1.5 Leases. All of Borrower's rights as landlord in and to all existing and future leases and tenancies, whether written or oral and whether for a definite term or month to month or otherwise, now or hereafter demising all or any portion of the property described in 1.1 and 1.2 above, including all renewals and extensions thereof and all rents, deposits and other amounts received or receivable

thereunder (in accepting this Security Instrument Lender assumes no liability for the performance of any such lease); and

1.6 Books and Records. All books and records of Borrower relating to the foregoing in any form.

2. Security Agreement and Assignment of Leases and Rents.

2.1 Security Agreement. To the extent any of the property described in Section 1 is personal property, Borrower, as debtor, grants to Lender, as secured party, a security interest therein and in all products and proceeds of any thereof, pursuant to the Uniform Commercial Code of the state of Illinois (the "UCC"), on the terms and conditions contained herein. Borrower hereby authorizes Lender to file any financing statement, fixture filing or similar filing to perfect the security interests granted in this Security Instrument without Borrower's signature.

2.2 Assignment of Leases and Rents.

2.2.1 Absolute Assignment. Borrower hereby absolutely and unconditionally grants, transfers, conveys, sells, sets over and assigns to Lender all of Borrower's right, title and interest now existing and hereafter arising in and to the leases, subleases, concessions, licenses, franchises, occupancy agreements, tenancies, subtenancies and other agreements, either oral or written, now existing and hereafter arising which affect the Property, Borrower's interest therein or any improvements located thereon, together with any and all security deposits, guaranties of the lessees' or tenants' obligations (including any and all security therefor), and other security under any such leases, subleases, concessions, licenses, franchises, occupancy agreements, tenancies, subtenancies and other agreements (all of the foregoing, and any and all extensions, modifications and renewals thereof, shall be referred to, collectively, as the "Leases"), and hereby gives to and confers upon Lender the right to collect all the income, rents, issues, profits, royalties and proceeds from the Leases and any business conducted on the Property and any and all prepaid rent and security deposits thereunder (collectively, the "Rents"). This Security Instrument is intended by Lender and Borrower to create and shall be construed to create an absolute assignment to Lender of all of Borrower's right, title and interest in and to the Leases and the Rents and shall not be deemed merely to create a security interest therein for the payment of any indebtedness or the performance of any obligations under the Loan Documents (as defined below). Borrower irrevocably appoints Lender its true and lawful attorney at the option of Lender at any time to demand, receive and enforce payment, to give receipts, release and satisfactions and to sue, either in the name of Borrower or in the name of Lender, for all such Rents and apply the same to the obligations secured by this Security Instrument.

2.2.2 Revocable License to Collect. Notwithstanding the foregoing assignment of Rents, so long as no Event of Default (as defined below) remains uncured, Borrower shall have a revocable license, to collect all Rents, and to retain the same. Upon any Event of Default, Borrower's license to collect and retain Rents shall terminate automatically and without the necessity for any notice.

2.2.3 Collection and Application of Rents by Lender. While any Event of Default remains uncured: (i) Lender may at any time, without notice, in person, by agent or by court-appointed receiver, and without regard to the adequacy of any security for the obligations secured by this Security Instrument, enter upon any portion of the Property and/or, with or without taking possession thereof, in its own name sue for or otherwise collect Rents (including past due amounts); and (ii) without demand by Lender therefor, Borrower shall promptly deliver to Lender all prepaid rents, deposits relating to Leases or Rents, and all other Rents then held by or thereafter collected by Borrower,

whether prior to or during the continuance of any Event of Default. Any Rents collected by or delivered to Lender may be applied by Lender against the obligations secured by this Security Instrument, less all expenses, including attorneys' fees and disbursements, in such order as Lender shall determine in its sole and absolute discretion. No application of Rents against any obligation secured by this Security Instrument or other action taken by Lender under this Section 2.2 shall be deemed or construed to cure or waive any Event of Default, or to invalidate any other action taken in response to such Event of Default, or to make Lender a mortgagee-in-possession of the Property.

2.2.4 Direction to Tenants. Borrower hereby irrevocably authorizes and directs the tenants under all Leases to pay all amounts owing to Borrower thereunder to Lender following receipt of any written notice from Lender that states that an Event of Default remains uncured and that all such amounts are to be paid to Lender. Borrower further authorizes and directs all such tenants to pay all such amounts to Lender without any right or obligation to inquire as to the validity of Lender's notice and regardless of the fact that Borrower has notified any such tenants that Lender's notice is invalid or has directed any such tenants not to pay such amounts to Lender.

2.2.5 No Liability. Lender shall not have any obligation to exercise any right given to it under this Security Instrument and shall not be deemed to have assumed any obligation of Borrower with respect to any agreement, lease or other property in which a lien or security interest is granted under this Security Instrument.

3. Obligations Secured. This Security Instrument is given for the purpose of securing:

3.1 Performance and Payment. The performance of the obligations contained herein and the payment of \$1,040,000.00 with interest thereon and all other amounts payable according to the terms of a promissory note of even date herewith made by Borrower, payable to Lender or order, and having a maturity date of February 1, 2047, and any and all extensions, renewals, modifications or replacements thereof, whether the same be in greater or lesser amounts (the "Note"), which Note may provide for one or more of the following: (a) a variable rate of interest; (b) a balloon payment at maturity; or (c) deferral of a portion of accrued interest under certain circumstances with interest so deferred added to the unpaid principal balance of the Note and secured hereby.

3.2 Future Advances. The repayment of any and all sums advanced or expenditures made by Lender subsequent to the execution of this Security Instrument for the maintenance or preservation of the Property or advanced or expended by Lender pursuant to any provision of this Security Instrument subsequent to its execution, together with interest thereon. The total principal amount of the obligations secured hereby shall not exceed at any one time an amount equal to two hundred percent (200%) of the amount referred to in Section 3.1, plus interest. Nothing contained in this Section, however, shall be considered as limiting the interest which may be secured hereby or the amounts that shall be secured hereby when advanced to enforce or collect the indebtedness evidenced by the Note or to protect the real estate security and other collateral.

3.3 Interest. All of the obligations secured by this Security Instrument shall bear interest at the rate of interest applicable to the Note (including interest at the Default Rate, as defined in the Note, as applicable), which interest shall also be secured by this Security Instrument.

3.4 Other Amounts. All other obligations and amounts now or hereafter owing by Borrower to Lender under this Security Instrument, the Note or any other document, instrument or agreement evidencing, securing or otherwise relating to the loan evidenced by the Note and any and all extensions, renewals, modifications or replacements of any thereof (collectively, the "Loan

Documents"); provided, however, that this Security Instrument does not and shall not in any event be deemed to, secure the obligations owing to Lender under: (a) any certificate and indemnity agreement regarding hazardous substances (the "Indemnity Agreement") executed in connection with such loan (or any obligations that are the substantial equivalent thereof); or (b) any guaranty of such loan.

4. Warranties And Covenants Of Borrower. Borrower represents and warrants to, and covenants, and agrees with, Lender as provided herein. All representations and warranties contained in this Security Instrument are true and correct in all material respects as of the date of this Security Instrument and shall remain true and correct in all material respects as of each date thereafter while this Security Instrument remains of record or any portion of the obligations secured hereby remains unpaid.

4.1 Warranties.

4.1.1 Borrower has full power and authority to mortgage the Property to Lender and warrants the Property to be free and clear of all liens, charges, and other monetary encumbrances except those appearing in the title insurance policy accepted by Lender in connection with this Security Instrument.

4.1.2 To Borrower's knowledge after reasonable inquiry and except as otherwise disclosed to Lender in writing, the Property is free from damage (including, but not limited to, any construction defects or nonconforming work) that would materially impair the value of the Property as security.

4.1.3 The loan evidenced by the Note and secured by this Security Instrument is solely for business or commercial purposes, and is not for personal, family, household or agricultural purposes.

