WHEREAS, the Master Lease and each Sublease are being assigned by the Master Tenant to the Lender to secure the Loan; and

WHEREAS, the parties hereto now desire to enter into this Agreement to establish certain rights and obligations with respect to their interests, and to provide for various contingencies as hereinafter set forth. Unless otherwise provided, capitalized terms used herein are defined in Section 10, and where not otherwise defined shall have the meaning given them in the Security Instrument.

NOW, THEREFORE, in consideration for the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and of the mutual benefits to accrue to the parties hereto, it is hereby declared, understood and agreed that the Master Lease and Sublease, all terms and conditions set forth in the Master Lease and Sublease, the leasehold interests and estates created thereby, and the priorities, rights, privileges and powers of Master Tenant, Operator and Landlord thereunder shall be and the same are hereby, and with full knowledge and understanding of the effect thereof, unconditionally made subject and subordinate to the lien and charge of the Security Instrument, all terms and conditions contained therein, any renewals, extensions, modifications or replacements thereof, and the rights, privileges and powers of the Lender thereunder, and shall hereafter be junior and inferior to the lien and charge of the Security Instrument, all on the terms and conditions of this Agreement. The parties further agree as follows:

1. Relationship to Other Agreements. It is expressly understood and agreed that this Agreement shall supersede, to the extent inconsistent herewith, the provisions of the Master Lease and Sublease relating to the subordination of the Master Lease and Sublease and the leasehold interests and estates created thereby to the lien or charge of the Security Instrument.

2. Consent to Leases. Lender consents to the Master Lease and Sublease, including any amendments to either of them proposed in connection with the Project and disclosed to Lender.

3. Project Operating Deficiencies.

(a) For purposes herein, any of the following circumstances constitute a “**Project Operating Deficiency**”:

(i) The Operator fails to make any payments pursuant to the Borrower-Operator Agreement, if such payments are intended to be used by Borrower to make the required debt service payments pursuant to the Loan Documents and if such failure, in HUD’s discretion, has a materially adverse effect on the Project;

(ii) Any one or more of the following financial indicators exist:

(1) negative working capital is shown in Operator financial statements for three or more consecutive quarters;

UNOFFICIAL COPY

- (2) debt service coverage, as calculated in accordance with HUD underwriting procedures, is below 1.1 for two consecutive quarters or 1.0 for one quarter;
 - (3) with respect to accounts payable, average days payable, pursuant to Program Obligations, remain at ninety (90) days or greater for two consecutive fiscal quarters; or
 - (4) with respect to accounts receivable, average days receivable, pursuant to Program Obligations, remain greater than one hundred eighty (180) days for two consecutive fiscal quarters;
- (iii) Centers for Medicare and Medicaid Services (“CMS”), or any applicable or successor authority, issues a notice to Operator of a denial of payments by CMS (or a fiscal intermediary) for new admissions at the Healthcare Facility;
 - (iv) CMS designates the Healthcare Facility to be a “**Special Focus Facility**” or another Governmental Authority has made an equivalent designation;
 - (v) A notice is issued to Operator of a proposed denial, refusal to issue, or termination of the Permits and Approvals for the Healthcare Facility; or
 - (vi) A second revisit survey is required as a result of failure to clear deficiencies cited in any survey or equivalent examination by applicable Governmental Authority.

(b) Operator shall give written notice to HUD and the Lender of any Project Operating Deficiency within two (2) business days of the occurrence of same.

(c) If a Project Operating Deficiency occurs, Lender may provide Operator with notice of the Project Operating Deficiency and, with HUD’s consent, request that Operator select and engage the services of a management consultant (“**Consultant**”). HUD shall not grant its consent if HUD is exercising its rights to request a Consultant pursuant to the Operator Regulatory Agreement. Upon Lender’s notice and request, Operator shall select and engage the services of a Consultant for the period of time necessary to remedy such Project Operating Deficiency. Such Consultant shall be unaffiliated with Operator and must be approved in advance by HUD and Lender. HUD and Lender shall not unreasonably withhold or delay their approval of the Consultant.

(d) If Operator fails to select and engage a Consultant within ten (10) days after Operator’s receipt of such notice and request by Lender, HUD and/or the Lender may select and engage a Consultant and give notice of the same to Operator. Operator shall be responsible for the payment of all reasonable fees and expenses which such Consultant incurs in carrying out its duties with respect to the Project.

UNOFFICIAL COPY

(e) Consultant shall review the management of the Project, make recommendations to Operator for the correction of the Project Operating Deficiency and, subject to applicable Legal Requirements governing the confidentiality of patient records, have complete access to the Project and its records, offices and facilities in order to carry out its duties under such engagement. Operator shall instruct Consultant to prepare and deliver to HUD, the Lender and Operator a written report of Consultant's recommendations within thirty (30) days after its engagement.

(f) Operator shall promptly implement any and all reasonable recommendations made by Consultant in order to promptly correct or cure the Project Operating Deficiency; provided, however, that in no event shall Operator implement any recommendation that would constitute a violation of applicable Legal Requirements or would otherwise constitute a default under the Loan Documents unless HUD and the Lender consent in writing to such recommendation. HUD and Lender may give or withhold their consent in their sole and absolute discretion. Nothing herein shall impose any liability or obligation on HUD or the Lender to (a) request the appointment of a Consultant or (b) otherwise remedy such Project Operating Deficiency, nor shall anything in this Section 3 cause HUD or the Lender to be deemed the operator of the Healthcare Facility.

