to Landlord's rights and remedies following an Event of Default by Tenant. Landlord shall have no obligation to pay interest to Tenant on any amounts deposited by Tenant. Landlord shall apply any such deposits for the purpose held not later than the last day on which any such charges may be paid without interest or penalty. If, at any time, the amount of any Imposition or insurance premium is increased or Landlord receives reliable information from a Governmental Authority or insurer, as applicable, that an Imposition or insurance premium will be increased, and if the monthly deposits then being made by Tenant for such item (if continued) would not produce a fund sufficient to pay such item thirty (30) days prior to its due date, such monthly deposits shall thereupon be increased and Tenant shall deposit with Landlord, on demand by Landlord, additional sums in an amount which, when added to the monies then on hand for the payment of said item plus the increased one-twelfth (1/12) payments, shall be sufficient to pay such item at least thirty (30) days before the same becomes due and payable. For purposes of determining whether Landlord has on hand sufficient monies to pay any particular Imposition or insurance premium at least thirty (30) days prior to the due date therefor, deposits for each item shall be treated separately, it being the intention that Landlord shall not be obligated to use monies deposited for the payment of any item for the payment of another that is due and payable. Tenant shall not be required to make any specific deposit required under this Section if a deposit for the same purpose is made by Tenant to an escrow or otherwise to persons pursuant to a requirement by any Leasehold Mortgagee. This Section 4.02(b) shall not apply to any Leasehold Mortgagee (or any nominee of a Leasehold Mortgagee) that becomes Tenant hereunder through foreclosure or transfer by deed in lieu of foreclosure unless: (i) the Event of Default arises after such Leasehold Mortgagee becomes Tenant hereunder; or (ii) the Event of Default arises prior to such Leasehold Mortgagee becoming Tenant hereunder and such Event of Default is not an Incurable Default and is an Event of Default that such Leasehold Mortgagee is obligated to cure under the provisions of this Lease, and such Leasehold Mortgagee fails to commence or cure such Event of Default within the time and in the manner required by this Lease.

4.03 Contest of Impositions. Tenant may, if it desires, contest the validity or amount of any Imposition, in whole or in part, by an appropriate proceeding diligently conducted in good faith. Tenant may conduct such a contest only after payment of the challenged Imposition or Tenant shall, at least fifteen (15) days prior to the date such Imposition is due: (i) have deposited with the First Leasehold Mortgagee or an escrow agent acceptable to Landlord an amount sufficient to pay such contested Imposition, together with interest and penalties thereon, which amount shall be applied to the payment of such Imposition, interest and penalties when the amount thereof shall be finally fixed and determined; or (ii) have provided to the First Leasehold Mortgagee or to Landlord a bond, letter of credit or other security reasonably acceptable to Landlord. Nothing herein contained, however, shall be construed as to allow such Imposition to remain unpaid for such length of time as shall permit the Property, or any part thereof, or the lien thereon created by such Imposition, to be sold or forfeited for the nonpayment of the same. If the amount so deposited as aforesaid shall exceed the amount of such Imposition, interest and penalties when finally fixed and determined, the excess (or the entire amount if no such payment is required) shall be released from the escrow to Tenant, or in case there shall be a deficiency, the amount of such deficiency shall be forthwith paid by Tenant.

4.04 Reduction of Impositions. Tenant, at its expense, may, if it shall so desire, endeavor at any time or times, upon prior written notice to Landlord, to obtain a lowering of the assessed valuation upon the Real Estate or the Property for the purpose of reducing taxes thereon

and, in such event, Landlord will offer no objection and, at the request of Tenant, will cooperate with Tenant, but without expense to Landlord, in effecting such a reduction. Tenant shall be authorized to collect any tax refund payable as a result of any proceeding Tenant may institute for that purpose and any such tax refund shall be the property of Tenant to the extent to which it may be based on a payment made by Tenant, subject, however, to the apportionment provisions contained in Section 4.01, after deducting from such refund the costs and expenses, including legal fees, incurred in connection with obtaining such refund.

4.05 Joinder of Landlord. Landlord shall not be required to join in any action or proceeding referred to in Sections 4.03 or 4.04 unless required by law or any rule or regulation in order to make such action or proceeding effective, in which event, any such action or proceeding may be taken by Tenant in the name of, but without expense to, Landlord. Notwithstanding the foregoing, Landlord shall execute, when and as required and requested to do so by Tenant in writing, all applications, affidavits and other documents required to obtain or maintain any tax abatement or exemption which may be available. Tenant hereby agrees to indemnify, defend and hold Landlord's Protected Persons harmless from and against all costs, expenses, claims, loss or damage, including reasonable attorney's fees, by reason of, in connection with, on account of, growing out of, or resulting from, any such action or proceeding.

4.06 Tax Divisions. Tenant shall, (1) within thirty (30) days following the execution and delivery of this Lease, send notification to the Cook County Assessor's Office, Exemption Department, via certified mail, return receipt requested (with a copy to the City of Chicago, Department of Housing and Economic Development) of a change in the Leasehold Estate and a change in the ownership of the Improvements in accordance with 35 ILCS 200/15-20 and (2) within thirty (30) days following Tenant's receipt of the new Permanent Index Numbers for the Real Estate file, if applicable, a Petition for Division and/or Consolidation of Property ("Petition") with the Cook County Assessor's Office for a real estate tax division segregating the Landlord's fee interest in the Real Estate from Tenant's Leasehold Estate and ownership of the Improvements. Tenant is responsible for providing a copy of its filed Petition(s) to Landlord and monitoring the Division Report generated by the County Assessor's Office to ensure the assignment of new, separate tax parcel designation for the Real Estate. Until such tax parcel redesignation occurs, Tenant will promptly forward on to Landlord copies of any property tax bills it receives attributable to the Real Estate and Tenant agrees to pay or cause to be paid, when due (or if paid by Landlord, to reimburse Landlord upon demand for) any property taxes attributable to the Real Estate, or any portion thereof, and any Improvements thereon. Within fifteen (15) days of receipt of any new, separate tax parcel redesignation, Tenant shall provide Landlord with copies of all such notice of assignment of new, separate tax parcel re-designation for the Real Estate. Landlord or Tenant may, if either shall so desire, contest the validity or amount of any such taxes, in whole or in part, by an appropriate proceeding diligently conducted in good faith. Any such contest by Tenant shall be in accordance with Section 4.01. Tenant's failure to fully comply with this Section shall constitute an Event of Default under Section 10.01 of this Lease.

Improvements

5.01 Required Improvements. As a material inducement to Landlord in entering into this Ground Lease, upon commencement of the Term, Tenant covenants and agrees, at its sole cost and expense, to operate such Improvements as RAD Units under the RAD Program. It is the intention of the parties that the Tenant be the title holder and owner of the Improvements for federal income tax purposes and for all other purposes subject to the provisions in Section 14.01 hereof and the parties hereby agree that Tenant shall be entitled to depreciation, tax credits and other benefits from such title and ownership.

5.02 Other Capital Improvements. With respect to any Major Capital Improvement, Tenant shall not commence construction unless Landlord shall have specifically approved such Major Capital Improvement and Tenant has complied with Section 5.03, provided that Landlord's approval shall not be unreasonably withheld or delayed. A "Major Capital Improvement" is a capital improvement involving an estimated cost of more than \$100,000.00, and shall include additional buildings, and additions, alterations, renovations, restoration, replacements or rebuilding, whether or not required to be made in compliance with Tenant's obligations under this Article, or in connection with a Restoration made under Article 8 as a result of damage or destruction, or under Article 12 as a result of any taking pursuant to eminent domain. Notwithstanding the foregoing, Landlord's consent under this Article 5 shall not be required in connection with: (i) a Restoration of the Improvements under Article 8 or Article 12 to the condition that existed immediately prior to the casualty or condemnation; (ii) a capital improvement that is required pursuant to Requirements; or (iii) a capital improvement required pursuant to All Applicable RAD Requirements.

5.03 Major Capital Improvements Requirements. Prior to the commencement of any Major Capital Improvement, the following shall be submitted to landlord whether or not Landlord's consent to such Major Capital Improvement is required under Section 5.02:

(a) complete plans and specifications for the Major Capital Improvement prepared by a licensed architect which plans shall also include landscaping plans and specifications;

(b) copies of all permits and licenses for the construction of the Major Capital Improvement issued by the appropriate Governmental Authority;

(c) a signed construction contract or contracts for all of the work, material and equipment comprising the Major Capital Improvement in accordance with the plans and specifications delivered pursuant to Section 5.03(a), together with appropriate liability insurance policies; and

(d) a copy of one or more commitments from a Lender or Lenders for loans to be made available to Tenants, on both a construction loan and long-term take-out loan basis, in an amount that, together with equity that is available and specifically allocated thereto, is sufficient to pay the budgeted costs of construction of the Major Capital Improvement.

5.04 Demolition. Except in connection with a Restoration under Articles 8 or 12, Tenant shall not demolish the Improvements, including any improvements to such Improvements required under Section 5.01 or any Major Capital Improvements permitted under Section 5.02, without the prior written consent of Landlord;

5.05 Accessibility and Visitability Requirements. All units in the Development that are subject to the accessibility requirements of the Fair Housing Act shall be designed, constructed and/or rehabilitated in accordance with such requirements. To the greatest extent feasible, all other units in the Development shall be built and/or renovated in accordance with the concept of Visitability, which recognizes that persons with disabilities should be able to enjoy the same privileges of accessibility to other living quarters outside their residence. "Visitability" means that: (a) at least one entrance is at grade (i.e. no steps), approached by an accessible route; and (b) the entrance door and all interior doors on the first floor are at least 34 inches wide, offering 32 inches of clear passage space. Landlord acknowledges that the Development, as designed, complies with the requirements of this Section 5.04.

ARTICLE 6

Use, Maintenance, Alterations, Repairs, etc.

6.01 Condition of Real Estate and Property. Tenant has leased the Real Estate after a full and complete examination thereof, as well as the title thereto and its present uses and restrictions, and except for Excluded Environmental Conditions (for which responsibility shall be determined under applicable law), Tenant accepts the same without any representation or warranty, express or implied, in fact or by law, by Landlord and without recourse to Landlord as to the title thereof, the nature, condition or usability thereof or the use or uses to which the Property or any part thereof may be put; provided, however, that upon the commencement of this Lease, title to the Real Estate shall be subject only to the Permitted Exceptions. Except for Excluded Environmental Conditions (the responsibility for which shall be determined under applicable law), Landlord shall not be required to furnish any services or facilities or to make any repairs or alterations in or to the Property, throughout the Term. Tenant hereby assumes the full and sole responsibility for the conditions, operation, repair, replacement, maintenance and management of the entire Property; provided, however, that Tenant does not assume responsibility for Excluded Environmental Conditions (the responsibility for which shall be determined under applicable law).