4.1.4 To Borrower's knowledge after reasonable inquiry and except as otherwise disclosed to Lender in writing, Borrower, the Property and the present and contemplated use and occupancy of the Property are in compliance with all applicable laws, codes and regulations in all material respects.

4.1.5 Any and all rent rolls, property operating statements and other financial reports ("Financial Reports") furnished to Lender in connection with the loan evidenced by the Note are true and correct in all material respects as of their dates, and no material adverse change has occurred in the matters reported in those Financial Reports since the dates of the last submission of those Financial Reports that has not been disclosed to Lender in writing.

4.1.6 Borrower has determined in good faith that: (a) the loan evidenced and secured by the Loan Documents, including any guaranty, is an arm's-length transaction on market rate terms; (b) neither Lender nor any of its affiliates exercised any discretionary authority or control over, or rendered any investment advice in connection with, Borrower's decision to enter into such loan; and (c) the statements in (a) and (b) are also true with respect to any previous loan made by Lender and secured by the Property or any part thereof, both as of such loan's origination and through its life.

4.2 Preservation of Lien. Borrower will preserve and protect the priority of this Security Instrument as a first lien on the Property. If Borrower fails to do so, Lender may take any and all actions necessary or appropriate to do so and all sums expended by Lender in so doing shall be treated as part of the obligations secured by this Security Instrument, shall be paid by Borrower upon demand by

Lender and shall bear interest at the highest rate borne by any of the obligations secured by this Security Instrument.

4.3 Repair and Maintenance of Property. Borrower will keep the Property in good condition and repair, which duty shall include but is not limited to cleaning, painting, landscaping, repairing, and refurbishing of the Property; will complete and not remove or demolish, alter, or make additions to any building or other improvement that is part of the Property, or construct any new structure on the Property, without the express written consent of Lender; will underpin and support when necessary any such building or other improvement and protect and preserve the same; will complete or restore promptly and in good and workmanlike manner any such building or other improvement that may be damaged or destroyed and pay when due all claims for labor performed and materials furnished therefor; will not commit, suffer, or permit any act upon the Property in violation of law; and will do all other acts that from the character or use of the Property may be reasonably necessary for the continued operation of the Property in a safe and legal manner, the specific enumerations herein not excluding the general. Notwithstanding anything in this Security Instrument to the contrary, Borrower may make commercially reasonable minor alterations, improvements and replacements to the Property in a manner customary for similar properties.

4.4 Insurance.

4.4.1 Insurance Coverage. Borrower will provide and maintain, as further security for the faithful performance of the obligations secured by this Security Instrument, such property, liability, rental income interruption, flood and other insurance coverage as Lender may reasonably require from time to time. All such insurance must be acceptable to Lender in all respects including but not limited to the amount of coverage, policy forms, endorsements, identity of insurance companies and amount of deductibles.

4.4.2 Acknowledgment of Insurance Requirements. Lender's initial insurance requirements are set forth in the acknowledgment of insurance requirements dated on or about the date of this Security Instrument and entered into in connection with the loan evidenced by the Note.

4.4.3 Endorsement in Favor of Lender. All policies of insurance on the Property, whether or not required by the terms of this Security Instrument (including but not limited to earthquake/earth movement insurance), shall name Lender as mortgagee and loss payee pursuant to a mortgage endorsement on a form acceptable to Lender.

4.4.4 Changes in Insurance Requirements. Lender may change its insurance requirements from time to time, in its reasonable discretion, throughout the term of the obligations secured by this Security Instrument by giving written notice of such changes to Borrower. Without limiting the generality of the foregoing, Borrower shall from time to time obtain such additional coverages or make such increases in the amounts of existing coverage as may reasonably be required by written notice from Lender. Lender reserves the right, in its reasonable discretion, to increase the amount of the required coverages, require insurance against additional risks, or withdraw approval of any insurance company at any time.

4.4.5 Control of Proceeds. Lender shall have the right to control or direct the proceeds of all policies of insurance on the Property, whether or not required by the terms of this Security Instrument, as provided in Section 4.4.6 below, and all proceeds of all such policies are hereby assigned to Lender as security for the obligations secured by this Security Instrument. Borrower shall be responsible for all uninsured losses and deductibles.

4.4.6 Damage and Destruction.

(a) Borrower's Obligations. In the event of any damage to or loss or destruction of the Property (a "Casualty"): (i) if it could reasonably be expected to cost more than the Casualty Threshold Amount (as defined below) to repair the Casualty, Borrower shall give prompt written notice of the Casualty to Lender and to Borrower's insurer, and shall make a claim under each insurance policy providing coverage therefor; (ii) Borrower shall take such actions as are necessary or appropriate to preserve and protect the Property; (iii) if the aggregate proceeds of any and all insurance policies insuring the Property, whether or not required by this Security Instrument, that are payable as a result of the Casualty (collectively, the "Insurance Proceeds") could reasonably be expected to exceed the Casualty Threshold Amount, or if a Default exists, Borrower shall take such actions as are necessary or appropriate to ensure that all Insurance Proceeds are paid to Lender forthwith to be held by Lender until applied to the obligations secured hereby or disbursed in accordance with this Section 4.4.6; and (iv) unless otherwise instructed by Lender, regardless of whether the Insurance Proceeds, if any, are sufficient for the purpose, Borrower shall promptly commence and diligently pursue to completion in a good, workmanlike and lien-free manner the restoration, replacement and rebuilding of the Property as nearly as possible to its value, condition and character immediately prior to the Casualty (collectively, the "Restoration"). If the Restoration will cost more than the Casualty Threshold Amount to repair, Borrower shall submit the proposed plans and specifications for the Restoration, and all construction contracts, architect's contracts, other contracts in connection with the Restoration, and such other documents as Lender may reasonably request to Lender for its review and approval. Borrower shall not begin the Restoration unless and until Lender gives its written approval of such plans, specifications, contracts and other documents, with such revisions as Lender may reasonably require. Notwithstanding the foregoing, Lender shall not be responsible for the sufficiency, completeness, quality or legality of any such plans, specifications, contracts or other documents. Borrower shall pay, within ten days after demand by Lender, all costs reasonably incurred by Lender in connection with the adjustment, collection and disbursement of Insurance Proceeds pursuant to this Security Instrument or otherwise in connection with the Casualty or the Restoration.

(b) Casualty Threshold Amount. As used in this Security Instrument, the term "Casualty Threshold Amount" means the lesser of \$250,000 or five percent of the original face principal amount of the Note.

(c) Lender's Rights. Lender shall have the right and power to receive and control all Insurance Proceeds required to be paid to it pursuant to subsection (a)(iii) above. Borrower hereby authorizes and empowers Lender, in its own name or as attorney-in-fact for Borrower (which power is coupled with an interest and is irrevocable so long as this Security Interest remains of record), to make proof of loss, to settle, adjust and compromise any claim under insurance policies on the Property, to appear in and prosecute any action arising from such insurance policies, to collect and receive Insurance Proceeds, and to deduct therefrom Lender's expenses incurred in the adjustment, collection and disbursement of such Insurance Proceeds or otherwise in connection with the Casualty or the Restoration. Each insurance company concerned is hereby irrevocably authorized and directed to make payment of all Insurance Proceeds directly to Lender. Notwithstanding anything to the contrary, Lender shall not be responsible for any such insurance, the collection of any Insurance Proceeds, or the insolvency of any insurer.

