RECIPROCAL EASEMENT AGREEMENT

This Reciprocal Easement Agreement ("**Agreement**") is made as of this 29th day of September 2017, by and between ALBANY BANK & TRUST CO. AS TRUSTEE UNDER TRUST AGREEMENT DATED OCTOBER 24, 2015 AND KNOWN AS TRUST NO. 11-6397 (the "**CPO**") and BANNER NORTHTOWN STORAGE, LLC (the "**NPO**"). The CPO and the NPO may collectively be referred to herein as the "**Parties**" or each individually, a "**Party**".

RECITALS

- A. The CPO is the current owner of that certain property which is legally described on Exhibit A hereto and commonly known as 6259-63 N. McCormick Boulevard, Chicago, Illinois, P.I.N. 13-02-220-031-0000 (the "**Center Parcel**").
- B. The NPO is the current owner of that certain property which is legally described on Exhibit B hereto and commonly known as 6341 N. McCormick Boulevard, Chicago, Illinois, P.I.N. 13-02-220-053-0000 and 13-02-220-052-0000 (the "**North Parcel**"). Now, therefore, in consideration of the mutual covenants, agreements, easements and rights of the Parties herein described, and for such other good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties hereto covenant and agree as follows:

1. The Recitals are incorporated by reference as though fully set forth herein.
2. The CPO and the NPO, for themselves, their successors and assigns, hereby declare and grant a perpetual, non-exclusive reciprocal easement over, upon, and across the Strip Parcel for pedestrian and vehicular ingress and egress, subject to the terms and conditions of this Agreement (the "Easement").
3. The use of the Easement by the NPO, its agents, invitees and licensees shall be limited to uses related to the maintenance, repair, rehabilitation, improvement, demolition, and replacement of the North Parcel and the buildings and improvements located or to be located thereon. For instance, by way of example only, and not by way of limitation, if the south side of the building located on the North Parcel requires tuck-pointing, the NPO's personnel and contractors shall have the right to access the south side of the building from the Strip Parcel and to stage and perform the construction work on the NPO's portion of the Strip Parcel for the duration of the tuck-pointing project. Any such maintenance or work shall be performed with reasonable care and shall not impede ingress or egress via the Strip Parcel other than as may be reasonably necessary or appropriate for the performance of such maintenance or work. Under no circumstances shall NPO's personnel, contractors, or agents performing work hereunder have any right to use any part of the CPO's portion of the Strip Parcel other than to access the North Parcel or the NPO's portion of the Strip Parcel, and the CPO shall retain all rights to exclude such individuals from its portion of the Strip Parcel for actions other than such access, including through the use of towing.
4. Subject to the usage described in the preceding paragraph, the CPO shall have the exclusive right to use the entire Strip Parcel for ingress and egress, including the right to determine the directional flow of traffic on the Strip Parcel and to mark the Strip Parcel to designate and facilitate traffic flow thereon. The CPO may erect any traffic signs reasonably necessary to effectuate the foregoing.
5. Neither of the Parties shall permit parking on the Strip Parcel, except to the extent necessary in conjunction with maintenance, repair, rehabilitation, improvement, demolition, and replacement of their respective Parcels and the buildings and improvements located or to be located thereon, in which case such parking will be allowed to the extent necessary or appropriate for the conduct of such activities (but not for parking of construction personnel's automobiles). For instance, by way of example only, and not by way of limitation, if either of the Parties needs a crane to lift materials to the top of their building, the crane may park on that portion of the Strip Parcel falling within the boundary of such Party's Parcel until such task is completed. Under no circumstances will either Party have any right to access or use any part of the Strip Parcel falling outside the boundary of their respective portion of the Strip Parcel other than as described herein.
6. Each Party shall pay the real estate taxes due or to become due on the portion of the Strip Parcel owned by them, whether taxed separately or as part of the real estate taxes due on all or any

UNOFFICIAL COPY

portion of such Party's Parcel, without right of reimbursement from the other Party.

7. At its own cost and expense, the CPO shall maintain the Strip Parcel in good condition and repair, without right of reimbursement from NPO.

8. At its own cost and expense, the CPO shall pay any state, county, or city driveway permit fees related to the access of the Strip Parcel without right of reimbursement from the NPO.

9. The NPO shall have the right, but not the obligation, to install a fence at the southeast corner of its southernmost boundary of the North Parcel that is not currently improved with a building (the "SE Corner"). If such fence is installed within ten years of the date of this Agreement, such fence shall be installed north of the east-west line of the existing curb in the SE Corner, may extend to the eastern property line of the North Parcel in the SE Corner, and shall be substantially similar in style to that depicted on Exhibit D to this Agreement. At any time thereafter, any fence that the NPO may install in the SE Corner shall be installed north of the northern boundary of the Strip Parcel (where the Strip Parcel exists) and (elsewhere) north of the southernmost boundary of the North Parcel and shall be decorative. In addition, upon the latter of the NPO's receipt of the final certificate of occupancy for the building located on the North Parcel or December 31, 2017, the NPO shall landscape and maintain the SE Corner with landscaping substantially similar to that depicted on Exhibit E to this Agreement, replacing (if it chooses) the grass with large pebble stone and excluding (if it chooses) the fence on the east side of its property. Thereafter, any fence or landscaping installed or that has been installed in the SE Corner may be removed, installed, maintained, or replaced so long as such actions are in accordance with any applicable City of Chicago Code and that all of the above notwithstanding, the SE Corner, if unimproved with a structure, shall at all times be either landscaped, paved or covered with gravel or stone (or some combination of the foregoing), properly maintained, and kept clear of debris. Nothing in this paragraph shall be construed to limit or otherwise restrict the NPO's right to install fences or landscaping on any other portion of the North Parcel (excluding the Strip Parcel).

