Assignors hereby covenant and warrant to Assignee that Assignors have not executed any prior assignment of the Leases or Rents which shall be effective after the date hereof, other than to Assignee, nor have Assignors performed any act or executed any other instrument which might prevent Assignee from operating under any of the terms, provisions, covenants and conditions of this Assignment or which would limit Assignee in such operation.

THIS ASSIGNMENT is made on the following terms, provisions, covenants and conditions:

1. So long as there shall exist no uncured and continuing Event of Default, each Assignor shall have the right to collect at the time of, but not for more than one (1) month prior to, the date provided for the payment thereof, all Rents, and to retain, use and enjoy the same and to exercise all rights of the landlord under the Leases, subject to the express terms of this Assignment and the other Loan Documents. No Assignor shall take any action with respect to any Leases or Rents that is prohibited by the terms of the Loan Agreement including, without limitation, Section 4.14 thereof.

2. Following the occurrence and during the continuance of an Event of Default, to the extent permitted by applicable law, Assignee, without in any way waiving such Event of Default, at Assignee's option, without regard to the adequacy of the security for the Obligations, either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court, may take possession of the Premises (or any portion thereof) and have, hold, manage, lease and operate the same on such terms and for such period of time as Assignee may deem proper. Additionally, upon such occurrence and during the continuance of such Event of Default, Assignee, either with or without taking possession of the Premises (or any portion thereof) in Assignee's own name, may demand, sue for or otherwise collect and receive all Rents, including those past due and unpaid, with full power to make from time to time all alterations, renovations, repairs or replacements thereto or thereof as may seem proper to Assignee and to apply such Rents to the payment of: (a) all reasonable expenses of managing the Premises, including, without being limited thereto, the salaries, fees and wages of a managing agent and such other employees as Assignee may deem necessary or desirable and all expenses of operating and maintaining the Premises, including, without being limited thereto, all taxes, charges, claims, assessments, water rents, sewer rents and any other liens, and premiums for all insurance which Assignee may deem necessary or desirable, and the cost of all alterations, renovations, repairs or replacements and all expenses incident to taking and retaining possession of the Premises; and (b) the Obligations, together with all costs and attorneys' fees and disbursements, in such order of priority as to any of the items mentioned in this paragraph as Assignee, in Assignee's sole and absolute discretion, may determine, any statute, law, custom or use to the contrary notwithstanding. The exercise by Assignee of the option and other rights granted to Assignee in this paragraph and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver of any default by Assignors under this Assignment, the Leases, the Loan Agreement, the Note, the Mortgage or any other Loan Document. Furthermore, each Assignor agrees that the exercise by Assignee of one or more of Assignee's rights and remedies hereunder shall in no way be deemed or construed to make Assignee a mortgagee in possession.

3. Assignee shall not be liable for any loss sustained by Assignors resulting from Assignee's failure to let the Premises (or any portion thereof) after an Event of Default or from any other act or omission of Assignee either in collecting the Rents or, if Assignee shall have taken possession of the Premises (or any portion thereof), in managing the Premises (or any portion thereof) after an Event of Default. Further, Assignee shall not be obligated to perform or discharge, nor does Assignee hereby undertake to perform or discharge, any obligation, duty or liability under the Leases or under or by reason of this Assignment, and each Assignor shall, and does hereby agree to, indemnify Assignee for, and to hold Assignee harmless from and against, any and all liability, loss or damage which may or might be incurred under the Leases or under or by reason of this Assignment and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on Assignee's part to perform or discharge any of the terms, covenants or agreements contained in the Leases; provided, however, that Assignors shall not be liable for the payment of any such costs and expenses to the extent the same arise by reason of the gross negligence, illegal acts or willful misconduct of Assignee. Should Assignee incur any such liability under the Leases or under or by reason of this Assignment or in defense of any such claims or demands, the amount thereof, including, without limitation, costs, expenses and attorneys' fees and disbursements, shall be secured hereby and Assignors shall reimburse Assignee therefor within ten (10) days