6.02 Use of Property. The Property shall be used and occupied only for single family or multi-family residential uses and for uses incidental thereto and for no other purpose, unless Landlord has consented in writing to such other use. which consent may be granted, withheld or granted with such conditions as Landlord may require, in Landlord's sole and absolute discretion.

6.03 Prohibited Use. Tenant shall not use or occupy the Property or permit the same to be used or occupied, nor do or permit anything to be done in, on or to the Property, or any part thereof, in a manner that would in any way (a) materially violate any construction permit or certificate of occupancy affecting the Property or any Requirement, (b) make void or voidable any insurance then in force, or make it impossible to obtain fire or other insurance required to be furnished by Tenant hereunder, (c) cause or be apt to cause structural injury to the Property, or any part thereof, or (d) materially violate any material provision of this Lease; provided, however, that

the foregoing shall not impose any obligation on Tenant with respect to any Excluded Environmental Condition. Notwithstanding anything to the contrary contained in this Lease, Landlord may not terminate this Lease by reason of an act or omission of a resident or sub-tenant of the Development. Tenant shall promptly and diligently take all reasonable steps, in accordance with the provisions of such resident's or sub-tenant's lease and applicable Requirements, to evict such resident who materially violates any material provision of his or her lease, which violation constitutes a material violation of a material provision of this Lease. Notwithstanding the first sentence of this Section 6.03, Tenant may, in good faith, upon prior written notice to Landlord (and where necessary in the name of, but without expense to, Landlord) and, after having secured Landlord to its reasonable satisfaction against loss or damage, by cash or by a letter of credit or surety bond in an amount, with an issuer or surety, and in form and substance reasonably satisfactory to Landlord, contest the validity of any Requirement and, pending the determination of such contest may postpone compliance therewith, provided that in no event shall such act or omission of Tenant: (i) subject Landlord to any fine or penalty or to prosecution for a crime; (ii) cause the Property, or any part thereof, to be condemned or to be vacated; or (iii) cause any material interference with the operation of the Development for the purposes set forth in Section 6.02 or the occupancy, use, benefit and enjoyment thereof by any resident or sub-tenant of the Development. Tenant shall indemnify, defend and hold harmless Landlord's Protected Persons from and against any recovery or loss to which any Landlord's Protected Person may be subject or which any Landlord's Protected Person may sustain, including reasonable attorneys' fees and expenses incurred by any Landlord's Protected Person arising from any breach of this covenant or by reason of any action or proceeding which may be brought against any Landlord's Protected Person or against the Property, or any part thereof, by virtue of any Requirement, which do not arise out of any negligent act or willful misconduct of Landlord, or any event of default by Landlord hereunder. Landlord shall provide notice to Tenant of any action brought against Landlord that affects the Property, or any part thereof.

6.04 Maintenance of Property. Subject to Section 8.01, Tenant shall make all necessary repairs to and replacements of the Improvements, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen and shall maintain and keep the Improvements in good and safe order, repair and condition. Tenant covenants and agrees that throughout the Term: (a) all building systems, facilities and equipment, including HVAC systems, common area lighting and the like, shall be maintained in good operating order and repair; and (b) the Real Estate and the Property shall, at all times, have adequate means of ingress and egress to and from the abutting public streets and alleys. Tenant shall indemnify, defend and hold Landlord's Protected Persons harmless from and against any and all claims and demands arising from the failure of Tenant to perform the covenants contained herein or arising from any accident, injury or damage to any person or property that shall or may happen in or upon the Property or the Real Estate, or any part thereof, however caused, other than Landlord's negligent act or willful misconduct or any Excluded Environmental Condition, and shall keep the Real Estate and the Property free and clear of any and all mechanics' liens or other similar liens or charges incidental to work done or material supplied in or about the Property or the Real Estate subject to the provisions in Section 4.03 providing for contest of such liens.

6.05 Waste. Tenant shall not do, permit or suffer any waste, damage, disfigurement or injury to or upon the Property, or any part thereof, without repairing the same within a reasonable period of time. Tenant shall have the right at any time and from time to time to sell or dispose of

any equipment or fixtures subject to this Lease that may have become obsolete or unfit for use or that is no longer useful, necessary or profitable in the conduct of Tenant's business; provided, however, that Tenant shall have substituted or shall promptly substitute for the property so removed from the Property other equipment or fixtures at least of equal quality and utility in the performance of the particular function in question as that of the property so removed unless, in Tenant's reasonable opinion set forth in written notice to Landlord, the property so removed was performing an obsolete function and replacement thereof is not necessary or appropriate to maintain the operation or character of the Property, or its use and occupancy by residents of the Property and licensees or its overall value without impairment.

6.06 Compliance with Requirements. Except for Excluded Environmental Conditions (for which responsibility shall be determined under applicable law), Tenant shall comply, at its own expense, with all Requirements during the Term and with the reasonable requests of any insurance company having a policy outstanding with respect to the Real Estate or the Property, or any part thereof, whether or not such Requirements or requests require the making of structural alterations or the use or application of portions of the Real Estate or the Property for compliance therewith, or interfere with the use and enjoyment of the Property, and shall indemnify, defend and hold harmless Landlord's Protected Persons from and against all fines, penalties, and claims for damages of every kind and nature arising out of any failure to comply with any such Requirement or request. It is the intention of the parties that Tenant during the Term shall discharge and perform all obligations of Landlord, as well as all obligations of Tenant arising as aforesaid, and hold harmless Landlord's Protected Persons therefrom (except for Excluded Environmental Conditions), so that at all times the Rent shall be net to Landlord without deductions or expenses on account of any such Requirement or request, whatever it may be. Tenant may, in good faith upon prior written notice to Landlord (and wherever necessary, in the name of, but without expense to, Landlord) and, after having secured Landlord to its reasonable satisfaction against loss or damage, by cash or by a letter of credit or surety bond in an amount, with an issuer or surety, and in form and substance reasonably satisfactory to Landlord, contest the validity of any such Requirement or request and, pending the determination of such contest, may postpone compliance therewith, provided that in no event shall such contest or postponement: (i) subject Landlord to any fine or penalty or to prosecution for a crime; (ii) cause the Real Estate or the Property, or any part thereof, to be condemned or to be vacated; or (iii) cause any material interference with the operation of the Property for the purposes set forth in Section 6.02 or the occupancy, use, benefit and enjoyment thereof by any resident or sub-tenant of the Development.

6.07 Exculpation of Landlord. Landlord shall not be responsible or liable for any destruction, damage or injury to any property or to any person or persons at any time on the Property resulting from any casualty, occurrence or condition occurring or existing during the Term of this Lease (except for Excluded Environmental Conditions for which responsibility shall be determined under applicable law), including without limitation those from steam, gas or electricity, or from water, rain or snow, whether the same may leak into, issue or flow from or within any part of the Property or from the pipes or plumbing of the same, or from any other place or quarter; nor shall Landlord be in any way responsible or liable in case of any accident or injury (including death) to any of Tenant's subtenants, employees or agents, or to any person or persons in or about the Property or the streets, driveways, sidewalks, parkways or alleys adjacent thereto; and Tenant agrees that it will not hold Landlord in any way responsible or liable therefor (except for actions caused by Landlord's negligent act or willful misconduct) and will further indemnify,

defend and hold Landlord's Protected Persons harmless from and against any and all claims, liability, penalties, damages, expenses and judgments arising from injury to persons or property of any nature and also for any matter or thing arising out of or resulting as a direct or indirect consequence from the use or occupancy of the Property; provided, however, that the foregoing obligations shall not apply to Excluded Environmental Conditions. Nothing herein contained shall be deemed to release Landlord from providing contracted services to Tenant and the Development, or from the consequences to Tenant and the Tenant Property of Landlord's negligent act, willful misconduct or breach of its representations, warranties and covenants set forth herein or for liability arising from Excluded Environmental Conditions (for which responsibility shall be determined under applicable law).

6.08 Exculpation of Leasehold Mortgagee. Until any Leasehold Mortgagee becomes a mortgagee in possession or the tenant under a new lease, no Leasehold Mortgagee shall, except to the extent of the gross negligence or willful misconduct of such Leasehold Mortgagee, its agents and employees on or about the Land be responsible or liable for any destruction, damage or injury to any property or to any person or persons at any time on the Real Estate resulting from any casualty, occurrence or condition occurring or existing during the Term of this Ground Lease, including without limitation those from steam, gas or electricity, or from water, rain or snow, whether the same may leak into, issue or flow from or within any part of the Real Estate or from the pipes or plumbing of the same, or from any other place or quarter; nor shall any Leasehold Mortgagee be in any way responsible or liable in case of any accident or injury (including death) to any of Tenant's subtenants, employees or agents, or to any person or persons in or about the Real Estate or the streets, driveways, sidewalks, parkways or alleys adjacent thereto.

6.09 Landlord's Right of Entry. Landlord shall have the right, upon reasonable advance notice to Tenant and subtenants, when appropriate, on any business day, to enter upon the Property or the Real Estate, or any part thereof, for the purpose of ascertaining the condition thereof, or whether Tenant is observing and performing the obligations assumed by it under this Lease, or to make any repairs or perform any work, all without hindrance or molestation from Tenant, or anyone claiming by, through or under Tenant, whether as subtenant or otherwise. The above mentioned rights of entry shall be exercisable at reasonable times, at reasonable hours and on reasonable advance notice; provided, however, that entry may be made at any time without notice in the event of an emergency (although Landlord shall endeavor to give Tenant prior notice thereof). Nothing contained herein, however, shall impose or imply any duty on the part of Landlord to make any such repairs or perform any such work.

6.10 No Liens. Notice is hereby given that Landlord shall not be liable for any labor or materials furnished or to be furnished to Tenant upon credit, and that no mechanics' or other lien for any such labor or material shall attach to or affect the estate or interest of Landlord in and to the Property or any part thereof.

Insurance

7.01 Maintenance of Insurance. During the Term, Tenant shall, at its sole expense, obtain and maintain, or cause to be obtained and maintained policies of insurance satisfying the requirements set forth on Exhibit F.

7.02 Form of Policies. Except as provided in Section 8.02, any policies of insurance covering the Development during construction and/or rehabilitation, shall expressly provide that any losses thereunder shall be adjusted with Tenant and all Leasehold Mortgagees as their interests may appear (or, absent a Leasehold Mortgagee, with Landlord). All such insurance shall be carried in the name of Tenant and loss thereunder shall be payable to Tenant and the Leasehold Mortgagees, if any, and Landlord as their respective interests may appear. All such insurance may be in the form of a so-called "blanket policy" covering more than two properties, provided that the amount of coverage shall be not less than the aggregate of the Full Insurable Values of all covered properties and the policy shall include an "agreed amount" endorsement on a no-coinsurance basis.