(d) Application of Proceeds. If, at any time while Lender holds any Insurance Proceeds, an Event of Default exists or Lender determines in its reasonable discretion that the security for the obligations secured hereby is impaired, Lender shall have the option, in its sole discretion, to

UNOFFICIAL COPY

Loan No.: 100018583

apply the Insurance Proceeds to the obligations secured hereby in such order as Lender may determine (or to hold such proceeds for future application to those obligations). Without limiting the generality of the foregoing, Lender's security will be deemed to be impaired if: (i) an Event of Default exists; (ii) Borrower fails to satisfy any condition precedent to disbursement of Insurance Proceeds to pay the cost of the Restoration within a reasonable time; or (iii) Lender determines in its reasonable discretion that it could reasonably be expected that (A) Borrower will not have sufficient funds to complete the Restoration and timely pay all expenses of the Property and all payments due under the Note and the other Loan Documents through the completion of the Restoration and any leaseup period thereafter, (B) the rental income from the Property will be insufficient to timely pay all expenses of the Property and payments due under the Note and the other Loan Documents on an ongoing basis after completion of the Restoration, or (C) the Restoration cannot be completed at least six months prior to the maturity date of the Note and within one year after the date of the Casualty.

(e) Disbursement of Proceeds. If Lender is not entitled to apply the Insurance Proceeds to the obligations secured hereby, Lender (or at Lender's election, a disbursing or escrow agent selected by Lender and whose fees shall be paid by Borrower) shall disburse the Insurance Proceeds for the Restoration from time to time as the Restoration progresses, but only after satisfaction, at Borrower's expense, of such conditions precedent to such disbursements as Lender may reasonably require including but not limited to the following: (i) Borrower shall have delivered to Lender evidence reasonably satisfactory to Lender of the estimated cost of the Restoration; (ii) Lender shall have approved the plans, specifications and contracts for the Restoration as required by Section 4.4.6(a); (iii) Borrower shall have delivered to Lender funds in addition to the Insurance Proceeds in an amount sufficient in Lender's reasonable judgment to complete and fully pay for the Restoration; (iv) Borrower shall have delivered to Lender such building permits, other permits, architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, plats of survey and other evidence of cost, payment and performance as Lender may reasonably require and approve; and (v) if required by Lender, Borrower shall have entered into an agreement providing in greater detail for the Restoration, the disbursement of Insurance Proceeds and related matters. No payment made prior to the final completion of the Restoration shall exceed ninety percent of the value of the work performed and materials incorporated into the Property from time to time, as such value is determined by Lender in its reasonable judgment. Disbursements may, at Lender's election, be made on a percentage of completion basis or on such other basis as is acceptable to Lender. Disbursements shall be subject to Borrower's delivery of such lien waivers as Lender may require, and otherwise on terms and subject to conditions acceptable to Lender. From time to time after commencement of the Restoration, if so requested by Lender, Borrower shall deposit with Lender funds in excess of the Insurance Proceeds which, together with the Insurance Proceeds and all funds previously deposited with Lender in connection with the Restoration, must at all times be at least sufficient in the reasonable judgment of Lender to pay the entire unpaid cost of the Restoration. Funds so deposited by Borrower may at Lender's option be disbursed prior to the disbursement of Insurance Proceeds. Lender may retain a construction consultant to inspect the Restoration and related matters on Lender's behalf and to advise Lender with respect thereto and Borrower shall pay the cost thereof; provided that neither Borrower nor any other person or entity other than Lender shall have any right to rely on any inspection or advice of such consultant. Such consultant shall not be the agent of Lender and shall not have the power to bind Lender in any way. Any surplus Insurance Proceeds or other funds held by Lender pursuant to this Section 4.4.6 that may remain after payment of all costs of the Restoration shall be paid to Borrower (or to such other person or entity as Lender reasonably determines is entitled thereto) so long as no Default then exists. No interest shall be allowed to Borrower on account of any Insurance Proceeds or other funds held by Lender pursuant to this Section 4.4.6, but at Borrower's request, Lender will deposit such

Loan No.: 100018583

amounts into a blocked interest-bearing account with Lender over which Lender has sole possession, authority and control, in which Lender has a perfected first-priority security interest to secure the obligations secured by this Security Instrument, and otherwise on terms and conditions satisfactory to Lender in its sole discretion. Notwithstanding the above, if an Event of Default exists prior to full disbursement of the Insurance Proceeds and any other funds held by Lender pursuant to this Section 4.4.6, any undisbursed portion thereof may, at Lender's option, be applied against the obligations secured by this Security Instrument, whether or not then due, in such order and manner as Lender shall select.

(f) Effect on the Indebtedness. Any reduction in the obligations secured hereby resulting from the application of Insurance Proceeds or other funds pursuant to this subsection 4.4.6 shall be deemed to take effect only on the date of such application; provided that, if any Insurance Proceeds are received after the Property is sold in connection with a judicial or nonjudicial foreclosure of this Security Instrument, or is transferred by deed in lieu of such foreclosure, notwithstanding any limitation on Borrower's liability contained herein or in the Note, the purchaser at such sale (or the grantee under such deed) shall have the right to receive and retain all such Insurance Proceeds and all unearned premiums for all insurance on the Property. No application of Insurance Proceeds or other funds to the obligations secured hereby shall result in any adjustment in the amount or due dates of installments due under the Note. No application of Insurance Proceeds to the obligations secured hereby shall, by itself, cure or waive any Default or any notice of default under this Security Instrument or invalidate any act done pursuant to such notice or result in the waiver of any collateral securing the Note.

4.5 Right of Inspection. Subject to the rights of tenants, Borrower shall permit Lender or its agents or independent contractors (including, but not limited to, appraisers, environmental consultants and construction consultants), at all reasonable times, to enter upon and inspect the Property.

4.6 Compliance with Laws, Etc.; Preservation of Licenses. Borrower shall comply in all material respects with (a) all laws, statutes, ordinances, rules, regulations, licenses, permits, approvals, orders, judgments and other requirements of governmental authorities applicable to Borrower, the Property or Borrower's use thereof, and (b) all easements, licenses and agreements relating to the Property or Borrower's use thereof. Borrower shall observe and comply with all requirements necessary to the continued existence and validity of all rights, licenses, permits, privileges, franchises and concessions relating to any existing or presently contemplated use of the Property including but not limited to any zoning variances, special exceptions and nonconforming use permits.

4.7 Further Assurances. Borrower will, at its expense, from time to time execute and deliver any and all such instruments of further assurance and other instruments and do any and all such acts, or cause the same to be done, as Lender deems necessary or advisable to mortgage and convey the Property to Lender or to carry out more effectively the purposes of this Security Instrument.

4.8 Legal Actions. Borrower will appear in and defend any action or proceeding before any court or administrative body purporting to affect the security hereof or the rights or powers of Lender; and will pay all costs and expenses, including cost of evidence of title, title insurance premiums and any fees of attorneys, appraisers, environmental inspectors and others, incurred by Lender, in a reasonable sum, in any such action or proceeding in which Lender may appear, and in any suit or other proceeding to foreclose this Security Instrument.

4.9 Taxes, Assessments and Other Liens. Borrower will pay prior to delinquency all taxes, assessments, encumbrances, charges, and liens with interest, on the Property or any part thereof, including but not limited to any tax on or measured by rents of the Property, the Note, this Security Instrument, or any obligation or part thereof secured hereby.

4.10 Expenses. Borrower will pay all costs, fees and expenses reasonably incurred by Lender in connection with this Security Instrument.

4.11 Repayment of Expenditures. Borrower will pay within five (5) days after written demand all amounts secured by this Security Instrument, other than principal of and interest on the Note, with interest from date of expenditure at the rate of interest borne by the Note and the repayment thereof shall be secured by this Security Instrument.

4.12 Financial and Operating Information. Within ninety (90) days after the end of each fiscal year of Borrower, Borrower shall furnish to Lender the following in such form as Lender may require: (a) an itemized statement of income and expenses for Borrower's operation of the Property for that fiscal year; and (b) a rent schedule for the Property showing the name of each tenant, and for each tenant, the space occupied, the lease expiration date, the rent payable for the current month, the date through which rent has been paid, all security deposits held (and the institution in which they are held) and any related information requested by Lender.

In addition, within twenty (20) days after written request by Lender, Borrower shall furnish to Lender such financial statements and other financial, operating and ownership information about the Property, Borrower, owners of equity interests in Borrower, guarantors of the obligations secured hereby, and commercial tenants or occupants of any portion of the Property that are affiliates of Borrower or of any such guarantor, as Lender may require.

