Borrower understands and acknowledges that, if Borrower has a pay option adjustable rate mortgage loan, upon modification, the minimum monthly payment option, the interest-only or any other payment options will no longer be offered and that the monthly payments described in the above payment schedule for the modified loan will be the minimum payment that will be due each month for the remaining term of the loan. Borrower further understands and acknowledges that the modified loan will not have a negative amortization feature that would allow the Borrower to pay less than the interest due resulting in any unpaid interest to be added to the outstanding principal balance.

2. Property Transfer/Sale. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by the Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by the Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice or demand on Borrower.

3. Covenants/Agreements/Requirements. Borrower also will comply with all other covenants, agreements, and requirements of the Security Instrument, including without limitation, the Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that Borrower is obligated to make under the Security Instrument; however, the following terms and provisions are forever canceled, null and void, as of the specified date in paragraph No. 1 above:

- (a) all terms and provisions of the Note and Security Instrument (if any) providing for, implementing, or relating to, any change or adjustment in the rate of interest payable under the Note; and
- (b) all terms and provisions of any adjustable rate rider, where applicable, or other instrument or document that is affixed to, wholly or partially incorporated into, or is part of, the Note or Security Instrument and that contains any such terms and provisions as those referred to in (a) above;

4. Miscellaneous Provisions. Borrower understands and agrees that:

- (a) All the rights and remedies, stipulations, and conditions contained in the Security Instrument relating to default in the making of payments under the Security Instrument shall also apply to default in the making of the modified payments hereunder.
- (b) All covenants, agreements, stipulations, and conditions in the Note and Security Instrument shall be and remain in full force and effect, except as herein modified, and none of the Borrower's obligations or liabilities under the Note and Security Instrument shall be diminished or released by any provisions hereof, nor shall this Agreement in any way impair, diminish, or affect any of Lender's rights under or remedies on the Note and Security Instrument, whether such rights or remedies arise thereunder or by operation of law. Also, all rights of recourse to which Lender is presently entitled against any property or any other persons in any way obligated for, or liable on, the Note and Security Instrument are expressly reserved by Lender.
- (c) Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the Note and Security Instrument.
- (d) All costs and expenses incurred by Lender in connection with this Agreement, including recording fees, title examination, and attorney's fees, shall be paid by the Borrower and shall be secured by the Security Instrument, unless stipulated otherwise by Lender.
- (e) Borrower agrees to make and execute such other documents or papers as may be necessary or required to effectuate the terms and conditions of this Agreement which, if approved and accepted by Lender, shall bind and inure to the heirs, executors, administrators, and assigns of the Borrower.
- (f) That, as of the Modification Effective Date, if any provision in the Note or in any addendum or amendment to the Note allowed for the assessment of a penalty for full or partial prepayment of the Note, such provision is null and void.

(g) Borrower will cooperate fully with Lender in obtaining any title endorsement(s), or similar title insurance product(s), and/or subordination agreement(s) that are necessary or required by the Lender's procedures to ensure that the modified mortgage loan is in first lien position and/or is fully enforceable upon modification and that if, under any circumstance and not withstanding anything else to the contrary in this Agreement, the Lender does not receive such title endorsement(s), title insurance product(s) and/or subordination agreement(s), then the terms of this Agreement will not become effective on the Modification Effective Date and the Agreement will be null and void.

(h) Borrower agrees that if any document related to the Loan Documents and/or this Agreement is lost, misplaced, misstated, inaccurately reflects the true and correct terms and conditions of the loan as modified, or is otherwise missing, Borrower will comply with the Lender's request to execute, acknowledge, initial and deliver to the Lender any documentation the Lender deems necessary. If the original promissory note is replaced, the Lender hereby indemnifies Borrower against any loss associated with a demand on the original note. All documents the Lender requests of Borrower under this paragraph 4 (h) shall be referred to as "Documents." Borrower agrees to deliver the Documents within ten (10) days after Borrower receives Lender's written request for such replacement.

(i) This Agreement is not binding until it is fully executed by the Borrower and the Lender.
