2. **Principal Amount.** The “Face Amount” of this Certificate equals the sum of Thirty-Seven-Thousand-Six-Hundred-Thirty-Nine and 34/100 Dollars (\$37,639.34) and shall be increased by the attorneys’ fees and costs incurred by Holder arising from and/or related to attempts to collect the Principal Balance (as defined below) of this Certificate, including, but not limited to, attorneys’ fees and costs incurred by Holder with respect to an action seeking to foreclose the lien upon the Properties and rents and issues thereof, relating to this Certificate. The “**Principal Balance**” of this Certificate equals the sum of the Face Amount, all interest accrued thereon and other sums payable to Holder as provided in this Certificate.
3. **Interest Rate.** Interest shall accrue and be payable on the Principal Balance of this Certificate from and including the Effective Date (hereinafter defined) to and including the ninetieth (90th) day following the Effective Date (the ninetieth (90th) day following the Effective Date being herein the “**Maturity Date**”; the period of time from and after the Effective Date through and including the Maturity Date is sometimes referred to herein as the “**Term**”) at a rate and in the aggregate amount of: the Principal Balance multiplied by the sum of seven hundred fifty (750) basis points plus one-fourth (1/4) the Prime Rate (hereinafter defined) in effect on the Effective Date (the sum of the foregoing

UNOFFICIAL COPY

being herein the “**Initial Interest**”), notwithstanding the number of days the Principal Balance of this Certificate is outstanding during the Term. The Initial Interest is minimum earned interest on the Principal Balance for any period of time outstanding on or before the Maturity Date. From and including the first calendar day immediately following the Maturity Date to and including the date that the Principal Balance of this Certificate is paid in full, interest shall accrue and be payable on the Principal Balance of this Certificate at a monthly floating rate equal to the sum of the one hundred fifty (150) basis points plus one twelfth (1/12) the Prime Rate (hereinafter defined) (the sum of the foregoing being herein the “**Default Interest Rate**”) with each change in the Default Interest Rate taking effect simultaneously with the change in the Prime Rate. For purposes of this Certificate, the term “**Prime Rate**” means the annual rate of interest publicly announced from time to time by Bank of America, N.A., or its successors or assigns (“**Bank**”), as its prime rate. Any such rate is a general reference rate of interest, may not be related to any other rate, and may not be the lowest or best rate actually charged by the Bank to any customer or a favored rate and may not correspond with future increases or decreases in interest rates charged by other lenders or market rates in general, and the Bank may make various business or other loans at rates of interest having no relationship to such rate. Any change in the Prime Rate shall take effect at the opening of business on the day specified in the public announcement of a change in the Bank’s Prime Rate. If the Bank ceases to exist or to establish or publish a prime rate from which the Prime Rate is then determined, the applicable variable rate from which the Prime Rate is determined thereafter shall be instead the prime rate reported in The Wall Street Journal (or the average prime rate if a high and a low prime rate are therein

UNOFFICIAL COPY

reported), and the Prime Rate shall change without notice with each change in such prime rate as of the date such change is reported.

4. **Computation of Interest.** Interest at the Default Interest Rate shall be computed on the Principal Balance evidenced hereby outstanding from time to time, on the basis of a three hundred sixty (360) day year, but shall be charged for the actual number of days within the period for which interest is being charged. Any sum advanced by the Holder that increases the Principal Balance shall be deemed to have been disbursed as of, and shall bear interest from, the date of payment.
5. **Application of Payment.** The Principal Balance of this Certificate shall be increased by all unpaid interest and all other sums due hereunder and may be repaid in part or in whole at any time. All such payments on account of this Certificate shall be made by bank check, wire transfer or other certified funds to the Holder, and shall be applied first to interest on the unpaid Principal Balance at the applicable rate(s) herein provided, second to all other sums due Holder hereunder and the remainder to reduce the unpaid Principal Balance hereof.
6. **Negotiable Instrument; Notice of Lien.** Pursuant to 65 ILCS 5/11-31-2(a), this Certificate shall be freely transferable and when sold or transferred by the Receiver in return for a valuable consideration in money, material, labor or services, shall be a first lien upon the Properties and the rents and issues thereof, and shall be superior to all prior assignments of rents and all prior existing liens and encumbrances, except taxes; provided, that within 90 days of such sale or transfer for value by the Receiver of this Certificate, the Holder thereof shall file notice of lien in the office of the recorder in the county in which the Properties are located, or in the office of the registrar of titles of such

UNOFFICIAL COPY

county if the Properties affected are registered under the Registered Titles (Torrens) Act. The notice of the lien filed shall set forth (1) a description of the Properties affected sufficient for the identification thereof, (2) the face amount of the Certificate, together with the interest payable thereon, and (3) the date when the Certificate was sold or transferred for value by the Receiver. The Principal Balance shall be increased by the attorneys' fees and costs related to preparing and recording the notice of the lien.

7. **Release of Lien; Enforcement.** Upon payment to the Holder of the Certificate of the Principal Balance, and upon the filing of record of a sworn statement of such payment, the lien of this Certificate shall be released. Unless the lien is enforced pursuant to 65 ILCS 5/11-31-2(b), the lien may be enforced, subject to 65 ILCS 5/11-31-2(b) by proceedings to foreclose as in the case of mortgages or mechanics' liens, and such action to foreclose such lien may be commenced. In the event the Principal Balance is not paid in full to Holder on or before the Maturity Date, or if Holder incurs any expenses or costs in connection with the protection or realization of any collateral, whether or not suit is filed thereon or on any instrument granting a security interest in said collateral, the Principal Balance shall be increased by all costs of collection of every kind, including but not limited to all appraisal costs, attorneys' fees, court costs, and expenses of every kind, incurred by Holder in connection with such collection or the protection or enforcement of any or all of the security for this Certificate, whether or not any lawsuit is filed with respect thereto.
8. **Insurance; Real Estate Taxes.** Holder may do such acts as may be required to pay past due real estate taxes and obtain and maintain such insurance policies as determined in Holder's sole discretion as reasonably necessary to protect Holder's interest with respect

UNOFFICIAL COPY

to this Certificate and any collateral for which secures this Certificate, including, but not limited to first mortgage insurance on the Certificate from an agency of the federal government, liability insurance, title insurance, and casualty insurance. The Principal Balance shall be increased by the costs incurred to purchase any such real estate taxes and insurance policy.

9. **Appointment of Receiver or Holder in Possession.** Upon, or at any time after, the commencement of an action to foreclose the Lien, the court may, upon request of Holder, appoint a receiver of the Properties either before or after foreclosure sale, without notice and without regard to the solvency or insolvency of any party with an interest in the Properties at the time of application for such receiver and without regard to the then value of the Properties or whether the same shall be then occupied as a homestead or not; and Holder may be appointed as such receiver or as Holder in possession (to the same effect as a mortgagee in possession). Such receiver or Holder in possession shall have power to collect the rents, issues and profits of the Properties during the pendency of such foreclosure action and, in case of a sale and deficiency, during the full statutory period of redemption (if any), whether there be redemption or not, as well as during any further times (if any) when any party with an interest in the Properties, except for the intervention of such receiver or Holder in possession, would be entitled to collect such rents, issues and profits, and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the premises during the whole of said period. The court from time to time may authorize the receiver or Holder in possession to apply the income in its hands in payment in whole or in part of: (a) the Principal Balance secured by the Lien or by any order or judgment

foreclosing the Lien of this Certificate; and (b) the deficiency in case of a sale and deficiency.

10. **Effective Date.** The "Effective Date" of this Certificate is Aug 12, 2014.
