TO HAVE AND TO HOLD the Leases and the properties, rights and privileges hereby assigned, and in which a security interest is granted, or intended so to be, unto Assignee, its successors and assigns, forever; *provided, however*, that this Assignment is upon the express condition that if the Secured Indebtedness shall be fully paid and performed and all commitments contained in the Loan Documents to extend credit thereunder shall have terminated, then this Assignment and the estate and rights hereby granted shall cease and this Assignment shall be released by Assignee upon the written request and at the expense of Assignor, otherwise to remain in full force and effect.

This Assignment is given to secure, among other things, future advances made or to be made under a line of credit and/or arising out of draws made or to be made under letter(s) of credit and shall secure not only presently existing Secured Indebtedness under the Loan Documents but also future advances, whether such advances are obligatory or to be made at the option of Assignee, or otherwise, as are made within 20 years from the date hereof, to the same extent as if such future advances were made on the date of the execution of this Assignment, although there may be no advance made at the time of execution of this Assignment and although there may be no Secured Indebtedness outstanding at the time any advance is made. The lien of this Assignment shall be valid as to all Secured Indebtedness, including future advances, from the time of its filing for record in the recorder's office in the county in which the premises are located. The total amount of Secured Indebtedness may increase or decrease from time to time, but the total unpaid balance of Secured Indebtedness (including disbursements which Assignee may make under the Mortgage, the Loan Documents or any other documents related thereto) at any one time outstanding shall not exceed a maximum principal amount of Thirty Nine Million Seven Hundred Thousand and 00/100ths Dollars (\$39,700,000.00) plus interest thereon, all fees, costs and expenses payable thereunder, and all disbursements made for payment of taxes, special assessments or insurance on the premises and interest on such disbursements (all such indebtedness being hereinafter referred to as the "*maximum amount secured hereby*"). This Assignment shall be valid and have priority over all subsequent liens and encumbrances, including statutory liens, excepting solely taxes and assessments levied on the premises, to the extent of the maximum amount secured hereby.

Assignor hereby covenants and agrees with Assignee as follows:

1. *Payment of the Secured Indebtedness.* The Secured Indebtedness will be promptly paid as and when the same becomes due.

2. *Power of Attorney.* Assignor does hereby irrevocably constitute and appoint Assignee the true and lawful attorney of Assignor with full power of substitution for Assignor and in Assignor's name, place and stead to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all sums due or to become due under any Lease, with full power to settle, adjust or compromise any claim thereunder as fully as Assignor could do, and to endorse the name of Assignor on all commercial paper given in payment or in part payment thereof, and in Assignee's discretion to file any claim or take any other action or proceeding, either in Assignee's name or in the name of Assignor or otherwise, which Assignee may deem necessary or appropriate to protect and preserve the right, title and interest of Assignee in and to such sums and the security intended to be afforded hereby.

3. *No Encumbrances.* Assignor warrants to Assignee that Assignor has good right to make this Assignment and that Assignor has not heretofore alienated, assigned, pledged or otherwise disposed of any of the rights, rents and other sums due or which may hereafter become due and which are intended to be assigned hereunder.

4. *Collection of Rents.* This Assignment includes and establishes a present absolute and primary transfer and assignment of all rents, earnings, income, issues and profits of the premises, but so long as no event of default shall exist under the Loan Documents and no event shall exist which by lapse of time or service of notice, or both, has or would become an event of default thereunder, Assignor shall have the right and license to collect, use and enjoy all rents and other sums due or to become due under and by virtue of any Lease as they respectively become due, but not more than thirty (30) days in advance and, except as otherwise provided for herein, to enjoy all of the rights and privileges of the lessor under each Lease, including, without limitation, the right to enforce the obligations of any lessee under any Lease.

5. *Tenant Notices.* Assignor hereby irrevocably consents to and authorizes and directs that the lessee or tenant or other obligor under any Lease upon demand and notice from Assignee of Assignee's right to receive rents and other sums hereunder, shall pay such rents and other sums to Assignee without any obligation on the part of such lessee or tenant or other obligor to determine the actual existence of any default or event claimed by Assignee as the basis for Assignee's right to receive such rents or other sums and notwithstanding any notice from or claim of Assignor or any of them to the contrary. Assignor hereby waives any right or claim against any lessee or tenant or other obligor for any such rents and other sums paid by lessee or tenant or other obligor to Assignee.

