**FINANCER'S RIGHT TO RECEIVE AND COLLECT RENTS.** Financier shall have the right at any time, and even through no default shall have occurred under this Assignment, to collect and receive the Rents. For this purpose, Financier is hereby given and granted the following rights, powers, and authority:

**Notice to Tenants.** Financier may send notices to any and all tenants of the Property advising them of this Assignment and directing all Rents to be paid directly to Financier or Financier's agent.

**Enter the Property.** Financier may enter upon and take possession of the Property; demand, collect and receive from the tenants or from any other persons liable therefore, all of the Rents; institute and carry on all legal proceedings necessary for the protection of the Property, including such proceedings as may be necessary to recover possession of the Property, collect the Rents and remove any tenant or tenants or other persons from the Property.

**APPLICATION OF RENTS.** All costs and expenses incurred by Financier in connection with the Property shall be for Grantor's account and Financier may pay such costs and expenses from the Rents. Financier, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Financier which are not applied to such costs and expenses shall be applied to the Indebtedness. All expenditures made by Financier under this Assignment and not reimbursed from the Rents shall become a part of the Indebtedness secured by this Assignment, and shall be payable on demand, or shall be treated as if a portion of the money paid towards the Grantor's Ijara Purchase Commitment had not been made and had instead paid for the expenditures.

**FULL PERFORMANCE.** If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Assignment, the Ijara Agreements, and the Related Documents, Financier shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Financier's security interest in the Rents and the Property. or any of Financer's property, or (C) by reason of any settlement or compromise of any claim made by Financer with any claimant (including without limitation Grantor), the Indebtedness shall be considered unpaid for the purpose of enforcement of this Assignment and this Assignment shall continue to be effective or shall be reinstated, as the case may be, notwithstanding any cancellation of this Assignment or of any note or other instrument or agreement evidencing the Indebtedness and the Property will continue to secure the amount repaid or recovered to the same extent as if that amount never had been originally received by Financer, and Grantor shall be bound by any judgment, decree, order settlement or compromise relating to the Indebtedness or to this Assignment.

**FINANCER'S EXPENDITURES.** If any action or proceeding is commenced that would materially affect Financer's interest in the Property or if Grantor fails to comply with any provision of this Assignment or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Assignment or any Related Documents, Financer on Grantor's behalf may (but shall not be obligated to) take any action that Financer deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Rents or the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenses will become a part of the Indebtedness and, at Financer's option, will (A) be payable on demand; (B) be added to the balance owing under the Ijara Agreements and be apportioned among and be payable with any installment payments to become due either (1) the term of any applicable insurance policy; or (2) the remaining term of the Ijara Agreements; or (C) be treated as a balloon payment which will be due and payable upon maturity of the Ijara Agreements. The Assignment also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Financer may be entitled upon Default.

**DEFAULT.** Each of the following, at Financer's option, shall constitute an Event of Default under this Assignment:

**Payment Default.** Grantor fails to make any payment when due under the Indebtedness.

**Other Defaults.** Grantor fails to comply with or to perform any other term, obligation, covenant or condition contained in this Assignment or in any of the Related Documents or to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Financer and Grantor.

**Default on Other Payments.** Failure of Grantor within the time required by this Assignment to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

**Default in Favor of Third Parties.** Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or Grantor's ability to perform Grantor's obligations under this Assignment or any of the Related Documents.

**False Statements.** Any warranty, representation or statement made or furnished to Financer by Grantor or on Grantor's behalf under this Assignment or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished or becomes false or misleading at any time thereafter.

**Defective Collateralization.** This Assignment or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

**Death or Insolvency.** The death of Grantor, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against the Rents or any property securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Financer. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and deposits with Financer monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Financer, in its sole discretion, as being an adequate reserve or bond for the dispute.

**Property Damage or Loss.** The Property is lost, stolen, substantially damaged, sold, or borrowed against.

**Events Affecting Guarantor.** Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the Indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness. In the event of a death, Financer, at its option, may, but shall not be required to, permit the guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Financer, and, in doing so, cure any Event of Default.

**Adverse Change.** A material adverse change occurs in Grantor's financial condition, or Financer believes the prospect of payment or performance of the Indebtedness is impaired.

**Insecurity.** Financer in good faith believes itself insecure.

**Cure Provisions.** If any default, other than a default in payment is curable and if Grantor has not been given a notice of a breach of the same provision of this Assignment within the preceding twelve (12) months, it may be cured if Grantor, after receiving written notice from Financer demanding cure of such default: (1) cures the default within seven (7) days; or (2) if the cure requires more than seven (7) days, immediately initiates steps which Financer deems in Financer's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

**RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Financer may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

**Accelerate Indebtedness.** Financer shall have the right at its option without notice to Grantor to declare the entire Indebtedness immediately due and payable.

**Collect Rents.** Financer shall have the right, without notice to Grantor, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Financer's costs, against the Indebtedness. In furtherance of this right, Financer shall have all the rights provided for in the Financer's Right to Receive and Collect Rents Section, above. If the Rents are collected by Financer, then Grantor irrevocably designates Financer as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Financer in response to Financer's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Financer may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

**Mortgagee/Owner in Possession.** Financer shall have the right to be placed as mortgagee/owner in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee/owner in possession or receiver may serve without bond if permitted by law. Financer's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Financer shall not disqualify a person from serving as a receiver.

**Other Remedies.** Financer shall have all other rights and remedies provided in this Assignment or the Ijara Agreements or by law.

**Election of Remedies.** Election by Financer to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Assignment, after Grantor's failure to perform, shall not affect Financer's right to declare a default and exercise its remedies.

**Attorneys' Fees; Expenses.** If Financer institutes any suit or action to enforce any of the terms of this Assignment, Financer shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon

any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Financer incurs that in Financer's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Financer's attorneys' fees and Financer's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law. Grantor also will pay any court costs, in addition to all other sums provided by law.

No delay or omission on the part of Financer in exercising any right shall operate as a waiver of such right or any other right. A waiver by Financer of a provision of this Assignment shall not prejudice or constitute a waiver of Financer's right otherwise to demand strict compliance with that provision or any other provision of this Assignment.
