No Requirement to Act. Creditor shall not be required to do any of the foregoing acts or things, and the fact that Creditor shall have performed one or more of the foregoing acts or things shall not require Creditor to any other specific act or thing.

Creditor, in its sole discretion, shall determine the application of any and all Rents received by it; however, any such Rents received by Creditor which are not applied to such costs and expenses shall be applied to the indebtedness. All expenditures made by Creditor under this Assignment and not reimbursed from the Rents shall become a part of the Indebtedness secured by this Assignment, and shall be payable on demand, with interest at the Note rate from date of expenditure until paid.

FULL PERFORMANCE. If Borrower pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Borrower under this Assignment, the Note, and the Related Documents, Creditor shall execute and deliver to Borrower a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Creditor's security interest in the Rents and the Property. CREDITOR'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Creditor's interest in the Property or if Borrower fails to comply with any provisions of this Assignment or any Related Documents, including (but not limited to) Borrower's failure to discharge or pay when due any amounts Borrower is required to discharge or pay under this Assignment or any Related Documents, Creditor on Borrower's behalf may (but shall not be obligated to) take any action that Creditor deems appropriate, including (but not limited to) discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Rents or the Property and paying all costs for insuring, maintaining and preserving the Property. Noted maturity. The Assignment also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Creditor may be entitled upon Default.

Payment Default. Borrower fails to make any payment when due under the Indebtedness.

Other Defaults. Borrower fails to comply with or perform any other term, obligation, covenant or condition contained in this Assignment or in any of the other Related Documents or to comply with or perform any term, obligation, covenant or condition contained in any other agreement between Creditor and Borrower.

Default on Other Payments. Failure of Borrower within the time required by this Assignment to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

Default in Favor of Third Parties. Any guarantor or Borrower defaults under any loan, extension or credit, security agreement, purchase or sale agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of any guarantor's or Borrower's property or ability to perform their respective obligations under this Assignment or any of the Related Document.

False Statements. Any warranty, representation or statement made or submitted to Creditor by Borrower or on Borrower's behalf under this Assignment or Related Documents is false or misleading in any material respect, either now or at the time made or submitted or becomes false or misleading at any time thereafter.

Defective Collateralization. This Assignment or any of the Related Documents ceases to be full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Creditor or Forfeiture Proceedings. Commencement of foreclosure or forfeiture proceedings, whether by judicial proceedings, self-help, repossession or any method, by any creditor of Borrower or by any governmental agency against the Rents or any property securing the Indebtedness. This includes a garnishment of any of Borrower's accounts, including deposit accounts, with Creditor. However, this Event of garnishment of any of Borrower's accounts, including deposit accounts, with Creditor. However, this Event of Default shall not apply if there is a good faith dispute by Borrower as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Borrower gives Creditor written notice of the creditor or forfeiture proceeding and deposits with Creditor monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Creditor, in its sole discretion, as being an adequate reserve or bond for the dispute.

Property Damage or Loss. The Property is lost, stolen, substantially damaged, sold, or borrowed against.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness or any Guarantor dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Borrower's financial condition, or Creditor believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Creditor on good faith believes itself insecure.

Cure Provisions. If any default, other than a default in payment is curable and if Borrower has not been given a notice of a breach of the same provision of this Assignment within the preceding twelve (12) months, it may be cured if Borrower, after receiving written notice from Creditor demanding cure of such default: (1) cures the default within thirty (30) days; or (2) if the cure requires more than thirty (30) days, immediately initiates steps which Creditor deems in Creditor's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default and at any time thereafter, Creditor may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Creditor shall have the right at its option without notice to Borrower to declare the entire Indebtedness immediately due and payable, including any prepayment penalty that Borrower would be required to pay.

Collect Rents. Creditor shall have the right, without notice to Borrower, to take possession of the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Creditor's costs, against the Indebtedness. In furtherance of this right, Creditor shall have all the rights provided for in the Creditor's Right to Receive and Collect Rents Section, above. If the Rents are collected by Creditor, then Borrower irrevocably designates Creditor as Borrower's attorney-in-fact to indorse instruments received in payment thereof in the name of Borrower and to negotiate the same and collect the proceeds. Payments by tenants or other users to Creditor in response to Creditor's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Creditor may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Mortgagee in Possession. Creditor shall have the right to be placed as mortgagee in possession or to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The mortgagee in possession or receiver may serve without bond if permitted by law. Creditor's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Creditor shall not disqualify a person from serving as a receiver.

Other Remedies. Creditor shall have all other rights and remedies provided in this Assignment or the Note or by law.

Attorney's Fees; Expenses. If Creditor institutes any suit or action to enforce any of the terms of this Assignment, Creditor shall be entitled to recover such sum as the court may adjudge reasonable as attorney's fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Creditor incurs that in Creditor's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Creditor's attorney's fees and Creditor's legal expenses, whether or not there is a lawsuit, including attorney's fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyor's reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law.
