**NOW, THEREFORE**, in consideration of the forgoing, of mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereby agree as follows:

**Section 1. ACE Representations and Agreements.** ACE hereby represents to Building Owner, CDE Lender, Investor and Lender and agrees as follows:

- (a) The Rooftop Lease and PPA have been validly authorized and executed by ACE, are in full effect in accordance with its terms, and there exists no default by either party under the Rooftop Lease or PPA.
- (b) The Rooftop Lease is subordinate to the mortgage lien held by Lender.
- (c) The Rooftop Lease and PPA and installation and operation of the Equipment will not adversely affect the use of the Premises as a qualified low-income housing project under Section 42 of the Internal Revenue Code (the “Code”) containing 24 residential units.
- (d) ACE will not amend or modify the Rooftop Lease in any manner without the prior written consent of CDE Lender and Lender.
- (e) ACE shall notify Lender of any default by Building Owner under the Rooftop Lease and offer Lender the opportunity (without the obligation) to cure such default and not terminate (or otherwise exercise any remedies with respect to) the Rooftop Lease for a period of 90 days following Lender’s actual receipt of such notice; or such longer period as is reasonably necessary to cure such default but in no event to exceed 120 days, provided Lender commences such cure within the initial 90-day period and prosecutes the same with reasonable diligence

(which, if such cure requires possession of the Premises, shall include the foreclosure of Lender's mortgage lien on the Premises).

**Section 2. *Building Owner Agreements.*** Building Owner hereby agrees as follows:

(a) Building Owner will not amend or modify the Rooftop Lease in any manner without the prior written consent of CDE Lender and Lender.

(b) Building Owner acknowledges and agrees that the Equipment shall at all times be considered to be personal property of ACE and shall not constitute a fixture or become part of the Premises or the personal property of the Building Owner. Further, Building Owner agrees that it will notify any purchaser of the Premises, and any subsequent mortgagee or other encumbrance holder or claimant, of the existence of this Agreement.

(c) Building Owner hereby waives and relinquishes to ACE and CDE Lender all rights, claims and demands of every kind against the Equipment now located or to be located on the Premises, including but not limited to liens and security interests, both statutory and otherwise, and the right of foreclosure, levy, execution, sale and distraint for unpaid rent or other rights arising under real property law or by contract which Building Owner now has or may hereafter acquire with respect to any of the Equipment presently or hereafter financed or leased by CDE Lender.

(d) Building Owner agrees and acknowledges that the Rooftop Lease and PPA will be collaterally assigned to CDE Lender, and Building Owner consents and acknowledges that if the interests of ACE shall be transferred to, and/or owned by CDE Lender by reason of foreclosure or other proceedings brought in lieu of or pursuant to a foreclosure, and CDE Lender succeeds to the interest of ACE under the Rooftop Lease and/or PPA, Building Owner agrees that Building Owner shall be bound to CDE Lender under all of the terms, covenants and conditions of the Rooftop Lease and/or PPA for the balance of their respective terms thereof remaining, and CDE Lender shall attorn to Building Owner as its landlord each with the same force and effect as if CDE Lender, were the tenant under the Rooftop Lease or a party to the PPA, without the execution of any further instruments on the part of any of the parties hereto, provided that CDE Lender assumes all of ACE's obligations under the Rooftop Lease and PPA, and there is no other default under such documents.

In accordance with the above, if CDE Lender or its nominee, assignee or purchaser at a foreclosure sale or proceeding in lieu thereof shall succeed to the interest of ACE under the Rooftop Lease and/or PPA, Building Owner agrees and acknowledges that such party shall not be liable for any act or omission of any prior tenant (including ACE) unless such act or omission continues during CDE Lender's control of the Premises and CDE Lender thereafter fails to cure the same within a reasonable time; nor bound by any amendment or modification of the Rooftop Lease and/or PPA made without its consent. In the event of a default by ACE under the Rooftop Lease and/or PPA or any occurrence that would give rise to an offset or payment claim against ACE under the Rooftop Lease and/or PPA, Building Owner will use its best efforts to set off such defaults against rents currently due Building Owner (subject to the limits on ACE's offset rights set forth in this Agreement) and give CDE Lender such time as is reasonably required to cure such default or rectify such occurrence, provided CDE Lender uses reasonable diligence to correct the same, and such cure period does not exceed 90 days, extendable to 120 days provided CDE Lender commences such cure within the initial 90 day period and prosecutes the same with reasonable diligence. Building Owner agrees that notwithstanding any provision of the Rooftop Lease and/or PPA to the contrary, Building Owner will not be entitled to cancel the Rooftop

Lease and/or PPA, or to exercise any other right or remedy until CDE Lender has been given notice of default and opportunity to cure such default as provided herein. If ACE's default is not curable by CDE Lender, and such default does not jeopardize the right of the Building Owner to receive tax credits under Section 42 of the Code, CDE Lender may at its option assume all of ACE's right, title and interest in the Rooftop Lease and/or PPA and all of ACE's obligations and covenants under the Rooftop Lease and/or PPA, and thereafter Building Owner shall be estopped from terminating the Rooftop Lease and/or PPA as a result of ACE's default.