7.03 Evidence of Insurance and Payment. Upon the execution and delivery of this Lease, and thereafter not later than fifteen (15) days prior to the expiration date of an expiring policy theretofore furnished pursuant to this Article, certificates of insurance evidencing the required coverages, bearing notations evidencing the payment of premiums or accompanied by other evidence satisfactory to Landlord of such payment, shall be delivered by Tenant to Landlord. Upon request from Landlord, Tenant shall deliver to Landlord duplicate originals or certified copies of the policies required by this Article 7.

7.04 Separate Insurance. Tenant shall not obtain separate insurance concurrent in form or contributing in the event of loss with that required in this Article to be furnished by or that may reasonably be required to be furnished by Tenant unless Landlord is included therein as an additional insured, with loss payable as required in this Lease. Tenant shall immediately notify Landlord of the obtaining of any such separate insurance and shall deliver duplicate originals or certified copies of the policy or policies so obtained as provided in Section 7.03.

7.05 Cancellation. Each policy of insurance delivered hereunder shall contain an agreement by the insurer that such policy shall not be cancelled or materially altered without at least thirty (30) days' prior written notice given to Landlord and to each Leasehold Mortgagee named in such policy.

ARTICLE 8

Damage and Restoration

8.01 Damage or Destruction.

(a) In the event of any damage to or destruction of the Improvements during the Term, Tenant shall give Landlord immediate notice thereof and, unless the Insurance Proceeds are applied by a Leasehold Mortgagee to reduce its debt in accordance with Section 8.05, Tenant shall promptly and diligently restore, replace, rebuild and repair the same as nearly as possible

to their value, condition and character immediately prior to such damage or destruction, in accordance with the following provisions of this Article 8. Landlord shall in no event be called upon to restore, replace, rebuild or repair the Property, or any portion thereof, or to pay any of the costs or expenses thereof. All work in connection with such restoration, replacement, rebuilding and repairing, including all temporary repairs to the Property or repairs made for the protection of the Property pending the completion of the permanent restoration, replacement, rebuilding and repairing, is hereinafter collectively referred to as "Full Restoration." In the event of any damage to or destruction of the Improvements occurring during the Term, Tenant shall, upon demand, deposit with the First Leasehold Mortgagee (or, if none, with Landlord), or into the Restoration Escrow (as that term is hereinafter defined), the amount of any applicable deductible or self-insurance (the "Deductible"). If the Net Insurance Proceeds (as that term is hereinafter defined) available for a particular Restoration (as that term is hereinafter defined) plus the amount of the Deductible, are insufficient to accomplish the Full Restoration, then Landlord may terminate this Lease with respect to the portion of Real Estate on which such damaged or destroyed Improvements were situated (and any related open space parcels) by written notice to Tenant and all Leasehold Mortgagees, unless: (1) within ninety (90) days after the amount of Net Insurance Proceeds has been determined, Tenant deposits with the First Leasehold Mortgagee (or, if none, with Landlord) cash, a letter of credit and/or evidence satisfactory to the First Leasehold Mortgagee (or, if none, to Landlord) of the availability of funds (from a loan or otherwise) in an amount equal to the Restoration Deficiency (as that term is hereinafter defined); or (2) within ninety (90) days after the expiration of said 90-day period, any one or more of the Leasehold Mortgagees and/or any other Person so deposits the Restoration Deficiency with the First Leasehold Mortgagee (or, if none, with Landlord) or into the Restoration Escrow; or (3) within one hundred eighty (180) days after the amount of Net Insurance Proceeds has been determined, the First Leasehold Mortgagee agrees to a Partial Restoration and agrees to make the Net Insurance Proceeds available for such Restoration; or (4) at least one Leasehold Mortgagee is diligently proceeding to obtain such insurance proceeds and, if applicable, to exercise its rights with respect to the Restoration; provided, however, that the foregoing prohibition against termination shall no longer be applicable when the First Leasehold Mortgagee elects to apply such insurance proceeds to repay outstanding debt in lieu of Restoration. The First Leasehold Mortgagee shall consult with all subordinate Leasehold Mortgagees with respect to the application of the Net Insurance Proceeds; provided however that in the event of any disagreement between the First Leasehold Mortgagee and any subordinate Leasehold Mortgagee over the application of the Net Insurance Proceeds, the decision of the First Leasehold Mortgagee, in its sole discretion, shall prevail, subject to Section 8.01(b). The Full Restoration or Partial Restoration, as applicable, is hereinafter referred to as the "Restoration". As used herein, the term "Restoration Deficiency" shall mean additional funds in an amount sufficient, when added to the Net Insurance Proceeds available for a Restoration plus the Deductible, to complete such Restoration. If this Lease is terminated pursuant to this Section 8.01(a), with respect to a portion of the Real Estate only then, at the option of Landlord, Tenant shall, at Tenant's sole expense, demolish and/or remove such of the Improvements on such portion of the Real Estate as are designated by Landlord, provided that, if the costs of such demolition and removal exceed the Deductible, sufficient Net Insurance Proceeds are made available to Tenant for that purpose.

UNOFFICIAL COPY

(b) The determination of whether the Proceeds are sufficient to rebuild and repair the Improvements so damaged or destroyed to a value, condition and character that is not materially different from what existed immediately prior to such damage or destruction (i.e. a Full Restoration) and that such Restoration is feasible, shall be reasonably made by the First Leasehold Mortgagee in accordance with the requirements of its Leasehold Mortgage (or, if none, by Landlord). The First Leasehold Mortgagee shall consult with all subordinate Leasehold Mortgagees with respect to application of Net Insurance Proceeds; provided however that in the event of any disagreement between the First Leasehold Mortgagee and any subordinate Leasehold Mortgagee over the application of Net Insurance Proceeds, the decision of the First Leasehold Mortgagee, in its sole discretion, shall prevail. If there is to be a Restoration, all Proceeds shall be deposited in an account with First Leasehold Mortgagee or, if there is no First Leasehold Mortgagee, in a construction disbursement escrow among Landlord, Tenant, the Leasehold Mortgagees, if any, and a mutually acceptable title company (the "Restoration Escrow"), and disbursed to pay the costs of such Restoration. By accepting a Leasehold Mortgage, each Leasehold Mortgagee agrees to be bound by such determination and to make the Net Insurance Proceeds available for such Restoration. In the event of any such damage to or destruction of the Improvements, Tenant, Landlord or any Leasehold Mortgagee, shall have the right (but shall not be obligated) to deposit the Restoration Deficiency into the Restoration Escrow. Unless the Restoration Deficiency is deposited with the First Leasehold Mortgagee (or, if none, with Landlord) or into the Restoration Escrow, or all of the Leasehold Mortgagees agree to a Partial Restoration, within the time periods provided in Section 8.01(a), this Lease shall terminate as to the affected portions of the Real Estate and the provisions of Section 8.05 shall apply.

8.02 Adjustment of Insurance Claims and Disbursements. Adjustment of any insurance claim shall, subject to the terms of any Leasehold Mortgage, be negotiated by Tenant. All insurance proceeds shall be deposited with the First Leasehold Mortgagee (or, if none, with Landlord) or into a Restoration Escrow, and administered as hereinafter set forth. All insurance proceeds received by Landlord or Tenant on account of such damage or destruction, less the actual costs, expenses and fees, if any, incurred in connection with the adjustment of the loss (the "Net Insurance Proceeds"), shall be applied in accordance with the terms of this Article. Such Net Insurance Proceeds plus the Deductible shall be paid out from time to time as such Restoration progresses and is approved. All Proceeds held by the First Leasehold Mortgagee shall be held in trust in a separate bank account.

8.03 Deficiencies. If, at any time during the course of a Restoration, the projected Restoration Deficiency increases, Tenant shall either, before proceeding with the Restoration, deposit with the First Leasehold Mortgagee (or, if none, with Landlord) cash, a letter of credit and/or evidence satisfactory to Landlord of the availability of funds (from a loan or otherwise) in an amount equal to the increase in the Restoration Deficiency, or deliver to the First Leasehold Mortgagee (or, if none, to Landlord) a surety bond from a company and in form and substance satisfactory to the First Leasehold Mortgagee (or, if none, to Landlord), for such increase in the Restoration Deficiency, the premium for which shall have been paid by Tenant. Thereupon, Tenant may proceed with the Restoration.

8.04 Landlord's Right to Complete. Subject to any rights of the First Leasehold Mortgagee under Section 8.01, if a Restoration is commenced or required to be commenced, and

UNOFFICIAL COPY

if Tenant shall fail to promptly and diligently commence and complete such Restoration, Landlord, after first giving all Leasehold Mortgagees written notice and at least sixty (60) days thereafter to commence such Restoration and thereafter promptly and diligently complete such Restoration, may complete the same and apply the Net Insurance Proceeds plus the Deductible and any additional funds provided by Tenant to the cost of Restoration.

8.05 Leasehold Mortgages. Except as provided in Section 8.01: (1) all provisions of this Article 8 are subject to the rights of the First Leasehold Mortgagee and the provisions of the First Leasehold Mortgage; (2) the provisions of the First Leasehold Mortgage shall govern in the event of any conflict or inconsistency between the provisions of this Article 8 and the provisions of the First Leasehold Mortgage; and (3) application of Net Insurance Proceeds shall be subject to the terms of the Leasehold Mortgages, and the respective priorities of the Leasehold Mortgagees thereunder, including the Leasehold Mortgagees' rights, if any, to apply proceeds of insurance to the payment of outstanding debt owed by Tenant to such Leasehold Mortgagees in lieu of Restoration. In such an event, Landlord and Tenant shall adjust any remaining balance of insurance proceeds as their respective interests may be affected by such damage or destruction, and this Lease shall terminate as to the affected portions of the Real Estate. No termination of this Lease shall occur under this Article 8 so long as at least one Leasehold Mortgagee is diligently proceeding to obtain such insurance proceeds and, if applicable, to exercise its rights with respect to the Restoration; provided, however, that the foregoing prohibition against termination shall no longer be applicable when the First Leasehold Mortgagee elects to apply such insurance proceeds to repay outstanding debt in lieu of Restoration.

ARTICLE 9

Title and Ownership; Leasehold Mortgage

9.01 Restrictions on Transfer.

(a) Except for Permitted Transfers and Permitted Refinancing: (i) Tenant shall not at any time without the prior written consent of Landlord: (A) sell, assign, transfer, or convey all or any part of its interest under this Lease, or (B) sell, assign, transfer or convey all or any part of any structure or other Improvement located on the Real Estate; or (C) sublet all or any part of the Tenant Property except for subletting of the dwelling units to subtenants pursuant to subleases with a term (including options to extend or renew) not in excess of one (1) year and (ii) there shall not be a change of control of Tenant or the sale, assignment, transfer or conveyance of any interest in Tenant. Landlord's consent to any of the foregoing may be granted, withheld or granted with such conditions as Landlord shall require, in its sole and absolute discretion.