10. Each of the Parties and their respective successors and assigns shall abide by the Settlement Agreement entered into between the Parties contemporaneously with this Agreement. Upon request of one of the Parties (or such Party's successors and assigns), the other Party (or its successors and assigns) shall confirm in writing that the requesting Party's obligations under the Settlement Agreement have been satisfied or, if not, identify in writing which obligations remain outstanding.

11. Neither of the Parties shall construct any improvements on the Strip Parcel. However, the Parties each reserve the right from time to time to install, maintain, repair and replace utility conduits, including but not limited to storm and sanitary sewer facilities, beneath the surface of that portion of the Strip Parcel falling within the boundary of each owner's Parcel to service improvements now or hereafter constructed upon or beneath their respective Parcels. The party for whose benefit the surface of the Strip Parcel shall be affected for the uses and purposes described in this paragraph shall promptly restore the affected surface of the Strip Parcel at its sole cost and expense.

12. The NPO shall have the right to install such protective devices upon its building, (not

UNOFFICIAL COPY

in-ground) as are necessary to protect permanent occupiable improvements and structures placed on such Parcel or as may be required by City of Chicago zoning or building ordinances, regulations or the like (collectively, "Code"). However, unless required by Code, no such protective device installed by NPO upon that portion of its building that is adjacent to the north end of its 10 foot portion of the Strip Parcel shall extend more than 6 inches away from the building.

13. Nothing in this Agreement to the contrary withstanding shall prevent or preclude either of the Parties from improving their respective Parcels by adding occupiable additions or new occupiable permanent structures or by moving or relocating existing occupiable structures within the legal boundaries of their respective Parcels other than within the Strip Parcel.

14. The easements created hereby by each Party shall be for the benefit of the other Party (including trust beneficiaries if the owner shall be a trust), and such other Party's Parcel, owners, mortgagees and tenants, from time to time, together with their respective licensees and invitees. Notwithstanding the foregoing, only the Parties and their successors and assigns shall have the right to enforce this Agreement.

15. The rights and burdens created hereby shall run with the Land described herein and shall be binding upon and inure to the benefit of the Parties, their heirs, successors and assigns, whether or not any references hereto shall be specifically included in the granting clause of any mortgage, trust deed or deed of conveyance, it being understood and agreed that the terms, provisions and conditions of this instrument shall be deemed to be incorporated by reference in any such mortgage, trust deed or deed of conveyance.

16. The grantee of any Parcel or any portion thereof, by acceptance of a deed conveying title thereto or the execution of a contract for the purchase thereof, whether from an original party or from a subsequent owner of such Parcel, shall accept such deed or contract upon and subject to each and all of the easements, covenants, conditions, restrictions and obligations contained in this Agreement. By such acceptance, any such grantee shall for himself and his successors, assigns, heirs, and personal representatives, covenant, consent, and agree to and with the other party, to keep, observe, comply with, and perform the obligations and agreements set forth herein with respect to the property so acquired by such grantee.

17. Each provision of this Agreement and the application thereof to the North Parcel and Center Parcel are hereby declared to be independent of and severable from the remainder of this Agreement. If any provision contained herein shall be held to be invalid or to be unenforceable or not to run with the land, such holding shall not affect the validity or enforceability of the remainder of this Agreement. In the event the validity or enforceability of any provision of this Agreement is held to be dependent upon the existence of a specific legal description, the parties agree to promptly cause such legal description to be prepared.

18. In the event of a breach or threatened breach by any of the Parties of any of the terms, covenants, restrictions or conditions hereof, the other Party shall be entitled forthwith to full and adequate relief by injunction and/or all such other available legal and equitable remedies from the consequences of such breach, including payment of any amounts due and/or specific performance. Notwithstanding the foregoing to the contrary, no breach hereunder shall entitle any Party to

cancel, rescind, or otherwise terminate this Agreement. If a Party has to initiate any litigation or other proceeding in order to enforce this Agreement then the prevailing Party shall be entitled to be awarded, in addition to any other relief to which it is entitled, its reasonable attorneys' fees and costs.

19. Nothing contained herein shall be construed as creating any rights in the general public or as dedicating for public use any portion of the North Parcel, Center Parcel or Strip Parcel. No easements except those expressly set forth in this Agreement shall be implied by this Agreement.

20. The Parties agree that the provisions of this Agreement may be modified or amended, in whole or in part, or terminated, only by the written consent of all record owners of the North Parcel and Center Parcel, evidenced by a document that has been fully executed and acknowledged by all such record owners and recorded in the official records of the Recorder of Deeds of Cook County, Illinois.

21. The easements, covenants, conditions and restrictions contained in this Agreement shall be effective commencing on the date of execution of this Agreement and shall remain in full force and effect thereafter in perpetuity, unless this Agreement is modified, amended, canceled or terminated by the written consent of all then record owners of the North Parcel and Center Parcel in accordance with Section 18 hereof.

22. This Agreement is entered into for the mutual benefit of the Parties in connection with the operation of their respective Parcels. In no event in this Agreement to be deemed to be or give rise to a partnership agreement or joint venture between the Parties.

23. Notices or other communication hereunder shall be in writing and shall be sent certified or registered mail, return receipt requested, or by other national overnight courier company, or personal delivery. Notice shall be deemed given upon receipt or refusal to accept delivery. Each Party may change from time to time their respective address for notice hereunder by like notice to the other Party.
