4. The Court finds that it would take major reconstruction by a responsible owner to bring the building into full compliance with the Municipal Code of Chicago. Further, the Court finds that the building located thereon poses a dangerous and hazardous threat to the public health, safety and welfare, and is beyond reasonable repair. Accordingly, the Court finds that demolition of the building is the least restrictive means available as of ^{12/13} ~~12/13~~ to abate the dangers and hazards posed by the building.

WHEREFORE, IT IS HEREBY ORDERED THAT:

- B. Counts II, III, V, VI, and VIII are voluntarily withdrawn without prejudice
- C. Defendants with either possession or control of the subject property shall immediately remove any and all persons occupying the subject property and all personal property from said premises instanter so that said premises will be completely vacant and free of personal property before demolition is commenced. - D. Defendants with either possession or control of the subject property and their successors and assigns shall be permanently enjoined from renting, using, leasing, or occupying the Subject Property until demolition of the subject property commences
- E. Pursuant to 65 ILCS 5/11-31-1 and the City's police powers under Article VII of the Illinois Constitution, and Section 13-12-130 of the Municipal Code of Chicago, the City is authorized to immediately demolish the building situated on the subject property on an emergency basis and is entitled to a lien for the costs of demolition, court costs and other costs enumerated by statute. Thus, the City's performance under this order will result in a statutory in rem lien that attaches only to the subject parcel of real estate. - F. Pursuant to Illinois Supreme Court Rule 304(a), as to the order of demolition, this is a final and appealable order and judgment, the Court finding no just reason to delay the enforcement or appeal of this final order and judgment.
- G. The Court reserves jurisdiction of this cause to enforce the terms of this order and for the purpose of ascertaining the demolition costs for entry of a money judgment against the defendant owners, as defined by the applicable statutes and ordinances.