**Section 3. *Investor Consents and Affirmations.*** Investor consents and agrees to the following in satisfaction of any requirements for consent under the Partnership Agreement or other related document by and between Building Owner and Investor:

- (a) Investor consents to the Building Owner entering into the Rooftop Lease and PPA.
- (b) Investor consents to the Building Owner loaning Replacement Reserves (as that term is defined in the regulatory or other agreement with IHDA governing the Building) in the amount of \$100 to ACE in connection with the acquisition and installation of the Equipment.
- (c) Investor acknowledges and consents to the Building Owner entering into the terms and conditions of this Agreement including but not limited to the waiver by Building Owner to any rights or interests (if any) Building Owner may have in the Equipment.
- (d) Investor agrees and acknowledges that if the interests of Building Owner shall be transferred to, and/or owned by Investor and Investor succeeds to the interest of the Building Owner under the Rooftop Lease and/or PPA, Investor agrees that it shall be bound in the same manner and to the same extent as Building Owner under all of the terms, covenants and conditions of the Rooftop Lease and/or PPA for the balance of the term thereof remaining, with the same force and effect as if Investor, were the landlord under the Rooftop Lease, or a party to the PPA without the execution of any further instruments on the part of any of the parties hereto.
- (e) Investor represents and confirms that the general partner of the Building Owner is not currently in default under the Partnership Agreement or any document related thereto.

**Section 4. *Lender Consents, Agreements and Acknowledgements.*** Lender consents and agrees to the following in satisfaction of any requirements for consent under the Loan Documents:

- (a) Lender consents to the Building Owner entering into the Rooftop Lease and PPA. Provided, however, that the consent of IHDA is conditioned on the restoration of any damage caused to the Building by the removal of any Equipment from the Building, the cost of such restoration to be responsibility of ACE
- (b) Lender consents to the Building Owner loaning Replacement Reserves in the amount of \$100 to ACE in connection with the acquisition and installation of the Equipment.
- (c) Lender holds a mortgage lien on the Premises and acknowledges that in connection with the financing provided by CDE Lender to ACE, ACE has executed the Security Agreement and ACE shall grant, among other things, a security interest in the Equipment located on the Premises and that upon the occurrence of certain events and without the payment of further consideration, CDE Lender may, among other things, enter the Premises and take possession of the Equipment. For so long as CDE Lender or its successors or assigns hold any ownership or

security interest in the Equipment, but only for so long, Lender hereby disclaims, waives and releases any interest, title, lien or claim in the Equipment, whether or not all or any part of the Equipment may be considered to be “fixtures” under any provision of law or otherwise, and Lender acknowledges the aforementioned security interest held by CDE Lender in and to the Equipment (“Lender Waiver”).

(d) Lender is making this Lender Waiver in reliance on CDE Loan pursuant to the CDE Loan Documents and Lender understands that CDE Lender is providing the CDE Loan, in reliance, in part, on the Lender Waiver.

(e) Lender agrees that if at any time the interests of Building Owner (as lessor) under the Rooftop Lease and as a party under the PPA, shall be transferred to and owned by Lender, its nominee(s), assignee(s), or any purchaser(s) by reason of foreclosure or other proceedings brought in lieu of or pursuant to a foreclosure, or by any other manner under the Loan Documents Lender covenants and agrees that as Lender to the Building Owner, it shall not diminish or interfere with ACE’s rights and privileges under the Rooftop Lease and/or PPA, or any extensions or renewals thereof, as lessee under the Rooftop Lease and as a party to the PPA and Lender agrees further that it shall not disturb ACE’s, its nominee’s, assignee’s, or purchaser’s, as applicable use of the Premises or construction and operation of the Equipment during the remaining term of the Rooftop Lease and/or PPA or any extensions or renewals thereof for any reason, except for a subsequent default by ACE, its nominee, assignee, or purchaser (beyond any period given such person to cure such default) pursuant to the terms of the Rooftop Lease and/or PPA.

(f) With limited knowledge and without investigation, Lender represents and confirms that Building Owner is not currently in default under the Loan Documents and Lender is not aware of any pending defaults with respect thereto.

**Section 5. Beneficiaries of Agreement.** Lender, Building Owner and Investor hereby agree and acknowledge that the obligations, restrictions, waivers, consents and promises contained in this Agreement are specifically intended to benefit CDE Lender and ACE and each of Lender, Building Owner and Investor acknowledges that each shall have the right to enforce the same against the parties hereto. CDE Lender hereby agrees and acknowledges that certain obligations, restrictions, waivers, consents and promises contained in this Agreement are specifically intended to benefit the Building Owner, Lender, and Investor and CDE Lender acknowledges that each shall have the right to enforce the same against the parties hereto.

**Section 6. Successors and Assigns.** This Agreement and each and every covenant, agreement and other provisions hereof shall run with the land and be binding upon the parties hereto and their heirs, administrators, representatives, successors and assigns, including without limitation each and every holder of an interest in the Rooftop Lease and/or PPA and shall inure to the benefit of each party’s successors, assigns, nominees, or purchasers.