6. *Remedies.* Without limiting any legal rights of Assignee as the absolute assignee of the rents, issues and profits of the premises and in furtherance thereof, Assignor agrees that in the event of default under any Loan Document, whether before or after the Secured Indebtedness is declared due in accordance with its terms and whether before or after satisfaction of any requirement of the lapse of time or the giving of notice or both on which acceleration after default may be conditioned, Assignee may, at its option, to the extent permitted by applicable law, (i) take actual possession of the premises hereinabove described, or of any part thereof, personally or by agent or attorney, as for condition broken, and with or without force and with or without process of law, enter upon, take, and maintain possession of all or any part of said premises together with all documents, books, records, papers and accounts relating thereto, and exclude Assignor, its agents or servants, therefrom and hold, operate, manage and control the premises, and at the expense of Assignor, all of which to constitute Secured Indebtedness hereunder, from time to time, cause to be made all necessary or proper repairs, renewals, replacements, useful alterations, additions, betterments and improvements to the premises as may seem judicious, and pay taxes, assessments and prior or proper charges on the premises, or any part thereof, and insure and reinsure the same, and lease the premises in such parcels and for such times and on such terms as Assignee may deem fit, including leases for terms expiring beyond the maturity of the Secured Indebtedness, and cancel any lease or sublease for any cause or on any ground which would entitle Assignor to cancel the same, and in every such case have the right to manage and operate the premises and to carry on the business thereof as Assignee shall deem proper, (ii) with or without taking possession of the premises, proceed to enforce the

Leases and collect all sums due or to become due thereunder and by so doing Assignee shall not be deemed a Assignee in possession nor to have assumed or become responsible or liable for any obligations of Assignor arising thereunder or in respect thereof, and (iii) have a receiver appointed of all or any portion of the premises and the rents, issues, and profits thereof, with such power as the court making such appointment shall confer, and Assignor hereby consents to the appointment of such receiver and shall not oppose any such appointment.

7. *Application of Sums Received.* Any sums received by Assignee under or by virtue of this Assignment shall be applied to the payment of or on account of the following in such order and manner as Assignee may elect:

(a) to the payment of all proper charges and expenses, including the just and reasonable compensation for the services of Assignee, its attorneys, agents, clerks, servants and others employed in connection with the operation, management and control of the premises and the conduct of the business thereof and, if Assignee shall elect, to the establishment of a reserve which shall be sufficient in Assignee's judgment to indemnify it against any liability, loss or damage on account of any matter or thing done in good faith and in pursuance of the rights and powers contained herein;

(b) to the payment of any sum secured by a lien or encumbrance upon the premises;

(c) to the cost of completing any improvements being constructed on or about the premises; and

(d) to the reduction of the Secured Indebtedness, whether or not the same may then be due or be otherwise adequately secured.

The manner of application of such sums and the items which shall be credited or paid out of same shall be within the sole discretion of Assignee and nothing herein contained shall obligate Assignee to use any such sums for a purpose other than reducing the Secured Indebtedness unless it shall elect so to do. Assignee shall be subrogated to any lien discharged out of the rents, income and profits of the premises.

8. *Further Assurances.* Assignor hereby further covenants that Assignor will upon request of Assignee execute and deliver such further instruments and do and perform such other acts and things as Assignee may reasonably deem necessary or appropriate to more effectively vest in and secure to Assignee the rights and rents which are intended to be assigned to Assignee hereunder. Assignor irrevocably waives any right it now or hereafter may have to offset any claim or liability owing from any it to any obligor on a Lease against sums due or to become due from such obligor under a Lease.

9. *Covenants of Assignor.* Assignor covenants and agrees to observe and perform all of the obligations imposed on it under the Leases and not to do or permit to be done anything to impair the security thereof, not to execute any Lease on terms and conditions less satisfactory to the lessor than are usual and customary in leases with a similar term and for similar types of

space in the general market area where the premises is located, not to further assign or encumber its rights under the Leases or its rights to the rents or other sums due or to become due thereunder and not suffer or permit any of the Leases to be subordinated to any other liens or encumbrances whatsoever, any such subordination to be null and void unless done with the written consent of Assignee. Assignor further covenants and agrees not to amend, modify or terminate any of the Leases without the prior written consent of Assignee, *provided* that unless and until an event of default or any event which with the lapse of time, the giving of notice, or both would constitute such an event of default has occurred under the terms of any Loan Document, Assignor may enter into amendments and modifications to Leases which do not adversely affect the security thereof and may terminate Leases if substantially concurrent with such termination, it shall have entered into a new Lease of the space which was the subject of the terminated Lease upon terms and conditions no less beneficial to it than those contained in the terminated Lease and with a lessee of at least equal creditworthiness to the terminated lessee. Assignor further covenants and agrees that it will, at the request of Assignee, submit the executed originals of all Leases to Assignee.

10. *No Obligations of Assignee.* The acceptance by Assignee of this Assignment, with all of the rights, powers, privileges and authority so created, shall not, prior to entry upon and taking of actual physical possession of the premises by Assignee, be deemed or construed to constitute Assignee a mortgagee in possession nor impose any obligation whatsoever upon Assignee, it being understood and agreed that Assignee does not hereby undertake to perform or discharge any obligation, duty or liability of the landlord under any Leases or under or by reason of this Assignment. Assignee shall have no liability to Assignor or anyone for any action taken or omitted to be taken by it hereunder, except for its gross negligence or willful misconduct. Should Assignee incur any liability, loss or damage under or by reason of this Assignment or for any action taken by Assignee hereunder, or in defense against any claim or demand whatsoever which may be asserted against Assignee arising out of any Lease, the amount thereof, including costs, expenses and reasonable attorneys' fees, together with interest thereon at the Reimbursement Rate (as defined in the Mortgage), shall be secured by this Assignment, and Assignor shall reimburse Assignee therefore immediately upon demand, Assignor obligation to so pay to survive payment of the Secured Indebtedness and the release of this Assignment.