If Borrower fails to provide Lender with any of the financial and operating information required to be provided under this Section within the time periods required under this Section and such failure continues after Lender has provided Borrower with thirty (30) day notice and opportunity to cure such failure, Borrower shall pay to Lender, as liquidated damages for the extra expense in servicing the loan secured hereby, Five Hundred Dollars (\$500) on the first day of the month following the expiration of such thirty (30)-day period and One Hundred Dollars (\$100) on the first day of each month thereafter until such failure is cured. All such amounts shall be secured by this Security Instrument. Payment of such amounts shall not cure any Default or Event of Default resulting from such failure.

4.13 Sale, Transfer, or Encumbrance of Property.

4.13.1 Encumbrances; Entity Changes. Except as otherwise provided below, Borrower shall not, without the prior written consent of Lender, further encumber the Property or any interest therein, or cause or permit any change in the entity, ownership, or control of Borrower without first repaying in full the Note and all other sums secured hereby.

4.13.2 Sales, Transfers, Conveyances. Except as otherwise provided below, Borrower shall not, without the prior written consent of Lender (which consent shall be subject to the conditions set forth below), sell, transfer, or otherwise convey the Property or any interest therein, voluntarily or involuntarily, without first repaying in full the Note and all other sums secured hereby.

4.13.3 Conditions to Lender's Consent. Lender will not unreasonably withhold its consent to a sale, transfer, or other conveyance of the Property, provided however, that:

Loan No.: 100018583

(a) Borrower shall provide to Lender a loan application on such form as Lender may require executed by the proposed transferee and accompanied by such other documents as Lender may require in connection therewith;

(b) Lender may consider the factors normally used by Lender as of the time of the proposed assumption in the process of determining whether or not to lend funds, and may require that the Property and the proposed transferee meet Lender's then-current underwriting, legal, regulatory and related requirements as of that time;

(c) Lender may specifically evaluate the financial responsibility, structure and real estate operations experience of any potential transferee;

(d) Lender may require that it be provided at Borrower's expense, with an appraisal of the Property, an on-site inspection of the Property, and such other documents and items, from appraisers, inspectors and other parties satisfactory to Lender, and may require that Borrower or the transferee of the Property correct any items of deferred maintenance that may be identified by Lender;

(e) Lender may, as a condition to granting its consent to a sale, transfer, or other conveyance of the Property, require in its sole discretion the payment by Borrower of a fee (the "Consented Transfer Fee") of one percent (1.0%) of the unpaid principal balance of the Note; and

(f) No Default or Event of Default (each as defined below) has occurred and is continuing.

In connection with any sale, transfer or other conveyance of the Property to which Lender is asked to consent, Borrower agrees to pay to Lender, in addition to any sums specified above, for Lender's expenses incurred in reviewing and evaluating such matter, the following amounts: (i) a nonrefundable review fee in accordance with Lender's fee schedule in effect at the time of the request, which fee shall be paid by Borrower to Lender upon Borrower's request for Lender's consent and shall be applied to the Consented Transfer Fee if Lender's consent is given to such sale, transfer, or other conveyance of the Property; (ii) Lender's reasonable attorneys' fees and other reasonable out-of-pocket expenses incurred in connection with such request for consent and in connection with such sale, transfer or other conveyance; and (iii) document preparation fees and other fees in accordance with Lender's fee schedule in effect at the time. In addition, prior to or at the time of any sale, transfer or other conveyance to which Lender grants its consent, Borrower shall obtain and provide to Lender a fully and duly executed and acknowledged assumption agreement in form and substance satisfactory to Lender under which the transferee of the Property assumes liability for the loan evidenced by the Note and secured by this Security Instrument together with such financing statements and other documents as Lender may require. Borrower and any guarantors of such loan shall continue to be obligated for repayment of such loan unless and until Lender has entered into a written assumption agreement specifically releasing them from such liability in Lender's sole discretion.

Consent to any one such occurrence shall not be deemed a waiver of the right to require consent to any future occurrences.

4.13.4 Unconsented Transfers. In each instance in which a sale, transfer or other conveyance of the Property, or any change in the entity, ownership, or control of Borrower, occurs without Lender's prior written consent thereto having been given, and regardless of whether Lender elects to accelerate the maturity date of the Note (any of the foregoing events is referred to as an "Unconsented Transfer"), Borrower and its successors shall be jointly and severally liable to Lender for

UNOFFICIAL COPY

Loan No.: 100018583

the payment of a fee (the "Unconsented Transfer Fee") of two percent (2.0%) of the unpaid principal balance of the Note as of the date of such Unconsented Transfer. The Unconsented Transfer Fee shall be due and payable upon written demand therefor by Lender, and shall be secured by this Security Instrument; provided, however, that payment of the Unconsented Transfer Fee shall not cure any Event of Default resulting from the Unconsented Transfer.

4.13.5 No Waiver. Lender's waiver of any of the Consented Transfer Fee, the Unconsented Transfer Fee or any other amount payable hereunder, in whole or in part for any one sale, transfer or other conveyance shall not preclude the imposition thereof in connection with any other sale, transfer or other conveyance.

4.13.6 Permitted Transfers. Notwithstanding the foregoing and notwithstanding Section 4.14, Lender's consent will not be required, and neither the Consented Transfer Fee nor the Unconsented Transfer Fee will be imposed, for any Permitted Transfer (as defined below), so long as all Transfer Requirements (as defined below) applicable to such Permitted Transfer are timely satisfied. As used herein, the following terms have the meanings set forth below:

"Permitted Transfer" means:

(a) The transfer of less than twenty-five percent (25%) in the aggregate during the term of the Note of the Equity Interests (as defined below) in Borrower (or in any entity that owns, directly or indirectly through one or more intermediate entities, an Equity Interest in Borrower), in addition to any transfers permitted under subparagraphs (b) or (c) of this definition (a "Minority Interest Transfer");

(b) A transfer that occurs by devise, descent or operation of law upon the death of a natural person (a "Decedent Transfer");

(c) A transfer made for *bona fide* estate planning purposes (i) to one or more non-minor Immediate Family Members of the transferor (or in the case of a transferor that is a trust or trustee, to one or more non-minor Immediate Family Members of a settlor of the applicable trust) or (ii) to one or more trusts established for the benefit of the transferor and/or one or more Immediate Family Members of the transferor (or in the case of a transferor that is a trust or trustee, to one or more trusts established for the benefit of one or more Immediate Family Members of a settlor of the applicable transferor trust) (an "Estate Planning Transfer"); or

(d) A transfer of furniture, fixtures or equipment if they are reasonably deemed to be surplus to the normal operation and use of the Property or if they are promptly replaced by similar items of at least equivalent value and utility.

"Transfer Requirements" means, with respect to any Permitted Transfer, all of the following that apply to that transfer:

(a) In the case of any Permitted Transfer:

(i) none of the persons or entities liable for the repayment of the loan evidenced by the Note shall be released from such liability;

(ii) such transfer must not violate any applicable law, rule or regulation, and the transferee must not be a "specially designated national" or a person that is subject or a target of any economic or financial sanctions or trade embargoes imposed, administered or enforced from time to

time by the U.S. government, including those administered by the Office of Foreign Assets Control ("OFAC") of the U.S. Department of the Treasury or the U.S. Department of State ("Sanctions") and such transfer must not otherwise result in a violation of Sanctions, the USA PATRIOT Act of 2001, any "know your customer" rules applicable to Lender or any other applicable law, rule or regulation; and

(iii) Borrower must provide Lender with not less than thirty (30) days' prior written notice of the proposed transfer (or to the extent that such transfer is a Decedent Transfer then, as soon as reasonably practicable following Borrower becoming aware that the transfer has occurred), which notice shall include a summary of the proposed changes in the organization, ownership and management of the Property or the applicable entity and such further information as Lender may require to make the determinations contemplated by this subsection (a).