4. ~~INTENTIONALLY OMITTED.~~

5. Release of a Project from Master Lease.

Upon the occurrence of any of the following events, the Lender and HUD shall consent to: (a) termination of the Operator Regulatory Agreement and the Master Tenant Regulatory Agreement related to the applicable Project; (b) release of the Project from the Master Lease; and (c) termination, amendment, and/or assignment of the Sublease (collectively, a "**Master Lease Release**"):

(i) the bona fide sale or assignment by Landlord to a third party which is not an Affiliate of Landlord of the interests of Landlord in the Project;

(ii) the bona fide sale or assignment by Operator to a third party which is not an Affiliate of Operator of the interests of Operator in the Project;

(iii) the payment in full of the Loan; or

(iv) any date upon which either (1) the contract of mortgage insurance is no longer in effect with regard to the Loan, or (2) HUD is no longer the owner, holder or insurer of the Loan;

provided, that:

(1) each such preceding event is subject to consent by Lender and HUD to the extent set forth in the Loan Documents and Program Obligations;

(2) each such preceding event may be subject to the rights of Borrower, Master Tenant, and Operator, as applicable, pursuant to the Master Lease and/or Sublease;

UNOFFICIAL COPY

- (3) the Lender and HUD receive a written application of Master Tenant and/or Operator, as applicable, for each such release (each, a “**Release Application**”); and
- (4) the following conditions are satisfied:
- (A) the Lease Coverage Ratio with respect to the healthcare facilities that will remain subject to the Master Lease after such Master Lease Release is at least 1.45 to 1.00 as of the date the Lender receives a Release Application, subject to HUD’s right to reduce the required Lease Coverage Ratio;
- (B) in connection with subsections (i) and (ii) above, the purchaser or assignee of the interests of the Landlord or Operator in the Project obtains previous participation clearance and completes the documents required by Program Obligations; and
- (C) in connection with subsections (i) and (ii) above, HUD reasonably approves the purchaser or assignee of the interests of the Operator in the Project as a qualified operator of the Healthcare Facility in accordance with Program Obligations, including without limitation HUD’s normal and customary criteria applied in evaluating the experience, reputation, litigation and claims history, insurability, and financial strength of a proposed operator of the Healthcare Facility.

6. Lender’s Right to Cure.

(a) Master Tenant and Operator hereby each agrees that it will not exercise any right granted to them under the Master Lease and Sublease, respectively, or which it might otherwise have under applicable law, to terminate the Master Lease on account of a default of Borrower, or to terminate the Sublease as a result of a default of Master Tenant, or the occurrence of any other event, without first giving to Lender prior written notice of its intent to terminate, which notice shall include a statement of the default or event on which such intent to terminate is based.

Thereafter, Master Tenant shall not take any action to terminate the Master Lease, and Operator shall not take any action to terminate the Sublease, if Lender (i) within thirty (30) days after such notice, shall cure such default or event if the same can be cured by the payment or expenditure of money, or (ii) shall diligently take action to obtain possession of the Project (including possession by receiver) and to cure such default or event in the case of a default or event which cannot be cured unless and until Lender has obtained possession, but in no event to exceed one hundred eighty (180) days after such written notice to Lender by Master Tenant or Operator of its intention to terminate.

Notwithstanding any other provision of this Agreement, in no event shall Master Tenant declare a default of the Master Lease against Borrower if Master Tenant is affiliated with Borrower, nor shall Operator declare a default of the Sublease against Master Tenant if Operator is affiliated with Master Tenant, unless either is requested to do so by HUD.

(b) For the purposes of facilitating Lender’s rights hereunder, Lender shall have, and for such purposes is hereby granted by Borrower, Master Tenant and Operator, the right to enter upon the Project thereon for the purpose of affecting any such cure.

UNOFFICIAL COPY

(c) Master Tenant and Operator each hereby agrees to give to Lender concurrently with the giving of any notice of default under the Master Lease or Sublease, a copy of such notice by mailing the same to Lender in the manner set forth hereinbelow, and no such notice given to Borrower or Master Tenant which is not at or about the same time also given to Lender shall be valid or effective against Lender for any purpose.

7. INTENTIONALLY OMITTED.

8. Subject to the terms and conditions of this Agreement, the Master Lease and Sublease and all estates, rights, options, liens and charges therein contained or created under the Master Lease and Sublease are and shall be subject and subordinate to the lien or interest of (a) the Security Instrument on the Landlord's interest in the Project in favor of Lender, its successors and assigns insofar as it affects the real and personal property comprising the Project, and to all renewals, modifications, consolidations, replacements and extensions thereof, and to all advances made or to be made thereunder, to the full extent of amounts secured thereby and interest thereon, (b) the Borrower Regulatory Agreement, (c) the Master Tenant Regulatory Agreement, (d) the Operator Regulatory Agreement, and (e) any security agreements entered into by Master Tenant and/or Operator relating to the Project. The parties to the Master Lease and Sublease agree to execute and deliver to Lender and/or HUD such other instrument or instruments as the Lender and/or HUD, or their respective successors or assigns, shall reasonably request to effect and/or confirm the subordination of the Master Lease and Sublease to the lien of the Security Instrument and the above-described Regulatory Agreements and security agreements.

9. Notices. All notices, demands and other communications ("Notice") under or concerning this Agreement shall be in writing. Each Notice shall be addressed to the intended recipients at their respective addresses set forth herein, and shall be deemed given on the earliest to occur of (1) the date when the Notice is received by the addressee; (2) the first or second Business Day after the Notice is delivered to a recognized overnight courier service, with arrangements made and payment of charges for next or second Business Day delivery, respectively; or (3) the third Business Day after the Notice is deposited in the United States mail with postage prepaid, certified mail, return receipt requested.