(b) If a Permitted Transfer consisting of a sale, assignment, transfer or other conveyance of the Leasehold Estate occurs, the transferee or assignee shall enter into an assumption agreement with Landlord by which it assumes all of Tenant's rights and obligations under this Lease. Upon the consummation of such Permitted Transfer and the delivery to Landlord of such assumption agreement executed by the transferee or assignee, the transferee or assignee shall succeed to all rights and obligations of Tenant under this Lease, and shall be deemed a permitted assignee of Tenant, and Tenant making such sale, assignment, transfer or

UNOFFICIAL COPY

other conveyance shall be and hereby is relieved of any continuing obligations hereunder arising thereafter and such permitted assignee, by accepting such assignment, shall be deemed to have assumed all obligations hereunder arising after such assignment. Landlord acknowledges that Tenant may cause the Improvements, or a portion thereof, to qualify for housing "low income families" and/or "very low income families," for the period required under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). Tenant may cause the Improvements, or a portion thereof, to qualify for other state and/or federal assistance, including but not limited to financing arranged through or insured by HUD. To the extent required by the Code and/or HUD as a condition to such qualification, and as may be required under Article 15, Tenant is authorized to enter into restrictive covenants encumbering the Tenant Property pertaining to the use of the Tenant Property. Landlord agrees to enter into a subordination agreement relating to this Lease as to such restrictive covenants as may be required to obtain and maintain such qualifications.

(c) Landlord shall not, without the prior written consent of Tenant and all Leasehold Mortgagees, mortgage or create a lien upon (i) all or any part of the Real Estate, or (ii) all or any part of its interest in this Lease or any Improvement.

(d) The parties acknowledge that it may become necessary to grant easements and/or licenses over, under, upon and across the Real Estate for the provision of gas, electricity, telephone service, cable television, Internet access, water, sewer, and other utilities to serve the Improvements. All such easements and licenses shall be subject to the prior written consent of Landlord, which shall not be unreasonably withheld or delayed. If required, Landlord shall grant or join with Tenant in the grant of such easements and licenses, so as to subject Landlord's interest in the Real Estate to such easements and licenses. All costs in connection with such easements and licenses shall be borne by Tenant.

9.02 Liens. Other than the Permitted Exceptions and the encumbrances listed on Exhibit D (the "Encumbrances"), and any Permitted Refinancing, Tenant shall not create or permit to be created or to remain, and shall promptly discharge, any lien (including but not limited to any mechanic's, contractor's, subcontractor's or materialman's lien or any lien, encumbrance or charge arising out of any Imposition, conditional sale, title retention agreement, chattel mortgage, security agreement, financing statement or otherwise) upon the Real Estate or the Tenant Property, or any part thereof, or the income therefrom, and Tenant shall not suffer any matter or thing whereby the estate, rights and interests of Landlord in the Real Estate or the Development, or any part thereof, will be impaired. Notwithstanding the foregoing prohibitions, Tenant shall have the right to contest any such lien upon compliance with the same conditions as are applicable to the contest of any Imposition under Section 4.03 or to provide title insurance over any such lien in a manner reasonably satisfactory to Landlord. If Tenant shall fail to cause any such matter to be discharged of record or contested in the foregoing manner, then Landlord may, but shall not be obligated to, in addition to any other right or remedy, discharge such lien at any time after delivery of notice to Tenant, either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit or bonding proceedings or otherwise, and in any such event Landlord shall be entitled, if it so elects, to compel the prosecution of an action for foreclosure of such lien by the lienholder and to pay the amount of judgment in favor of the lienholder with interest, costs and allowances. Any amount so paid by Landlord and all reasonable costs, expenses and fees incurred by Landlord in connection therewith shall be reimbursed by Tenant to Landlord. This Lease shall constitute

notice that Landlord shall not be liable for any work performed or to be performed, or any materials furnished or to be furnished, at the Real Estate for Tenant or any subtenant upon credit, and that no mechanic's or other lien for such work or materials shall attach to or affect the estate or interest of Landlord in and to the Real Estate, unless such work or materials is specifically ordered by Landlord in writing. Notwithstanding anything to the contrary contained in this Section 9.02, the obligations of Tenant under this Section 9.02 shall not apply to any lien arising from an Excluded Environmental Condition.

9.03 Leasehold Mortgage.

(a) In order to enable Tenant to finance a portion of the cost of construction of the Development, Tenant shall have the right, at or prior to commencement of construction of the Improvements required under Section 5.01, to mortgage its Leasehold Estate, together with its ownership interest in the Improvements, and execute and record a Leasehold Mortgage or Mortgages with respect to both such estates, respectively (collectively, the "Initial Leasehold Mortgages"), to secure the repayment of a loan or loans made to Tenant by a Lender or Lenders (collectively, the "Initial Leasehold Mortgagees") in an aggregate amount not to exceed the estimated cost of the Development, or such other amount as is reasonably approved by Landlord. The Initial Leasehold Mortgagees and their addresses for purposes of notices are listed on Exhibit C. In addition to the Initial Leasehold Mortgages, Tenant shall have the right, provided that Tenant first obtains all consents and/or approvals required under this Lease, at any time and from time to time, to grant one or more Leasehold Mortgages. Landlord's interest in the Real Estate or this Lease shall at no time be encumbered by and shall at no time be subject or subordinate to any Leasehold Mortgage (i.e. the foreclosure of any such Leasehold Mortgage shall not divest Landlord of its fee simple title or reversionary interest), except as to rights expressly granted to any Leasehold Mortgagee in this Lease. For purposes of this Article 9, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or the Leasehold Estate, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the Leasehold Estate so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder. A Leasehold Mortgagee may become the holder of the Leasehold Estate and succeed to Tenant's interest under this Lease by foreclosure of its Leasehold Mortgage (either in its own name or in the name of its nominee) or as a result of the assignment of the Tenant's interest under this Lease in lieu of foreclosure, and any purchaser at any sale of Tenant's interest under this Lease in any proceeding for the foreclosure of any Leasehold Mortgage or the assignee or transferee of Tenant's interest under this Lease under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage shall be deemed to be an assignee or transferee approved by Landlord and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of Tenant to be performed hereunder from and after the date of such assignment, subject in each case to the performance by the Landlord of all of the terms, covenants and conditions on the part of Landlord to be performed hereunder and thereunder, but only for so long as such purchaser, assignee or transferee is the owner of the Leasehold Estate. The security interests of Leasehold Mortgagees, as mortgagees, shall be transferable to holders of certificates or other successors or assigns in connection with the securitization, sale or assignment of a Leasehold Mortgagee's Leasehold Mortgage Loan.

UNOFFICIAL COPY

(b) In addition to the Initial Leasehold Mortgagees identified on Exhibit C, if Landlord shall be notified in writing of the existence of any other Leasehold Mortgage, and provided that the Leasehold Mortgagee shall have designated in a written notice to Landlord the address of the Leasehold Mortgagee for the service of notices, then notice of any Event of Default by Tenant in the performance of the covenants of this Lease shall simultaneously be given to such Leasehold Mortgagee, and such Leasehold Mortgagee shall have the right, within the respective periods as prescribed in Subsection 9.03(c), to take such action or to make such payments as may be necessary to cure any such default to the same extent and with the same effect as though done by Tenant.

(c) If there shall be an Event of Default by Tenant under this Lease, Landlord agrees that it will not enforce any rights it may have to terminate this Lease or invoke its right to take possession of the Tenant Property if: (i) any Leasehold Mortgagee shall cure the default within 180 days after expiration of the time for Tenant to cure said default, or if such default cannot reasonably be cured within said 180-day period, and any Leasehold Mortgagee in good faith commences within said 180-day period and thereafter diligently prosecutes all actions required to cure such default, such longer period as may be reasonably necessary; or (ii) within 180 days after notice of such default by Landlord to a Leasehold Mortgagee, such Leasehold Mortgagee commences legal proceedings (herein called "foreclosure proceedings") to foreclose the lien of its Leasehold Mortgage and if such Leasehold Mortgagee diligently proceeds with its foreclosure proceedings or obtains a deed in lieu of foreclosure (including seeking to be put in possession as mortgagee-in-possession or seeking to obtain the appointment of a receiver in such foreclosure proceedings), or (iii) such Event of Default cannot by its nature be cured by any Leasehold Mortgagee. The foregoing 180-day periods shall be extended for so long as such Leasehold Mortgagee is enjoined or stayed in any bankruptcy or insolvency proceedings filed by or against Tenant. Nothing in this Article 9 shall require any Leasehold Mortgagee, as a condition to the exercise of rights provided under this Article 9, to cure any Event of Default of Tenant not reasonably susceptible of being cured by such Leasehold Mortgagee. The foregoing shall not be deemed to excuse a Leasehold Mortgagee from performing covenants relating to the construction (provided that no Leasehold Mortgagee has elected to discontinue or reduce the funding of its loan) or condition of Improvements on the Real Estate or other similar matters requiring access to and/or control of the Property from and after such time as such Leasehold Mortgagee acquires the Leasehold Estate by foreclosure or otherwise, provided that the Construction Completion Deadline shall be extended accordingly during any such period given to initiate and complete any foreclosure proceeding. If no Leasehold Mortgagee commences and prosecutes either curative action or foreclosure proceedings as provided above, Landlord may invoke any or all of its remedies under this Lease, including the remedy of termination. In the event the purchaser at the foreclosure sale or the assignee of such purchaser or the recipient of any deed in lieu of foreclosure acquires the Leasehold Estate and Tenant's interest in the Improvements, such purchaser or assignee shall thereupon become Tenant under this Lease and hereby agrees to assume and perform each and all of Tenant's obligations and covenants hereunder from and after the date that such purchaser or assignee acquires the Leasehold Estate and Tenant's interest in the Improvements.

(d) In the event there is a Leasehold Mortgage listed on Exhibit C or a Leasehold Mortgage of which Landlord has received notice as provided in Subsection 9.03(b), Landlord

UNOFFICIAL COPY

agrees that it will not accept a surrender of the Tenant Property or a cancellation of this Lease from Tenant prior to the expiration of the Term of this Lease and will not amend this Lease without in each case obtaining the prior written consent of each such Leasehold Mortgagee.