(b) In the case of any Minority Interest Transfer or Estate Planning Transfer, there shall be no change in the individuals exercising day-to-day powers of decisionmaking, management and control over either Borrower or the Property unless Lender has given its prior written consent to such change in its sole discretion. In the case of a Decedent Transfer, any new individual exercising such powers must be satisfactory to Lender in its sole discretion.

(c) In the case of a Decedent Transfer, if the decedent was a Borrower or guarantor of the loan evidenced by the Note, within 30 days after written request by Lender, one or more other persons or entities having credit standing and financial resources equal to or better than those of the decedent, as determined by Lender in its reasonable discretion, shall assume or guarantee such loan by executing and delivering to Lender a guaranty or assumption agreement and a certificate and indemnity agreement regarding hazardous substances, each satisfactory to Lender, providing Lender with recourse substantially identical to that which Lender had against the decedent and granting Lender liens on any and all interests of the transferee in the Property.

(d) In the case of any Estate Planning Transfer that results in a transfer of an interest in the Property or in a change in the trustee of any trust owning an interest in the Property, the transferee or new trustee (in such new trustee's fiduciary capacity) shall, prior to the transfer, execute and deliver to Lender an assumption agreement satisfactory to Lender, providing Lender with recourse substantially identical to that which Lender had against the transferor or predecessor trustee and granting Lender liens on any and all interests of the transferee or the new trustee in the Property.

(e) In the case of any Permitted Transfer that results in a transfer of an interest in the Property, Lender shall be provided, at no cost to Lender, with an endorsement to its title insurance policy insuring the lien of this Security Instrument, which endorsement shall insure that there has been no impairment of that lien or of its priority.

(f) In the case of any Permitted Transfer, Borrower or the transferee shall pay all costs and expenses reasonably incurred by Lender in connection with that Permitted Transfer, together with any applicable fees in accordance with Lender's fee schedule in effect at the time of the Permitted Transfer, and shall provide Lender with such information and documents as Lender reasonably requests in order to make the determinations called for by this Security Instrument and to comply with applicable laws, rules and regulations.

(g) No Default shall exist.

"Equity Interest" means partnership interests in Borrower, if Borrower is a partnership, member interests in Borrower, if Borrower is a limited liability company, or shares of stock of Borrower, if Borrower is a corporation.

"Immediate Family Members" means, with respect to any person, that person's parents, spouse, registered domestic partner (under an applicable state or District of Columbia law providing for registration of domestic partnerships with a governmental agency), siblings, children and other lineal descendants, and the spouses and registered domestic partners of such person's parents, siblings, children and other lineal descendants.

4.14 Borrower Existence. If Borrower is a corporation, partnership, limited liability company or other entity, Lender is making this loan in reliance on Borrower's continued existence, ownership and control in its present form. Borrower will not alter its name, jurisdiction of organization, structure, ownership or control without the prior written consent of Lender and will do all things necessary to preserve and maintain said existence and to ensure its continuous right to carry on its business. If Borrower is a partnership, Borrower will not permit the addition, removal or withdrawal of any general partner without the prior written consent of Lender. The withdrawal or expulsion of any general partner from Borrower partnership shall not in any way affect the liability of the withdrawing or expelled general partner hereunder or on the Note.

4.15 Information for Participants, Etc. Borrower agrees to furnish such information and confirmation as may be required from time to time by Lender on request of potential loan participants and assignees and agrees to make adjustments in this Security Instrument, the Note, and the other documents evidencing or securing the loan secured hereby to accommodate such participant's or assignee's requirements, provided that such requirements do not vary the economic terms of the loan secured hereby. Borrower hereby authorizes Lender to disclose to potential participants and assignees any information in Lender's possession with respect to Borrower and the loan secured hereby.

4.16 Tax and Insurance Impounds.

4.16.1 Impounds. In addition to the payments required by the Note, Borrower shall pay Lender, at Lender's request, such sums as Lender may from time to time estimate will be required (a) to pay, at least one month before delinquency, the next-due taxes, assessments, insurance premiums and similar charges affecting the Property (collectively, the "Impositions"), divided by the number of months to elapse before one month prior to the date when the applicable Impositions will become delinquent; and (b) at the option of Lender, to maintain a reserve equal to one-sixth of the total annual amount of the Impositions. Lender shall hold such amounts without interest or other income to Borrower to pay the Impositions. If this estimate of the Impositions proves insufficient, Borrower, upon demand by Lender, shall pay Lender such additional sums as may be required to pay the Impositions at least one month before delinquency.

4.16.2 Application. If the total of the payments to Lender under subsection 4.16.1 (collectively, the "Impounds") in any one year exceeds the amounts actually paid by Lender for Impositions, such excess may be credited by Lender on subsequent payments under this section. At any time after the occurrence and during the continuance of an Event of Default and at or prior to the foreclosure sale, Lender may apply any balance of Impounds it holds to any of the Secured Obligations and in such order as Lender may elect. If Lender does not so apply such Impounds at or prior to the foreclosure sale, the purchaser at such sale shall be entitled to all such Impounds. If Borrower gives a deed in lieu of foreclosure of this Security Instrument, the balance of Impounds held by Lender shall

become the property of Lender. Any transfer in fee of all or a part of the Property shall automatically transfer to the grantee all or a proportionate part of Borrower's rights and interest in the Impounds.

4.16.3 Tax Reporting Service. Lender may, but need not, contract with a tax reporting service covering the Property. Borrower agrees that Lender may rely on the information furnished by such tax service and agrees to pay the cost of that service within 30 days after receipt of a billing for it.

4.16.4 Limited Waiver. Notwithstanding the foregoing, Lender will not require Borrower to deposit the Impounds as provided in subsection 4.16.1 so long as: (a) the Property is owned in its entirety by the original Borrower (and not by any successor or transferee Borrower) and there is no change in the individuals exercising day-to-day powers of decision-making, management and control over either Borrower or the Property (regardless of whether Lender has consented to any such transfer or change); (b) Borrower pays, prior to delinquency, all payments of Impositions that would otherwise be paid from the Impounds and, if required by Lender, Borrower provides Lender with proof of such payment; (c) Lender is not required by applicable law or regulation to require Borrower to deposit any of the Impounds; and (d) no Event of Default occurs (regardless of whether it is later cured). If at any time any of the foregoing requirements is not met, Lender may at any time thereafter, on 10 days written notice to Borrower, require the payment of all Impounds.

4.17 Leasing Matters. Borrower shall not receive or collect any Rents in advance in excess of one month's Rent from any tenant or collect a security deposit in excess of two months' Rent from any tenant. To the extent applicable law requires any security deposits or other amounts received from tenants of the Property to be held in a segregated account, Borrower shall promptly deposit and maintain all applicable deposits and other amounts in a segregated trust account in a federally insured institution. Borrower shall perform Borrower's obligations under the Leases in all material respects. Borrower hereby consents to Lender obtaining, at any time while an Event of Default exists, copies of rent rolls and other information relating to the Leases from any governmental agency with which Borrower is obligated to file such information or that otherwise collects or receives such information.

4.18 Condominium and Cooperative Provisions. If the Property is not subject to a recorded condominium or cooperative regime on the date of this Security Instrument, Borrower will not subject the Property or any portion thereof to such a regime without the written consent of Lender, which consent may be granted or denied in Lender's sole discretion and, if granted, may be subject to such requirements as Lender may impose including but not limited to Borrower providing Lender with such title insurance endorsements and other documents as Lender may require. If the Property is subject to a condominium regime on the date of this Security Instrument: (a) Borrower represents and warrants that none of the condominium units and no portion of the common elements in the Property have been sold, conveyed or encumbered or are subject to any agreement to convey or encumber; (b) Borrower shall not in any way sell, convey or encumber or enter into a contract or agreement to sell, convey or encumber any condominium unit or any of the common elements of the Property unless expressly agreed to in writing by Lender; (c) Borrower shall operate the Property solely as a rental property; and (d) the Property granted, conveyed and assigned to Lender hereunder includes all rights, easements, rights of way, reservations and powers of Borrower, as owner, declarant or otherwise, under any applicable condominium act or statute and under any and all condominium declarations, survey maps and plans, association articles and bylaws and documents similar to any of the foregoing.