11. *Assignee's Remedies Cumulative; No Waiver.* The rights and remedies of Assignee hereunder are cumulative and are not secondary to or in lieu of but are in addition to any rights or remedies which Assignee shall have under the other Loan Documents, or any other instrument or document or under applicable law and the exercise by Assignee of any rights and remedies herein contained shall not be deemed a waiver of any other rights or remedies of Assignee, whether arising under the other Loan Documents or otherwise, each and all of which may be exercised whenever Assignee deems it in its interest to do so. The rights and remedies of Assignee may be exercised from time to time and as often as such exercise is deemed expedient and the failure of Assignee to enforce any of the terms, provisions and conditions of this Assignment for any period of time, at any time or times, shall not be construed or deemed to be a waiver of any rights under the terms hereof. The right of the Assignee to collect and receive the rents assigned hereunder or to exercise any of the rights or powers herein granted to the Assignee shall, to the extent not prohibited by law, extend also to the period from and after the filing of

any suit to foreclose the lien of the Mortgage, including any period allowed by law for the redemption of the premises after any foreclosure sale.

12. *Direct and Primary Security; Liens Absolute.* The lien and security interest herein created and provided for stand as direct and primary security for all of the Secured Indebtedness. No application of any sums received by Assignee in respect of the Leases or other collateral hereunder to the reduction of the Secured Indebtedness or any part thereof shall in any manner entitle Assignor to any right, title or interest in or to the Secured Indebtedness or any collateral or security therefor, whether by subrogation or otherwise, unless and until all Secured Indebtedness has been fully paid and satisfied and all commitments of Assignee to extend credit to Assignor or to Borrower shall have expired. Assignor acknowledges and agrees that the lien and security interest hereby created and provided for are absolute and unconditional and shall not in any manner be affected or impaired by any acts or omissions whatsoever of Assignee or any other holder of any of the Secured Indebtedness, and without limiting the generality of the foregoing, the lien and security hereof shall not be impaired by any acceptance by Assignee or any other holder of any of the Secured Indebtedness of any other security for or guarantors upon any of the Secured Indebtedness or by any failure, neglect or omission on the part of Assignee or any other holder of any of the Secured Indebtedness to realize upon or protect any of the Secured Indebtedness or any collateral or security therefor. The lien and security interest hereof shall not in any manner be impaired or affected by (and Assignee, without notice to anyone, is hereby authorized to make from time to time) any sale, pledge, surrender, compromise, settlement, release, renewal, extension, indulgence, alteration, substitution, exchange, change in, modification or disposition of any of the Secured Indebtedness, or of any collateral or security therefor, or of any guaranty thereof, or of any instrument or agreement setting forth the terms and conditions pertaining to any of the foregoing. Assignee may at its discretion at any time grant credit to Borrower without notice to Assignor in such amounts and on such terms as Assignee may elect (all of such to constitute additional Secured Indebtedness) without in any manner impairing the lien and security interest created and provided for herein. In order to realize hereon and to exercise the rights granted Assignee hereby and under applicable law, there shall be no obligation on the part of Assignee or any other holder of any of the Secured Indebtedness at any time to first resort for payment to Borrower or to any guaranty of any of the Secured Indebtedness or any portion thereof or to resort to any other collateral, security, property, liens or any other rights or remedies whatsoever, and Assignee shall have the right to enforce this Assignment irrespective of whether or not other proceedings or steps seeking resort to or realization upon or from any of the foregoing are pending.

13. *Notices.* All communications provided for herein shall be in writing and shall be deemed to have been given when delivered personally or mailed by first class mail, postage prepaid, addressed to the parties hereto at their addresses as shown at the beginning of this Assignment or to such other and different address as Assignor or Assignee may designate pursuant to a written notice sent in accordance with the provisions of this Section.

15. *Partial Invalidity.* All rights, powers and remedies provided herein are intended to be limited to the extent necessary so that they will not render this Assignment invalid, unenforceable or not entitled to be recorded, registered or filed under any applicable law. If any term of this Assignment shall be held to be invalid, illegal or unenforceable, the validity and enforceability of the other terms of this Assignment shall in no way be affected thereby.

16. *Successors and Assigns.* This Assignment shall be assignable by Assignee and all of the terms and provisions hereof shall be binding upon and inure to the benefit of the respective executors, administrators, legal representatives, successors and assigns of each of the parties hereto. All provisions hereof are severable and if any provisions hereof shall be invalid or unenforceable, the validity and enforceability of the remaining provisions hereof shall in no way be affected thereby. If more than one party signs this instrument as Assignor, then the term "Assignor" as used herein shall mean all of such parties, jointly and severally.

17. *Headings.* The headings in this Assignment are for convenience of reference only and shall not limit or otherwise affect the meaning of any provision hereof.