following demand and upon the failure of Assignors so to do, Assignee may, at Assignee's option, declare the Obligations immediately due and payable. It is further understood that this Assignment shall not operate to place responsibility for the control, care, management or repair of the Premises (or any portion thereof) upon Assignee, nor for the carrying out of any of the terms, provisions, covenants and conditions of the Leases; nor shall this Assignment operate to make Assignee responsible or liable for any waste committed at the Premises by the tenants or any other parties, or for any dangerous or defective condition of the Premises (or any portion thereof), or for any negligence in the management, upkeep, repair or control of the Premises (or any portion thereof) resulting in loss or injury or death to any tenant, licensee, occupant, employee or stranger. Furthermore, each Assignor agrees that the exercise by Assignee of one or more of Assignee's rights and remedies hereunder shall in no way be deemed or construed to make Assignee a mortgagee in possession.

4. Upon payment in full of the Obligations and termination of Assignee's obligation to make any further loans under the Loan Agreement, this Assignment shall become and be null and void and of no effect but the affidavit, certificate, letter or statement of any officer, agent or attorney of Assignee showing any part of the Obligations to remain unpaid shall be and constitute evidence of the validity, effectiveness and continuing force of this Assignment and any person may, and is hereby authorized to, rely thereon. Each Assignor hereby authorizes and directs the lessees named in the Lease; or any other or future lessee, licensee or occupants of the Premises (or any portion thereof), upon receipt from Assignee of written notice to the effect that Assignee is then the holder of said Loan Agreement, the Note and Mortgage and that an Event of Default exists and is continuing thereunder or under this Assignment, to pay over to Assignee all Rents arising or accruing under its Lease and to continue so to do until otherwise notified by Assignee.

5. Assignee may take or release other security for the payment of the Obligations (or any portion thereof), may release any party primarily or secondarily liable therefor and may apply any other security held by Assignee to the satisfaction of the Obligations (or any portion thereof) without prejudice to any of Assignee's rights under this Assignment.

6. Each Assignor agrees that it shall, from time to time, upon demand therefor by Assignee, deliver to Assignee a certified true copy of each and every Lease then affecting all or any part of the Premises. Further, each Assignor agrees that it shall execute and record such additional assignments as Assignee may reasonably request covering any and all of the Leases. Such assignments shall be on forms approved by Assignee, and each Assignor agrees to pay all reasonable costs and expenses incurred by Assignee in connection with the examination of said Leases and the preparation, execution and recording of such assignments or any other related documents, including, without limitation, the reasonable fees and disbursements of Assignee's counsel and any recording charges.

7. Wherever used in this Assignment, the singular (including, without limitation, the term "**Lease**") shall include the plural, and the use of either gender shall apply to both genders.

8. Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the powers and rights granted to Assignee hereunder shall be deemed to be a waiver by Assignee of any of Assignee's rights and remedies hereunder or under the Loan Agreement,

the Note, the Mortgage or any other Loan Document. This Assignment is made and accepted without prejudice to any of such rights and remedies possessed by Assignee to collect the Obligations and to enforce any other security therefor held by Assignee, and said rights and remedies may be exercised by Assignee either prior to, simultaneously with, or subsequent to any other action taken by Assignee hereunder or thereunder.

9. All notices, demands or documents which are required or permitted to be given or served under this Assignment shall be given in the manner and to the parties as provided in the Loan Agreement.

10. This Assignment shall be construed without regard to any presumption or other rule requiring construction against the party causing this Assignment to be drafted.

11. This Assignment is expressly intended for the benefit and protection of Assignee, and all subsequent holders of the Note and Mortgage now held by Assignee and all persons holding a participating interest therein, and Assignors understand that this Assignment is a PRESENT ABSOLUTE ASSIGNMENT OF LEASES AND RENTS, subject only to the revocable license granted to Assignors under Section 1 hereof.

12. Upon payment in full of the Obligations, this Assignment shall become null and void and shall be of no further force and effect, and at Assignors' request and expense, Assignee shall promptly execute, acknowledge and deliver to Assignors a recordable form of termination of this Assignment, such termination to be in form and substance satisfactory to Assignee.
