(m) the Assignor shall not execute hereafter any Lease unless there shall be included therein a provision providing that the tenant thereunder acknowledges that such Lease is subordinate to the Mortgage and this Assignment and agrees not to look to the Assignee as mortgagee, mortgagee in possession or successor in title to the Premises for accountability for any security deposit required by lessor under such Lease unless such sums have actually been received in cash by the Assignee as security for tenant's performance under such Lease; and

that if any such Lease is so terminated or rejected, no settlement for damages shall be made without the prior written consent of the Assignee, and any check in payment of damages for termination or rejection of any such Lease will be made payable both to the Assignor and the Assignee. The Assignor hereby assigns any such payment to the Assignee and further covenants and agrees that upon the request of the Assignee, it will duly endorse to the order of the Assignee any such check, the proceeds of which shall be applied in accordance with the provisions of Section 8 below.

7. Rights and Remedies Upon Default. At any time upon or following the occurrence of any Event of Default, the Assignee, at its option, may exercise any one or more of the following rights and remedies without any obligation to do so, without in any way waiving such Event of Default, without further notice or demand on the Assignor, without regard to the adequacy of the security for the obligations secured hereby, without releasing the Assignor or any guarantor of the Note from any obligation, and with or without bringing any action or proceeding to foreclose the Mortgage or any other lien or security interest granted by the Loan Documents:

(a) Declare the unpaid balance of the principal sum of the Note, together with all accrued and unpaid interest thereon, immediately due and payable;

(c) Either with or without taking possession of the Premises, demand, sue for, settle, compromise, collect, and give acquittances for all rents, issues, income and profits of and from the Premises and pursue all remedies for enforcement of the Leases and all the lessor's rights therein and thereunder. This Assignment shall constitute an

authorization and direction to the tenants under the Leases to pay all rents and other amounts payable under the Leases to the Assignee, without proof of default hereunder, upon receipt from the Assignee of written notice to thereafter pay all such rents and other amounts to the Assignee and to comply with any notice or demand by the Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder, and the Assignor shall facilitate in all reasonable ways the Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to the Assignee; and

(d) Make any payment or do any act required herein of the Assignor in such manner and to such extent as the Assignee may deem necessary, and any amount so paid by the Assignee shall become immediately due and payable by the Assignor with interest thereon until paid at the Default Rate and shall be secured by this Assignment.

8. Application of Proceeds. All sums collected and received by the Assignee out of the rents, issues, income and profits of the Premises following the occurrence of any one or more Events of Default shall be applied in accordance with the Illinois Mortgage Foreclosure Law (Chapter 735, Sections 5/15-1101 et seq., Illinois Compiled Statutes) and, unless otherwise specified in such act, in such order as the Assignee shall elect in its sole and absolute discretion.

9. Limitation of the Assignee's Liability. The Assignee shall not be liable for any loss sustained by the Assignor resulting from the Assignee's failure to let the Premises or from any other act or omission of the Assignee in managing, operating or maintaining the Premises following the occurrence of an Event of Default. The Assignee shall not be obligated to observe, perform or discharge, nor does the Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in any Lease to be observed or performed by the lessor thereunder, or any obligation, duty or liability of the Assignor under or by reason of this Assignment. The Assignor shall and does hereby agree to indemnify, defend (using counsel reasonably satisfactory to the Assignee) and hold the Assignee harmless from and against any and all liability, loss or damage which the Assignee may incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against the Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in any Lease; provided, however, in no event shall the Assignor be liable for any liability, loss or damage which the Assignor incurs as a result of the Assignee's gross negligence or willful misconduct. Should the Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall become immediately due and payable by the Assignor with interest thereon at the Default Rate and shall be secured by this Assignment. This Assignment shall not operate to place responsibility upon the Assignee for the care, control, management or repair of the Premises or for the carrying out of any of the covenants, terms, conditions and agreements contained in any Lease, nor shall it operate to make the Assignee responsible or liable for any waste committed upon the Premises by any tenant, occupant or other party, or for any dangerous or defective condition of the

Nothing set forth herein or in the Mortgage, and no exercise by the Assignee of any of the rights set forth herein or in the Mortgage shall constitute or be construed as constituting the Assignee a "mortgagee in possession" of the Premises, in the absence of the taking of actual possession of the Premises by the Assignee pursuant to the provisions hereof or of the Mortgage.

10. No Waiver. Nothing contained in this Assignment and no act done or omitted to be done by the Assignee pursuant to the rights and powers granted to it hereunder shall be deemed to be a waiver by the Assignee of its rights and remedies under any of the Loan Documents. This Assignment is made and accepted without prejudice to any of the rights and remedies of the Assignee under the terms and provisions of such instruments, and the Assignee may exercise any of its rights and remedies under the terms and provisions of such instruments either prior to, simultaneously with, or subsequent to any action taken by it hereunder. The Assignee may take or release any other security for the performance of the obligations secured hereby, may release any party primarily or secondarily liable therefor, and may apply any other security held by it for the satisfaction of the obligations secured hereby without prejudice to any of its rights and powers hereunder.

11. Further Assurances. The Assignor shall execute or cause to be executed such additional instruments (including, but not limited to, general or specific assignments of such Leases as the Assignee may designate) and shall do or cause to be done such further acts, as the Assignee may request, in order to permit the Assignee to perfect, protect, preserve and maintain the assignment made to the Assignee by this Assignment.

12. Security Deposits. The Assignor acknowledges that the Assignee has not received for its own account any security deposited by any tenant pursuant to the terms of the Leases and that the Assignee assumes no responsibility or liability for any security so deposited.
