3. The Owner acknowledges and agrees that any Improvement built in the public right-of-way is at risk of being removed or destroyed, and that no assurances of its protection can be given by the Village.

4. The Owner understands, acknowledges, and agrees that the Village assumes absolutely no responsibility for, or liability arising out of, the installation, care, operation, future maintenance, or repair of the Improvement.

5. The Owner understands and agrees that installation and existence of the Improvement within the public right-of-way shall not, in any way, interfere with the right of the Village, its contractors, or other utilities to excavate therein for repair, maintenance, or installation of any public service or utility, sidewalk, street, cable television, or for any other necessary public purpose. The installation and existence of the Improvement within the public right-of-way shall conform and be subject to the requirements of all applicable codes and ordinances of the Village.

6. The Owner understands and agrees that the Village and any utility will not, under any circumstance, maintain, repair, or replace any portion of said Improvement which might be subsequently damaged or removed by any work, accident, maintenance activity, or construction operation undertaken by the Village, its contractors, or other utilities, except to the extent such utility may be otherwise obligated by law or agreement to do so.

7. The Owner agrees to, and does hereby, release, hold harmless, and indemnify the Village, and all of its elected and appointed officials, officers, boards, commissions, employees, agents, representatives, engineers, and attorneys, from any claims, lawsuits, judgments, demands, damages, liabilities, losses, executions, debts, fines, penalties, and expenses, including administrative expenses and attorneys' fees (collectively "Claims"), that may arise or be alleged to have arisen, out of or in connection with the presence of the Improvement in the public right-of-way, whether or not due or claimed to be due in whole or in part to the active or passive presence or operation of the Improvement. The Owner shall, and does hereby agree to, pay all expenses, including attorneys' fees, court costs, and administrative expenses, incurred by the Village in defending itself with regard to any and all of the Claims mentioned in this Paragraph.

8. This Agreement shall run with the Property and shall be binding upon and inure to the benefit of the Owner of the Property, the Owner's successors, assigns, and grantees, and all parties claiming by, through, and under them. Enforcement of this Agreement may be sought by the Village by any proceeding at law or in equity against any person or persons violating or attempting to violate any provision, either to restrain violation, to compel affirmative action, or to recover damages, and against the Property to enforce any lien created by this Agreement.

9. This Agreement will become a permanent record in the file maintained by the Village on the Property, and shall be recorded, at the expense of the Owner, against the Property in the offices of the county Recorder of Deeds in the county in which the Property is located.