(e) Each Leasehold Mortgagee, by accepting its Leasehold Mortgage, agrees for the benefit of Landlord:

(i) that such Leasehold Mortgagee will use reasonable efforts to give to Landlord notice of all events of default declared by such Leasehold Mortgagee with respect to its Leasehold Mortgage Loan that give such Leasehold Mortgagee the right of acceleration, concurrently with or promptly after notice thereof is given to Tenant; and Landlord shall have the right, but shall not be obligated, to cure any such defaults on the part of Tenant within the time period, if any, allowed by the Leasehold Mortgage; and

(ii) prior to commencing foreclosure proceedings or accepting a deed in lieu of foreclosure, such Leasehold Mortgagee shall give Landlord a written notice describing the action proposed to be taken by such Leasehold Mortgagee and stating the aggregate amount of the indebtedness then due and secured by the Leasehold Mortgage, and setting forth in reasonable detail the respective portions of said indebtedness attributable to principal, interest, attorneys' fees and expenses and other costs, fees and expenses. Landlord shall have a period of twenty (20) days after Landlord receives such notice from such Leasehold Mortgagee within which Landlord, at its election, may purchase from such Leasehold Mortgagee, without representation, warranty or recourse (other than as to the purchase price), the Leasehold Mortgage, the indebtedness secured thereby, and any other security held by such Leasehold Mortgagee for such indebtedness, for a purchase price equal to the amounts due such Leasehold Mortgagee under the Leasehold Mortgage, including any prepayment premium.

(f) So long as any Leasehold Mortgage is in existence, unless all Leasehold Mortgagees shall otherwise expressly consent in writing, the fee title to the Real Estate and the Leasehold Estate shall not merge, but shall remain separate and distinct notwithstanding the acquisition of said fee title and Leasehold Estate by any single owner, other than by termination of this Lease by Landlord in compliance with the provisions of this Article 9.

(g) If Landlord or Tenant shall terminate this Lease, or if this Lease shall be terminated by reason of the rejection of this Lease by a debtor in possession or a trustee or receiver appointed by a court of competent jurisdiction in bankruptcy or insolvency proceedings involving Tenant, then and in either such event, Landlord shall immediately seek to obtain possession of the Real Estate and title to the Improvements. Upon acquiring such possession and title, Landlord shall notify all Leasehold Mortgagees. Each of the Leasehold Mortgagees (in the order of priority of their respective Leasehold Mortgages) or a nominee of a Leasehold Mortgagee designated by such Leasehold Mortgagee by written notice to Landlord, shall have ninety (90) days from the date of such notice of acquisition to elect to take a new lease on the Real Estate and a conveyance of title to the Improvements. Landlord shall, subject to applicable bankruptcy laws and/or the order of a court of competent jurisdiction, enter into a

UNOFFICIAL COPY

new lease with a Leasehold Mortgagee (or with the nominee of such Leasehold Mortgagee), convey title to the Improvements to such Leasehold Mortgagee (or such nominee) by quitclaim deed, and assign to such Leasehold Mortgagee (or such nominee) all leases where the tenants thereunder have attorned to Landlord provided that:

- (i) such Leasehold Mortgagee has made written request of Landlord for a new lease of the Real Estate and a conveyance of the Improvements within the ninety (90) days next following the date of termination of this Lease aforesaid and either the prior written consent of any superior Leasehold Mortgagee is obtained or the ninety (90) days have expired without such superior Leasehold Mortgagee requesting a new ground lease and conveyance of Improvements hereunder; and
- (ii) at the time of termination of this Lease, and at the time of such Leasehold Mortgagee's written request for a new lease and deed, and at the time of execution and delivery of such new lease by and between Landlord and such Leasehold Mortgagee (or the nominee of such Leasehold Mortgagee, as the case may be), such Leasehold Mortgagee (or such nominee) shall have cured all defaults of Tenant under this Lease that can reasonably be cured by such Leasehold Mortgagee or shall be proceeding in accordance with Section 9.03(c); and
- (iii) Intentionally Omitted.

Such new lease shall have a term equal to the unexpired portion of the Term of this Lease, shall be deemed to be part of an uninterrupted leasehold estate, and shall, except as otherwise provided herein, be on the same terms and conditions as contained in this Lease. Landlord shall deliver possession of the Real Estate and Improvements immediately upon execution of the new lease. Upon executing a new lease, the Leasehold Mortgagee (or the nominee of such Leasehold Mortgagee, as the case may be) shall pay to Landlord the amount by which (a) the sum of any unpaid Rent due under this Lease (or which would have been due under this Lease if it had not been terminated) from the date that Landlord obtains possession of the Real Estate and Improvements to the commencement date of the new lease, plus any Impositions that were liens on the Real Estate and/or the Improvements and which were paid by Landlord, exceeds (b) any rent or other income received by Landlord from the Real Estate and/or the Improvements during the period after Landlord obtains possession to (but not including) the commencement date of the new lease. A Leasehold Mortgagee shall not have the right to elect to take a new lease if its Leasehold Mortgage is paid in full prior to the Leasehold Mortgagee notifying Landlord of its election to take a new lease. Concurrently with the execution, delivery and recording of the new lease, this Lease shall be deemed to have terminated.

(h) Notwithstanding any provisions to the contrary in Sections 6.03, 6.04, 6.06, 9.01, 9.02, 9.03, 11.02 or 20.04, Landlord agrees (without waiving any rights that Landlord may have against any former Tenant) that: (a) any Leasehold Mortgagee or purchaser at a foreclosure sale or assignee or transferee in lieu of foreclosure of a Leasehold Mortgage that succeeds to the Leasehold Estate and becomes a successor Tenant hereunder (a "Successor") shall not be responsible for any then existing indemnification obligation of the former Tenant; (b) such Successor shall not be required to cure a default that cannot be cured by the payment

UNOFFICIAL COPY

of money or the taking of affirmative action (an "Incurable Default"); and (c) failure by such Successor to cure an Incurable Default or to assume such existing indemnification obligations of the former Tenant shall not constitute a basis for not recognizing such Successor as the successor Tenant or for terminating this Lease.

ARTICLE 10

Tenant Default: Rights and Remedies of Landlord

10.01 Tenant's Event of Default. Each of the following events shall be an "Event of Default" by Tenant under this Lease:

(a) Tenant's failure to pay, when due, any installment of Rent or any other amount to be paid by Tenant under this Lease, and such failure shall continue for a period of thirty (30) days after written notice from Landlord specifying such failure;

(b) Tenant shall be in default under Section 9.01(a);

(c) if any insurance required to be maintained by Tenant shall lapse without replacement, so that any required coverage is not in effect;

(d) Tenant shall fail to perform or observe any other material obligation, term or provision under this Lease and such failure continues beyond sixty (60) days after written notice from Landlord to Tenant specifying such Event of Default; provided, however, that if Tenant in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, Tenant shall be allowed a reasonable additional period to effect such cure;

(e) a petition in bankruptcy is filed by or against Tenant, or if Tenant makes a general assignment for the benefit of creditors or is adjudged insolvent by any state or federal court, and in the case of any such involuntary petition, action or proceeding not initiated by Tenant such petition, action or proceeding is not dismissed or stayed within ninety (90) days after the commencement of such petition, action or proceeding; and

(f) Tenant shall fail to commence and complete the rehabilitation of the Buildings in accordance with the Plans and Specifications prior to the Construction Completion Deadline and such failure continues for a period of thirty (30) days after written notice from Landlord specifying such failure; provided, however, that if Tenant in good faith commences within said 30-day period and thereafter diligently prosecutes all actions required to cure any such failure, Tenant shall be allowed a reasonable additional period to effect such cure.

10.02 Termination. If an Event of Default shall occur, Landlord may not terminate this Lease for so long as the provisions of Section 9.03, 10.14 or any other provision of this Lease that expressly limits Landlord's ability to terminate this Lease precludes such termination. Otherwise Landlord, at its option, at any time thereafter during the continuance of such Event of Default, may give to Tenant and all Leasehold Mortgagees a notice of termination of this Lease, and, upon the date specified in such notice, which date shall be after all cure periods and foreclosure proceeding periods without a cure or foreclosure (or exercise by a Leasehold Mortgagee of other remedies

UNOFFICIAL COPY

contemplated by Section 9.03(c)) being effected, then this Lease and all of Tenant's rights under this Lease shall expire and terminate as if that date were the date herein originally fixed for the expiration of the Term of this Lease, and on the date so specified, Tenant shall vacate and surrender the Property to Landlord. Notwithstanding the foregoing, if an Event of Default under Section 10.01(f) shall occur and a Leasehold Mortgagee has disbursed proceeds of its loan to pay for the so called "hard costs" of construction Landlord may not terminate this Lease.

10.03 Transfer of Deposits, etc. In the event of any termination of this Lease under Section 10.02, all unearned insurance premiums, all deposits theretofore made by Tenant with utility companies, any claims for refund of any Imposition, any pending claims for insurance proceeds or condemnation awards, and all fuel and supplies on the Property owned by Tenant shall, subject to the rights of the Leasehold Mortgagees, be deemed to be and are hereby assigned to and transferred to Landlord to be applied in payment of Tenant's liability under this Lease.

10.04 Re-entry In the event of termination of this Lease under Section 10.02 or by operation of law or otherwise, Landlord may without further notice re-enter and repossess the Property.

10.05 Injunctive Relief In the event of any breach or threatened breach by Tenant of any of the covenants, agreements, terms or conditions contained in this Lease, Landlord shall be entitled, after expiration of any applicable notice and cure period, to injunctive relief against such breach or threatened breach, and shall have the right to invoke any right or remedy available at law or in equity or by statute or otherwise as though re-entry, summary proceedings and other remedies were not provided for in this Lease.

10.06 Re-letting by Landlord If Landlord has terminated this Lease in accordance with Section 10.02, Landlord may re-let the Property or any part thereof and receive the rent, whether such rent is in the aggregate greater than or less than the Rent payable hereunder. Landlord shall not be responsible or liable in any way for failure to re-let the Property or any part thereof or for failure to collect any rent due on such re-letting, except as required by law to mitigate Landlord's damages.

10.07 Receipt of Monies: No Waiver No receipt of money by Landlord from Tenant after termination of this Lease shall reinstate, continue or extend the term of this Lease or of any notice of termination theretofore given to Tenant, or operate as a waiver of Landlord's right to enforce the payment of Rent and any other payments or charges herein reserved or agreed to be paid by Tenant, then or thereafter falling due, or operate as a waiver of Landlord's right to recover possession of the Property by proper remedy, it being agreed that after service of notice to terminate this Lease or the commencement of any suit or summary proceedings, or after final order for the possession of the Property, Landlord may demand and collect any monies due or thereafter falling due in any manner without affecting such notice, proceeding, order, suit or judgment, and all such monies collected shall be deemed paid on account of the use and occupancy of the Tenant Property or, at Landlord's election, on account of Tenant's liability hereunder.

10.08 No Implied Waivers Landlord's granting of a consent under this Lease, or Landlord's failure to object to an action taken by Tenant without Landlord's consent under this

UNOFFICIAL COPY

Lease, shall not be deemed a waiver by Landlord of its right to require such consent for any further similar act of Tenant. No waiver by Landlord of any breach of any of the conditions, covenants or agreements of this Lease shall be construed, taken or held to be a waiver of any other breach or be a waiver, acquiescence in or consent to any further or succeeding breach of the same term, condition, covenant or agreement. None of Tenant's covenants, agreements, obligations or undertakings under this Lease, and no breach thereof, may be waived, altered or modified except by a written instrument executed by Landlord.

