Background:

Lender has agreed to make, and Borrower has agreed to accept, a loan in the original maximum principal amount of Sixty Thousand and 00/100 Dollars (\$60,000.00) (the "Loan") upon the terms and conditions set forth in that certain Promissory Note, dated June 6, 2013, in the original principal amount of Sixty Thousand and 00/100 Dollars (\$60,000.00) made by Borrower and payable to Lender (as the same may be amended or modified from time to time, the "Note").

As a condition to making the Loan, Lender has required Borrower to assign to Lender, as additional security for the Loan, all of Borrower's right, title and interest in and to the promissory notes, security instruments and other loan documents conveyed by Lender to Borrower pursuant to the terms and conditions of the Contract (as defined in the Loan Agreement), including without limiting the generality of the foregoing, all rights to receive payments under such collateral.

Statement of Agreement

NOW, THEREFORE, for valuable consideration, separate and distinct from the consideration given by Lender with respect to the Loan, the receipt and adequacy of which are hereby acknowledged, Borrower agrees as follows:

1. **Recitals.** The Recitals are incorporated herein by this reference.
2. **Assignment.** As security for the performance of all obligations of Borrower to Lender under the Note, the Loan Agreement, and all other documents now or hereafter evidencing, securing or related to the

Loan (the "Loan Documents"), Borrower hereby assigns and transfers to Lender all of its right, title and interest in and to the following collateral (the "Collateral"):

2.1.1. All right, title, interest, claims or rights of Borrower now or hereafter in and to the notes, deeds to secure debt, security instruments, guaranties and other loan documents (collectively the "Underlying Documents") described on **Exhibit "A"** attached hereto and incorporated herein by this reference; and

2.1.2. Any and all proceeds of a casualty or condemnation, repayment of loans, proceeds of foreclosure sales, and payments of any kind or nature whatsoever, now or hereafter distributable or payable to Borrower by reason of Borrower's ownership of the Underlying Documents; and

2.1.3. All accounts, contract rights, security entitlements, investment property and general intangibles now or hereafter evidencing, arising from or relating to any of the foregoing; and

2.1.4. All right of Borrower to collect and enforce payments pursuant to the terms of the Underlying Documents; and

2.1.5. All documents, writings, leases, books, files, records, computer tapes, programs, ledger books and ledger pages arising from or used in connection with any of the foregoing; and

2.1.6. All renewals, extensions, additions, substitutions or replacements of any of the foregoing; and

2.1.7. All powers, options, rights, privileges and immunities pertaining to any of the foregoing; and

2.1.8. All proceeds of any of the foregoing and all cash, security or other property distributed on account of any of the foregoing.

3. **Representations and Warranties.** Borrower hereby represents and warrants that: (a) Borrower is and will be the true owner of the interests under the Underlying Documents; (b) Borrower has not assigned or granted a security interest in the Collateral to any person or entity other than Lender; (c) to Borrower's knowledge, (i) Borrower's interest in the Collateral is not and will not be subject to any claims, setoffs, encumbrances or deductions, and (ii) the Loan Documents constitute and will constitute valid and binding obligations of Borrower.

4. **No Assumption by Lender and Covenants of Borrower.** Neither this Assignment nor any action or actions on the part of Lender after the date hereof shall constitute an assumption by Lender of any obligations under the Underlying Documents, and Borrower shall continue to be liable for all obligations thereunder arising after the date hereof. Borrower agrees to punctually perform any and all obligations it may have under the Underlying Documents, to take such steps as may deem necessary or appropriate to secure performance by the obligor(s) and guarantor(s) of the Underlying Documents thereon of all of its obligations under the applicable Underlying Documents.

5. **Benefits Conditionally Retained by Borrower.** Lender hereby grants Borrower the right to continue to receive the benefits of, and exercise the rights under, the Underlying Documents unless an Event of Default exists, in which event such rights may be revoked at any time thereafter at the option of Lender.

6. **Action by Lender Following Event of Default.** Lender shall have the right, but not an obligation, at any time while an Event of Default exists, without notice and without taking possession of the Project or any part thereof, to take in Lender's name or in the name of Borrower such action as Lender may, at any time or from time to time, reasonably determine to be necessary to cure any default under the Underlying

Documents or to protect or exercise the rights of Borrower or Lender thereunder, and may otherwise exercise any other rights or remedies Lender has under the Loan Documents. Lender shall incur no liability if any action taken by it or on its behalf pursuant to this Assignment shall prove to be in whole or in part inadequate or invalid; and Borrower hereby agrees to indemnify, defend, and hold Lender free *and* harmless from and against any loss, costs, liability or reasonable expense (including, without limitation, reasonable attorneys' and accountants' fees and expenses, court costs and investigation expenses) actually incurred by Lender in connection with its actions under this Section 6.

7. **Power of Attorney.** Borrower hereby irrevocably constitutes and appoints Lender as its true and lawful agent and attorney-in-fact, with full power of substitution, to demand, receive and enforce all rights of Borrower under the Underlying Documents, following the occurrence and during the continuance of an Event of Default, to modify, supplement and terminate the Underlying Documents, to transfer the Underlying Documents to Lender, to give appropriate releases, receipts for or on behalf of Borrower in connection with the Underlying Documents, to file, pursue, receive payment and acquittances for or otherwise compromise each and every claim Borrower has or may have against the obligor(s) and guarantor(s) of the Underlying Documents for payment or otherwise under the Underlying Documents, all in the name, place and stead of Borrower or in Lender's name, with the same force and effect as Borrower could have if this Assignment had not been made. Borrower authorizes any third party to rely exclusively on the certificate of an officer of Lender or its successor for the establishment of an Event of Default and hereby waives and releases any claim Borrower may have against such third party for such reliance. Borrower hereby agrees to deliver to Lender, upon Lender's written demand and after the occurrence and during the continuance of an Event of Default, all instruments and documents as Lender may reasonably require in order to permit Lender's succession to the right, title and interest of Borrower in and to the Underlying Documents as provided herein. Borrower appoints Lender as its attorney-in-fact to execute any and all such documents on Borrower's behalf upon any failure of Borrower to so execute such documents, it is hereby recognized that the power of attorney herein granted is coupled with an interest and is irrevocable. At Lender's option, Lender may record this Assignment in the recording office. By acceptance of this Assignment, Lender agrees that it shall not exercise the power of attorney granted herein unless there shall have occurred and be continuing an Event of Default.

8. **Binding Effect.** This Assignment shall be binding upon Borrower and its successors and assigns, and shall inure to the benefit of Lender and its successors and assigns, including without limitation any purchaser upon foreclosure of the lien and security interests created by the Underlying Documents or under a deed in lieu of such foreclosure and any receiver in possession of the Project. Lender may reassign its right, title and interest in and to the Underlying Documents, in whole or in part, to any Person succeeding to the interest of Borrower or Lender in the Loan, in the Lender's sole discretion without any requirement for consent by Borrower or any other party, and any such reassignment shall be valid and binding upon Borrower as fully as if Borrower had expressly approved the same. Lender agrees that it will notify Borrower of any reassignment made by Lender.

9. **No Release or Termination.** The taking of this Assignment by Lender shall not affect the release of any other collateral now or hereafter held by Lender as security for the obligations of Borrower under the Loan Documents, nor shall the taking of additional security for any such obligations hereafter effect a release or termination of this Assignment, or any terms or provisions hereof.

10. **No Waiver.** No failure or delay on the part of Lender in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies hereunder are cumulative and may be exercised by Lender either independently of or concurrently with any other right, remedy or power contained herein or in any instrument executed in connection with the Loan Agreement.
