(a) Assignor must not lease the Premises unless Assignor obtains Assignee's prior written consent to the lease;

(b) Assignor must observe and perform all of the covenants, terms, conditions, and agreements contained in the Leases to be observed or performed by the lessor thereunder, and Assignor must not do or suffer to be done anything to impair the security thereof. Assignor must not (i) release the liability of any tenant under any Lease, (ii) consent to any tenant's withholding of rent or making monetary advances and off-setting the same against future rentals, (iii) consent to any tenant's claim of a total or partial eviction, (iv) consent to a tenant termination or cancellation of any Lease, except as specifically provided therein, or (v) enter into any oral leases with respect to the Premises;

(d) Assignor must not make any other assignment of its interest in or to any Leases, or any rents, issues, income, or profits assigned hereunder, except as specifically permitted by the Loan Documents;

(e) Assignor must not modify any Lease, and Assignor must not give any consent or approval (including, but not limited to, any consent or approval to any assignment of, or subletting under, any Lease, except as expressly permitted thereby), required or permitted by any Lease or cancel or terminate any Lease, without Assignee's prior written consent; provided, however, that Assignor may cancel or terminate any Lease as a result of a material default by the tenant thereunder and the failure of the tenant to cure the default within the applicable time periods set forth in the Lease;

(f) Assignor must not accept a surrender of any Lease or convey or transfer, or suffer or permit a conveyance or transfer, of the premises demised under any Lease or of any interest in any Lease so as to effect, directly or indirectly, proximately or remotely, a merger of the estates and rights of, or a termination or diminution of the obligations of, any tenant thereunder; any termination fees payable under a Lease for the early termination or surrender thereof must be paid jointly to Assignor and Assignee;

(g) Assignor must not alter, modify, or change any guaranty of any Lease, or cancel or terminate any guaranty or do or permit to be done anything which would terminate any guaranty as a matter of law;

# UNOFFICIAL COPY

(i) Assignor must, at its sole cost and expense, appear in and defend any and all actions and proceedings arising under, relating to, or in any manner connected with any Lease or the obligations, duties, or liabilities of the lessor or any tenant or guarantor thereunder, and must pay all costs and expenses of Assignee, including court costs and reasonable attorneys' fees, in any action or proceeding in which Assignee may appear;

(j) Assignor must give prompt notice to Assignee of any notice of any default by the lessor under any Lease received from any tenant or guarantor thereunder;

(k) Assignor must enforce the observance and performance of each covenant, term, condition, and agreement contained in each Lease to be observed and performed by the tenants and guarantors thereunder and must immediately notify Assignee of any material breach by the tenant or guarantor under any Lease;

(l) Assignor must not permit any Lease to become subordinate to any lien or liens other than liens securing the indebtedness secured hereby or liens for general real estate taxes not delinquent;

(m) Assignor must not execute hereafter any Lease unless there is included therein a provision providing that the tenant thereunder acknowledges that the Lease has been assigned pursuant to this Assignment and agrees not to look to Assignee as mortgagee, mortgagee-in-possession, or successor in title to the Premises for accountability for any security deposit required under the Lease unless the sums have actually been received in cash by Assignee as security for tenant's performance under the Lease;

(n) If any tenant under any Lease is or becomes the subject of any proceeding under the Federal Bankruptcy Code, or any other federal, state, or local statute which provides for the possible termination or rejection of the Lease assigned hereby, and if any Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of Assignee, and any check in payment of damages for termination or rejection of any Lease must be made payable both to Assignor and Assignee. Assignor assigns the payment to Assignee, and upon the request of Assignee, Assignor must duly endorse to the order of Assignee any check, the proceeds of which shall be applied in accordance with Section 8; and

(o) Not later than thirty (30) days after the end of each calendar quarter, Assignor must deliver to Assignee a certified rent roll for the Premises as of the last day of the period in a form reasonably satisfactory to Assignee.

5. Rights Prior to Default. Unless or until an Event of Default (as defined in Section 6) occurs, Assignor has the right to collect, at the time (but in no event more than thirty days in advance) provided for the payment thereof, all rents, issues, income, and profits assigned hereunder, and to retain, use, and enjoy the same. Upon the occurrence of an Event of Default,

# UNOFFICIAL COPY

Assignor's right to collect the rents, issues, income, and profits shall immediately terminate without further notice thereof to Assignor. Assignee has the right to notify the tenants under the Leases of the existence of this Assignment at any time.

6. Events of Default. An "Event of Default" shall occur under this Assignment upon the occurrence of (a) a breach by Assignor of any of the covenants, agreements, representations, warranties or other provisions hereof which is not cured or waived within the applicable grace or cure period, if any, set forth in the Mortgage, or (b) any other Event of Default described in the Note, the Mortgage, or any of the other Loan Documents.

