Unpaid Principal Balance at the yearly rate of 3.000% (the "Initial Rate of Interest") from August 01, 2012, subject to the interest rate and monthly payment change provisions set forth below. The Borrower promises to make monthly payments of principal and interest of U.S. \$4,674.31 beginning on September 01, 2012, and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. If on July 01, 2039 (the "Maturity Date"), the Borrower owes amounts under the Note and Security Instrument, as amended by this Agreement, the Borrower will pay these amounts in full on the Maturity Date.

This Agreement also provides for changes in the interest rate and monthly payment as follows:

## 1. INTEREST RATE AND MONTHLY PAYMENT CHANGES

### (a) Change Dates

The interest rate the Borrower will pay may change on the first day of August, 2017 and on that day every 12th month thereafter. Each date on which the interest rate could change is called a "Change Date".

### (b) The Index

Beginning with the first Change Date, the interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent index figure available as of the date 45 days before each change date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give the Borrower notice of this choice.

### (c) Calculation of Changes

Before each Change Date, the Note Holder will calculate the new interest rate by adding 2.500 percentage points (2.500 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated below, this rounded amount will be the new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that the Borrower will be expected to owe at the Change Date in full on the Maturity Date of the new interest rate in substantially equal payments. The result of this calculation will be the new amount of the monthly payment.

### (d) Limits on Interest Rate Changes

The interest rate the Borrower will be required to pay at the first Change Date will not be greater than 5.000% or less than 2.500%. Thereafter, the interest rate will never be increased or decreased on any single Change Date by more than two percentage points (2.0%) from the rate of interest the Borrower has been paying for the preceding twelve months. The interest rate will never be greater than 9.000%.

### (e) Effective Date of Changes

The new interest rate will become effective on each Change Date. The Borrower will pay the amount of the new monthly payment beginning on the first monthly payment date after the Change Date until the amount of the monthly payment changes again.

## (f) Notice of Changes

The Note Holder will deliver or mail to the Borrower a notice of any changes in the interest rate and the amount of the monthly payment before the effective date of any change. The notice will include information required by law to be given and also the title and telephone number of a person who will answer any questions regarding the notice.

- (C) The Borrower will make such payments at 1 Corporate Drive, Suite 360, Lake Zurich, IL 60047 or at such other place as the Lender may require.

- 3 If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in the Borrower is sold or transferred and, the Borrower is not a natural person) without the Lender's prior written consent, the Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument.

If the Lender exercises this option the Lender shall give the Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which the Borrower must pay all sums secured by this Security Instrument. If the Borrower fails to pay these sums prior the expiration of this period, the Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on the Borrower.

Any default under any of the terms of this Loan Modification Agreement shall be considered a default under the terms of the Note and Security Instrument and shall entitle Lender to any of the remedies thereunder, including the option to accelerate the principal balance due and increase the interest rate in event of default, if any.

- 4 The Borrower also will comply with all other covenants, agreements, and requirements of the Security Instrument, including without limitation, the Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that the Borrower is obligated to make under the Security Instrument, including:

- (a) all terms and provisions of the Note and Security instrument (if any) providing for, implementing or relating to, any change or adjustment in the rate of interest payable under the Note; and
- (b) all terms and provisions of any adjustable rate rider or other instrument or document that is affixed to, wholly or partially incorporated into, or is part of, the Note or Security Instrument and that contains any such terms and provisions as those referred to in (a) above.

- 5 Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument. Except as otherwise specifically provided in this Agreement, the Note and Security Instrument will remain unchanged, and the Borrower and Lender will be bound by, and comply with, all of the terms and provisions thereof, as amended by this Agreement. The Borrower does hereby affirm and ratify the extent and validity of the Note, Security Instrument and other Loan Documents which shall remain in full force and effect as of the date hereof except as modified hereby. Borrower does hereby represent, warrant and confirm that there are no defenses, setoffs, rights, claims or causes of action of any nature whatsoever which Borrower has or may assert against Lender with respect to the Note, Security Instrument or other Loan Documents or the indebtedness secured thereby.