4.19 Use of Property; Zoning Changes. Unless required by applicable law, Borrower shall not: (a) except for any change in use approved by Lender in writing, allow changes in the use for which all or any part of the Property is being used at the time this Security Instrument is executed; (b) convert

any individual dwelling unit or common area in the Property to primarily commercial use; or (c) initiate or acquiesce in a change in the zoning classification of the Property.

5. Default.

5.1 Definition. Any of the following shall constitute an "Event of Default" as that term is used in this Security Instrument (and the term "Default" shall mean any of the following, whether or not any requirement for notice or lapse of time has been satisfied):

5.1.1 Any regular monthly payment under the Note is not paid so that it is received by Lender within fifteen (15) days after the date when due, or any other amount secured by this Security Instrument (including but not limited to any payment of principal or interest due on the Maturity Date, as defined in the Note) is not paid so that it is received by Lender when due;

5.1.2 Any representation or warranty made by Borrower to or for the benefit of Lender herein or elsewhere in connection with the loan secured hereby, including but not limited to any representation in connection with the security therefor, shall prove to have been incorrect or misleading in any material respect;

5.1.3 Borrower or any other party thereto (other than Lender) shall fail to perform its obligations under any other covenant or agreement contained in this Security Instrument, the Note, any other Loan Document or the Indemnity Agreement, which failure continues for a period of thirty (30) days after written notice of such failure by Lender to Borrower (or within 60 days after such notice if such failure cannot reasonably be cured within such 30-day period, but can be cured within such 60-day period and Borrower is proceeding diligently to cure it), but no such notice or cure period shall apply in the case of: (i) any such failure that could, in Lender's judgment, absent immediate exercise by Lender of a right or remedy under this Security Instrument, the other Loan Documents or the Indemnity Agreement, result in harm to Lender, impairment of the Note or this Security Instrument or any other security given under any other Loan Document; (ii) any such failure that is not reasonably susceptible of being cured during such cure period; (iii) breach of any provision that contains an express cure period; or (iv) any breach of Section 4.13 or Section 4.14 of this Security Instrument;

5.1.4 Borrower or any other person or entity liable for the repayment of the indebtedness secured hereby shall become unable or admit in writing its inability to pay its debts as they become due, or file, or have filed against it, a voluntary or involuntary petition in bankruptcy, or make a general assignment for the benefit of creditors, or become the subject of any other receivership or insolvency proceeding, provided that if such petition or proceeding is not filed or acquiesced in by Borrower or the subject thereof, it shall constitute an Event of Default only if it is not dismissed within sixty (60) days after it is filed or if prior to that time the court enters an order substantially granting the relief sought therein;

5.1.5 Borrower or any other signatory thereto shall default in the performance of any covenant or agreement contained in any mortgage, deed of trust or similar security instrument encumbering the Property, or the note or any other agreement evidencing or securing the indebtedness secured thereby, which default continues beyond any applicable cure period; or

5.1.6 A tax, charge or lien shall be placed upon or measured by the Note, this Security Instrument, or any obligation secured hereby that Borrower does not or may not legally pay in addition to the payment of all principal and interest as provided in the Note.

5.2 Lender's Right to Perform. After the occurrence and during the continuance of any Event of Default, Lender, but without the obligation so to do and without notice to or demand upon Borrower and without releasing Borrower from any obligations hereunder, may: make any payments or do any acts required of Borrower hereunder in such manner and to such extent as either may deem necessary to protect the security hereof, Lender being authorized to enter upon the Property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Lender; pay, purchase, contest or compromise any encumbrance, charge or lien in accordance with the following paragraph; and in exercising any such powers, pay necessary expenses, employ counsel and pay a reasonable fee therefor. All sums so expended shall be payable on demand by Borrower, be secured hereby and bear interest at the Default Rate of interest specified in the Note from the date advanced or expended until repaid.

Lender, in making any payment herein, is hereby authorized, in the place and stead of Borrower, in the case of a payment of taxes, assessments, water rates, sewer rentals and other governmental or municipal charges, fines, impositions or liens asserted against the Property, to make such payment in reliance on any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of the bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof; in the case of any apparent or threatened adverse claim of title, lien, statement of lien, encumbrance, deed of trust, mortgage, claim or charge Lender shall be the sole judge of the legality or validity of same; and in the case of a payment for any other purpose herein and hereby authorized, but not enumerated in this paragraph, such payment may be made whenever, in the sole judgment and discretion of Lender such advance or advances shall seem necessary or desirable to protect the full security intended to be created by this Security Instrument, provided further, that in connection with any such advance, Lender at its option may and is hereby authorized to obtain a continuation report of title prepared by a title insurance company, the cost and expenses of which shall be repayable by Borrower without demand and shall be secured hereby.

5.3 Remedies on Default. Upon the occurrence of any Event of Default all sums secured hereby shall become immediately due and payable, without notice or demand, at the option of Lender and Lender may:

5.3.1 Have a receiver appointed as a matter of right on an ex parte basis without notice to Borrower and without regard to the sufficiency of the Property or any other security for the indebtedness secured hereby and, without the necessity of posting any bond or other security. Such receiver shall take possession and control of the Property and shall collect and receive the Rents. If Lender elects to seek the appointment of a receiver for the Property, Borrower, by its execution of this Security Instrument, expressly consents to the appointment of such receiver, including the appointment of a receiver ex parte if permitted by applicable law. The receiver shall be entitled to receive a reasonable fee for managing the Property, which fee may be deducted from the Rents or may be paid by Lender and added to the indebtedness secured by this Security Instrument. Immediately upon appointment of a receiver, Borrower shall surrender possession of the Property to the receiver and shall deliver to the receiver all documents, records (including records on electronic or magnetic media), accounts, surveys, plans, and specifications relating to the Property and all security deposits. If the Rents are not sufficient to pay the costs of taking control of and managing the Property and collecting the Rents, any funds expended by Lender, or advanced by Lender to the receiver, for such purposes shall become an additional part of the indebtedness secured by this Security Instrument. The receiver may exclude Borrower and its representatives from the Property. Borrower acknowledges and agrees that the exercise by Lender of any of the rights conferred under this Section 5.3 shall not be construed to

Loan No.: 100018583

make Lender a mortgagee-in-possession of the Property so long as Lender has not itself entered into actual possession of the Property.

5.3.2 Foreclose this Security Instrument as provided in Section 7 or otherwise realize upon the Property as permitted under applicable law.

5.3.3 Exercise any power of sale permitted pursuant to applicable law.

5.3.4 Sue on the Note as permitted under applicable law.

5.3.5 Avail itself of any other right or remedy available to it under the terms of this Security Instrument, the other Loan Documents or applicable law.

5.4 No Waiver re Late or Partial Payments. By accepting payment of any sum secured hereby after its due date, Lender does not waive its right either to require prompt payment when due of that or any other portion of the obligations secured by this Security Instrument. Lender may from time to time accept and apply any one or more payments of less than the full amount then due and payable on such obligations without waiving any Default, Event of Default, acceleration or other right or remedy of any nature whatsoever.

5.5 Waiver of Marshaling, Etc. In connection with any foreclosure sale under this Security Instrument, Borrower hereby waives, for itself and all others claiming by, through or under Borrower, any right Borrower or such others would otherwise have to require marshaling or to require that the Property be sold in parcels or in any particular order.