7. Rights and Remedies Upon Default. At any time upon or following the occurrence of any Event of Default, Assignee, at its option, may exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving the Event of Default, without further notice or demand on Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing Assignor or any guarantor of the Note from any obligation, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien or security interest granted by the Loan Documents:

(a) Declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(b) Enter upon and take possession of the Premises, either in person or by agent or by a receiver appointed by a court, and have, hold, manage, lease, and operate the Premises on any terms and for any period of time as Assignee may deem necessary or proper, with full power to make all alterations, renovations, repairs, or replacements thereto or thereof as may seem proper to Assignee, to make, enforce, modify, and accept the surrender of Leases, to obtain and evict tenants, to fix or modify rents, and to do any other act which Assignee deems necessary or proper;

(c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income, and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all the lessor's rights therein and thereunder. This Assignment is an authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to Assignee, without proof of default hereunder, upon receipt from Assignee of written notice to pay all rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions, and agreements contained in the Leases to be observed or performed by the tenants thereunder. Assignor must facilitate in all reasonable ways Assignee's collection of the rents, issues, income, and profits, and upon request Assignor must execute written notices to the tenants under the Leases to pay all rents and other amounts to Assignee; and

(d) Make any payment or do any act required herein of Assignor in any manner and to any extent as Assignee may deem necessary, and any amount so paid by

Assignee shall become immediately due and payable by Assignor with interest thereon until paid at the Default Rate and shall be secured by this Assignment.

8. Application of Proceeds. All sums collected and received by Assignee out of the rents, issues, income, and profits of the Premises following the occurrence of any one or more Events of Default shall be applied in accordance with the Illinois Mortgage Foreclosure Law (Chapter 735, Sections 5/15-1101 et seq., Illinois Compiled Statutes) and, unless otherwise specified in such act, in such order as Assignee shall elect in its sole and absolute discretion.

9. Limitation of Assignee's Liability. Assignee is not liable for any loss sustained by Assignor resulting from Assignee's failure to let the Premises or from any other act or omission of Assignee in managing, operating, or maintaining the Premises following the occurrence of an Event of Default. Assignee is not obligated to observe, perform, or discharge, and Assignee does not undertake to observe, perform, or discharge any covenant, term, condition, or agreement contained in any Lease to be observed, performed, or discharged by the lessor thereunder, or any obligation, duty, or liability of Assignor under or by reason of this Assignment. Assignor indemnifies, defends (using counsel reasonably satisfactory to Assignee), and holds harmless Assignee from and against any and all liability, loss, or damage which Assignee may incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions, and agreements contained in any Lease; provided, however, in no event shall Assignor be liable for any liability, loss, or damage which Assignor incurs as a result of Assignee's gross negligence or willful misconduct. If Assignee incurs any liability, loss, or damage under any Lease or under or by reason of this Assignment, or in the defense of any claim or demand, the amount thereof, including costs, expenses, and reasonable attorneys' fees, shall become immediately due and payable by Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment does not place responsibility upon Assignee for the care, control, management, or repair of the Premises or for the carrying out of any of the covenants, terms, conditions, and agreements contained in any Lease, and this Assignment does not make Assignee responsible or liable for any waste committed upon the Premises by any tenant, occupant, or other party, or for any dangerous or defective condition of the Premises, or for any negligence in the management, upkeep, repair, or control of the Premises resulting in loss or injury or death to any tenant, occupant, licensee, employee, or stranger. Nothing set forth herein or in the Mortgage, and no exercise by Assignee of any of the rights set forth herein or in the Mortgage shall constitute or be construed as constituting Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by Assignee pursuant to this Assignment or the Mortgage.

10. No Waiver. Nothing contained in this Assignment and no act done or omitted to be done by Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under any of the Loan Documents. This Assignment is made and accepted without prejudice to any of the rights and remedies of Assignee under such instruments, and Assignee may exercise any of its rights and remedies under such instruments either prior to, simultaneously with, or subsequent to any action taken by it

hereunder. Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.

11. Further Assurances. Assignor must execute or cause to be executed all additional instruments (including, but not limited to, general or specific assignments of Leases as Assignee may designate) and must do or cause to be done all further acts, as Assignee may request, in order to permit Assignee to perfect, protect, preserve, and maintain the assignment made to Assignee by this Assignment.

12. Security Deposits. Assignee has not received for its own account any security deposited by any tenant pursuant to the Leases, and Assignee assumes no responsibility or liability for any security so deposited.

13. Severability. If any provision of this Assignment is deemed to be invalid by reason of the operation of law, or by reason of the interpretation placed thereon by any administrative agency or any court, Assignee and Assignor shall negotiate an equitable adjustment in the provisions of the same in order to effect, to the maximum extent permitted by law, the purpose of this Assignment and the validity and enforceability of the remaining provisions, or portions or applications thereof, shall not be affected thereby and shall remain in full force and effect.

14. Successors and Assigns. This Assignment is binding upon Assignor and its legal representatives, successors, and assigns, and the rights, powers, and remedies of Assignee under this Assignment inure to the benefit of Assignee and its successors and assigns.

15. Written Modifications. This Assignment cannot be amended, modified, or supplemented without the written agreement of Assignor and Assignee at the time of the amendment, modification, or supplement.

16. Duration. This Assignment shall become null and void at such time as Assignor shall have paid the principal sum of the Note, together with all interest thereon, and shall have fully paid and performed all of the other obligations secured hereby and by the other Loan Documents.

17. Governing Law. This Assignment is governed by and construed in accordance with the laws of the State of Illinois.

18. Notices. All notices, demands, requests, and other correspondence which are required or permitted to be given hereunder shall be deemed sufficiently given when delivered or mailed in the manner and to the addresses of Assignor and Assignee, as the case may be, as specified in the Mortgage.
