Wherever possible each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law but if any provision of this Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

7. This Agreement is binding upon and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of each of the parties hereto, but the Subordinating Party covenants that it will not assign the claim of the Subordinating Party or any party thereof, without making the rights and interest of said assignee subject in all respects to the terms of this Agreement.