5.6 Remedies Cumulative; Subrogation. The rights and remedies accorded by this Security Instrument shall be in addition to, and not in substitution of, any rights or remedies available under now existing or hereafter arising applicable law. All rights and remedies provided for in this Security Instrument or afforded by law or equity are distinct and cumulative and may be exercised concurrently, independently or successively. The failure on the part of Lender to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver of any Default or Event of Default shall not constitute a waiver of any subsequent or other Default or Event of Default. Lender shall be subrogated to the claims and liens of those whose claims or liens are discharged or paid with the loan proceeds hereof.

6. Condemnation, Etc. Any and all awards of damages, whether paid as a result of judgment or prior settlement, in connection with any condemnation or other taking of any portion of the Property for public or private use, or for injury to any portion of the Property ("Awards"), are hereby assigned and shall be paid to Lender which may apply or disburse such Awards in the same manner, on the same terms, subject to the same conditions, to the same extent, and with the same effect as provided in Section 4.4.6 above for disposition of Insurance Proceeds. Without limiting the generality of the foregoing, if the taking results in a loss of the Property to an extent that, in the reasonable opinion of Lender, renders or is likely to render the Property not economically viable or if, in Lender's reasonable judgment, Lender's security is otherwise impaired, Lender may apply the Awards to reduce the unpaid obligations secured hereby in such order as Lender may determine, and without any adjustment in the amount or due dates of installments due under the Note. If so applied, any Awards in excess of the unpaid balance of the Note and other sums due to Lender shall be paid to Borrower or Borrower's assignee. Lender shall in no case be obligated to see to the proper application of any amount paid over to Borrower. Such application or release shall not cure or waive any Default or notice of default hereunder or invalidate any act done pursuant to such notice. Should the Property or any part or

appurtenance thereof or right or interest therein be taken or threatened to be taken by reason of any public or private improvement, condemnation proceeding (including change of grade), or in any other manner, Lender may, at its option, commence, appear in and prosecute, in its own name, any action or proceeding, or make any reasonable compromise or settlement in connection with such taking or damage, and obtain all Awards or other relief therefor, and Borrower agrees to pay Lender's costs and reasonable attorneys' fees incurred in connection therewith. Lender shall have no obligation to take any action in connection with any actual or threatened condemnation or other proceeding.

7. Special Illinois Provisions.

7.1 Illinois Mortgage Foreclosure Law. It is the intention of Borrower and Lender that the enforcement of the terms and provisions of this Security Instrument shall be accomplished in accordance with the Illinois Mortgage Foreclosure Law (the "Foreclosure Law"), Illinois Compiled Statutes, 735 ILCS 5/15-1101 *et seq.* and with respect to such Foreclosure Law, Borrower agrees and covenants that:

7.1.1 Borrower and Lender shall have the benefit of all of the provisions of the Foreclosure Law, including all amendments thereto which may become effective from time to time after the date hereof. In the event any provision of the Foreclosure Law which is specifically referred to herein may be repealed, Lender shall have the benefit of such provision as most recently existing prior to such repeal, as though the same were incorporated herein by express reference;

7.1.2 Wherever provision is made in this Security Instrument for insurance policies to bear mortgage clauses or other loss payable clauses or endorsements in favor of Lender, or to confer authority upon Lender to settle or participate in the settlement of losses under policies of insurance or to hold and disburse or otherwise control use of insurance proceeds, from and after the entry of judgment of foreclosure, all such rights and powers of Lender shall continue in Lender as judgment creditor or mortgagee until confirmation of sale;

7.1.3 All advances, disbursements and expenditure made or incurred by Lender before and during a foreclosure, and before and after judgment of foreclosure, and at any time prior to sale, and, where applicable, after sale, and during the pendency of any related proceedings, for the following purposes, in addition to those otherwise authorized by this Security Instrument, or by the Foreclosure Law (collectively "Protective Advances"), shall have the benefit of all applicable provisions of the Foreclosure Law, including those provisions of the Foreclosure Law referred to below:

(a) all advances by Lender in accordance with the terms of this Security Instrument to: (1) preserve, maintain, repair, restore or rebuild the improvements upon the Property; (2) preserve the lien of this Security Instrument or the priority thereof; or (3) enforce this Security Instrument, as referred to in Subsection (b)(5) of Section 5/15-1302 of the Foreclosure Law;

(b) payments by Lender of (1) principal, interest or other obligations in accordance with the terms of any senior mortgage or other prior lien or encumbrance; (2) real estate taxes and assessments, general and special and all other taxes and assessments of any kind or nature whatsoever which are assessed or imposed upon the Property or any part thereof; (3) other obligations authorized by this Security Instrument; or (4) with court approval, any other amounts in connection with other liens, encumbrances or interests reasonably necessary to preserve the status of title, as referred to in Section 5/15-1505 of the Foreclosure Law;

(c) advances by Lender in settlement or compromise of any claims asserted by claimants under senior mortgages or any other prior liens;

(d) attorneys' fees and other costs incurred: (1) in connection with the foreclosure of this Security Instrument as referred to in Section 5/15-1504(d)(2) and 5/15-1510 of the Foreclosure Law; (2) in connection with any action, suit or proceeding brought by or against Lender for the enforcement of this Security Instrument or arising from the interest of Lender hereunder; or (3) in preparation for or in connection with the commencement, prosecution or defense of any other action related to this Security Instrument or the Property;

(e) Lender's fees and costs, including attorneys' fees, arising between the entry of judgment of foreclosure and the confirmation hearing as referred to in Section 5/15-1508(b)(1) of the Foreclosure Law;

Law, and Borrower acknowledges that such future advances constitute revolving credit indebtedness secured by a mortgage on real property pursuant to the terms and conditions of 205 ILCS 5/5d. Borrower covenants and agrees that this Security Instrument shall secure the payment of all loans and advances made pursuant to the terms and provisions of the Note and this Security Instrument, whether such loans and advances are made as of the date hereof or at any time in the future, and whether such future advances are obligatory or are to be made at the option of Lender or otherwise (but not advances or loans made more than 20 years after the date hereof), to the same extent as if such future advances were made on the date of the execution of this Security Instrument and although there may be no advances made at the time of the execution of this Security Instrument and although there may be no other indebtedness outstanding at the time any advance is made. The lien of this Security Instrument shall be valid as to all Indebtedness, including future advances, from the time of its filing of record in the office of the Recorder of Deeds of the County in which the Property is located. The total amount of the indebtedness may increase or decrease from time to time. This Security Instrument shall be valid and shall have priority over all subsequent liens and encumbrances, including statutory liens except taxes and assessments levied on the Property, to the extent of the maximum amount secured hereby.

7.4 Business Loan. The proceeds of the indebtedness evidenced by the Note shall be used solely for business purposes and in furtherance of the regular business affairs of Borrower, and the entire principal obligation secured hereby constitutes (a) a "business loan" as that term is defined in, and for all purposes of, 815 ILCS 205/4(1)(c), and (b) a "loan secured by a mortgage on real estate" within the purview and operation of 815 ILCS 205/4(1)(1).

Any notice to or demand on Lender in connection with this Security Instrument or such obligations shall be deemed to have been sufficiently made when deposited in the United States mails with registered or certified postage prepaid, return receipt requested, and addressed to Lender at the following address:

10. Successors and Assigns. All provisions herein contained shall be binding upon and inure to the benefit of the respective successors and assigns of the parties.

11. Governing Law; Severability. This Security Instrument shall be governed by the law of the state of Illinois. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, the conflict shall not affect other provisions of this Security Instrument or the Note that can be given effect without the conflicting provision and to this end the provisions of this Security Instrument and the Note are declared to be severable.

12. Borrower's Right to Possession. Borrower may be and remain in possession of the Property for so long as no Event of Default exists and Borrower may, while it is entitled to possession of the Property, use the same.

13. Maximum Interest. No provision of this Security Instrument or of the Note shall require the payment or permit the collection of interest in excess of the maximum permitted by law. If any excess of interest in such respect is herein or in the Note provided for, neither Borrower nor its successors or assigns shall be obligated to pay that portion of such interest that is in excess of the maximum permitted by law, and the right to demand the payment of any such excess shall be and is hereby waived and this Section 13 shall control any provision of this Security Instrument or the Note that is inconsistent herewith.