10.09 Remedies Not Exclusive. Subject to provisions of Article 18 and other provisions of this Lease restricting Landlord's right to terminate this Lease, no right, power or remedy conferred upon or reserved to Landlord under this Lease or under law shall be considered exclusive of any other right, power or remedy, but such rights, powers and remedies shall be cumulative and shall be in addition to every other right, power and remedy given hereunder, or now or hereafter existing at law or in equity, or by statute or otherwise, and every right, power and remedy of Landlord may be exercised from time to time and as often as occasion may arise or as may be deemed expedient, without precluding Landlord's simultaneous or later exercise of any or all other rights, powers or remedies. No delay or omission of Landlord in exercising any right, power or remedy arising from any default shall impair any such right, power or remedy or shall be construed to be a waiver of any such default or an acquiescence therein.

10.10 Waiver of Notice. Tenant expressly agrees that any notice of intention to re-enter provided in any statute or to initiate legal proceedings to that end shall run concurrently with any applicable notice period provided hereby so that any required notice period shall not be longer than the longer of such statutory notice or notice required under this Lease. Tenant waives, for and on behalf of itself and all persons and parties claiming through or under it (other than any Leasehold Mortgagee), any and all right of redemption provided by any law or now in force or hereafter enacted or otherwise, for re-entry or repossession, or to restore the operation of this Lease, in case Tenant shall be dispossessed by a judgment or by warrant of any court or judge, or in case of re-entry or repossession by Landlord, or in case of any expiration or termination of this Lease.

10.11 Suits for Damages. Suits for damages or deficiencies or for a sum equal to any installments of Rent, Impositions and other charges and payments hereunder shall be subject to the provisions of Article 18.

10.12 Bankruptcy. Nothing in this Article contained shall limit or prejudice the right of Landlord to prove and obtain as damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding and in effect at the time when such damages are to be proved, whether or not such amount be greater, equal to or less than the amount of the damages referred to in any of the preceding Sections.

10.13 Leasehold Mortgagee's Rights. Notwithstanding the remedies afforded to Landlord under this Article 10, such remedies shall be subject to and subordinate to the Leasehold Mortgagees' rights granted herein.

10.14 Investor's Rights in the Event of Tenant Default. The following provisions shall apply for so long as Investor is a member of Tenant:

UNOFFICIAL COPY

(a) Landlord shall give Investor a duplicate copy of all notices of default or other notices that Landlord may give to or serve in writing upon Tenant pursuant to the terms of this Lease. No notice by Landlord to Tenant under this Lease shall be effective unless or until a copy of such notice has been provided to Investor.

(b) Investor may, at its option and during the time specified for Tenant to cure any default hereunder, either pay any amount or do any act or thing required of Tenant by the terms of this Lease. All payments made and all acts performed by Investor during the cure period shall be effective to prevent a termination of this Lease to the same extent as if they had been performed by Tenant. Tenant hereby authorizes Investor to take any such action at the Investor's option and does hereby authorize entry upon the Property by Investor for such purpose.

(c) In addition to all other rights of Investor hereunder, Investor's commencement of proceedings to exercise its Removal Right shall be deemed initiation of a cure for purposes of Sections 10.01 and 10.14 provided that each of the following conditions is satisfied:

- (i) the default is one which cannot be cured only by payment of money;
- (ii) In the reasonable opinion of Investor, removal of the Managing Member is necessary.
- (iii) Investor notifies Landlord within 30 days following receipt of Landlord's default notice of Investor's intention to exercise the Removal Right and does in fact perform all required activity pursuant thereto; and
- (iv) Investor is performing all other good faith commercially reasonable activity necessary to cure the default.

ARTICLE 11

Additional Rights and Remedies of Landlord

11.01 Performance by Landlord. If Tenant shall at any time fail to make any payment or perform any act to be made or performed by Tenant under this Lease and such failure continues beyond the cure period, if any, applicable thereto under this Lease, and provided that no Leasehold Mortgagee or Investor has cured such failure within the time period provided herein for such cure (provided, in the latter case, that any notice of default required by the terms of this Lease to be given to such Leasehold Mortgagee or Investor by Landlord has been given), Landlord may, at its option (but shall not be required to), make any such payment or perform any such act, and for such purpose Landlord may enter upon the Property and take all actions thereon as may be deemed by Landlord necessary or desirable. Any amount paid or incurred by Landlord in effecting or attempting to cure such failure shall be additional rent due from Tenant to Landlord, and shall be payable by Tenant upon demand.

11.02 Tenant to Provide Indemnification.

(a) Unless arising from Landlord's negligent act or intentional misconduct or a breach of Landlord's obligations under this Lease or until Landlord shall have re-entered the Property upon expiration or termination of this Lease, Tenant agrees to indemnify, defend and save Landlord's Protected Persons harmless against and from all liabilities, claims, suits, fines, penalties, damages, losses, charges, costs, expenses and fees (including reasonable attorney's fees) which may be imposed upon, incurred by or asserted against Landlord's Protected Persons by reason of any of the following occurring during the portion of the Term during which such indemnitor was Tenant hereunder:

- (i) any use, non-use, possession, occupation, condition (other than Excluded Environmental Conditions for which responsibility shall be determined under applicable law), operation, repair, maintenance or management of the Property, or any part thereof, or any occurrence of any of the same;
- (ii) any act or omission on the part of Tenant or any subtenant, licensee or invitee, or any of its or their agents, contractors, servants, employees, licensees or invitees relating to the Property or this Lease;
- (iii) any accident, injury (including death) or damage, regardless of the cause thereof, to any person or property occurring in, on or about the Property or any part thereof;
- (iv) any contest permitted pursuant to the provisions of Section 4.03 or 6.06;
- (v) any litigation or proceeding related to the Property or this Lease to which Landlord becomes or is made a party without fault on its part, whether commenced by or against Tenant; and
- (vi) any costs which may be incurred by Landlord in enforcing any of the covenants, agreements, terms and conditions of this Lease (provided Landlord prevails in the enforcement proceeding).

The obligations of Tenant under this Section 11.02(a) do not apply to Excluded Environmental Conditions.

(b) As to claims for which Tenant does not receive timely notice, there shall be no obligation of Tenant to indemnify.

Tenant's obligations under this Section 11.02 shall survive the expiration or termination of this Lease.

11.03 Excluded Environmental Conditions. All liability and responsibility with respect to Excluded Environmental Conditions shall be determined pursuant to applicable federal, state or local law.

Eminent Domain

12.01 Total Taking. Subject to Section 12.05, if, during the Term of this Lease, the entire Property or Tenant Property, or such substantial portion of the Property or Tenant Property as shall in the reasonable good faith judgment of Tenant, subject to the approval of the First Leasehold Mortgagee, which shall not be unreasonably withheld, make it economically unfeasible to continue to operate the remaining portion for the purposes herein stated, shall be taken by the exercise of the power of eminent domain, this Lease shall terminate on the date of vesting of title in the condemnor under such eminent domain proceedings, and all Rent and other sums payable by Tenant hereunder shall be prorated to the date of such vesting, and thereafter Tenant shall be relieved of all obligations to pay the Rent and to otherwise perform its agreements, obligations and undertakings under this Lease except those that expressly survive the termination of this Lease. The award granted with respect to such eminent domain proceedings shall be divided between Landlord, Tenant and any Leasehold Mortgagees in the following order:

(a) to the First Leasehold Mortgagee, an amount sufficient to obtain the release and satisfaction of the First Leasehold Mortgage;

(b) to any and all other Leasehold Mortgagees, as their interests appear, an amount sufficient to obtain a release and satisfaction of the Leasehold Mortgages, with payment being made in full to such Leasehold Mortgagees according to the priorities of their Leasehold Mortgages;

(c) to Tenant, an amount equal to the sum of: (y) the greater of: (1) the fair market value of the Improvements and the fair market value of the unexpired Leasehold Estate, reduced by the amount, if any, paid under the preceding Clauses (a) and (b); and (2) the replacement cost of the Improvements and the fair market value of the unexpired Leasehold Estate, reduced by the amount, if any, paid under the preceding Clauses (a) and (b); plus (z) the value of any low-income housing tax credits recaptured or not available in future years as a result of such taking; and

(d) the balance, if any, shall be paid to Landlord.

If this Lease is terminated under this Section, then Tenant shall, if so directed by Landlord, demolish and/or remove any damaged Improvements on any remaining Property at the sole cost and expense of Tenant provided that all condemnation proceeds allocable to the Tenant Property remaining after satisfaction of the indebtedness secured by any Leasehold Mortgages shall be available to Tenant. The obligation under this Lease to demolish and/or remove Improvements under the foregoing sentence shall not apply to any Leasehold Mortgagee (or nominee of a Leasehold Mortgagee) that succeeds to Tenant's interest under this Lease through foreclosure of its Leasehold Mortgage or deed-in-lieu thereof.

12.02 Partial Taking.

(a) If, during the Term, less than the entire Property or Tenant Property shall be taken by the exercise of the power of eminent domain, and, in the reasonable judgment of the First Leasehold Mortgagee, condemnation proceeds attributable to Tenant's interest in the Property are sufficient to restore that portion of the Property remaining after the taking so as to be not materially different from the value, condition and character of the Property prior to such taking, this Lease shall not terminate but shall continue in full force and effect for the remainder of the Term, subject to the provisions of this Section 12.02. The amount of damages resulting to Landlord and Tenant, respectively, and to their respective interests in the Property and in, to and under this Lease, by reason of such exercise and partial taking under such eminent domain proceedings shall be separately determined and computed by the court having jurisdiction of such proceedings, and separate awards and judgments with respect to such damages to Landlord and Tenant shall be made and entered, and said awards shall, subject to Section 12.05, be paid to Landlord and Tenant, respectively, in accordance therewith; provided, however, that Tenant shall receive that portion of the award made as consequential damages to the Improvements located on the remaining portion of the Property and Tenant, at its expense, shall forthwith restore the remaining portion of the Improvements to substantially the same value, condition and character as existed prior to such taking (to the extent such restoration is possible, taking into account the extent to which a portion of the Improvements have been removed as a result of the taking), using such part of the award received by Tenant in said eminent domain proceeds as may be necessary and, if the amount of such award is not sufficient, Landlord shall make its portion of the award available for such restoration. If Tenant is obligated to restore the Property, the proceeds of the award shall be deposited in the Restoration Escrow and disbursed to pay the costs of such restoration. If the sum of such awards is not sufficient, Tenant shall have the right, but not the obligation, to provide the additional funds required.

