TO HAVE AND TO HOLD the same unto Buyer, its successors and assigns, forever, subject to the terms, covenants, conditions and provisions of the Lease and the following restrictions and covenants:

1. From and after the Effective Date until December 31, 2030 ("Termination Date"), if motor fuel is stored, advertised or sold at or from the Premises, the motor fuel stored, advertised or sold shall be sold under the "Shell" trademark ("Brand Covenant"), all as more fully set forth in that certain Branding and Product Purchase Commitment Agreement dated as of the Effective Date, by and between Seller and Buyer ("Branding Agreement"). The Brand Covenant shall expire automatically on the Termination Date without need for filing a release, or other action of either Seller or Buyer. The Premises and every portion thereof shall be improved, held, used, occupied, leased, sold, hypothecated, encumbered and conveyed subject to the Brand Covenant. The Brand Covenant and the remedies for breach thereof, as provided in the Branding Agreement, shall run with the land, and pass with each and every portion of the Premises, and shall apply to and bind the respective successors, assigns and transferees and subsequent owners in interest thereof. The Brand Covenant is imposed upon the entire Premises.

2. The Right of First Refusal shall expire automatically on the Termination Date, without need for filing a release, or other action of either Seller or Buyer. The terms of the Right of First Refusal are set forth on "Exhibit A". Notwithstanding anything contained herein to the contrary, the Right of First Refusal shall not apply to a transfer of the Premises (or any portion thereof) (i) at a foreclosure sale or similar liquidation sale or (ii) by deed, transfer, assignment or other conveyance in-lieu of foreclosure (each a "Foreclosure Event") and a Foreclosure Event shall terminate the Right of First Refusal. Such grantee in a Foreclosure Event, whether the transferee is a mortgagee, a party claiming through a mortgagee, or a third party shall hereinafter be referred to as a "Foreclosure Grantee". For clarification purposes, a Foreclosure Event shall not terminate the Brand Covenant and such Brand Covenant shall continue to apply to a Foreclosure Grantee.

3. In the event Buyer has any obligations for and indemnities with respect to the environmental conditions, regulatory compliance requirements and demands, notices, or orders connected thereto arising by law or under the Purchase Agreement, as modified and amended, Buyer agrees to grant a right of access to the Premises to Seller pursuant to the terms of an Access Agreement. Each of these covenants shall run with the Premises, and pass with each and every portion of the Premises, and shall apply to and bind the respective successors in interest thereof.

7. All disputes between Seller and Buyer arising out of, relating to, or in connection with this Assignment, including, without limitation, any Claim or question relating to its negotiation, performance, non-performance, interpretation or termination, or the relationship between Seller and Buyer contemplated or established by this Assignment, shall be referred to and finally resolved pursuant to the dispute resolution provisions of Schedule B of the Purchase Agreement. Right of First Refusal

Until the Termination Date, if at any time, Buyer or any individual, corporation, partnership, joint venture, association, joint stock company, limited liability company, trust, estate, unincorporated organization, Governmental Entity or their successors in title or permitted assigns ("Person") owning the Premises other than a Person owning the Premises after the Premises has been released from the Brand Covenant pursuant to the Branding Agreement ("Premises Owner") (i) receives an acceptable bona fide offer to purchase or lease from a ready, willing, and able purchaser or lessee which Buyer or any Premises Owner desires to accept, or (ii) makes a bona fide offer to sell, lease or otherwise transfer to such a purchaser or lessee, or of Buyer's or any Premises Owner's right, title and interest in and to the Premises, or any interest therein ("Offer"), Buyer or such Premises Owner shall provide written notice to Seller, specifying the name and address of the buyer or lessee and the price and complete terms of the Offer, accompanied by Buyer's or any Premises Owner's affidavit that the proposed sale or lease transaction described in the Offer is in good faith. Seller will then have the prior option to purchase or lease the Premises at the price and on the terms of the Offer, but subject to the terms provided below.

Seller shall provide written notice to Buyer or such Premises Owner, as applicable, of Seller's election to exercise its Right of First Refusal within 30 days after Seller receives such Person's written notice of the Offer. Within 20 days after the date of the notice provided to such Person of Seller's election to exercise its Right of First Refusal, Seller shall designate a title company and provide written notice to such Person of the same. Such Person shall deposit with the title company a recordable special warranty deed or lease, as applicable, to Seller, in form satisfactory to Seller, for the Premises. Seller shall deposit with the title company any earnest money required by the Offer. Promptly thereafter, such Person shall (or Seller may), at Seller's expense, order from the title company a report on title to (or leasehold interest in) the Premises and a commitment for an owner's or lessee's (as applicable) policy of title insurance. Upon written notice from Seller to such Person and the title company that title is acceptable, the title company shall deliver to Seller the deed or lease executed by such Person, together with the owner's or lessee's (as applicable) policy of title insurance, against payment by Seller of the purchase price (which shall include payment of any costs, fees, expenses, documentary, transfer and like taxes required to be paid by Seller), less any earnest money, as such allocation of costs, fees and expenses may be set forth in the Offer. Thereafter, the title company shall deliver to such Person the purchase price required by the Offer less the amount of any liens accepted by Seller and less the amount of any and all costs, fees, expenses, documentary, transfer and like taxes required to be paid by such Person as set forth in the Offer. Taxes and rent will be prorated as of the date of delivery of the deed (or the assignment of lease, as applicable) from the title company to the Seller. Upon receipt from Seller of written notice that the title is not acceptable, Buyer or such Premises Owner, as applicable, shall use commercially reasonable efforts to cure such title objections by the closing, including, without limitation, insuring against or providing a bond or suitable escrow for, any lien or other encumbrance that represents a liquidated amount or sum of money. If such Person is unable to cure the title to Seller's satisfaction, Seller may elect not to purchase the Premises, in which case the title company shall return the deed (or assignment of lease) to such Person, and the earnest money to Seller. If Seller elects to not exercise its Right of First Refusal for any reason, Buyer or such Premises Owner, as applicable, may sell the Premises under the terms described in the notice of the Offer provided to Seller, provided, that such sale is concluded within ninety (90) days of Seller's election to not exercise its Right of First Refusal, otherwise the Premises shall again be subject

The Right of First Refusal runs with the land or leasehold interest, inures to the benefit of, and binds the respective successors in interest and assigns thereof.

The Right of First Refusal shall not apply to any lease or sublease by Buyer to any Person other than Seller or Buyer and their respective affiliates ("**Third-Party**") or other Person operating a retail motor fuel facility at the Premises using the "Shell" brand and any other trademark or distinctive name identifying branded fuel offered for resale at retail outlets approved by Seller (the "**Brand**") pursuant to a written agreement with Buyer or any affiliate of Buyer, provided, Buyer retains ownership and control of, and full contractual and regulatory responsibility for, the underground storage tanks, piping, leak detection devices and any related equipment, including "inground" hoists, direct and remote vapor and fill lines/buckets used for the storage and dispensing of petroleum products, used oil and/or heating oil, and other equipment related to the operation of a motor fuel service station which are, were or may be present on the Premises, not including any concrete or other slab or platform upon which such equipment may be stationed ("**UST System**") throughout the term of the lease or sublease with such Third-Party or Person and Buyer complies with the provisions of Section 9.6 (*Future Conveyances*) of the Purchase Agreement.