14. Attorneys' Fees and Legal Expenses. In the event of any Default under this Security Instrument, or in the event that any dispute arises relating to the interpretation, enforcement or performance of any obligation secured by this Security Instrument, Lender shall be entitled to collect from Borrower on demand all fees and expenses incurred in connection therewith, including but not limited to fees of attorneys, accountants, appraisers, environmental inspectors, consultants, expert witnesses, arbitrators, mediators and court reporters. Without limiting the generality of the foregoing, Borrower shall pay all such costs and expenses incurred in connection with: (a) arbitration or other alternative dispute resolution proceedings, trial court actions and appeals; (b) bankruptcy or other insolvency proceedings of Borrower, any guarantor or other party liable for any of the obligations secured by this Security Instrument or any party having any interest in any security for any of those obligations; (c) judicial or nonjudicial foreclosure on, or appointment of a receiver for, any of the Property; (d) post-judgment collection proceedings; (e) all claims, counterclaims, cross-claims and defenses asserted in any of the foregoing whether or not they arise out of or are related to this Security Instrument; (f) all preparation for any of the foregoing; and (g) all settlement negotiations with respect to any of the foregoing. Notwithstanding anything to the contrary set forth in this Security Instrument or the other Loan Documents, in the event of any litigation between Borrower and Lender outside the context of a bankruptcy proceeding involving Borrower as debtor, which litigation arises out of or is related to the loan evidenced by the Note or to the Property, if Borrower is the ultimate prevailing party therein and Lender is not the ultimate prevailing party, Borrower shall be entitled to recover from Lender Borrower's costs and expenses, including attorneys' fees, incurred therein.

15. Prepayment Provisions. If at any time after an Event of Default and acceleration of the indebtedness secured hereby there shall be a tender of payment of the amount necessary to satisfy such indebtedness by or on behalf of Borrower, its successors or assigns, the same shall be deemed to be a voluntary prepayment such that the sum required to satisfy such indebtedness in full shall include, to the extent permitted by law, the additional payment required under the prepayment privilege as stated in the Note.

18.4 No creditor of any party to this Security Instrument and no other person or entity shall be a third party beneficiary of this Security Instrument or any other Loan Document. Without limiting the generality of the preceding sentence, (a) any arrangement (a "Servicing Arrangement") between Lender and any servicer of the loan secured hereby for loss sharing or interim advancement of funds shall constitute a contractual obligation of such servicer that is independent of the obligation of Borrower for the payment of the indebtedness secured hereby; (b) Borrower shall not be a third party beneficiary of any Servicing Arrangement, and (c) no payment by a servicer under any Servicing Arrangement will reduce the amount of the indebtedness secured hereby.

18.5 The existence of any violation of any provision of this Security Instrument or the other Loan Documents (including but not limited to building or health code violations) as of the date of this Security Instrument, whether or not known to Lender, shall not be deemed to be a waiver of any of Lender's rights under any of the Loan Documents including, but not limited to, Lender's right to enforce Borrower's obligations to repair and maintain the Property.

19. USA PATRIOT Act Notification and Covenant.

19.1 Lender hereby notifies Borrower that, pursuant to the requirements of Section 326 of the USA PATRIOT Act of 2001, 31 U.S.C. TO THE EXTENT PERMITTED BY APPLICABLE LAW, BORROWER SHALL NOT ASSERT, AND HEREBY WAIVES, ANY CLAIM AGAINST LENDER, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF, THIS SECURITY INSTRUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY, THE TRANSACTIONS CONTEMPLATED HEREBY, THE LOAN SECURED HEREBY OR THE USE OF THE PROCEEDS THEREOF.

**ADDENDUM TO MORTGAGE, SECURITY AGREEMENT, ASSIGNMENT OF LEASES AND RENTS AND
FIXTURE FILING
(Illinois Series Limited Liability Company)**

This Addendum is incorporated into and shall be deemed to amend and supplement the Mortgage, Security Agreement, Assignment of Leases and Rents and Fixture Filing or similar document (as applicable, the "Security Instrument") made by the undersigned as grantor, trustor or mortgagor to secure the loan (the "Loan") made by JPMorgan Chase Bank, N.A. ("Lender") identified by the loan number indicated above. Capitalized terms used but not defined in this Addendum shall have the meanings given to those terms in the Security Instrument.

Notwithstanding anything to the contrary contained in the main body of the Security Instrument, the Borrower represents, warrants, covenants and agrees as follows:

1. The Borrower shall not hold or acquire, directly or indirectly, any ownership interest (legal or equitable) in any real or personal property other than the Property, or become a shareholder of or a member or partner in any entity which acquires any property other than the Property, until such time as the Note has been fully repaid. The purpose identified in the Operating Agreement of the Borrower shall not be amended without the prior written consent of the Lender, which shall not be unreasonably withheld, conditioned or delayed. The Borrower covenants:
 - a. To operate as a designated series of a limited liability company under Section 37-40 of the Illinois Limited Liability Company Act, as amended from time to time, having separate rights, powers or duties with respect to Property;
 - b. To maintain its assets, accounts, books, records, financial statements, stationery, invoices, and checks separate from and not commingled with any of those of any other person, series or other entity;
 - c. To conduct its own business in its own name, pay its own liabilities out of its own funds, allocate fairly and reasonably any overhead for shared employees and office space, and to maintain an arm's length relationship with its affiliates;
 - d. To hold itself out as a separate entity, correct any known misunderstanding regarding its separate identity, maintain adequate capital in light of its contemplated business operations, and observe all organizational formalities (Borrower shall be provided notice and a thirty (30) day period to cure any such alleged breach);
 - e. Not to guarantee or become obligated for the debts of any other entity or person or hold out its credits as being available to satisfy the obligations of others, including not acquiring obligations or securities of its partners, members or shareholders (Borrower shall be provided notice and a thirty (30) day period to cure any such alleged breach);

UNOFFICIAL COPY

f. Not to pledge its assets for the benefit of any other entity or person or make any loans or advances to any person or entity (Borrower shall be provided notice and a thirty (30) day period to cure any such alleged breach);

g. Not to enter into any contract or agreement with any party which is directly or indirectly controlling, controlled by or under common control with the Borrower (an "Affiliate"), except upon terms and conditions that are intrinsically fair and substantially similar to those that would be available on an arms-length basis with third parties other than any Affiliate;

h. Neither the Borrower nor any constituent party of the Borrower will seek the dissolution or winding up, in whole or in part, of the Borrower, nor will the Borrower merge with or be consolidated into any other entity;

i. The Borrower has and will maintain its assets in such a manner that it will not be costly or difficult to segregate, ascertain or identify its individual assets from those of any constituent party of the Borrower, any Affiliate, or any other person;

j. The debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to Borrower, as a series of a limited liability company, shall be enforceable against the assets of Borrower only, and not against the assets of the limited liability company generally or any other series thereof, and none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company or any other series thereof shall be enforceable against the assets of Borrower; and

k. The Borrower now has and will hereafter have no debts or obligations other than normal accounts payable in the ordinary course of business, this Security Instrument, and the Note; and any other indebtedness or other obligation of the Borrower has been paid in full prior to or through application of proceeds from the funding of the loan evidenced by the Note.

2. The term "Event of Default" as defined in Section 5.1 of the Security Instrument is hereby amended to include the following:

a. Any representation or warranty made by Borrower in this Addendum to or for the benefit of Lender herein or elsewhere in connection with the loan secured by the Security Instrument shall prove to have been incorrect or misleading in any material respect; or

b. Borrower shall fail to perform its obligations under any covenant or agreement contained in this Addendum.

3. The provisions of this Addendum are personal to Borrower only, are not transferable or assignable, and are inapplicable to any successor of Borrower as vested or beneficial owner of the Property, whether such successor assumes or takes title subject to the Security Instrument.