(b) If the First Leasehold Mortgagee reasonably determines that condemnation proceeds are insufficient to restore that portion of the Property remaining after the taking so as to be not materially different than the value, condition and character of the Property prior to such taking, and neither Tenant nor any Leasehold Mortgagee deposits into the Restoration Escrow the additional funds necessary to satisfy such deficiency within ninety (90) days after the condemnation award, and Landlord makes no commitment to provide additional funds within such ninety (90) days and deposits into the Restoration Escrow the additional funds necessary to satisfy such deficiency within one hundred twenty (120) days after the condemnation award, then the condemnation proceeds shall be applied as set forth in Section 12.01 and the requirements of Section 8.05 shall apply.

12.03 Temporary Taking. In the event of a taking for a temporary use, this Lease and the Term shall continue and the Rent thereafter due and payable shall be equitably reduced or abated. Tenant shall continue to perform and observe all of the other covenants, agreements, terms and conditions of this Lease. The entire amount of any proceeds with respect to such temporary taking shall be paid to Tenant.

12.04 Other Governmental Action. In the case of any governmental action not resulting in the taking of any portion of the Property or Tenant Property but creating a right to compensation,

UNOFFICIAL COPY

this Lease shall continue in full force and effect without reduction or abatement of any Rent thereafter due and payable. If such governmental action results in any damage to the Improvements, Tenant shall be entitled to receive such portion of the proceeds (or all of the proceeds, if required for such purpose) estimated to be necessary to remedy any such damage and to compensate for the loss of low income housing tax credits, and Tenant shall proceed with reasonable diligence to make all repairs, replacements, restorations and improvements necessary so to remedy such damage to the extent economically feasible, and, if the amount of such proceeds is not sufficient, Tenant shall have the right, but not the obligation, to provide the additional funds required. Any balance remaining from such proceeds, or if no damage is involved then all of such proceeds, shall be divided between Landlord and Tenant as their respective interests may appear.

12.05 Leasehold Mortgagees. The rights granted to Landlord and Tenant under this Article 12 shall be subject to the rights and interests of the Leasehold Mortgagees under their respective Leasehold Mortgages (except as provided in Section 12.02(b)).

ARTICLE 13

Estoppel Certificates

Upon written request by either party or any Leasehold Mortgagee, the party to whom the request was made will promptly certify to the requesting Person, or to any proposed assignee or grantee or mortgagee or trustee under deed of trust or trust deed or the proposed assignee of such mortgagee, deed of trust or trust deed, whether or not this Lease is valid and subsisting, whether or not it has been modified (and if there are modifications, stating them) and whether or not the party executing the certificate has knowledge of any default or breach by the other party under any of the terms of this Lease (and if any exists, stating them). If the party to whom a written request is directed under the preceding sentence shall fail to furnish the requested certificate within twenty (20) days after the receipt of such request, then by such failure such party shall be deemed to have certified to the requesting Person and to any proposed assignee or grantee or mortgagee or trustee under a deed of trust or trust deed, that this Lease is valid and subsisting, that there have been no modifications to this Lease, and that there are no known defaults or breaches by the other party under the terms of this Lease. Upon the issuance of a certificate of occupancy for the Development by the City in its municipal capacity following completion of the construction of the Improvements, Landlord shall give to Tenant an estoppel certificate (in recordable form) certifying all obligations set forth in Section 5.01 have been satisfied, and Tenant shall cause such certificate to be recorded.

ARTICLE 14

Surrender at End of Term; Title to Improvements

14.01 Surrender at End of Term. Upon the expiration of the Term, all Improvements then on the Real Estate shall, together with all fixtures, equipment and other personal property owned by Tenant and used in connection with the operation of the Development, shall become the property of Landlord without any payment or allowance whatever by Landlord on account of or for such Improvements, fixtures, equipment and personal property, whether or not the same or any part thereof shall have been constructed by, paid for, or purchased by Tenant. Tenant shall vacate

UNOFFICIAL COPY

and surrender possession of the Tenant Property to Landlord without delay, free and clear of all lettings, occupancies, and licenses, and free and clear of all liens, claims, encumbrances and security interests other than the Permitted Exceptions and the rights of tenants in possession under leases (which shall expire not later than one (1) year after the end of the Term), and those, if any, created by Landlord or those related to Excluded Environmental Conditions. Tenant agrees to execute and deliver to Landlord such quit claim deeds, bills of sale, assignments or other instruments of conveyance as Landlord may reasonably deem necessary to evidence such transfer of title to Landlord. Tenant hereby waives any notice now or hereafter required by law with respect to vacating the Property at any such termination date.

14.02 Title to Improvements. Landlord acknowledges and agrees that throughout the Term and until expiration or earlier termination of this Lease, title to all Improvements shall be in Tenant's name and that Tenant has, and shall be entitled to, all rights and privileges of ownership of such Improvements, including without limitation: (a) the right to claim depreciation or cost recovery deductions; (b) the right to claim the low-income housing tax credit described in Section 42 of the Code; (c) the right to amortize capital costs and to claim any other federal or state tax benefits attributable to the Tenant Property; and (d) the right to transfer such Improvements in accordance with the terms of this Lease; provided, however, that Tenant may not remove or substantially alter any of the Improvements (other than the disposition and replacement of equipment, appliances and other personal property in the ordinary course of business or in connection with the performance of its obligations under Section 6.04) without having first obtained the prior written consent of Landlord, which shall not be unreasonably withheld or delayed.

ARTICLE 15

Landlord Defaults

15.01 Landlord's Default. Each of the following events shall be an event of default by Landlord under this Lease:

(a) Landlord's failure to lease by this Lease the Real Estate; or

(b) Landlord's failure to perform any other term or provision to be performed by Landlord under this Lease, not otherwise described in subsection (a) hereof, and such failure shall continue beyond sixty (60) days after written notice received by Landlord from Tenant specifying such event of default; provided, however, that if Landlord in good faith commences within said 60-day period and thereafter diligently prosecutes all actions required to cure such default, Landlord shall be allowed a reasonable period to effect such cure.

Upon an event of default by Landlord hereunder, Tenant shall have all of the rights and remedies afforded at law or in equity, subject to Section 18.01.

15.02 Injunctive Relief. Upon any event of default by Landlord, Tenant shall, in addition to any other remedies available to Tenant at law or in equity, be entitled to enjoin such breach or threatened breach, and shall have the right of specific performance, it being the agreement of the parties hereto that in certain circumstances of Landlord's event of default, Tenant's remedies at

UNOFFICIAL COPY

law may be inadequate to afford it the practical realization of the agreements herein made by the parties.

15.03 Remedies Not Exclusive. No right, power or remedy conferred upon or reserved to Tenant under this Lease, or under law, shall be considered exclusive of any other right, power or remedy, but such rights, powers and remedies shall be cumulative and shall be in addition to every other right, power and remedy given hereunder, or now or hereafter existing at law or in equity, or by statute. Every right, power and remedy given by this Lease may be exercised from time to time and as often as occasion may arise or may be deemed expedient, without precluding Tenant's simultaneous or later exercise of any or all other rights, powers or remedies. No delay or omission of Tenant to exercise any right, power or remedy arising from Landlord's event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such default or an acquiescence therein.

15.04 Waivers in Writing. None of Landlord's covenants, agreements, obligations or undertakings, and no events of default of Landlord may be waived, altered, or modified except by a written instrument executed by Tenant and all Leasehold Mortgagees.

15.05 Landlord's Representations. Landlord hereby represents and warrants to Tenant that:

(a) the entry by Landlord into this Lease with Tenant, and the performance by Landlord of all of the terms and conditions contained herein will not, or with the giving of notice or the passage of time, or both, would not, violate or cause a breach or default under any other agreement relating to the Property to which Landlord is a party or by which it is bound;

(b) as of the Commencement Date, there is no tenant or other occupant of the Real Estate having any right or claim to possession or use of the Real Estate other than public or quasi-public utilities; and

(c) as of the Commencement Date, there are no special assessments of which Landlord has received notice for sewer, sidewalk, water, paving, gas electrical, or utility improvements or other capital expenditures, matured or unmatured, affecting the Real Estate.

ARTICLE 16

ARTICLE 17

Miscellaneous

17.01 Covenants Running With Land. All terms, provisions, conditions, covenants, agreements, obligations and undertakings contained in this Lease shall, except as herein specifically limited or otherwise provided, extend and inure to be binding upon Landlord's successors and assigns and Tenant's successors and permitted assigns, as if such successors and assigns were in each case specifically named, and shall be construed as covenants running with the land. Wherever reference is made in this Lease to either party, it shall be held to include and apply to such successors and assigns.

17.02 Amendments in Writing. In no event shall this Lease or any terms, provisions or conditions hereof be deemed to be amended, modified or changed in any manner whatsoever,

except and unless set forth and provided for in writing executed by Landlord and Tenant, and consented to in writing by any Leasehold Mortgagee.

17.03 Quiet Possession. Landlord represents and warrants that it has full right and power to execute and perform this Lease and to convey the rights and interest demised hereby. Landlord agrees that during the Term and so long as no Event of Default exists and is continuing hereunder, Tenant shall and may peaceably and quietly have, hold and enjoy the Real Estate demised hereby, subject to the Permitted Exceptions, without molestation or disturbance by or from Landlord or any party claiming by, through or under Landlord, and free of any encumbrance created or suffered by Landlord except those expressly described herein to which this Lease is made subject and subordinate.

17.04 Time of Essence. Time is of essence of this Lease and of the performance of the respective obligations, covenants and agreements of Landlord and Tenant hereunder. If the day for the performance of any obligation hereunder occurs on a calendar day other than a business day, the time for such performance shall be extended to the next business day.

17.05 Approvals. All approvals or consents required under the provisions hereof shall be in writing. Unless herein expressly otherwise provided, any approval or consent of Landlord shall be sufficiently given if signed by Landlord's Chief Executive Officer.

17.06 Condition of Property. Landlord has made no warranties or representations whatsoever with respect to the Real Estate and except for the obligations of Landlord under the Environmental Indemnity Agreement and except for Excluded Environmental Conditions (for which responsibility shall be determined under the Environmental Indemnity Agreement, or if not addressed therein, then under applicable law), Tenant accepts the Real Estate "as is"; provided, however, that the foregoing shall not affect the obligations, if any, of Landlord under this Lease with respect to matters of title to the Real Estate and liens arising out of labor and/or materials furnished to the Real Estate, or any portion thereof, by or on behalf of Landlord.

17.07 Captions. The table of contents and captions of this Lease are for convenience of reference only and in no way define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

17.08 Partial Invalidity. If any term, provision or condition of this Lease or its application to any Person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease and the application of such term, provision or condition to Persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby, and each term, provision and condition of this Lease shall be valid and be enforced to the fullest extent permitted by law.

17.09 Applicable Law. This Lease shall be construed and enforced in accordance with the law of the State of Illinois.

17.10 Recording of Lease. This Lease shall be recorded in its entirety with the Cook County Recorder of Deeds.

UNOFFICIAL COPY

17.11 Lease Not to be Construed Against Either Party. The parties have each been represented by counsel in connection with the negotiation and drafting of this Lease. Accordingly, this Lease shall not be construed against or for either party.

17.12 Cooperation. Landlord and Tenant agree that they will cooperate with one another in all respects in furtherance of the Development. From time to time, Tenant may request modifications to this Lease to satisfy the requirements of financing sources, including without limitation government agencies and private lenders and equity sources. Landlord will use all reasonable efforts to accommodate such requests and will not unreasonably withhold or delay its approval and execution of modifications to this Lease that do not materially and adversely alter the basic terms hereof or Landlord's rights hereunder. Nothing herein shall impose upon Landlord any requirement to approve any modification or amendment to this Lease that would violate or contravene any applicable law or any contract or agreement to which Landlord is a party or which is binding on Landlord. Landlord agrees that it will, upon request of Tenant, from time to time, enter into an amended and restated lease combining into one document the entire Lease and all modifications and amendments theretofore entered into. Tenant shall pay, or reimburse Landlord upon demand, for all reasonable out of pocket expenses incurred by Landlord in connection with any such modification or amendment.

ARTICLE 18

Exculpatory Provisions

18.01 Exculpatory Provision – Landlord. It is expressly understood and agreed by Tenant, and any Person claiming by, through or under Tenant (including without limitation all Leasehold Mortgagees) that none of Landlord's covenants, undertakings or agreements herein set forth are made or intended as personal covenants, undertakings or agreements of Landlord, but are for the purpose of binding the premises demised hereby, and liability or damage for breach for nonperformance by Landlord shall be collectible only out of the Real Estate demised hereby and no personal liability is assumed by nor at any time may be asserted or enforced against Landlord or any other Landlord's Protected Persons or any of its or their heirs, legal representatives, successors or assigns, all such personal liability, if any, being expressly waived and released by Tenant and each Person claiming by, through or under Tenant. Nothing contained in this Section 18.01, however, shall in any way or manner limit the full recourse of Tenant against Landlord under any non-monetary remedy granted Tenant in Section 15.02. This Section 18.01 shall not apply to HUD at any time HUD is the Tenant under this Lease.

18.02 Exculpatory Provision – Tenant. Tenant, but not any partner, officer, director, shareholder, member or manager of Tenant, nor any employee or agent of any of the foregoing, shall be personally liable for payment or performance under this Lease, it being acknowledged that Landlord's exclusive rights and remedies hereunder shall be limited to Tenant's interest in this Lease and the Improvements and any other asset of Tenant and, to the extent provided for in Section 10.2, for the termination of this Lease and re-entry and possession of the Property. No deficiency judgment shall be sought or obtained against Tenant or any partner, officer, director, shareholder, member or manager of Tenant, nor any employee or agent of any of the foregoing (collectively, "Exculpated Parties") for any amount due under this Lease; provided, however, that, except as hereinafter provided in this Section 18.02, nothing contained herein shall either relieve

the Exculpated Parties from personal liability and responsibility, or limit Landlord's other rights and remedies against the Tenant hereunder, either at law or in equity: (i) for fraudulent acts; (ii) for the fair market value of any personal property or fixtures removed or disposed of from the Property in violation of the terms of this Lease; (iii) for waste committed by Tenant with respect to the Property other than waste resulting from the failure of Landlord to make payment due under the HAP Contract or RAD Use Agreement; (iv) for insurance proceeds and condemnation awards received by Tenant and not turned over to Landlord or used by Tenant for restoration or repair of the Property to the extent required under this Lease; and (v) for any rents or other income from the Tenant Property received by Tenant after an Event of Default under this Lease and not applied to the fixed and operating expenses of the Development. Notwithstanding the preceding sentence, if Tenant is a limited liability company, the liability of a member of Tenant shall be limited to extent provided in the Illinois Limited Liability Act (805 ILCS 180), or any successor thereto.

ARTICLE 19

Regulatory Agreements

As a condition to the receipt of certain below market loans made by the Landlord to the Company, the Company, as Tenant under the Ground Lease pursuant to an Assignment and Assumption and Amendment of Ground Lease ("Assignment"), shall enter into those agreements which shall be described in a revised Exhibit E (collectively, the "Regulatory Agreements") relating to the operation of the Development.

20.01 Definitions. As used herein, the term "Hazardous Materials" shall mean and include any hazardous, toxic or dangerous waste, substance or material defined as such in or for purposes of any of the Environmental Laws.

20.02 Prohibition Against Hazardous Materials. Tenant shall not cause any Hazardous Material to be generated, released, stored, buried or deposited over, beneath, in or on (or used in the construction of) the Real Estate or the Development, or any part thereof, from any source whatsoever, other than in accordance with applicable Environmental Laws. Except for Excluded Environmental Conditions, Tenant shall not permit any Hazardous Material to be generated, released, stored, buried or deposited over, beneath, in or on (or used in the construction of) the Real Estate or the Property, or any part thereof, from any source whatsoever, other than in accordance with applicable Environmental Laws.

UNOFFICIAL COPY

(ii) intentionally omitted ; or (iii) any failure by Tenant to remediate any Pre-Existing Environmental condition; provided, however, that Tenant's obligations under this Section 20.04 shall not apply to Excluded Environmental Conditions.

20.05 Survival. Tenant's obligations under this Article 20 shall survive the expiration or termination of this Lease.

ARTICLE 21

PROJECT-BASED SECTION 8 HOUSING AND HUD-REQUIRED PROVISIONS

21.01

(a) **Use as Project-Based Section 8 Housing.** Landlord and Tenant acknowledge and agree that the dwelling units comprising the Development are being developed, constructed, owned, operated and managed to carry out certain programs, services and other requirements consistent with All Applicable RAD Requirements, as more particularly provided in the HAP Contract, for so long as the HAP Contract is in force and effect. Landlord and Tenant shall enter into any restrictive covenants regulating the use, occupancy and disposition of the Property as may be necessary to carry out such intents and purposes of the Act during the term of the HAP Contract.

(b) **HAP Contract.** Tenant shall and is hereby authorized by Landlord to enter into a HAP Contract with CHA, as Contract Administrator, for the dwelling units in the Development which shall be leased by Tenant to CHA Tenants. A material default by CHA, or an affiliate of CHA, under the HAP Contract that is not cured prior to the expiration of the applicable cure period, if any, provided therein, shall not constitute a default by Landlord under this Lease.

(c) **Regulatory Agreements.** Tenant shall enter into those agreements described in Exhibit E (collectively the "Regulatory Agreements") relating to the operation of the Development. Notwithstanding any other provision of this Lease, Landlord agrees that (i) in the event that Landlord acts to perform any covenants of Tenant under this Lease pursuant to Section 11.01 hereof, it will not take any action inconsistent with the obligations of the Tenant under the Regulatory Agreements, and (ii) in the event that Landlord terminates the Lease pursuant to Section 10.02 hereof, Landlord will operate (and cause any assignee, lessee or purchaser of the Improvements to operate) the Improvements in a manner consistent with the terms of the Regulatory Agreements if such Regulatory Agreements are then extant pursuant to their terms. The provisions of this Section 21.01(c) shall survive any termination of this Lease. Nothing in this Section 21.01(c) shall be deemed to extend the provisions of the Regulatory Agreements beyond their stated terms or to impose greater obligations upon Landlord (or any assignee, lessee or purchaser of the Improvements) under the Regulatory Agreements than are imposed by such documents in accordance with their stated terms.

(d) **HUD-Required Provisions.** Notwithstanding any other clause or provisions in this Lease and so long as the RAD Use Agreement dated as of substantially even date herewith, as amended from time to time is in effect, the following provisions shall apply:

UNOFFICIAL COPY

(i) If any of the provisions of this Lease conflict with the terms of the RAD Use Agreement, the provisions of the RAD Use Agreement shall control.

(ii) The provisions of this Section 21.01(d) are required to be inserted into this Lease by HUD and may not be amended without HUD's prior written approval.

(iii) Violations of the RAD Use Agreement shall constitute a default under this Lease.

(iv) Notwithstanding any other contract, document or other arrangement, upon termination of this Lease, title to the Real Estate shall remain vested in the Landlord and title to the Improvements including building(s), improvements, fixtures, trade fixtures and equipment that are owned by Tenant shall vest in Landlord.

(v) Neither Tenant nor any of its members or managers shall have the authority to:

(a) Take any action in violation of the RAD Use Agreement; or

(b) Fail to renew the HAP Contract upon such terms and conditions applicable at the time of renewal when offered for renewal by the CHA or HUD

(vi) Except to the extent permitted by the HAP Contract or RAD Use Agreement and the normal operation of the Development, neither Tenant nor any of its members or managers shall have any authority without the consent of CHA or HUD to sell, transfer, convey, assign, mortgage, pledge, sublease or otherwise dispose of, at any time, the Development or any part thereof.

(vii) This Lease may not be amended without the prior written consent of HUD.

(viii) The parties acknowledge that the proposed transfer of the Improvements to Tenant and the transfer of Moving To Work ("MTW") funds from Landlord, and/or operating assistance provided under the HAP Contract from CHA, as administrator, to Tenant shall not be deemed to be an assignment by Landlord or CHA, as administrator, under the HAP Contract, or the right to receive any such funding from HUD, and Tenant shall not succeed to any rights or benefits of Landlord under the HAP Contract, nor shall Tenant attain any privileges, authorities, interests, or rights in or under the HAP Contract.

(ix) The parties further acknowledge that nothing in the HAP Contract or any other contract or agreement between the parties shall be deemed to create a relationship of third-party beneficiary, principal and agent, limited or general partnership, joint venture, or any association or relationship involving HUD.

(e) **Transfers.** Without the prior written consent of HUD, Tenant shall not at any time during the RAD Use Period carry out any transfer that is not a Permitted Transfer as such term is defined in Section 2 of this Agreement.

(f) **Mortgages.** Tenant's right to grant one or more Leasehold Mortgage, shall be subject to the requirements of All Applicable RAD Requirements, if any, and subject to

UNOFFICIAL COPY

the requirements that all consents and approvals required under All Applicable RAD Requirements, if any, have been obtained.

(g) **HAP Contract PBV Rider Property and Liability Insurance Provision**

Controls. Notwithstanding the provisions of Article 8 and Article 12 herein, if any provision of Article 8 and Article 12 conflicts with Section 29 of the HAP Contract PBV Rider, then, during the RAD Use Period, Section 29 of the HAP Contract PBV Rider shall control.
